1. E-Cell, IIT Kharagpur

About E-Cell, IIT Kharagpur-Entrepreneurship Cell, IIT Kharagpur is a student-run non-profit organization established to promote entrepreneurial spirit among the college students at IIT Kharagpur and beyond. They are one of the most successful entrepreneurial organizations in the country, having incubated over 50 startups in the first 10 years.

2. About SKIT:-

Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT), inspired from the learnings of Swami Keshvanand, was established in the year 2000 by Technocrats and Managers Society for Advanced Learning. Today, the Institute is recognized as one of the centers of academic excellence in Northern India. The Institute is affiliated to Rajasthan Technical University, Kota for offering Ph. D., Postgraduate and Graduate Courses in Engineering and Management.

Located in the Pink City Jaipur, which is a blend of traditional history and modern outlook, SKIT is putting in efforts for making industryready engineers and managers through effective Industry –Institute Interface. Apart from University curriculum, SKIT also pursues activities for research and development in various fields.

The green landscaping, aesthetic elegance of arches and the vibrantpursuit of knowledge by the young aspirants make the environmentserene, pleasant and dynamic.

Students joining the institute share the box full of opportunitiesfor professional and personal development through an environment of practical orientation, industrial interaction and student led activities which help the students to develop good communication skills, integrated personality and greater competitive spirit.

Our Inspiration

"Mass illiteracy is the root cause behind backwardness of India. If we want speedy progress of nation we need to root it out as early as possible."

– Swami Keshvanand

Swami Keshvanand, an orphan, illiterate, nomadic man who never received formal education, was the founder of more than 300 schools, 50 hostels and innumerable libraries, social service centers and museums. Swami Keshvanand had a deep understanding of the rural society of the desert region. He had explained the peculiarities of the desert region, identified the problems and suggested appropriate and logical solutions. It was Swami Keshvanand's lifelong endeavour to eradicate social evils like untouchability, child marriage, indebtedness, poverty, backwardness, alcohol abuse, moral dissipation etc.

Vision

To promote higher learning in advanced technology and industrial research to make our country a global player

Mission

To promote quality education, training and research in field of Engineering by establishing effective interface with industry and to encourage faculty to undertake industry sponsored projects for students.

Quality Policy

We are committed to 'achievement of quality' as an integral part of our institutional policy by continuous self-evaluation and striving to improve ourselves.

Institute would pursue quality in

- All its endeavours like admissions, teaching- learning processes, examinations, extra and co-curricular activities, industry institution interaction, research & development, continuing education, and consultancy.
- Functional areas like teaching departments, Training & Placement Cell, library, administrative office, accounts office, hostels, canteen, security services, transport, maintenance section and all other services."

About Incubation Cell

The institute has an incubation cell named as “SRIJAN” was established in the year of 2016.

The institute has an incubation cell named as “**SRIJAN**” with following Vision, Mission and Objectives: -

Vision

To foster a culture of innovation, problem solving and research for the betterment of the society and the nation.

Mission

To promote interest and research in path breaking tech driven ideas leading to entrepreneurship, while hand holding young start-ups and accelerating their growth through vital inputs, supportable mentorship and industrial connect.

Objectives

- Encourage students to develop innovative projects/products to become job givers instead of job seekers through facilitation in opening start-ups.
- Take up development of industry sponsored projects.
- Encourage Faculty /students teams to conduct seminars/trainings on state of art technology platforms otherwise not covered in the syllabus.
- Collaborate with semiconductor companies like TI/FREE SCALE/ST/MICROCHIP to undertake embedded learning through embedded club activity.
- Encourage amongst faculty/students C.F.T Culture for project development.

11. Course wise detailed Report

About E-Cell, IIT Kharagpur-

Entrepreneurship Cell, IIT Kharagpur is a student-run non-profit organization established to promote entrepreneurial spirit among the college students at IIT Kharagpur and beyond. They are one of the most successful entrepreneurial organizations in the country, having incubated over 50 startups in the first 10 years.

IIT Kharagpur's Entrepreneurship Cell proudly introduces to all the students out there a nationwide flagship event called Entrepreneurship Awareness Drive (EAD) and Local Startups Meet (LSM) 2022 by conducting 36 events in 28 cities. With the core idea of Learn as You See, EAD features a series of guest lectures and workshops where students learn from successful individuals in society.

Get introduced to a massive Pan-India drive, Entrepreneurship Awareness Drive (EAD), launched to reach out to colleges across diverse cities in India. The primary goal is to promote entrepreneurship amongst our students. EAD began its work in 2009. Now, it has grown manifold to the extent that it has significantly impacted the entrepreneurial ecosystem.

Entrepreneurship Awareness Drive (EAD) will consist of Workshops conducted by distinguished and thriving entrepreneurs, Guest lectures, industry leaders, and brilliant business tycoons. Students will get a great opportunity to interact with these experts. They can ask for their advice on multiple fields of entrepreneurship. During EAD, students will get introduced to the avenues of business models, startups, and resources. They can effectively utilize these resources as the building blocks of their adventure as an entrepreneur.

E-Cell, IIT Kharagpur has decided to reach the next level by taking this initiative further to greater scales. That is why they launched this new edition of EAD Jaipur this year at the Swami Keshvanand Institute of Technology, Management & Gramothan, Jaipur on 3 October 2022. The Incubation Cell of SKIT was very excited to spread the spirit of Entrepreneurship. A 4 hour event, there were guest lectures, which surely made the students aware of the problems and their solutions after starting a start-up.

Speakers of this year-

First of all, we had a keynote session from an Entrepreneur turned Influencer Mr. Rishabh Jain (Founder Labour Law Advisor & QuickPayRoll) where he shared his journey with all of us, then we had a session by Dr. Ravi Modani (President TiE Rajasthan, Founder 121 Finance) on the topic "Entrepreneurship - The Art of Managing Risk", we also had a motivational session by Mr. Ashish Arora (SVP and National Head Academics, Unacademy) on Time Planning and Resource Management of Startups. We are deeply honored to have Dr. Jagdeesh Chandra, CEO & Editor in Chief of Bharat 24, and CMD of First India News as our chief guest for the event.

The full event was coordinated by Irsh Vijay, Devansh Jain, and Yash Kandoi, Associate Members at Entrepreneurship Cell, IIT Kharagpur. Over 900+ participants joined this session.
