## Details (Execution): -

November 14 is celebrated as Children's Day or Bal Diwas every year in India. The special day is celebrated in remembrance of India's first Prime Minister Jawahar Lal Nehru, born on November 14, 1889, he was also known as Pandit Nehru. Nehru, who was fondly called Chacha Nehru or simply Chachaji, was

very popular amongst children for his love. November 14 marks Nehru's devotion to welfare, education and development of children and young people. A day marking childhood ,and to make this event more memorable Gramothan Club celebrated Children's Day on 14 November 2022 in the college premises and invited the students of Sajal Prakhar School for the same. The day focused on children and their enjoyment. The celebrations involved variety of fun filled activities and games planned by the teachers for the children. The teachers made Children's Day special for the children by involving them into various games and competitions like musical chair, drawing competition, balloon bursting and lying game etc. All the children were given chocolates and some valuable gifts as a token of love from their teachers like colouring set etc .
