**Details/List of invited guest/speakers:** - Mr. Uday Narayan Meena, Sarpanch (Shivdasapura Gram Panchayat) and Mrs. Meena Jain (Artist)

**Objective of the event:** - The main objectives were to provide sustainable and cost-effective lighting to the villagers by installing solar lights and to make something innovative and attractive out of the waste material.

**Details (Execution):** -

Solar lights installation was done under the UBA Cell, initiative of Indian Government, by SKIT College on Tuesday, 23rd August 2022 in Ranipura village of Shivdasapura, where two solar lights were installed. The main objective was to create awareness about the nature and provide sustainable light source to the villagers.

Then faculty members along with student participants went to the Praveshika Sanskrit Government School, where our invited guest artist Mrs. Meena Jain conducted a fun and

awareness activity for the students on the topic “Best out of waste” where the students painted and decorated small pebbles. In the mean time a workshop was organized for the teachers, on the topic “Listening and speaking skills” by Dr. Krishna Dayal Sharma.

This Drive was successfully conducted with the help and support of the Sarpanch Mr Uday Narayan Meena. The Chief coordinator of UBA cell Ms Kiran Rathi expressed her thanks and gratefulness towards the villagers and team members. The drive was conducted under the able guidance of Ms Kiran Rathi, Prof. Krishna Sharma, Mrs. Deepti Arela, Dr. Monika Mathur, Mr Deepak Sharma and Mr Naveen Jain. The students were excited and happy to work for the cause of society.
