11. The faculties unanimously endorsed the central library's extensive collection of current and up-to-date reference books, E-journals, and other materials.
12. The working atmosphere at the institute supports faculty development and encourages research publishing.

Action Take on Feedback received from faculty members for academic Year-2023-24

- There is an average balance between theoretical and practical applications, thus it would be beneficial to add some more important themes that go beyond the outlines of the course materials in order to improve knowledge.
- The department should run additional programs to help students and faculty members develop their skills. It should also inspire both groups to pursue research and innovation.

Prof. (Dr.) Mukesh Arora
(Head, OFA)
