Objective of the event:-

A colourful and memorable social event **BHAGIRATH** is organised in SKIT, every year in college annual fest PRAVAH. The motive of the event is to bring big smiles on the faces of the children of underprivileged schools in Jagatpura and JhalanaKachhiBasti. We always try to motivate them to study by distributing prizes to children who get good marks in their classes.

Details (Execution):-

A colourful and memorable social event **BHAGIRATH** is organised in SKIT, every year in college annual fest PRAVAH. This year in the event we invited two schools of under privileged children which are:

SajalPrakharMadhyamikVidhyalaya (Free Education) Kacchibasti, Jagatpura

SakhiBALNiketani (Free Education), KacchiBasti, Jaipur.

In morning we had a welcome ceremony in which we welcomed around 280 children of above schools. The children who scored good in their studies were felicitated with gifts by our respected chief guest, Dr. Shuchi Sharma, Ex- IAS Officer and Prof. Dr. S. L. Surana, Director (Academics), SKIT. We end the welcome ceremony by cutting cake. Then the kids enjoyed snacks, games on various food counters and play zones.

Then we arranged cultural activities to entertain them. Many students of these schools gave various cultural performances like dance or singing performances. We arranged a magic show and everyone enjoyed lot by seeing very interesting and unique magic tricks by magician. After that all children had lunch in girls' hostel garden. We ended this event by delivering some gifts and stationery to all children and required things for their school. The event brought big smiles on the faces of the children and their teachers, which was the motive of the event. The event was coordinated by Ms. KiranRathi, Associate professor, Deptt. Of ECE. Student Coordinators of the event were- Prince Singhal, Umang Sharma, ChakshitGunidia, AabhasNama and Chirayu Jain.

Details of invited guest: - we have invited **OORJA THE BAND** as our guest band and for the judging of the bands who performed during the event

MEMBERS: -

Mr.Abhinav Sharma

Mr.Samarth Verma

Mr.PC FRANCIS

Mr.Ashish Bali

Mr.Tanmay

Objective of the event: -

The objective of a clash of bands event is to provide a platform for musical groups to showcase their talent, compete with other bands, and entertain the audience. Clash of bands events are typically organized as competitions where bands perform in front of a panel of judges who evaluate their performance based on various criteria such as musicianship, stage presence, and crowd engagement. The goal is to crown a winner who is deemed the best among the participating bands. Clash of bands events can be organized by schools, universities, music festivals, or other organizations as a means of promoting music and providing opportunities for emerging artists to gain exposure and recognition.

Details (Execution): -

1. Number of rounds: 2

- 1st will be the audition round in which the participant team will send a sample video recording on our mail id clashofbands.2023@gmail.com latest by 13th April 2023 based on which the teams will be finalized for the main event.
- 2nd round will be the main round which will determine the winning team based on the judging criteria.

2. Gameplay:

- Band performances- Each of the selected bands gets a chance to perform at the event on 19th April 2022 in front of a live audience and a panel of judges. Each band will be given 15 minutes including sound check.
- Judging- A panel of judges will evaluate each performance based on pre-determined criteria like coordination with the team, rhythm, instrumental part, and overall performance.

• Prize-giving ceremony- At the end of the event, the winners will be announced and prizes will be awarded. These prizes may include cash, gift vouchers, etc.

Overall, the gameplay of Clash of Bands is centred around showcasing musical talent and creating an engaging and exciting experience for both the participants and the audience.

Feedback of event: -

It was clear that a lot of thought and effort went into planning every detail, and the result was truly impressive.

One of the highlights of the event, as you mentioned, was the performance by Oorja band. They were amazing and really helped to create a fun and energetic atmosphere. The other activities and attractions were also well-received and kept everyone engaged throughout the event.

In terms of organization and logistics, everything ran smoothly and on time. I appreciate the clear communication and instructions provided both prior to and during the event, which made it easy to navigate and enjoy everything that was on offer. The venue was also a great choice, providing ample space and facilities for all attendees.

Overall, I thought the event was a huge success and I'm so glad I had the opportunity to attend. Please pass on my compliments to the rest of the organizing team and let me know if there are any other events you have planned in the future.

एसकेआईटी मे वार्षिक सांस्कृतिक महोत्सव प्रवाह 2023 डीजे नाइट में भारी भीड़

P3 Police Public Politics

जयपुर । स्वामी केशवानंद इंस्टीट्यूट ऑफ टेक्नोलॉजी (एसकेआईटी) के वार्षिक सांस्कृतिक महोत्सव प्रवाह 2023 के तीसरे दिन लोकप्रिय डीजे सेगी के साथ डीजे नाइट में भारी भीड़ देखी गई। डीजे की धुन पर छात्र उत्साह से नाचते हुए दिखाई दिये। लोकप्रिय ट्रैक और चार्टबस्टर्स की बीट्स पर छात्र झूमते, तस्वीरें क्लिक करते और अपने दोस्तों के लिए चीयर करते दिखे।

जैसे ही तीसरा दिन समाप्त हुआ, उत्साह चौथे दिन भी बढ़ता रहा। दिन की शुरुआत एक प्रमुख कार्यक्रम, 'रंग-कला प्रदर्शन' के साथ हुई, जिसमें पेंटिंग्स और मूर्तियों सहित कला के विभिन्न रूपों का प्रदर्शन किया गया। नवोदित कलाकारों के लिए अपनी प्रतिभा और रचनात्मकता प्रदर्शित करने के लिए

प्रदर्शनी एक बेहतरीन मंच थी ।

इसके अलावा, छात्रों के लिए एक साथ 25 से अधिक तकनीकी, साहित्यिक तथा सांस्कृतिक कार्यक्रम आयोजित किए गए थे। छात्रों के पास अपने कौशल और प्रतिभा को चुनने और प्रदर्शित करने के लिए ढेर सारे विकल्प थे।

दोपहर में प्रसिद्ध हास्य कवि श्री शंभू शिखर, श्री चराग शर्मा, श्री गौरव

पालीवाल, श्री कुणाल आचार्य, श्री चेतन चर्चित और श्री नकुल गोयल जैसी प्रसिद्ध हस्तियों के साथ एक बड़े कार्यक्रम 'काव्यांजलि' का आयोजन किया गया। हास्य रस और शृंगार रस से परिपूर्ण कविताओं और गजलों ने सभी श्रोताओं को बहुत लुभाया। कुल मिलाकर, प्रवाह 2023 का चौथा दिन बहुत सारे रोमांचक कार्यक्रमों और गतिविधियों के साथ एक जोश से भरपूर दिन साबित हुआ।

4. GUITARA – THE BAND [GUEST PERFORMER + ORCHESTRA]

Objective of the event: -

To Provide Students with an opportunity to showcase their musical talents.

Details (Execution): -

Music binds our souls, hearts, and emotions. It cheers the spirit and lightens the heart.

The students of SKIT College, Jaipur , indeed know how to fly. On 20th April 2023, the Solo Singing Competition ‘SUR’ presented by PRAVAH’23 was held for inter and intra-college students. They did take us to a world where music was the language. The students prepared themselves for the competition and performed without feeling nervous.

Mr.Rohit Kataria sir and Mr.Prakhar Somani are welcomed as judges of our event. They are honoured by Momento and Bouquet. Then we welcomed the ‘Guitara’ band who are playing orchestra and also, they were honoured by momento . Mr. Vishal Kaushik and his team ‘Guitara’ give a wonderful performance of 10 minutes. The audience was enjoying a lot on their performance as a flashlight of the whole audience gets on.

Then anchors invited each and every participant on stage to give their melodious performance with the orchestra team. Every participant gives their best at their end. Totally there were 18 performances of which 6 entries were from other colleges and the rest 11 participants were from our SKIT college.

Mr.Rohit Kataria sir and her wife Mrs.Akansha Kataria were invited on stage by anchors to give their marvellous performance. During their performance audience become too much energetic, and start dancing because of their melodious voice.

Sponsors of our event ‘SUR’ are introduced by anchors and they thank them just because of their financial support event went successful. The sponsors of our event were ‘FB Immigration’, ‘RDX Technology’, ‘Matrix Computer Classes’ and ‘Amritsar House’.

When all performances were done there was one guest performance by Ms.Bhawana. After their performance judges were called on stage for results.

Both judges announce the 2nd runner-up, 1st runner-up, and winner of the Solo Singing Competition 'SUR'. And they were awarded with trophies, certificates, cash prizes, and vouchers.

At last, the faculty coordinator of 'SUR' thanked all judges, orchestra, participants, and especially the management team of 'SUR' for making the grand event success.

1. Objective of the event

Organizing a celebrity night in an academic college can have numerous benefits and justifications. Primarily, it can serve as a great way to promote the college and increase its visibility .By having a celebrity perform or attend the event ,it can attract a wider audience and generate interest among potential students and their families. This can ultimately lead to an increase in applications and enrolment, which is beneficial for the college in terms of both reputation and financial stability.

Further, a celebrity night can serve as a way to reward and recognize the hardwork and achievements of the students ,faculty ,and staff .It can provide an opportunity for them to come together, celebrate their successes, and have a good time. This can help boost morale and create a sense of community and unity within the college.

Additionally, organizing a celebrity night can provide valuable learning opportunities for the students. They can learn about event planning ,marketing, and fundraising, as well as gain practical experience in working with professionals and coordinating a large-scale event. These skills can be beneficial for their future careers and can help them stand out in the job market.

In conclusion, organizing a celebrity night in an academic college can have numerous benefits and justifications ,including increased visibility and enrolment, recognition and reward for hard work, community building, and valuable learning opportunities.

2. Major Components

Organizing a successful celebrity night requires careful planning and attention to detail. Some of the key components required for organizing a celebrity night include:

1. **Budget:** Determine the budget for the event, which will dictate the level of celebrity that can be invited, the size of the venue, and the type of activities that can be included.
2. **Venue:** Select a suitable venue that is large enough to accommodate the expected audience and has appropriate facilities such as a stage, sound system, lighting, and seating.
3. **Celebrity:** Choose a celebrity who is relevant to the target audience and has a strong following. Ensure that the celebrity's schedule aligns with the event date and that their appearance fee fits within the event budget.
4. **Promotion:** Develop a marketing plan to promote the event, including social media, email marketing, posters, and flyers. Use the celebrity's name and image to generate buzz and interest.
5. **Tickets:** Decide on the ticket pricing and sales strategy. Sell tickets online or through designated outlets, and ensure that the process is simple and user-friendly.
6. **Event logistics:** Coordinate the event logistics, such as security, transportation, catering, and technical support.
7. **Entertainment:** Plan the entertainment for the event, including performances, guest appearances, and other activities that will engage the audience and create a memorable experience.
8. **Volunteers:** Recruit and train volunteers to assist with various aspects of the event, such as ticket sales, ushering, and backstage management.

Overall, organizing a successful celebrity night requires careful planning, effective communication, and attention to detail to ensure a memorable and enjoyable experience for all involved.

3. The Team

The responsibility of a team in organizing an event is crucial and multifaceted. Each team member plays a vital role in ensuring a successful outcome. Firstly, the team must collaborate to establish clear goals and objectives, defining the event's purpose and desired outcomes. Effective communication is paramount, as team members coordinate tasks such as venue selection ,logistics, marketing ,and program development. Each individual must take ownership of their assigned responsibilities, diligently fulfilling their tasks and adhering to deadlines. Flexibility and adaptability are also essential, as unexpected challenges may arise. By working together armoniously , the team bears the collective responsibility of delivering a memorable and well-executed event. The responsibility for crafting and executing this magnificent event: Celebrity Night was given to the following team which consisted of two faculty coordinators and ten students

The Selection of Celebrity

The selection of a celebrity for a celebrity night event involves several factors. Firstly, event organizers consider the event's theme, purpose, and target audience. They assess the type of celebrity that would best align with these elements. Factors such as the celebrity's popularity, relevance to the event's theme, and their ability to attract and engage the audience are crucial considerations. Organizers may also take into account the celebrity's availability, scheduling conflicts, and budgetary constraints. Additionally, feedback from event sponsors, stakeholders, and attendees may be considered. Ultimately, the selection process involves thorough research, negotiations with agents or management teams, and careful consideration of all relevant factors to ensure the chosen celebrity enhances the event's overall experience.

After considering all the factors mentioned above, the event organizers at SKIT decided to engage in a thorough discussion with all stakeholders involved in the planning process. This discussion aimed to gather input and insights from various perspectives, ensuring a comprehensive evaluation of the options available.

The stakeholders involved in this discussion likely included event organizers, marketing teams, faculty or staff members, student representatives, and possibly sponsors or other key individuals associated with the event. Their collective expertise and understanding of the event's objectives, target audience, and budget were crucial in making an informed decision.

During the discussion, the stakeholders reviewed the desired atmosphere and theme of the event, considering the preferences and expectations of the attendees. They also took into account previous experiences or feedback from similar events. Through this collaborative effort, the stakeholders aimed to reach a consensus on the type of artist that would best suit the

occasion.

In this case, the stakeholders agreed unanimously that a Punjabi singer would be the most suitable choice for the celebrity night event. This decision might have been influenced by factors such as the region's cultural demographics, the popularity of Punjabi music among the target audience ,or the desire to infuse the event with a lively and energetic atmosphere that Punjabi music is known for.

By involving all stake holders in the decision-making process, the event organizers ensured that the choice of a Punjabi singer was not arbitrary but based on a comprehensive evaluation of relevant factors. This approach increases the likelihood of a successful event that aligns with the expectations and interests of the attendees.

Relevancy of a Punjabi Singer

Punjabi singers have gained significant popularity for several reasons. First and foremost, Punjabi music has a vibrant and energetic sound that often blends traditional Punjabi folk music with modern elements such as hip-hop, pop, and electronic music. This fusion creates catchy and upbeat tracks that resonate with a wide audience.

Additionally, Punjabi singers often infuse their music with relatable and heart-felt lyrics that touch upon a range of themes, including love, celebrations, social issues, and cultural pride. This emotional connection with the audience helps to build a strong fan base.

Furthermore, Punjabi music is not limited to the Punjabi-speaking region alone. It has transcended geographical boundaries and has a significant global following, particularly among the Punjabi diaspora. This wide spread popularity has been fuelled by advancements in technology, social media, and streaming platforms that make it easier for music to reach a broader audience.

Lastly, Punjabi singers are known for their lively and engaging stage performances. Their energy, charisma, and ability to connect with the audience during live shows contribute to their growing popularity and fan loyalty.

Overall, the combination of infectious music, relatable lyrics, global accessibility, and captivating live performances has contributed to the immense popularity of Punjabi singers.

The Artist: Jassie Gill

Jasdeep Singh Gill (born 26 November 1988) is an Indian singer, live performer and actor associated with Punjabi and Hindi language music and films. Gill made his debut in 2011 with the album *batch mate* which included the song *Churiyan*. In 2012 he followed this up by releasing the single *Vigrey Sharabi*. In January 2013 he released his second album *Batchmate 2*, which included the song *Lancer* with lyrics by Narinder Batth. He followed this up with the song *Classmate* that featured in the movie *Daddy Cool Munde Fool*. In September 2013 he came out with another single, *Pyar Mera*. [9] After the release of his album *Replay*, he released the single *Nakhrein* in 2017.

Gill made his acting debut on the big screen in *Mr & Mrs 420*. He followed this up with *Dil Vil Pyar Vyar*. He paired with Roshan Prince and Simran Kaur Mundi in the romantic comedy *Mundeyan Ton Bachke Rahin*.

Gill signed to make a film with Gauahar Khan in February 2015, titled *Oh Yaara Ainvayi Ainvayi Lut Gaya*, which marked her debut in Punjabi films. He also starred in *Channo Kamli Yaar Di* alongside Neeru Bajwa. He debuted in Hindi cinema with the 2018 film *Happy Phirr Bhag Jayegi*, alongside Sonakshi Sinha, Diana Penty and Jimmy Sheirgill. It was released on 24 August 2018. In 2020, he acted in *Panga*, starring alongside Kangana Ranaut. He was last seen in 2021 film *Kya Meri Sonam Gupta Bewafa Hai?* co-starring Surbhi Jyoti in her debut film. In 2023, he played the role of Moh in Salman Khan's *Kisi Ka Bhai Kisi Ki Jaan* opposite Palak Tiwari.

The first poster (shown below) for the celebrity night was launched on April 5, 2023 during a pre-PRAVAH event.

5. Necessary Arrangements

The first and the foremost arrangement for conduction of an event of this kind requires many details and most of them are provided in form of a tech rider by the artist .A tech rider for a singer typically contains detailed information about the technical requirements and specifications for a live performance. It serves as a guide for the venue's technical staff, ensuring that the necessary equipment and setup are in place to support the singer's performance .Here are some common elements covered in tech rider:

1. Stage Setup :It includes details about the stage dimensions ,layout ,and any specific requirements, such as the presence of a cat walk ,ramps ,or stairs.
2. Sound System: This section specifies the desired sound reinforcement equipment, including the type and number of microphones, monitors ,speakers, and mixing consoles required. It may also include information about signal processing equipment, such as compressors or equalizers.
3. Backline: The backline refers to the instruments and amplifiers used by the singer and their band .This section lists the specific instruments needed, such as guitars, keyboards, drums, and bass, along with any preferred brands or models.
4. Lighting :Details about the lighting setup ,including stage lighting fixtures, effects, and control systems, are mentioned here. It may also specify the desired lighting cues, colors, and intensity for different parts of the performance.
5. Video and Visuals: If the singer in corporates video screens, projections ,or other visual elements ,this section outlines the requirements for video equipment ,including projectors ,screens ,cameras ,and video playback systems.

6. **Power Requirements:** Information about the power supply needs for all the equipment, including the total power load, power outlets, and any backup power arrangements, is mentioned here. **Technical Personnel:** The tech rider may specify the number and roles of technical personnel required, such as sound engineers, lighting technicians, and stage hands. It may also include any specific qualifications or experience expected from the technical crew.
7. **VFX Personnel :** In some cases, the tech rider may outline the need for specific VFX personnel, such as a VFX operator or technician, who will be responsible for managing the visual effects during the performance. It may also specify any specific qualifications or experience required from the VFX team.
8. **Miscellaneous:** This section can cover additional details, such as dressing room requirements, hospitality provisions, security arrangements, and any special requests or restrictions.

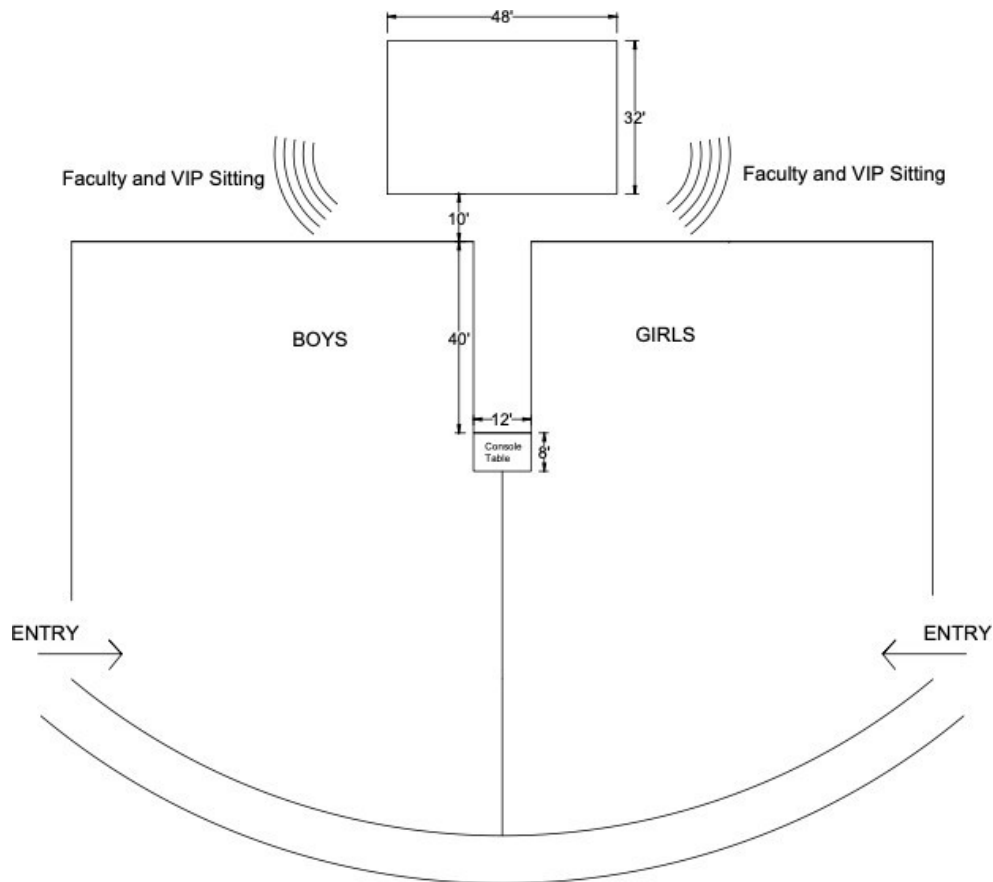

It's important to note that the exact contents of a tech rider can vary depending on the specific preferences and requirements of the singer or their production team. Each artist may have their own unique needs and specifications so the tech rider serves as a way to communicate those requirements effectively to the venue's technical team.

The tech rider of Mr. Gill included all details for smooth conduction of the event and these details were shared with the sound engineer, VFX specialist, security agency, tent house, travel provide and hotels for suitable accommodation. The artist's accommodation was booked in Hotel Lalit while the accommodation for the crew was booked in Hotel Marigold. The travel tickets of artist from Mumbai to Jaipur and back to

Chandigarh was also booked. Three separate vehicles were booked for the travel of artist's crew from Chandigarh and Delhi. Security services were also booked for avoiding any dire situation. Luxury vehicles were also arranged for local travel of artist.

6. Venue for the event

The football ground of the institute was selected for the venue. The arrangements in the ground are detailed in the following figure:

7. Event Details : Execution

On the fourth day (21st April 2023) of Swami Keshwanand Institute of Technology ,Management and Gramothan ,Jaipur's annual cultural fest Pravah 2023 Star Singer Jassie Gill's night show was organized . The event started with the stage coordination and anchoring by RJ Mohit (Radio Jockey , My FM).At the beginning, Mr. Vinayak Sharma (Chief Editor and founder of Sach Bedhadak Media Group) shared his experiences with the youth which was followed by performance by Jassie Gill

In a night of vibrant beats, soulful melodies, and electrifying energy, renowned Punjabi singer Jassie Gill mesmerized the audience. With a stellar performance that showcased his exceptional talent and magnetic stage presence, the singer left the crowd exhilarated and craving for more. From the moment Jassie Gill took the stage, the atmosphere became charged with excitement. The audience was immediately drawn to his infectious energy and captivating charisma. With each song, he effortlessly connected with the crowd, evoking a sense of unity and celebration.

His song selection was impeccable, spanning across his chart-topping hits and soulful ballads. The crowd roared with delight as they sang along to every word, creating an atmosphere of pure joy and euphoria. Jassie Gill showcased his versatility by seamlessly transitioning between foot-tapping Bhangra beats and emotional, heart-touching melodies.

Accompanied by a talented band, the musical arrangements were executed flawlessly, providing the perfect backdrop for Jassie Gill to shine. The musicians' skillful play added depth and energy to the performance, captivating the audience from start to finish.

Visually, the stage production was a feast for the eyes. Vibrant lighting and stunning visual effects complemented the singer's dynamic presence, enhancing the overall experience for the audience. The combination of stellar vocals, engaging choreography, and eye-catching visuals created a truly unforgettable spectacle.

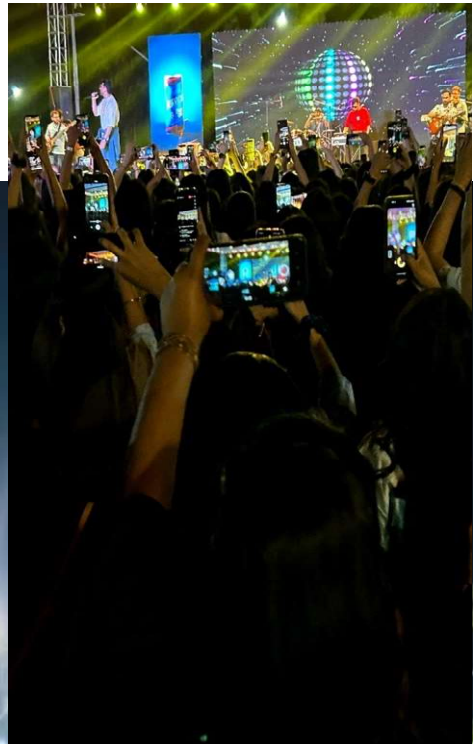

By the end of the performance, the audience was left in awe, their spirits uplifted by the sheer talent and infectious energy of Jassie Gill. The night was a testament to the power of Punjabi music, uniting people from all walks of life through its universal appeal.

Details (Execution):-

❖ *Planning Phase*

- Form an organizing committee consisting of a few experienced students and faculty members who can oversee the event.
- Define the event goals, objectives, and target audience.
- Decide on a suitable date, time, and venue for the event.
- Create a budget plan and seek sponsorship from various companies or investors to cover expenses.
- Advertise the event to potential participants, sponsors, and investors through various mediums such as social media, flyers, and posters.

❖ *Pre-Event Phase*

- Invite applications from interested teams to participate in the Startup Expo.
- Notify the participated teams and provide them with guidelines and instructions for the event.
- Arrange for necessary logistics such as tables, chairs, audio-visual equipment.
- Create a comprehensive event schedule and plan out the activities for the day.

❖ *Event Day Phase*

- Assign volunteers to different tasks such as registration, guidance, and event management.
- Set up the venue with proper branding and signage to create an engaging and interactive atmosphere.
- Allow the participating teams to showcase their products, services, or ideas to the visitors, judges, and investors.
- Arrange for pitch sessions where each team presents their business plan to a panel of judges consisting of experienced entrepreneurs and investors.
- Conduct workshops or talks by industry experts to provide insights into various aspects of entrepreneurship such as funding, marketing, and sales.
- Offer networking opportunities to participants, sponsors, and investors to connect with each other and explore potential collaborations.

❖ *Post-Event Phase*

- Announce the winners and distribute prizes or awards to the top-performing teams.
- Share the event highlights and outcomes with the college community and the public through social media, press releases, and blog posts.
- Follow up with the participating teams to provide feedback, suggestions, and future opportunities for growth.
- Evaluate the event's success and identify areas for improvement in the next edition. Regarding the investment opportunity of up to Rs 30 lakh, the event organizers created a separate pitch session for investors to review the selected

teams and make investment offers based on their business plans and potential . It was essential to ensure transparency, fairness, and legality while dealing with the investment process and abide by the necessary regulations and norms.

Lakh. This is a significant opportunity for students who are looking to start their own business and need financial support to get started I believe this kind of support from the college and the event organizers is in valuable for students who want to pursue entrepreneurship.

The event itself was very engaging and informative. The presentations from the participating teams were of a high standard and it was clear that a lot of effort had gone into the preparation. The judges were also very knowledgeable and provided valuable feedback to the teams, which I am sure will help them in their future endeavors.

The event was a great success, and I hope its ervesasan inspiration for future events hosted by the college. I believe that events like these not only provide valuable opportunities for students to showcase their talents but also help to foster a culture of entrepreneurship and innovation within the college community.

Feedback of event:-

Tug of war was held during PRAVAH'23. It was a amazing experience to see various teams battling against each other to win. Safety was a top priority at the event, with strict rules and regulations in place. The final match was the highlight. The atmosphere was incredible, and the level of competition was off the chart.

Feedback on event: - As a coordinator for the escape room event, I would like to express my heartfelt gratitude to everyone who participated in the event. It was a huge success, thanks to the dedication and hard work of our team and the enthusiastic participation of the attendees.

We were thrilled to see how much everyone enjoyed the event, with many of them commenting on the challenging puzzles, innovative design, and high level of immersion. The feedback we received from the attendees was overwhelmingly positive, and we are proud to have provided a unique and memorable experience for everyone.

Our staff worked tirelessly to ensure that the event ran smoothly, providing clear instructions, assistance, and support throughout the game. Their professionalism, expertise, and enthusiasm were integral to the success of the event, and we are grateful for their commitment to making it a fun and engaging experience for everyone.

We are thrilled to receive such positive feedback from the attendees, and we will use this valuable feedback to further improve our future events. We look forward to hosting more exciting and challenging escape rooms in the future, and we hope to see you all again soon!

Once again, thank you for your participation and support, and we hope you had an unforgettable experience at our escape room event

Scream & Chill Report

Name of the event: -SCREAM and CHILL

Date of the event: -20th April 2023

Time of the event: -9am to 12 noon and 3pm to 6pm

Venue of the event: - JC BOSE seminar hall and tea post area

Level of the event: -Intercollege

Event brochure or banner: -

Objective of the event: - Entertainment

Details:-As the coordinator of a horror discussion event, I am pleased to present this report summarizing the key points and takeaways from the event

.The discussion was held on the April 20th, 2023, at JC BOSE seminar hall. The event was well attended, with approximately 350 horror enthusiasts in attendance. The attendees ranged from juniors to seniors, and all shared a common interest in the horror genre. The discussion was moderated by myself, and I opened the event by welcoming everyone and thanking them for coming.

The attendees had a lively discussion about their favorite horror films and books, and many shared their opinions on what makes a good horror story. Some attendees preferred psychological horror, while others preferred more visceral, gore-filled horror. We also discussed the importance of suspense and tension in horror, as well as the role of music and sound design in creating a scary atmosphere.

One of the more interesting points raised during the discussion was the idea that horror can serve as a commentary on societal issues. Several attendees mentioned that horror can be a way to explore and confront our fears and anxieties, including those related to politics, technology, and the environment.

Towards the end of the discussion, we talked about the future of horror and what trends we might see in the coming years. Some attendees predicted a return to more traditional horror themes, while others speculated that horror would continue to evolve and explore new territory.

Overall, the horror discussion was a success, with attendees sharing their insights and opinions on the genre. It was clear that everyone had a passion for horror, and I hope that this discussion has inspired them to continue exploring the many facets of this fascinating genre.

The objective of the event: The event tests the soft skills and creative thinking of the participant. It looks at the aspects of communication, body language, eye contact, and presentation of yourself. It also checks the convincing power of the participants and how they can convince the SHARKS of our event to win the prizes.

Details (Execution): The event was divided into two rounds:

1st Round:

- Individual participants were called upon the stage and a general query was asked. Based on their answers participants were selected for the next round.

2nd Round:

- Prizes were shown to the selected contestants, and 15 min common timing slot was provided.
- Every was asked about the product they want to pitch for.
- According to the product participants were called and pitched their points on why this gift should be given to them.
- Sharks evaluated them and cross-questioned them, based on the answer's product given to the participant.

In the end, Mr. Event and Miss Event were chosen based on their overall presentation at the event.

Details/list of invited guest/speakers :-

Name	Designation
Mr. Ankit Dhir	CEO & Founder of HabileLabs Pvt. Ltd.

Objective of the event:-

Code Hunt is an inter-college coding contest with a twist. Here the participants have to hunt for the questions that they have to solve based upon the hints that they will receive. This event aims to judge coding and problem-solving skills of the participants.

Details (Execution) :-

1. Code Hunt was a coding contest that was organized on HackerRank.
2. In this contest, the participants were required to solve total 5 questions in 1 hour 30 minutes.
3. The problems provided were of easy to medium level.
4. On the contest page there were total 15 questions from which the participants have to hunt for the desired 5 questions to code according to the hints provided to them on mail.
5. The first question to solve was given by us, on successful submission of which the participants receive a hint for the next question on their mail ids.
6. According to the hint the participants have to hunt for the question and code it.
7. Similarly they have to solve the rest of the questions.
8. The person solving the maximum number of questions in minimum amount of time was declared the winner.

Objective of the event :- ROBOWAR is a combat competition. The only way to win the fight is that you have to pin down or destruct the opponent's robot.

Details (Execution) :- A combat was organized in physical mode where the participants were allowed to compete as a team or as an individual. Also, the participants who did not had a bot to fight were provided with our bot for a combat fight amongst themselves.

3 Rounds were organized for the fight in which the rules were clear that the one who will slide the opponent's bot out of the arena maximum times will be declared as the winner.

This was a fun event organized for the students to draw their attention towards robotics and its application.

Objective of the event :-

To create awareness about the Research areas in Electronics and Communication Engineering.

Execution of the event :-

2:00 pm – We reached at the venue LT 304 with projector keys, 2 trophies, 2 winning certificates, laptop and our faculty coordinators Ms. Manju mam and Ms. Pooja it was the day of DJ night in pravah during our event timing there was power cut at the venue and in whole CS Block as far as we knew.

2:25 pm – All the participants of the events arrived at the lecture room 304 of the event.

2:30 pm – We started calling teams for presenting there presentations on laptop, as the power supply wasn't there.

3:15 pm – 5 teams were there to compete for 2 winning positions, participants presented topics on cmos analog ic design, signal conditioning, embedded system in automobiles, networking, pcb design. At this time, they completed presenting their ppts. We also allowed participating teams to ask questions while their rival teams were presenting.

3:30 pm – We announced the name of two winners, faculty coordinators presented them with trophies and winning certificate.

3:45 pm – We took group photographs and ended our event on the positive note.

Feedback of the event :-

My seniors and faculties organised this event very well and I want to thank our other participants for creating competing environment with their hardwork on presentations and

giving us insights on cmos analog ic design, signal conditioning, embedded system in automobiles, networking. This session boosted my confidence to start new venture in the field of Electronics and Communication Engineering. I am sure that this whole experience of paper presentation competition is something to be shared and remembered with friends and while entering for placements too.

News of the Event :-

Paper Presentation Competition (ECE) was the IEI student chapter SKIT technical event in Pravah 2023 on 20th April. Mr. Satendra Singh Assistant Professor ECE department VGU Jaipur was our guest judge in the event. We organised this event to inspire students to start their ventures in the field of Electronics and Communication Engineering, we created a single platform for all the interested students in the field of automation using embedded and communication systems. We are looking for organising further such events for the students interested in doing research work in specialised fields of ECE.

Objective of the event :-

To create awareness about blockchain and web3 and support students for their ventures using blockchain technology.

Execution of the event :-

9:00 am – We reached at the venue CL 13 lab 3rd floor CS Block. We (Tanish Khandal and Kirti Sagar) asked for permission and allowance to use lab equipments like projector and computers for our participants.

9:15 am – All the participants reached at the venue, we coordinated with our guest speaker Karan Gill for an online session on google meet. Links of the session were shared to participants and registered students who just wanted to take part in the event virtually.

9:25 am – We started our session, students were actively interacting with speaker during the session our speaker talked about blockchain/web3 journey, who am i?, global blockchain technology market, U.S. Blockchain Technology Market, Trend in web3 salaries, what we are doing for web3?, what is stopping us?, possible solutions, how we can add more value?, what is coming soon from the blockchain hive startup. Now, session opened for queries.

9:50 am – We shared blockchain quiz link on the session and to virtual participants. Quiz in the form of google form comprised of 50 questions to be solved in 15 minutes.

10:06 am – We closed the link and started reviewing scores, we called our faculty incharge to announce the name of winners and distribute prizes to present students at the venue. We took our group photos, food coupons were distributed to participants provided by pravah cell.

10:55am – We started wrapping up our session, everything was placed at their usual places in the lab. Our event ended.

Feedback of the event :-

My seniors and faculties organised this event very well and I want to thank our guest speaker for giving us insights on blockchain/web3 journey, global blockchain technology market, U.S. Blockchain Technology Market, Trend in web3 salaries, what we are doing for web3?, what is stopping us?, possible solutions, how we can add more value?, what is coming soon from the blockchain hive startup. Invited Guest :-

Mr. Ravi Kumar Swami (Director CADIMATE Jaipur)

He is the Director, CADEMATE Training and Technical Services (opc) Pvt. Ltd.

He was invited as the judge for the student design competition.

Objective Of the Event :-

The competition aimed to raise student's awareness of CAD designing abilities and potential career opportunities. It also aimed to encourage them to learn CAD software.

Details of the Event :-

The student design competition was held on 20th April, 2023 at CAD Lab Mechanical block. The competition had two stages.

The first stage involved a 2-D drawing, participants had to create it in AutoCAD within 30 minutes with proper dimensioning. The goal of this stage was to assess the participants knowledge to AutoCAD and their approach to using them. A neutral tone was used to convey the information.

In second stage the participants received a 3D sketch and were instructed to draw it's isometric view in AutoCAD. The purpose of this stage was to assess the participants deeper knowledge of the software and their ability to extract data from the problem as some data was provided indirectly.

Objective of the event:-

An Opportunity to hone your technical writing abilities and get rewards, whether you are a student, a graduate, a working professional, or trying to create a career in technology. This event will bring numerous rewards to your door if you believe that your technical writing has the ability to persuade, educate, draw readers in, and keep them interested. Share your knowledge and earn assured certificates and exciting awards.

Details (Execution):-

Competition Structure:-

The competition had a total of 19-20 participants who were required to submit a technical article on any topic related to their field of expertise. The articles were evaluated based on their technical accuracy, writing style, and overall presentation. The competition was open to all participants, and the submissions were required to be original and not published elsewhere.

Participants:-

The participants included students, graduates, and working professionals from various technical fields such as engineering, computer science, and information technology. The participants were from different parts of the country, and their submissions covered a wide range of topics, including artificial intelligence, blockchain, cybersecurity, and cloud computing.

Judging Criteria and Process:-

The submissions were evaluated by a panel of judges consisting of technical experts and professional writers. The judging criteria included technical accuracy, writing style, organization and structure, and the overall presentation. The judges assigned scores to each submission based on these criteria and selected the winners based on the highest scores.

Results and Rewards:-

The winners of the competition were announced on April 21, 2023. The first prize was awarded to Mannat Goyal, a gn engineering student in Electrical, for her article on "Dark Pattern and Consumer Psychology in Online Platform" The second prize was awarded to Ishita Vyas, an engineering student in Information technology, for her article on "BYOD Bring Your Own Device".

All the winners received exciting rewards, including certificates, cash prizes, and goodies from the event sponsors. The participants also received certificates of participation.

Conclusion:-

The Technical Content Writing Competition was a successful event that provided an excellent opportunity for technical writers to showcase their skills and win exciting rewards. The competition received a positive response from the participants, judges, and event organizers, and it is expected to be held in the future as well.

News of the event:- The event started with a warm welcome of our guests, judges and participants. Then the rules of the event as well as the judgement criteria of the presentation were told to everyone and then the presentations began. The participants had to prepare a presentation on the topic “Panchtatva- The 5 elements of earth” of about 3-5min after which the points would be deducted for surpassing the time limit. The presentation must contain 20 slides with animation and audio. The presentations were judged on the basis of the overall quality of content, animation, and the presentation along with the way the participants present their presentation. One by one the participants took the stage and presented their take on the topic with confidence, great content, and information, their great presentation and communication skills, and

creativity. After the presentations were done, the judges decided the winners on the basis of the criteria mentioned before. Once the decision the made the prizes were distributed to the winner and runner-ups Lastly, the event ended on a positive note where the audience was appreciating the creativity and the presentation skills of the participants.

Objective of the event:- As the world is advancing it's okay to own a technology , what's not okay is to be owned by the technology.

In a world full of algorithms, hashtags, and followers we are here to spread awareness about the true importance of human connection, through enacting a small Nukkad Natak on "सोशल मीडिया के दुष्प्रभाव ".

Details (Execution) – Firstly, we gathered all the piece of information that we could and started making small plots with that piece of information, on our topic- “Side effects of Social Media.” Then we performed all the plots together to make it a impactful nukkad natak and convey our message among the youth, how social media use can also negatively affect teens, distracting them, disrupting their sleep, and exposing them to bullying, rumor spreading, unrealistic views of other people's lives and peer pressure. The nukkad natak was greatly appreciated by the audience. We were successful in spreading awareness among people and also in entertaining them with a humourful yet impactful and deep act.

Objective of the event:- To interact with elder's and show gratitude towards them.

Details (Execution):- On 19th April 2023, our college organized a social event UMANG for the elderly residents of a nearby old age home. The event started at 9:00 am with a warm welcome by applying tilak and gifted our guests a beautiful plant. After the welcoming ceremony, Sooraj and shivin, our talented college students, performed beautiful songs for our guests. The performance was enjoyed by all, and the guests were left feeling entertained and delighted.

Next, we served cake and breakfast to our guests, they enjoyed the delicious food with joy. This was followed by an interactive session where the elderly guests were able to share their stories and experiences with our students and teachers. We then played the first game of passing the parcel, which was enjoyed by all and added to the festive atmosphere of the event. After the performances by our guests, we played the second game of housie. They enjoyed playing the game and were happy to win some exciting prizes.

At 11:30 am, we served lunch to our guests, which they appreciated very much. Finally, at 12:10 pm, the event ended with a heartfelt departure ceremony. We thanked our guests for attending the event and gifted them shawls as a token of our appreciation. The elderly guests left with a smile on their faces, and we were happy to have been able to create a positive and memorable experience for them.

In conclusion, the college fest social event for old age home people was a great success and we are motivated to organize more such events.

Objective of the event: Chai Pe Charchaa is a group discussion event that aims at providing a platform to all the individuals to showcase their communication skills and to communicate their views on a topic with a group of people.

Details: The event began with an introduction by the coordinator, who sets the agenda and the rules of the discussion. The participants then started to share their thoughts and ideas on the topic of discussion, and the coordinator facilitates the conversation, keeping it on track and ensuring that everyone got a chance to participate. The discussions covered a wide range of topics, from politics and current events to social issues, culture, and personal experiences. The atmosphere was generally relaxed and informal, allowing people to express their opinions freely and engage in a respectful and constructive dialogue. As the event progresses, tea was served, and the conversation continued to flow.

Execution of the event:

The event before our event in JC Bose was Blossom, this event was over around 11:15 am. We started filling seminar hall between 11:15 am and 12:00 pm.

11: 30 am – Our guest speaker Mr. Ravikant Soni arrived in our college.

11: 35 am – We make him seated in tea room, water bottles and refreshments were arranged by Vinam Choudhary. I (Tanish Khandal) introduced our guest to Literary committee head students Nikita Gupta, Garvit Mathur, Harsh Goyal and others.

11: 40 am – Our faculty coordinators Ms. Pooja Choudhary, Ms. Manju Choudhary and other faculty Ms. Neha Mathur mam were being introduced to our guest speaker.

12: 00 pm – JC Bose Hall was ready for event with the help of Charan sir and volunteers (Kannu Sharma and Rahul Singh Panwar).

12: 10 pm – We invited our guest speaker to hall and the session started. Mr. Ravikant Soni had a ppt on Career opportunities and Best Practices for students to navigate students in session. A warm floral welcome was given to him by Neha Mathur mam.

1: 30 pm – Session ends. With such plethora of technical expertise in cloud and devops it was understood that most of the things as takeaway from the session were not bounded for the minds of the student even then he tried to keep session interesting and memorable for us. We are thankful for the same to him. A token of gratitude (momento) was presented to him by Ms. Manju Choudhary mam.

1:30 pm to 2:00 pm We wrapped up our event with photos and queries from participants to sir.

Feedback of the event:

My senior and faculties organised this event very well and I want to thank our guest speaker for giving us insights on tools, development terms, positions in companies for engineers, on how work happens in companies like Cvent. Stories and Memes of working in fast paced environment helped us understanding professional scenarios well. I am sure that this whole experience of youth talk session is something to be shared and remembered with friends and while entering for placements too.

Important points were when sir talked about how skills differentiate you among other students. Also the punch line in the end “raise your voice beyond the noise”.

News of the Event:

Youth Talk is a literary event in Pravah 2023. Mr. Ravikant Soni was our guest of honor and speaker, he is senior cloud operations manager in Cvent Gurgaon with 14years of work experience, earlier he was in Ameriprise financial services. We organised this event to inspire students and bridge the gap between college and companies hiring graduates. Even with his high technical expertise he tried to keep talk as interesting and memorable as possible.

Objective of the event – Testing General Knowledge

Details (Execution) – Firstly we started the event by asking all the participants to submit their mobile phones because it was clearly mentioned that you should not have any kind of internet sources available with you.

Total students were 12 so we divided them into 2 groups, 6 in each. Conducted rapid fire for both the group and then we got our 2 candidates which will take the hot seat. Then asked questions accordingly with the help of ppt. At the end our faculty coordinator facilitated them with the winner's certificate. Cash Price was also given to the winner.

Feedback of event:-

“The Debate Masters” event held on 18-04-23, Tuesday was a highly engaging and thought-provoking event. The participants presented compelling arguments on a variety of topics and demonstrated impressive research and public speaking skills.

The format of the competition was well-structured and allowed each team to present their arguments effectively. The judges were fair and provided constructive feedback to each team, which was appreciated by the participants.

One of the strengths of the competition was the diversity of topics chosen. The topics were relevant and contemporary, which allowed participants to develop a deeper understanding of current issues and hone their critical thinking skills.

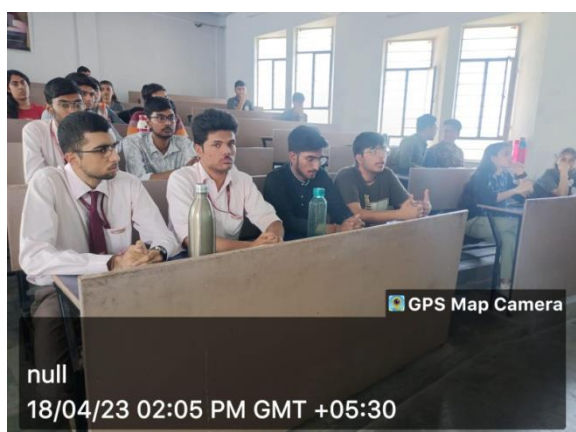

Another notable aspect of the competition was the quality of research and evidence presented by the teams. The participants had clearly done their homework and were able to back up their arguments with convincing evidence, which made for a highly engaging and informative debate.

Overall, the debate competition was a huge success, providing an excellent platform for students to showcase their research, public speaking, and critical thinking skills. The organizers are to be commended for their efforts in putting together such a well-organized and engaging event.

Feedback –

1). Judge – Mr. Shirish Nagar – “Very well done entire team. All of you did very well and the coordination was also satisfactory. The participants were also corporative that is the main reason for the smooth execution of entire event. Some were exceptionally good at spellings and some were just ok. Lastly concluding it was a successful event.”

2). Literary event coordinators – Mr. Harsh Goyal , Miss Nikita gupta , Miss Getika Mathur , Miss Lakshita natani , Garvit Mathur – “Very well organised and same level of execution. This event was up to the mark of expectation.

3). Arin Kumawat – “This was a very nice event and I am very happy to be the winner of this event . All participants were very competitive and knowledged. I really enjoyed the event and moreover the judge was unbiased and was same in the tie-breaker round.”

Objective of the event :- This time Pravah has linked us to the magic of life and the Beauty that surround us! It's the beauty of Panchtatva - Prithvi, Jal, Agni, Vayu, Gagan which composes the entire universe .

The air we breathe, the twinkling stars in the sky, the gentle breeze blowing through the trees, the land on which we stand and the serene and calmness water gives .

Details (Execution) :-

Annual Day was held on 22nd April 2023 from 5:00 pm onwards at the OT CS block. The chief guests for the day were Honourable speaker Dr CP Joshi, honorable Speaker, Rajasthan Legislative Assembly and Prof SK Singh, honorable Vice Chancellor, RTU.

Inauguration of Swami Keshvanand statue and Indoor stadium was done by the chief guests. The prize distribution ceremony for all the toppers of the college was held. The chief guest also motivated the audience by their speech. Different performances were organized by 130 students of the college starting from Vandana(describing the panchtatvas and thanked the god for providing all of them), followed by Mime and dance based on COVID. After this, our 5 groups performed dance on 5 different elements which were Vayu, Agni, Jal, Prithvi, Gagan. A drama was performed on Borders of Army. At last the core team members of PRAVAH (both teachers and students) were felicitated by the momento followed by the felicitation of faculties of other departments for their remarkable contribution throughout the journey. The day came to an end with the delicious dinner.
