## 1. About E-Cell

The Entrepreneurship Cell (E-Cell) at Swami Keshvanand Institute of Technology (SKIT) was established to foster an entrepreneurial culture among students. The cell operates in collaboration with various industry partners and aims to nurture the entrepreneurial mindset through workshops, interactive sessions, and competitions. The E-Cell encourages students to explore innovative ideas, supports startup initiatives, and organizes events that align with the vision of promoting entrepreneurship.

## 2. Aims and Objectives of E-Cell

The objectives of E-Cell are as follows:

- Organize workshops and seminars to inspire and educate students about entrepreneurship.
- Provide guidance for students to transform their ideas into startups.
- Conduct events aimed at enhancing skills such as financial management, risk-taking, and leadership.
- Facilitate interactions between students and industry experts, venture capitalists, and successful entrepreneurs.
- Foster a culture of innovation by encouraging students to solve real-world problems with creative solutions.

7. **Social Impact:** In addition to creating beautiful rugs, the company is involved in various social initiatives, such as education and healthcare programs for the artisan communities they work with.

## **4. Report**

The panel discussion on Social Entrepreneurship was a compelling and insightful event, featuring prominent personalities in the field. N.K Choudhary, the esteemed founder of Jaipur Rugs, shared his experiences, thoughts, and insights on the intersection of business and social impact.

### **Opening Remarks by Mr. Surja Ram Meel**

Mr. Surja Ram Meel, the Chairman of SKIT, initiated the discussion by emphasizing the increasing importance of social entrepreneurship in addressing societal challenges. He highlighted the need for innovative solutions that blend business acumen with a deep commitment to creating positive social change.

### **N.K Choudhary's Keynote:**

N.K Choudhary began by narrating his journey as the founder of Jaipur Rugs, a pioneering social enterprise in the carpet industry. He stressed the significance of weaving social impact into the core fabric of a business. Choudhary shared how Jaipur Rugs has empowered thousands of artisans in rural India, providing them with sustainable livelihoods, education, and healthcare. He provided a broader perspective on the ecosystem supporting social enterprises and discussed the role of foundations in driving social change.

### **Interactive Discussion:**

The panelist engaged in a vibrant discussion covering various aspects of social entrepreneurship, including challenges faced, scalability, and measuring impact. The audience actively participated by posing questions, creating a dynamic and informative exchange of ideas.

Key Takeaways after the panel discussion with N.K Choudhary:

- **Holistic Impact:** N.K Choudhary emphasized the importance of holistic impact, where social enterprises contribute to the well-being of communities beyond just economic empowerment.

- **Collaboration and Ecosystem Building:** He highlighted the need for collaboration between government, NGOs, and businesses to create a conducive ecosystem for social entrepreneurship to thrive.
- **Innovation and Adaptability:** The need for constant innovation and adaptability in social entrepreneurship to effectively address evolving social challenges.

**Closing Remarks:**

Ms. Monika Mathur wrapped up the discussion by thanking the N.K Choudhary and the audience for their active participation. She encouraged everyone to take inspiration from the success stories shared during the panel and to actively contribute to the growth of social entrepreneurship.

In conclusion, the panel discussion on social entrepreneurship, with N.K Choudhary as a distinguished guest, provided valuable insights into the transformative power of business when combined with a genuine commitment to social impact. The event left the audience inspired and motivated to explore their roles in fostering positive change through entrepreneurial endeavors.

## **Technical Report**

### **EVENT 1 -> IDEASTORM**

"Ideastorm, an event organized by the Entrepreneurship Cell at IIT Roorkee, serves as a dynamic platform for fostering innovation and entrepreneurial spirit. Participants engage in a collaborative process of idea generation, pitching their creative concepts to a panel of judges, mentors, or industry experts. This event goes beyond mere ideation, providing a space for constructive feedback and refinement. Through networking opportunities, participants can connect with like-minded individuals, potential collaborators, and experienced mentors. Workshops or talks may complement the event, offering valuable insights into entrepreneurship. Ideastorm often takes the form of a competition, encouraging participants to showcase their innovative ideas, with awards or recognition for standout concepts. By fostering cross-disciplinary interaction, encouraging risk-taking, and emphasizing practical application, Ideastorm contributes to the development of a vibrant entrepreneurial ecosystem within the IIT Roorkee community."

The participants are also allowed to communicate in both English and Hindi language and they were asked to prepare proper marketing strategy in order to make their product sustainable and demanding, the jury members including Shri venkat Sai judge the pitches on the basis of ideation , market strategy, long term goals etc.

### **EVENT -2 INVESTORS VISTA**

"Investors Vista," organized by IIT Roorkee as part of E-SUMMIT, likely plays a crucial role in connecting aspiring entrepreneurs with potential investors. This event provides a platform for startups to pitch their business ideas or existing ventures to a panel of investors, venture capitalists, or angel investors. Participants have the opportunity to showcase the viability and potential of their projects, aiming to secure funding or investment partnerships. Investors Vista serves as a bridge between entrepreneurial talent and financial support, contributing to the growth and success of innovative ventures within the IIT Roorkee community and the broader entrepreneurial ecosystem."

Investors Vista, hosted by IIT Roorkee as part of E-SUMMIT, presents a myriad of benefits for both startups and investors. For startups, the event serves as a crucial avenue to pitch their innovative ideas directly to a panel of potential investors, opening doors for crucial financial backing and strategic partnerships. The platform provides valuable feedback from seasoned investors, aiding in the refinement of business models. Additionally, the networking opportunities foster connections that extend beyond the event, enabling startups to build relationships with mentors and industry professionals. On the flip side, investors gain access to a curated pool of promising ventures, facilitating efficient identification of investment opportunities. The event's structured format allows for a comprehensive evaluation of startups, enabling investors to make informed decisions. Overall, Investors Vista contributes significantly to the growth of the entrepreneurial ecosystem by catalyzing funding, fostering collaboration, and propelling innovative ventures toward success.

### EVENT 3 ENTREPRENEURSHIP QUIZ

The Entrepreneurship Quiz organized by IIT Roorkee is an engaging and informative event designed to test and enhance participants' knowledge about entrepreneurship. Participants, which may include students, entrepreneurs, and enthusiasts, are challenged with a series of questions covering various aspects of entrepreneurship, business strategies, startup ecosystems, and notable entrepreneurial figures. The quiz serves as an educational platform, fostering a deeper understanding of entrepreneurial concepts while promoting friendly competition. Participants have the opportunity to showcase their knowledge, learn from diverse topics, and possibly win recognition or prizes based on their performance. This event not only encourages learning but also contributes to the cultivation of an entrepreneurial mindset within the IIT Roorkee community.

### Prize distribution

The prize distribution for events like Ideastorm and Investors Vista in E-SUMMIT organized by IIT Roorkee typically involves the acknowledgment and rewarding of outstanding participants. After the conclusion of Ideastorm, where innovative ideas are presented, and Investors Vista, focused on connecting startups with investors, winners may be announced during a dedicated awards ceremony. Prizes could include certificates, trophies, mentorship opportunities, or, in the case of Investors Vista, potential investment offers or partnerships. This recognition not only celebrates participants' achievements but also adds a competitive and motivating element to the events, encouraging continued engagement and excellence within the entrepreneurial ecosystem of IIT Roorkee.

# **Outcomes of the Events Organized by E-Cell**

The events organized by E-Cell during the academic session 2023-24 resulted in the following key outcomes:

## **1. Enhanced Entrepreneurial Awareness:**

- Students gained a deeper understanding of entrepreneurship, business strategies, and the startup ecosystem, which helped them appreciate the practical aspects of starting and running a business.

## **2. Increased Student Engagement:**

- Active participation in workshops, panel discussions, and competitions led to greater interest and involvement of students in entrepreneurial activities, fostering a culture of innovation at the institute.

## **3. Networking Opportunities:**

- Students had the opportunity to connect with industry experts, successful entrepreneurs, and mentors, gaining insights and building relationships that could benefit their entrepreneurial journeys.

## **4. Understanding of Social Entrepreneurship:**

- The focus on social entrepreneurship raised awareness about creating business models that generate social impact, motivating students to pursue ventures that address societal challenges.

## **5. Increased Startup Initiatives:**

- Several students were inspired to take their business ideas further, with some exploring incubation and startup support offered by the institute, thus contributing to the growing entrepreneurial ecosystem.

#### **6. Recognition of Student Talent:**

- Through competitions like the Entrepreneurship Day celebrations and poster-making events, students had a platform to showcase their creativity, innovation, and business acumen, boosting their confidence.

#### **7. Fostering a Startup Culture:**

- The E-Cell's efforts resulted in a significant shift in the mindset of students, encouraging them to consider entrepreneurship as a viable career option and contributing to a dynamic startup culture within the institute.

#### **8. Awareness of Funding and Resources:**

- Students learned about various funding mechanisms such as seed funding, bootstrapping, and venture capital, as well as other resources available to support their entrepreneurial ventures.
