“Role of Business Management and Social Innovation in Sustainable Development”

12th – 13th January, 2023

About the conference:

The conference was dedicated to the discussion, exchange of ideas, and advancement of theory and practise in the fields of Business, Technology, Management, Economy, Trade, Employment, and Social Inclusion following Covid-19. The conference promoted collaborative excellence among academicians, corporate professionals, industrialists, and entrepreneurs from around the world who were multidisciplinary and multi-dimensional in their knowledge and experiences. The goal was to provide a solid platform for the expression of interest and cognitive thoughts, as well as to promote research esteem among all active participants in the conference. We invited research papers that include conceptual analysis and the use of business research tools in dealing with current issues and trends in the economy, trade, and commerce. It provided a platform for professionals from industry and academia to identify key issues in modern management and the challenges that the business world faces in dealing with them in the current New Normal situation.

Themes:

1. World economy and future expectations

- Change Management in Dynamic Business Environment
- Dynamics of World Economy & Sectoral Development
- Atam Nirbhar Bharat
- Global Perspective of Agriculture and Rural Development

- Global Challenges in the Face of Economic Uncertainty.

2. Recent trends in social innovations

- Internet of Things and Artificial Intelligence

- New Product & Service Management through Robotic
- Quality Control & Six Sigma Management
- Behavioral Operation Management & Industry 4.0
- Smart City & Urban Planning
- Public-interest technology
- Business and Data Analytics

3. Environmental issues and sustainable development

- Environmental Issues and Opportunities
- Circular Economy
- Waste Management
- Business Implications of Various Restructuring Plans
- Clean Energy Investments
- Environmental Restoration and Ecological Engineering
- Business Ethics, Governance and Sustainability

4. Business leadership and entrepreneurial opportunities

- Strategic Business Leadership
- Responsible Business & Sustainability
- Business Leadership Initiatives for Engaging Youth
- Entrepreneurial Opportunities & Challenges in World
- The New Normal for Business
- Youth and Entrepreneurship.

Objectives of the conference:

1. Providing the interdisciplinary cross sect-oral forum for academicians, practitioners, professionals, industrialists, etc.
2. To foster dialogue among various stakeholders, including senior level policy makers, researchers, academicians, and managers.
3. Three key learning's we aimed to take back with the International Conference include inculcating innovative practices in the field of management, business and economics.
4. To share ideas and knowledge of policy makers, researchers, academicians and industrialists, with various executionary bodies.
5. To adapt the new transformed economy, social settings and political landscape, in a profound way especially post covid-19.

Outcomes:

1. Participants learned about the various opportunities related to the present and future of the Indian economy in the context of the new normal.

2. Researchers discovered new potential research areas in the fields of business, commerce, management, and economics.
3. Conference enlightens the various issues and challenges of different functional areas of Economy.
4. Conference presented the problems of employer and employees of different nation and also the way of resolving those problem used by the nations.
5. The Conference attracted a fair amount of attention from Scholars & Educationists in the field of Entrepreneurship, Business Management and Social Innovations.
6. The conference created an orientation toward entrepreneurship among the students, which would drive them towards thinking at it a career option.

12th – 13th January, 2023

Report

As we all know, trade forms are the foundation of the world's economies, stimulating investment, job creation, economic growth, and raising living standards. Promoting entrepreneurship and start-ups will ensure an unprecedented wave of well-deserved growth, prosperity, and well-being that will benefit both the rest of the world and the spirit of New India. Creating a nation of job creators rather than job seekers is critical for long-term growth. And at the heart of this is the need for extensive collaboration among corporate industry, academia, and governments at the village, district, state, and national levels. Revolutionary technological advancements are indeed transforming the world at a dizzying rate, giving rise to new technology and business innovations. Learning's we aimed to take back with this International Conference include inculcating innovative practices in the field of management, business and economics. International Conference on Role of Business Management And Social Innovation in Sustainable Development was organized by Department of Management Studies, SKIT, from 12th January 2023 to 13th January 2023. This Conference was conducted in the seminar hall of SKIT itself along with the Webex online platform.

Inauguration:

The program was inaugurated with Saraswati Vandana. Dr. Ona Ladiwal and Dr. Maneesha Kaushik were the Conveners of the conference. The event began with the welcome address by Prof. R. K Jain Sir Dean SKIT, who shared about the success story of SKIT to all the honored guests and participants. Institute was really privileged to have Shri Suresh Agarwal, President, FORTI Federation of Rajasthan Trade and Industry as Chief Guest, Shri Akshay Goyal, Executive Director BNI, Jaipur as Guest of Honour, Mrs. Ranoo Shrivastava, President, Forti Women's Wing, Jewelry Manufacturer and Exporter as Special Guest, Mrs. Neelam Mittal, Regional Co-ordinator BNI, Jaipur as Special Guest, Dr. S.B Goyal, Director, Faculty of Information Technology, City University Malaysia as International Speaker, Professor Durgesh Batra, Amity University Mauritius as international speaker. Dr. Maneesha Kaushik proposed vote of thanks on the occasion of Inauguration. More than 100 faculty members from different institutes of the country have participated in this event.

Day-1

In the first session of Conference, Mr. Akshay Goyal Executive Director BNI, Jaipur shared his journey and his idea about exporting, foreign currency and getting the green field project (joint venture). He mentioned about the philosophy of givers gain which his company BNI follows. To be successful in business is hunger, persistence and passion, he mentioned. He explained his views about the execution of knowledge.

Mrs. Ranoo Shrivastava, President, Forti Women's Wing, mentioned never giving up spirit, And set up your priorities, create opportunities and make your morals strong.

In the second session, two MOUs were signed. Dr. Rajeev Naruka, COO of Pink Adrak shared his views on innovation and business management. "Need to have a commitment towards yourself about what you want to achieve in your life." he mentioned. An MOU was also signed with "India Hedge" with their representative Mr. Bharat and he also addressed the students on "Achieving value proposition and Business Switch". After that an online session was taken by Dr. S. B. Goyal on Webex where he told about the sustainability and its outcomes to the participants.

Day -2

Second day of the Conference began with interactive session of Mr. Avnish Vijay, Associate Professor from Manipal university. He told the students about the social innovation and the roots from India. He also told about the stages of social innovation to the students.

Dr. Sheetal Mundra, Associate Professor from JKLU university, told the students about the development and growth. She mentioned that the theme of the conference was highly relevant.

In the second session of the conference, selected participants and devotees present in the same event gave their enthusiastic participation through research paper and presentation. Then a session was taken by Professor Durgesh Batra, Amity University Mauritius on Webex.

ABOUT THE CONFERENCE

The global economy of the twenty-first century has transformed the economic, social and political landscape in a profound way. This century has witnessed revolutions in the information and communication technologies, enhanced economic integrations with capital mobility across the borders and rapidly changing social environment. Our society is very different from what it was a few decades ago, people now are more open to explore and innovate. It is right to say that the key to the future lies in innovative practices in the field of management, business and economics.

In accordance with this, we welcome studies in the fields of management, business, economy and their relative branches. The aim of the conference is to gather leading academicians, policy makers, independent scholars and researchers to share their knowledge, new ideas as well as to discuss future development in these fields.

An additional goal of the conference 2023 is to offer an opportunity for young researchers, academicians and practitioners with multi-disciplinary interests to meet and interact with members inside and outside their own particular disciplines.

SWAMI KESHVANAND INSTITUTE OF TECHNOLOGY, MANAGEMENT AND GRAMOTHAN, JAIPUR

Swami Keshvanand Institute of Technology, Management and Gramothan, Jaipur, was established in the year 2000 by a team of committed professionals and academicians. SKIT enjoys the reputation of being one of the premier institutes in northern India, possessing qualified and experienced faculty along with well-developed infrastructure. A great sense of discipline, sincerity and an environment conducive to learning makes SKIT an educational paradise. All the courses are duly approved by AICTE and affiliated to Rajasthan Technical University, Kota. B.Tech courses are accredited by the National Board of Accreditation (NBA, New Delhi). The institute has been successful in obtaining the highest possible NAAC - A++ Grade with 3.67 institutional CGPA on a 4 point scale. SKIT is now among the top institutions of India and the only affiliated technical institute in Rajasthan state to have earned an A++ grade by National Assessment and Accreditation Council (NAAC).

DEPARTMENT OF MANAGEMENT STUDIES

In its endeavor to strengthen the philosophy of Swami Keshvanand Ji and achieve excellence in the Techno-managerial environment, the institute established the Department of Management Studies in the academic year 2006-2007. The Department of Management Studies offers an AICTE approved Master of Business Administration (MBA) degree course, affiliated to Rajasthan Technical University, Kota. The Department aims at developing future managers equipped with curricular & co-curricular skills, which will help them to make a mark in the industry. To achieve its vision the Department uses a blend of well-qualified and experienced core faculty and renowned visiting faculty members from other institutes. To enhance the horizon of knowledge, various Seminars, Workshops, and Entrepreneurial Activities are organized regularly. The Department is an active member of All India Management Association (AIMA).

ABOUT JAIPUR: THE PINK CITY

Jaipur is named after its founder, the warrior and astronomer, Sawai Jai Singh II. It is 260 km from Delhi and 240 km from Agra and forms the most chosen tourism golden triangle of Delhi, Agra and Jaipur. The old Jaipur painted in pink colour can grip any visitor with admiration. Stunning backdrop of ancient forts Nahargarh, Amber, Jaigarh and Moti Dungri are dramatic testimonials of the by-gone era. It has been ranked as the seventh best place to visit in Asia.
