Event brochure / banner:-

Details/List of invited guest/speakers:- Sarpanch Shri Uday Narayan Meena and all respected ward members of Shivdaspura gram panchayat.

Objective of the event:- Enable participating higher educational institutions to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth.

Details :-

Students conducted survey in Malwa village under the guidance of Deepti Arela, villagers were supportive they very patiently told us challenges they are facing in village and what they do to overcome them, they finish their work early because of no road lights. They temporarily fix roads by themselves because roads construction is incomplete, transport facility is not available between hamlets. There is no medical dispensary within malwa village they go to Shivdaspura 3km from there village, sports facilities like playground are not available in school for students. There is no proper drainage system for overflow of water in rainy season in Rajasthan. The water that comes flowed down in village brings lot of garbage from city so they try to dumb as much as possible but garbage is still can be found as issue in Malwa village.

Students conducted survey in Kilkipura village under the guidance of Kiran Rathi, The challenges they are facing in the village are, Roads do not have road lights in the villages, They temporarily fix roads by themselves because roads construction is incomplete, transport facility is not available between hamlets so they use their local vehicles like bikes and cycles, There is not a single shop in the whole village for providing certain household things, There is no medical dispensary within Kilkipura village, There is no proper drainage system for overflow of water in rainy season.

Students conducted survey in Ranipura village under the guidance of Krishna Dayal Sharma, The challenges they are facing in the village are, They use water purifiers at major water filling places because of poor drinking water quality, There are no road lights and roads are not properly constructed and transport facility is not available within the hamlet, there is no school within the Ranipura village but children of Ranipura village go to the nearby private school of another (Nahariya ka bas)village. Garbage still can be found in the village Ranipura.

Students conducted survey in Khera Jagannathpura village under the guidance of Anirudh Mathur, The challenges they are facing in the village are, They temporarily fix roads by themselves because roads construction is incomplete, transport facility is not available between hamlets. There is no medical dispensary within Khera Jagannathpura village. They go to Shivdaspura 3.3km from there village, sports facilities like playground are not available in school for students. There is no proper drainage system for overflow of water in rainy season in Rajasthan. The water that comes flowed down in village brings lot of garbage from city so they try to dump as much as possible but garbage is still can be found as issue in Khera Jagannathpura. We found a positive feedback on teaching and learning aspects of the school.

Students conducted survey in Barh Ramzanipura village under the guidance of Dr. Monika Mathur. Although it was a small village but there was a lot to survey. We found some key issues common with all the villagers such as:

- Lack of proper Education facilities available for the children.
- Lack of Medical facilities.
- Lack of technical education among people.
- Poor transportation system.
- Poor network connectivity and internet.
- Irregular water supply.

Feedback of the event:-

This survey made us familiar with villagers and their problems. It was a great experience for students also as many of them visited such villages first time. The team associated with UBA cell will surely try our level best to help out all the fellow villagers to improve their living standards in five villages associated with Shivdaspura.

Objective of the event :-

1. Develop community connections.
2. This club aims to raise awareness in mission statements, also to enact policies to reach specific awareness objectives.
3. This club helps underprivileged people of our society.

Details (Execution) :-

The donation collection started from 7th October 2022 and continued for 10 days. Many people came forward to become a part of this noble cause. We were

successfully able to collect clothes and other useful items in bulk. The donation drive was organised on 18th October 2022, from 12:00pm to 4:00pm, all the participants along with faculty coordinators went to Sajal Prakhari school, Jagatpura then to Baba Ramdev kachhi basti, sultan nagar, gujar ki thadi, Jaipur and also to Ashadeep Sansthan (an elder care home) on kiran path, mansarovar, Jaipur. We were able to reach and help many people; interacted with kids and women. It was a great experience, filled with gratitude and awareness about the people of our society.

Details (Execution): -

November 14 is celebrated as Children's Day or Bal Diwas every year in India. The special day is celebrated in remembrance of India's first Prime Minister Jawahar Lal Nehru, born on November 14, 1889, he was also known as Pandit Nehru. Nehru, who was fondly called Chacha Nehru or simply Chachaji, was

very popular amongst children for his love. November 14 marks Nehru's devotion to welfare, education and development of children and young people. A day marking childhood ,and to make this event more memorable Gramothan Club celebrated Children's Day on 14 November 2022 in the college premises and invited the students of Sajal Prakhar School for the same. The day focused on children and their enjoyment. The celebrations involved variety of fun filled activities and games planned by the teachers for the children. The teachers made Children's Day special for the children by involving them into various games and competitions like musical chair, drawing competition, balloon bursting and lying game etc. All the children were given chocolates and some valuable gifts as a token of love from their teachers like colouring set etc .

Objective of the event: -

1. Develop community connections.
2. This event was to raise awareness in serving the societal causes and to take actions toward creating a better world.
3. This club helps the underprivileged people of our society.
4. The club works hard to reach and aid the deprived people.

Details (Execution): -

The donation collection started from 19th November 2022 and continued for 10 days. Many people came forward to become a part of this noble cause. We were successfully able to collect clothes and other useful items in bulk. The donation drive was organised on 19th November 2022, from 8:00am to 3:30pm, all the participants along with faculty coordinators went to Sajal Prakhari school, Jagatpura then to Baba Ramdev Kachhi Basti, Sultan Nagar, Gujar ki Thadi, Jaipur and also to Rays foundation (HIV positive care home) shyam nagar, Jaipur, where we distributed the collected clothes to the children and elders. Also, the interaction with elderly people of the old age home was truly inspiring and taught us to have a sense of responsibility towards our elders. We were able to reach and help many people. It was a great experience, filled with gratitude and awareness about the people of our society.

About SKITM&G, Jaipur

Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) inspired from the preaching of Swami Keshvanand, was established in the year 2000 by Technocrats and Managers Society for Advanced Learning & Gramothan. The promoters firmly believed in the gospel of educating the rural women folk so that the essence of their learning can be cultivated into their children's lives to improve the scenario in rural areas. In order to fortify the same, they leaped forward to establish MRM Public School in Nirwana village of Sri Ganganagar district of Rajasthan in the year 1992. Pursuing the vision of the Great Saint Swami Keshavanand, who devoted his life for the cause of education and the uplift of the rural folk, the promoters added "Gramothan" to the name of the institute not only to epitomize his vision but also to extend their efforts to explore the use of engineering education for innovations for improving the scenario for the rural community.

Today, the institute is recognized as one of the centres of academic excellence in the Northern India. The Institute is affiliated to Rajasthan Technical University, Kota for offering Post-Graduate and Graduate Courses in Engineering and Management. The Institute is accredited with Grade A++ by NAAC and ranked no. 1 Engineering College in Rajasthan by Rajasthan Technical University (RTU), Kota for 5th Year in a row. Our sister institution Swami Keshvanand Institute of Pharmacy (SKIP) is affiliated to Rajasthan University of Health Sciences for offering Graduate Course in Pharmacy.

Located in the Pink City, Jaipur, which is a blend of traditional history and modern outlook, SKIT is surrounded by a rich green landscape and aesthetic elegance of arches. The vibrant pursuit of knowledge by the young aspirants makes the environment serene, pleasant and dynamic. SKIT is putting in efforts for making industry ready engineers and managers through effective Industry -Institute Interface.

Blood Donation Camp 2022

***“Donating Food is Pleasure of a Day,
Donating Blood is Pleasure of Life”***

SKITM&G, Jaipur has always shown its kind gesture for the service of humanity and environment. Blood donation camps, tree plantations, awareness campaigns, medical camps, Gramothan related other activities etc are being organized by our institute on regular basis. In continuation of these noble activities SKIT Red Cross Club and SKIT NSS Club in association with HDFC Bank organized 20th annual Mega Blood donation camp on November 23, 2022 from 09:00 AM to 03:00 PM. Five Major blood banks from Jaipur, SMS Hospistal, Swasthaya Kalyan Bood Bank, Santokbha Durlabhji Hospital, Jaipuraia Hospital, J.K. Lone Hospital Participated in this camp. The Inaugural Ceremony (Ribbon cutting ceremony) was done in front of M. Visvesvaraya Block (CIVIL Block). Mr. Surjaram Meel (Chairman SKITM&G), Mr. Jaipal Meel (Director, SKITM&G), Prof. S. L. Surana (Director Academics, SKITM&G), Prof. Ramesh Kr. Pachar (Principal, SKITM&G), Doctors from blood banks and hospitals, representatives from HDFC Bank, all the members of management and administration of SKIT, Heads of the department and all staff members graced the occasion. The Chairman, Mr. Surjaram Meel celebrated his enthusiasm with the students and highlighted the value of regular blood donation. Director, Mr. Jaipal Meel congratulated everyone for being a part of this noble cause. Director academics Prof. S. L. Surana threw light on the history of blood donation camps at SKIT. Principal Prof. Ramesh Kumar Pachar heartily extended his gratitude towards all the doctors and medical staff present, Members from HDFC Bank and guests. He also wished a very good health to all the blood donors.

The students, faculty and staff members from various departments of SKIT participated in this blood donation camp and make this event a great success. Some events for awareness and motivation were held before the blood donation camp. More than 1000 willing donors registered themselves for blood donation but some of them were not able to donate blood due to health issues. Before allowing the donors

for bleeding a mandatory medical test was performed to check their various health parameters, like body weight, blood pressure, blood sugar etc., so that the donors may not face any kind of problem due to blood donation. In order to provide the maximum care to the health of the blood donor's college management had made arrangement for ample supply of health drinks, breakfast, tea and coffee throughout the duration of the camp. To motivate the donors and encourage their participation in the event, college management has provided all the donors with a special gift and certificate. **Total 743 Units of Blood were collected during the camp.** Some Donors of rarest blood group donated the blood in the camp. Doctors, Supervisors and Nursing Staff have given their positive support and help in organizing the blood donation camp. This blood donation camp was a huge success due to great team work. All student coordinators, volunteers from Red Cross club and NSS Club and faculty coordinators enthusiastically contributed in the camp. Dr. B.R. Sharma, Chief Coordinator-Red Cross Club, Mr. M. K. Beniwal, Coordinator Red Cross Club and Dr. Anurag Sharma, Program Officer NSS conducted the camp with the help of all faculty coordinators and student team members. The noble cause of blood donation was successfully carried out by the Institute.

INTERNATIONAL YEAR OF MILLETS 2023

For centuries, millets were the staples in India but gradually were relegated to the background and got marginalized post green revolution [GR] as the emphasis shifted to increased food grain production & productivity using high yielding varieties of wheat & rice in the identified GR geographies.

Millets are small-grained, annual, warm-weather cereals belonging to the grass family. Jowar (Sorghum), Bajra (Pearl Millet) and Ragi (Finger millet) are the important millets cultivated in India. Small Millets such as Proso (Cheena), Kodo (Kodra, Arikelu), Fox tail (Kangni/Korra), Barnyard (Varai, Sawa), Little millet (Kutki) are also grown in our country.

Millets are the staple crops of the semiarid tropics, as other food crops cannot be cultivated in that terrain due to low rainfall and poor soil fertility. They also have higher nutrient content compared to major cereal crops and ensure food and nutrition security. Further, millets are tolerant to drought and other extreme weather conditions and hence are endemic to such geographies.

With growing concerns of life style diseases coupled with 'refined' diet culture, the modern consumers are slowly, but increasingly looking at the nutrient rich millets as a suitable alternative to wheat and rice. With the COVID -19, momentum picked up and both the urban and rural consumers are choosing millets for improving their nutrition & strengthening their immunity.

In order to encourage production and consumption of millets, Government of India notified millets as Nutri-Cereals in April, 2018, which includes Sorghum (Jowar), Pearl Millet (Bajra), Finger Millet (Ragi/Mandua) & Minor Millets namely; Foxtail Millet (Kangani/Kakun), Proso Millet (Cheena), Kodo Millet (Kodo), Barnyard Millet (Sawa/Sanwa/ Jhangora), Little Millet (Kutki) and two Pseudo -millets viz Buckwheat (Kuttu) and Amaranthus (Chaulai).

To create domestic and global demand and to provide nutritional food to the people, Government of India had proposed to the United Nations for declaring 2023 as International Year of Millets (IYoM-2023).

The proposal of India was supported by 72 countries and United Nation's General Assembly (UNGA) declared 2023 as International Year of Millets on 5th March, 2021. This led to the Hon'ble Union Finance Minister making a Budget announcement on 1st February 2022: "2023 has been announced as the International Year of Millets. Support will be provided for post-harvest value addition, enhancing domestic consumption and branding of millet products nationally and internationally".

The objectives of the International Year of Millets included:

1. Promoting millets as a nutritious and sustainable food source: Millets are highly nutritious, rich in fiber, protein, vitamins, and minerals. They have a low glycemic index and are gluten-free, making them suitable for individuals with specific dietary requirements.

2. Supporting smallholder farmers: Millet cultivation is often practiced by smallholder farmers, and promoting their production and consumption can contribute to rural development and poverty reduction.
3. Raising awareness about the climate-resilient nature of millets: Millets require less water and have a lower carbon footprint compared to other staple crops, making them a climate-smart choice in agriculture.
4. Encouraging research and development: The International Year of Millets aimed to encourage scientific research, innovation, and knowledge-sharing to enhance millet production, processing, and utilization.
5. Promoting policy dialogue and partnerships: The year aimed to foster dialogue among governments, organizations, and stakeholders to develop policies and programs that support millet cultivation, marketing, and consumption.

Date of the event: 11th February 2023 and 2nd June 2023

Venue of the event: Twitter account of SKIT Jaipur

Objective of the event - Millet is one of the most hassle-free, low-maintenance and drought resistant crop. It has a lot of health benefits including good digestion, improving the cardiovascular system, reducing risk of obesity and diabetes and improving the mood. To make this crop available worldwide and to raise awareness of the crop's benefits to health year 2023 was declared "International Year of Millets" as proposed by the Indian government and supported by UN.

Details of Execution:

Two posters designed by Kanishk Bhardwaj, Student Coordinator, ECA Cell were also shared on social media handles of SKIT on 11th February 2023 and 2nd June 2023 to spread awareness about Millet man of India- Dr. Khadar Vali and Types of Millets and their benefits.

Objective of the event:- As the world is advancing it's okay to own a technology , what's not okay is to be owned by the technology.

In a world full of algorithms, hashtags, and followers we are here to spread awareness about the true importance of human connection, through enacting a small Nukkad Natak on "सोशल मीडिया के दुष्प्रभाव ".

Details (Execution) – Firstly, we gathered all the piece of information that we could and started making small plots with that piece of information, on our topic- “Side effects of Social Media.” Then we performed all the plots together to make it a impactful nukkad natak and convey our message among the youth, how social media use can also negatively affect teens, distracting them, disrupting their sleep, and exposing them to bullying, rumor spreading, unrealistic views of other people's lives and peer pressure. The nukkad natak was greatly appreciated by the audience. We were successful in spreading awareness among people and also in entertaining them with a humourful yet impactful and deep act.

Objective of the event:- To interact with elder's and show gratitude towards them.

Details (Execution):- On 19th April 2023, our college organized a social event UMANG for the elderly residents of a nearby old age home. The event started at 9:00 am with a warm welcome by applying tilak and gifted our guests a beautiful plant. After the welcoming ceremony, Sooraj and shivin, our talented college students, performed beautiful songs for our guests. The performance was enjoyed by all, and the guests were left feeling entertained and delighted.

Next, we served cake and breakfast to our guests, they enjoyed the delicious food with joy. This was followed by an interactive session where the elderly guests were able to share their stories and experiences with our students and teachers. We then played the first game of passing

the parcel, which was enjoyed by all and added to the festive atmosphere of the event. After the performances by our guests, we played the second game of housie. They enjoyed playing the game and were happy to win some exciting prizes.

At 11:30 am, we served lunch to our guests, which they appreciated very much. Finally, at 12:10 pm, the event ended with a heartfelt departure ceremony. We thanked our guests for attending the event and gifted them shawls as a token of our appreciation. The elderly guests left with a smile on their faces, and we were happy to have been able to create a positive and memorable experience for them.

In conclusion, the college fest social event for old age home people was a great success and we are motivated to organize more such events.

Objective of the event: -

A colourful and memorable social event **BHAGIRATH** is organised in SKIT, every year in college annual fest PRAVAH. The motive of the event is to bring big smiles on the faces of the children of underprivileged schools in Jagatpura and Jhalana Kachhi Basti. We always try to motivate them to study by distributing prizes to children who get good marks in their classes.

Details (Execution): -

A colourful and memorable social event **BHAGIRATH** is organised in SKIT, every year in college annual fest PRAVAH. This year in the event we invited two schools of under privileged children which are:

Sajal Prakhar Madhyamik Vidhyalaya (Free Education) Kacchibasti, Jagatpura
Sakhi BAL Niketan (Free Education), Kacchi Basti, Jaipur.

In morning we had a welcome ceremony in which we welcomed around 280 children of above schools. The children who scored good in their studies were felicitated with gifts by our respected chief guest, Dr. Shuchi Sharma, Ex-IAS Officer and Prof. Dr. S. L. Surana, Director (Academics), SKIT. We end the welcome ceremony by cutting cake. Then the kids enjoyed snacks, games on various food counters and play zones.

Then we arranged cultural activities to entertain them. Many students of these schools gave various cultural performances like dance or singing performances. We arranged a magic show and everyone enjoyed lot by seeing very interesting and unique magic tricks by magician. After that all children had lunch in girls' hostel garden. We ended this event by delivering some gifts and stationary to all children and required things for their school. The event brought big smiles on the faces of the children and their teachers, which was the motive of the event. The event was coordinated by Ms. Kiran Rathi, Associate professor, Deptt. Of ECE. Student Coordinators of the event were- Prince Singhal, Umang Sharma, Chakshit Gunidia, Aabhas Nama and Chirayu Jain.

EXTRA CURRICULAR ACTIVITIES

SKIT JAIPUR

Swami Keshvanand Institute of Technology Management & Gramothan

Objective of the Event:- A yoga session of 1 hour was organized by Yoga & Meditation Club to boost up their immunity and feel the inner peace of mind.

Event Message:-

Yoga: A way of connecting your body to the soul.

As the new first year batch joined the college Yoga & Meditation Club, SKIT organized yoga session for B.Tech. I Year Students and MBA I year students in. For B.Tech. I Year Students Yoga session was conducted for two days. On 7 November 2022 yoga session was conducted for the students of branches Computer Science Engineering, Data Science, Civil Engineering & Mechanical Engineering. On 8 November 2022 the session was conducted for the branches Electronics and Communication Engineering, Electrical Engineering, Information Technology, Artificial Intelligence & IOT. For MBA I year students it was conducted on 10 November 2022..

Asana's performed during the event:-

1)Hasthasana:- Sit in a comfortable cross-legged position or on a chair keeping the spine straight. Relax the entire body and stay in this position focusing on the breath.

Join the palms together and rub them vigorously to warm them. When they are warm, close your eyes, cup your palms and lightly place them on the eyes, without putting pressure on your cheekbones.

Benefits:- The regular practice of palming releases stress from the optic nerves and calms irritation in the eyes.

2)**Tadasana:-** Tadasana (Mountain Pose) seems pretty straightforward. The foundational posture asks you to stand upright with your feet facing forward parallel to each other and your arms at your sides, palms facing forward. But there's actually a lot to pay attention to in the basic pose.

Benefits:- Mountain Pose is a foundational posture that improves your postural and body awareness. By requiring you to stack your shoulders, hips, knees, and ankles, it helps you find alignment. By asking you to draw your shoulders away from your ears, it can counter the effects of prolonged sitting at a computer.

3)**Vaayuasana:-** Stand up stretching both the hands side wise. Bending forward from the waist, slowly raise the left leg backward straight without bending the knee. The body should be in the shape of an aeroplane, standing on right foot.

Benefits:- This asan helps in maintaining the balance of the body and mind. Concentration is also developed. Body is felt light.

Details of Instructor: -

Yoga Expert and Instructor of the day was Mr. Satyaveer Singh who has done TTC(Teacher Training Course) 300 hours and 200 hours both in yoga ,along with PGDYS(Post Graduate Diploma in Yoga Science).

The aims and objectives of Yoga Session are:-

To enable the student to have good health.

To practice mental hygiene.

To possess emotional stability.

To integrate moral values.

To attain higher level of consciousness.

Event Message:-

Yoga: A way of connecting your body to the soul.

As the new first year batch joined the college Yoga & Meditation Club, SKIT organized yoga session for MBA I year students in. It was conducted on 10 November 2022..

Asana's performed during the event:-

1)Conditioning:- Sit in a comfortable cross-legged position or on a chair keeping the spine straight. Relax the entire body and stay in this position focusing on the breath.

Join the palms together and rug them vigorously to warm them. When they are warm, close your eyes, cup your palms and lightly place them on the eyes, without putting pressure on your cheekbones.

Benefits:- The regular practice of palming releases stress from the optic nerves and calms irritation in the eyes.

2.Tadasana:- Tadasana (Mountain Pose) seems pretty straightforward. The foundational posture asks you to stand upright with your feet facing forward parallel to each other and your arms at your sides, palms facing forward. But there's actually a lot to pay attention to in the basic pose.

Benefits:- Mountain Pose is a foundational posture that improves your postural and body awareness. By requiring you to stack your shoulders, hips, knees, and ankles, it helps you find alignment. By asking you to draw your shoulders away from your ears, it can counter the effects of prolonged sitting at a computer.

3.Tree Pose: - Take a moment to feel both your feet root into the floor, your weight distributed equally on both foot. Begin to shift your weight into your right foot, lifting your left foot off the floor. Keep your right leg straight but don't lock the knee. Bend your left knee and bring the sole of your left foot high onto your inner right thigh. Press your foot into your thigh and your thigh back into your foot with equal pressure. This will help you keep both hips squared toward the front so your right hip doesn't jut out. Focus your gaze on something to keep your balance. Take 5 to 10 breaths, then lower your left foot to the floor and do the other side.

Benefits:- Tree Pose strengthens the legs and core while opening the hips and stretching the inner thigh and groin muscles. One of biggest benefits, in general, is that it helps build better balance, which helps with any number of other physical activities. Good balance and a strong core can go a long way in helping you stay active and healthy.

4. Virabhadrasana 2:- Warrior 2 pose ,Start with taking a 4fit distance back with your left leg, toes pointing slightly in. Press the four corners of your feet down, and firm your legs up. As you inhale, raise your arms parallel to the floor, keeping your shoulders down and your neck long. As you exhale, bend your right knee, keeping your knee over your ankle. Roll the top of your thigh down towards the floor on the right. Press down through your big toe to balance that action. Press the top of your left thigh back, and ground the outside of your left foot into the floor. Draw your lower abdomen in and up and lengthen your spine.Look over your right hand. Stay in this pose for 5 breaths. To come out of the pose press into your feet and straighten your legs as you inhale. Switch the orientation of your feet and repeat on the other side.

Benefits: The posture strengthens your core, including your abs and back muscles, as well as the hip flexors, glute muscles, inner thigh, and ankle of the bent leg. In your back leg, the pose stretches the hip flexors, hamstring, and calf muscles. Warrior II stretches your chest, stretches and strengthens your shoulders, and increases your endurance, one bent knee at a time.

5. Anulom Vilom Pranayama:- Anulom Vilom Pranayama is very easy to do, first of all, close your eyes and sit in Sukhasana and rest your hands on your knees. Close the right nostril with the right thumb. Inhale slowly through the left nostril, inhale the oxygen as much as you can, this will fill your lungs with air. Remove your thumb from your right nostril, as you remove your thumb from right nostril just exhale. When you exhale use your middle finger to close your left nostril then

inhale with our right nostril and remove the thumb from the right nostril then exhale. Repeat this process for 5 minutes. Be focused and concentrate on your breathing.

Benefits:- It helps to cure mental problems like Depression, Anxiety, Stress, Tension, etc. Most beneficial for breathing-related problems like (Bronchitis, Asthma), etc. It improves the working of the lungs. It is best breathing technique for boosting your memory (Makes your brain sharper). It improves your immune system, so it cures general issues like cough & cold. Without any doubt, Anulom Vilom is the most suitable Pranayama for all. Alternate nostril breathing is an ideal breathing technique for maintaining your heart healthy.

6. Bhramari Pranayama:- Bhramari Pranayama, or Bumblebee Breath, is a calming breath practice that can be performed anywhere. Bhramari is derived from the Sanskrit term for “bee” and is named after a type of black Indian bee, due to the bee-like buzzing sound produced during the exhale. Sit comfortably and allow your eyes to close. Take a breath or two to settle in and notice the state of your mind. When you’re ready, inhale and then, for the entire length of your exhalation, make a low- to medium-pitched humming sound in the throat. Notice how the sound waves gently vibrate your tongue, teeth, and sinuses. Imagine the sound is vibrating your entire brain. Do this practice for six rounds of breath and then, keeping your eyes closed, return to your normal breathing. Notice if anything has changed.

Benefits: - . It Lowers Blood Pressure and Heart Rate It improves the functioning of the lungs. It helps to clear nasal passages and alleviates Sinusitis symptoms. It improves cognitive function. It Improves concentration and provides relief in headaches.

Details of Execution: The session began with basic stretching and breathing exercise (Anulom vilom) then after we performed various asnas , details are provided below

1. Anulom vilom:- Anulom Vilom is a specific type of pranayama, or controlled breathing, in yoga. It involves holding one nostril closed while inhaling, then holding the other nostril closed while exhaling. The process is then reversed and repeated.

Benefits of Anulom vilom

- improved breathing
- improved cardiovascular function
- stress reduction

2. Tadasana :- Tadasana centers your body and mind, which helps create a calm sense of inner peace. Maintaining alignment and body awareness is a constant process. Standing strong, steady, and centered in Mountain Pose helps to improve posture, alignment, and balance. This can benefit other yoga poses as well as your daily movements.

Benefits of Tadasana

- improving flexibility
- relieving pain
- building strength

3 . Chakrasana:- This family of poses is said to be uplifting because they open up your heart and chest, helping you breathe deeper. They're also believed to stimulate the adrenal glands.Chakrasana, or Urdhva Dhanurasana, also offers a deep stretch for the chest and shoulder muscles, as well as the hip flexors.

Benefits of Chakrasana

- improving flexibility
- relieving pain
- building strength

4. Vrikshasana :-Vrikshasana or Tree Pose is a balancing asana. It is one of the very few standing poses in medieval hatha yoga, and remains popular in modern yoga as exercise,

Since vrikshasana creates a sense of balance within the body, it also translates into mental wellbeing, building focus and concentration, making your mind sharper and lesser prone to meandering. It helps stabilise the nervous system, making it functional to an optimum.

Benefits of Vrikshasana

- It strengthens your spine and improves your posture.
- Vrikshasana strengthens your thighs, knees and calf muscles.
- It helps in improving your balance.
- When done regularly, this asana may help in relieving sciatica pain.
- It also helps to improve flat feet problems.

4. Shavasana :-Shavasana and some sitting asanas maintain the balance between relaxation and meditation by their equal input of physical stimuli.

Shavasana is performed on the back with the legs spread as wide as the yoga mat and arms relaxed to the side, and the eyes closed. The whole body is relaxed on the floor with an awareness of the chest and abdomen rising and falling with each breath. During Shavasana, all parts of the body are scanned for muscular tension of any kind. Any muscular tension the body finds is consciously released as it is found.

Benefits of Shavasana :-

- Calms central nervous system, aiding the digestive and immune systems
- Calms the mind and reduces stress
- Reduces headache, fatigue and anxiety
- Helps lower blood pressure
