About SKIT

Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) has been ranked no.1 engineering institute in Rajasthan by RTU, Kota consecutively for the last three years. SKIT is a selective comprehensive institution offering undergraduate and postgraduate programmes in Engineering and Management. The institute was established in the year 2000 by a team of committed professionals and academicians. During all the past years SKIT has emerged as a premier centre of technical education not only in Rajasthan but also in northern India which has been realized through efficient and dedicated faculty members, innovative teaching learning methods, state of the art infrastructures and core value of discipline. The various undergraduate programmes of the institute are accredited by the National Board of Accreditation (NBA).

Vision

To promote higher learning in advanced technology and industrial research to make our country a global player

Mission

To promote quality education, training and research in field of Engineering by establishing effective interface with industry and to encourage faculty to undertake industry sponsored projects for students.

Quality Policy

We are committed to ‘achievement of quality’ as an integral part of our institutional policy by continuous self-evaluation and striving to improve ourselves.

Institute would pursue quality in

- All its Endeavour's like admissions, teaching- learning processes, examinations, extra and co-curricular activities, industry institution interaction, research & development, continuing education, and consultancy.
- Functional areas like teaching departments, Training & Placement Cell, library, administrative office, accounts office, hostels, canteen, security services, transport, maintenance section and all other services.

Department of Information Technology

Department of Information Technology is NBA accredited and offer undergraduate programme in IT. The major areas of research are Big Data Analytics, Cloud Computing & Virtualization, Artificial Intelligence, Security, Compilers & Programming Languages, Computer Architecture, Bioinformatics and Theoretical Computer Science. The department has various research laboratories with the state-of-the-art computing facilities. The department is also recognized as a “Centre of Excellence in IoT” by Rajasthan Technical University, Kota.

NOTICE

WORKSHOP FOR STUDENTS-INHOUSE

It is hereby notified that Department of Information Technology is going to organize a Five Days Workshop for Students on "Data Structures and Algorithms for Competitive Programming" to introduce the idea behind Competitive Programming.

In this regard, all 3rd semester students of Department of Information Technology are obligated to attend the workshop and maintain at least 90% attendance to get an E-Certificate.

Venue: J.C. Bose Seminal Hall, Civil Block/IAI Lab (Hands-on).

Date: 13th September, 2022 to 17th September, 2022

Timing: 12:30 pm to 2:30 pm

Mode of Conduction: Offline

Faculty Coordinator:

1. Vipin Jain (Associate Professor)
2. Anjali Pandey (Assistant Professor)

Prof. (Dr.) Anil Chaudhary
HOD, IT

Organizing Committee of the Workshop

Workshop is organized by Department of Information Technology, Swami Keshvanand Institute of Technology, Management & Gramothan, Jaipur, under the guidance of Dr. Anil Chaudhary, HOD (IT), SKIT.

Coordinators of the Workshop are:

1. Mr. Vipin Jain, Associate Prof., IT
2. Ms. Anjali Pandey, Assistant Prof., IT

Objectives of the Workshop

Programme is intended to introduce with fundamentals of data structures and competitive programming. Programme would help participant to understand the key concept of data structures and its usage in competitive programming to find solutions of real time problems. At the end of the workshop, participants shall be able

- To understand the basic concepts of data structures
- To understand the utility of data structures in competitive programming
- To find the real-world problems/use cases and also able to find solution for those
- To acquaint participants with recent platforms which can be used by them to practice different use cases as well as for some programming competitions
- To acquaint participants with live contest experience

Contents of the Workshop

- Introduction to the competitive programming and its need.
- Concepts of Data Structures and its use in competitive programming.
- How to build logics/ algorithms.
- Different problems to solve.

Outcomes of the Workshop

At the end of the workshop, participants shall be able

- To understand the different types of data structures and their use.
- To start with their journey of competitive programming using different platforms.
- To get a direction on how to participate in real-time competitions.

Day-wise Execution of the Workshop

Five-day workshop for students on “**Data Structures and Algorithms for competitive programming**”, was started on **13th September, 2022**.

Day 1:

Date: 13th September, 2022

Session: (12:30PM -2:30PM)

1. Session was started with the inaugural note by Dr. (Prof.) Anil Chaudhary (Head, Dept of IT) who gave his insight about the importance of competitive programming. He also discussed the need of digital era with respect to data structures and programming.
2. First session was taken by Mr. Vipin Jain, Associate Professor, Department of Information Technology, S.K.I.T, M & G, Jaipur.
3. The session was about “**What and Why Competitive Programming? How to start with Competitive Programming**”.
4. He started the session by discussing about competitive programming, its benefits.
5. He has given the idea about the professional languages which are being used for competitive programming along with the platforms.
6. He has given the idea about various competitions/contests for competitive programming example code jam, kick start, hash code etc.
7. He has given the idea about how to build logic to solve competitive programming
8. At the end of the session a very healthy question answer session also took place.

Day 2:

Date: 14th September, 2022

Session 2: (12:30PM -2:30PM)

1. Second session was taken by Mr. Vipin Jain, Associate Professor, Department of Information Technology, S.K.I.T, M & G, Jaipur.
2. The session was about “**Data Structures and Algorithms- Concepts**”.
3. He started the session by discussing use of data structures in competitive programming.
4. He has also discussed various data structures for example Array, Stack, Queue, Link List, etc.
5. At the end of the session a very healthy question answer session also took place.

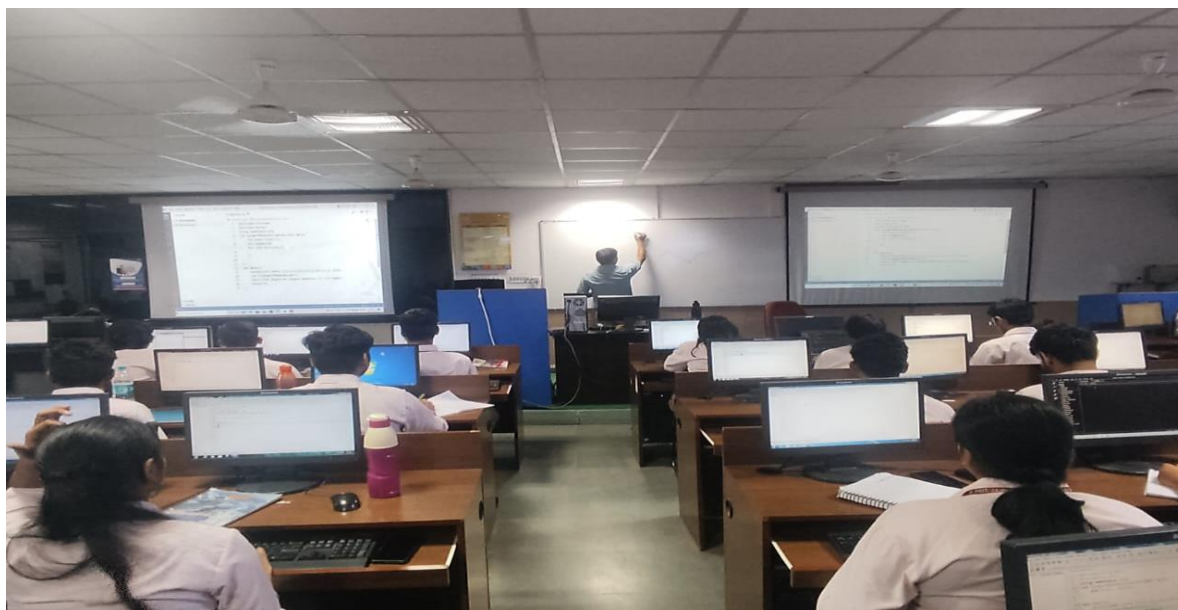

Day 3:

Date: 15th September, 2022

Session 3: (12:30PM – 2:30PM)

1. Third session was taken by Mr. Vipin Jain, Associate Professor, Department of Information Technology, S.K.I.T, M & G, Jaipur.
2. The session was about “**Problem Solving**”.
3. He started the session by discussing about live problem solving with multiple solutions.
4. He also took two problems for live problem solving sessions: First problem is to find duplicate element in an array and second is to find sorted subarray.
5. At the end of the session a very healthy question answer session also took place.

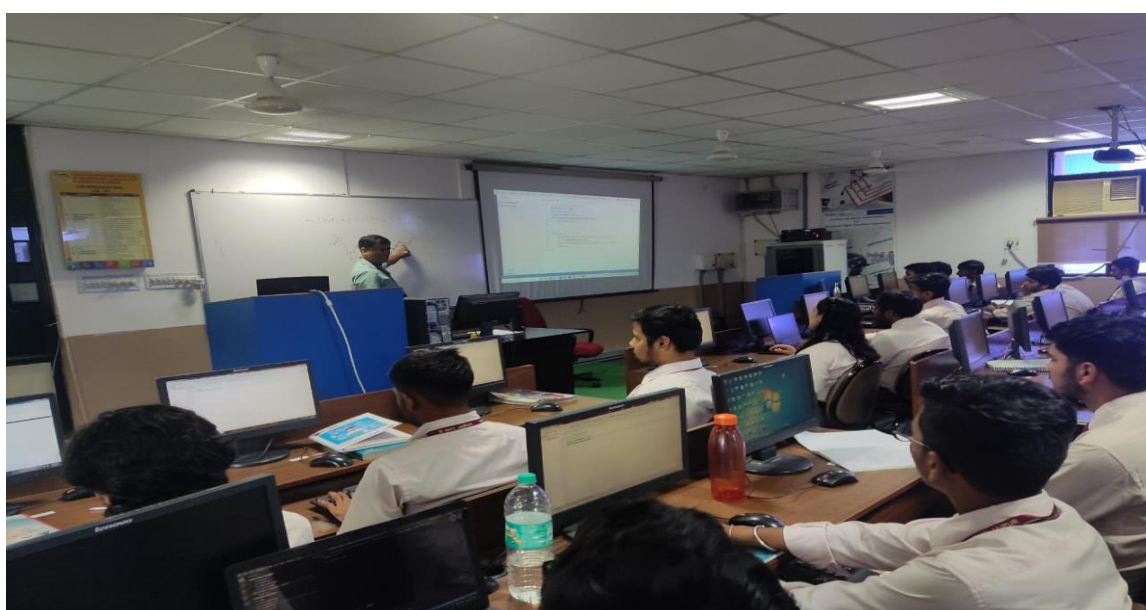

Day 4:

Date: 16th September, 2022

Session 4: (12:30PM – 2:30PM)

1. Third session was taken by Mr. Praveen Yadav, Assistant Professor, Department of Information Technology, S.K.I.T, M & G, Jaipur.
2. The session was about **“Problem Solving”**.
3. He started the session by discussing about the problems and their feasible solutions which he had selected for this session.
4. He took two problems for problem solving sessions: First problem is the Mountain Problem and the second is cycle detection method.
5. At the end of the session a very healthy question answer session also took place.

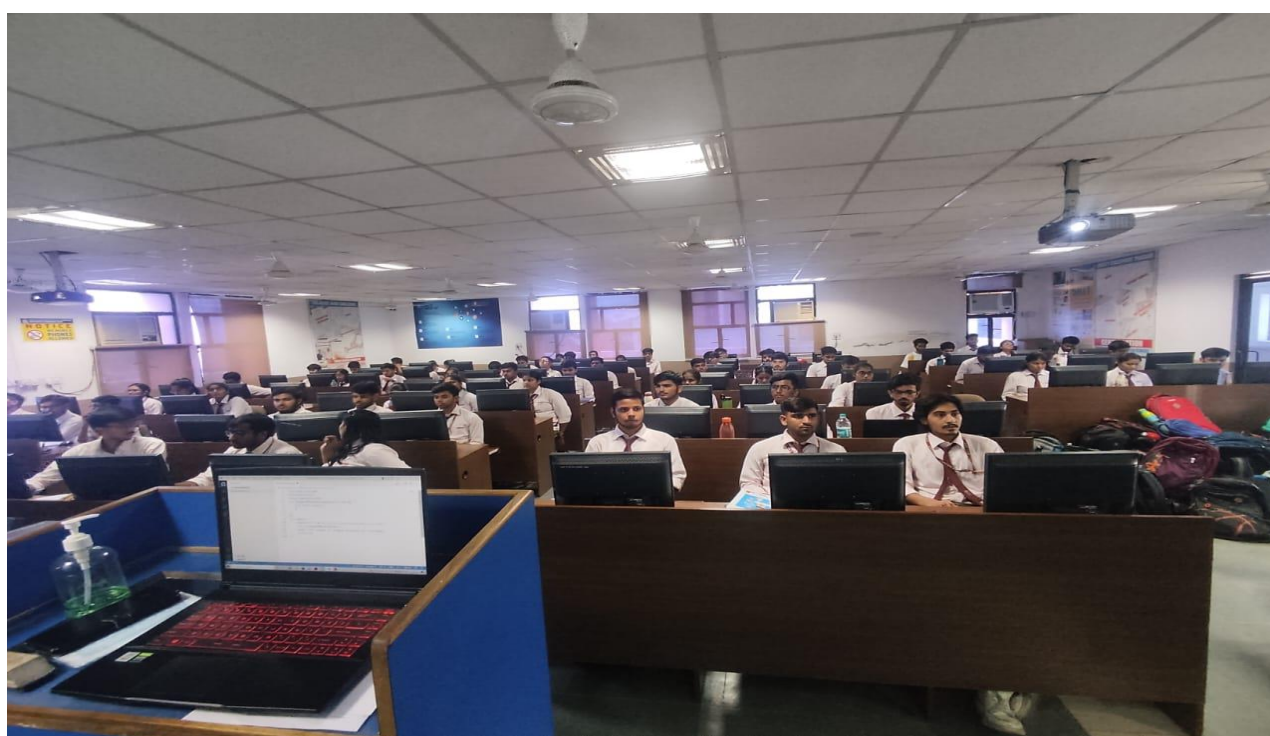

Day 5:

Date: 17th September, 2022

Session 5: (12:30PM – 2:30PM)

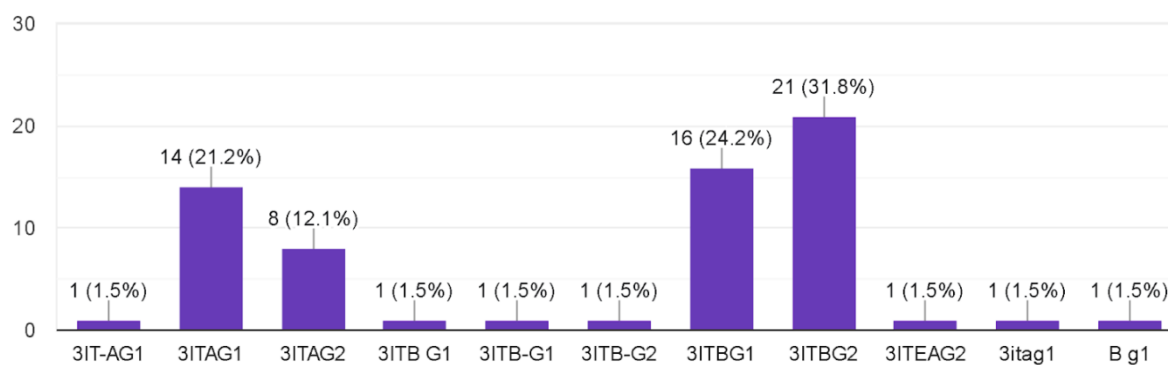

1. Third session was taken by Mr. Vipin Jain, Associate Professor, Department of Information Technology, S.K.I.T, M & G, Jaipur.
2. The session was about “**Problem Solving**”.
3. He started the session by discussing about the live contest.
4. He instructed and motivated participants to sign up on HackerRank and participate in live contest.
5. At the end of the session a very healthy question answer session also took place.
6. At the end one google form has also been circulated for the participant’s valuable feedback regarding the workshop.
