Memorandum of Understanding

Between

Spoken Tutorial IT/Software Training Program , IIT Bombay

AND

Swami Keshvanand Institute of Technology, Management & Gramothan, Jaipur

Here after referred as SKIT Jaipur with expression shall, where the contexts so admit include its successors and permitted assigns

This Memorandum of Understanding there after referred to as MoU is prepared and executed on this 21st October 2023 at the Institute, SKIT Jaipur.

Objective

Spoken Tutorial, IIT Bombay, is a part of National Mission on Education though ICT, MoE, Govt. of India, to spread IT Literacy all over the India. The objective of this agreement is to promote/interact by sharing expertise and resources in the areas of common interest for mutual benefits and to promote cooperation in the field of knowledge sharing, special emphasis on expansion of skill-based and certified programs in higher education, to serve multiple needs, including (i) career oriented education and skills to students interested in directly entering the workforce; (ii) Once one gets started any student or faculty can master the FOSS and get certificates (based on clearing an assessment test). (iii) Individuals from any discipline can learn any of the FOSS.

A Memorandum of Understanding between SKIT Jaipur and Spoken Tutorial will ensure that both the parties arrive at a common platform to work towards their vision:

1. To increase awareness about the importance of Free and open-source software.
2. To enhance and funnel Placement opportunities for the students.

Scope of Collaboration:

This MoU shall stipulate the terms and conditions under which Spoken Tutorial, IIT Bombay and SKIT Jaipur shall engage with each other to undertake the following areas/ activities jointly with mutually agreed terms and conditions. The areas/ activities can be further expanded and diversified with the mutual consent of both the parties.

The learning will be in the form free and open-source software wherein Spoken Tutorial, IIT Bombay will help to enhance the learning process of SKIT Jaipur students by providing a better learning management system and some industry standard content.

Role of SKIT Jaipur:

1. SKIT Jaipur, in consultation with Spoken Tutorial, IIT Bombay will develop this distance education method which is highly conducive to self-learning.
2. SKIT Paid annual subscription fee of Rs. 25000/- to Spoken Tutorial IIT Bombay.
3. SKIT Jaipur Shall explore the possibilities of supporting Spoken Tutorial IT/Software Training Program, IIT Bombay.
4. SKIT Jaipur will be working as FOSS center for IIT Bombay Spoken Tutorial in terms to develop the colleges from Jaipur district.
5. SKIT Jaipur will help spoken tutorial to interact with student with all possible channels like Seminar, Webinar, Training and Workshop to promote its courses.
4. SKIT Jaipur will promote the courses offered by Spoken Tutorial by mapping them into academic curriculum.
5. SKIT Jaipur will provide lab facilities with internet to encourage the students participation in the courses offered by Spoken Tutorial and provide mentors to resolve their doubts.
6. SKIT Jaipur will assign Faculty Coordinators/Mentors to help Spoken Tutorial in executing their courses in a blended model for the successful implementation of the learning
 - a. Making sure that the students give the assigned hours of learning to the platform
 - b. Regularly monitoring the performance of the students and taking the necessary action for it as per the performance.
7. SKIT Jaipur will provide the facilities to give them online exam and certificates from IIT Bombay Spoken Tutorial.
8. SKIT Jaipur will help Spoken tutorial to promote by mapping in their timetable.

Role of Spoken Tutorial, IIT Bombay:

1. Spoken tutorial, IIT Bombay will hold awareness events for the students for open source software's.
2. Spoken tutorial, IIT Bombay will provide a platform & training program to enhance the learning environment in college through distance learning program.
 - a. Students will be provided access to free and open source software though an audio video tool.
 - b. Students will be regularly assessed their learning on the platform by the means of test.
 - c. Students will receive Industry recognized certificates of completion & excellence after

the completion of their course.

3. Spoken tutorial, IIT Bombay will issued "Completion Certificate" on successful completion of the course as well as "Participation Certificate" for the students who for some reason cannot appear for the test.
6. Spoken tutorial, IIT Bombay will collaborate for the conduct of joint projects like Trainings, Conference, Symposia, Seminars and Workshops.
7. Spoken tutorial, IIT Bombay will collaborate for cooperation & promotion of education and training in areas of mutual interest.
8. The terms of cooperation for each specific activity implemented under the cooperation MoU shall be mutually discussed and agreed upon in writing by both the principal prior to the initiation of that activity.
9. Spoken tutorial, IIT Bombay will provide accounts and training sessions for the instructors and students of SKIT, Jaipur to better use the platform provided that they have enrolled for a programming course at SKIT Jaipur.
10. Spoken tutorial, IIT Bombay will provide a Relationship Manager to SKIT Jaipur as a single point of contact for all support and service.

Content Rights:

1. The content/platform provided by Spoken Tutorial is a property of Spoken Tutorial and is made available to the students and faculty of SKIT Jaipur under this collaboration. However, Spoken Tutorial reserves the complete copyright of the Content provided.

Validity:

1. This MoU will remain valid for a period of 1 year from the date of signing of the agreement.
2. During the tenure of the MoU, Spoken Tutorial will be an exclusive partner of SKIT Jaipur.

Confidentiality Obligation:

1. During the tenure of agreement and thereafter, both SKIT Jaipur and Spoken Tutorial undertake on their behalf to maintain strict confidentiality and prevent disclosure thereof, of all the information and data exchanged/ generated pertaining to work under this agreement for any purpose other than in accordance with this agreement.
2. Both SKIT Jaipur, Spoken Tutorial shall protect the confidential information using the same degree of care it uses for its own confidential information, but in no event less than reasonable measures to prevent the disclosure and unauthorized use of confidential information of the other party.
3. Both the organizations cannot share any information relevant to students and faculty members for any business or personal purposes.

Resolution of Dispute:

In case of dispute or difference whatsoever arising between SKIT Jaipur and Spoken Tutorial, IIT Bombay relating to or arising out of this agreement, the same shall be settled through mutual consultation between the authorized persons.

Survival of provision upon termination:

Notwithstanding other terms of this MoU, provisions regarding confidentiality, dispute resolution and governing law survive even after termination of this MoU and shall have a binding effect.

Authorization

The party signing is authorized to sign such an association with respect to this MoU.

About SKIT

Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) has been ranked no.1 engineering institute in Rajasthan by RTU, Kota consecutively for the last three years. SKIT is a selective comprehensive institution offering undergraduate and postgraduate programmes in Engineering and Management. The institute was established in the year 2000 by a team of committed professionals and academicians. During all the past years SKIT has emerged as a premier centre of technical education not only in Rajasthan but also in northern India which has been realized through efficient and dedicated faculty members, innovative teaching learning methods, state of the art infrastructures and core value of discipline. The various undergraduate programmes of the institute are accredited by the National Board of Accreditation (NBA).

Vision

To promote higher learning in advanced technology and industrial research to make our country a global player

Mission

To promote quality education, training and research in field of Engineering by establishing effective interface with industry and to encourage faculty to undertake industry sponsored projects for students.

Quality Policy

We are committed to 'achievement of quality' as an integral part of our institutional policy by continuous self-evaluation and striving to improve ourselves.

Institute would pursue quality in

- All its Endeavour's like admissions, teaching- learning processes, examinations, extra and co-curricular activities, industry institution interaction, research & development, continuing education, and consultancy.
- Functional areas like teaching departments, Training & Placement Cell, library, administrative office, accounts office, hostels, canteen, security services, transport, maintenance section and all other services.

Department of Computer Science & Engineering and Department of Information Technology

The Department is dedicated towards providing its students with a motivating environment and facilitating their academic requirements with committed and expert supervision of faculty and experts from various fields from time to time. The department offers B.Tech (CS) & B.Tech (IT), M.Tech. (CS) and PhD. (CS). The B.Tech degree programme has been accredited by NBA in both CSE and IT. The department Computer Science & Engineering is a recognized Research Centre of Rajasthan Technical University. Organises Spoken Tutorial and NPTEL Certification by IIT Bombay and has Virtual Lab setup by IIT Madras.

Organizing Committee of FDP

FDP is organized by Department of Computer Science & Engineering and Department of Information Technology, Swami Keshvanand Institute of Technology, Management & Gramothan, Jaipur, Under the guidance of Dr. Prof. Mukesh Gupta, HOD (CSE) SKIT and Dr. Prof. Anil Chaudhary, HOD (IT).

Coordinators of the FDP are:

1. Dr. Sunita Gupta, Associate Professor (IT), SKIT
2. Ms. Nidhi Srivastav, Associate Professor (CSE), SKIT

Objectives of the FDP

- Participant can build awesome projects by using R.
- R is dynamically used in wide variety of application domains.
- Participants can explore the opportunities and challenges in the use of R.
- To provide an opportunity for the participants to learn from expert in Specialized areas

Contents of the FDP

- Introduction to basics of R
- Introduction to data frames in R
- Introduction to RStudio
- Introduction to R script
- Working Directories in RStudio
- Indexing and Slicing Data Frames
- Creating Matrices using Data Frames
- Operations on Matrices and Data Frames
- Merging and Importing Data
- Data Types and Factors
- Lists and its Operations

Outcomes of the FDP

By the end of the program, the participants should:

- Understand the concepts of R and its applications.
- Explore the research opportunities and challenges of using R.
- Understand the current state of research and practice using R.
- Get acquainted with wide variety of application domains in R.

ABOUT PROGRAM

Program is intended to introduce with basics of R with its applications. R is an integrated suite of software facilities for data manipulation, calculation and graphical display. It is Widely used in Educational Institutions like universities, colleges and schools, data Science and Market Analysis. Statisticians and data miners use it for developing statistical software and data analysis, polls, data mining surveys etc. So this course will help learners in getting practical exposure in R.

OBJECTIVES OF THE FDP

- Participant can build awesome projects by using R.
- R is dynamically used in wide variety of application domains.
- Participants can explore the opportunities and challenges in the use of R.
- To provide an opportunity for the participants to learn from expert in Specialized areas

ABOUT SPOKEN TUTORIAL, IIT BOMBAY

A project of the National Mission on Education through ICT funded by the Ministry of Education (MHRD),

Govt. of India. Spoken Tutorial is a multi-award-winning educational content portal. Here one can learn various Free and Open-Source Software all by oneself. It has self-paced, multi-lingual courses that anybody with a computer and a desire for learning, can learn from any place, at any time and in a language of their choice. All the content published on their website are shared under the CC BY SA license.

ABOUT SKIT JAIPUR

Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) has been Ranked No. 1 Engineering Institute in Rajasthan by RTU, Kota consecutively for the last five years. SKIT is the only affiliated technical institute in Rajasthan to have earned an A++ grade by NAAC. SKIT is a selective comprehensive institution offering Undergraduate, Postgraduate & Doctorate Programmes in Engineering and Management. The institute was established in the year 2000 by a team of committed Professionals and Academicians. During all the past years SKIT has emerged as a Premier Center of Technical Education not only in Rajasthan but also in Northern India which has been realized through efficient and dedicated Faculty Members, Innovative Teaching Learning Methods, State of the art infrastructures and Core Value of Discipline. The various undergraduate programmes of the institute are accredited by the National Board of Accreditation (NBA). Located in the Pink City Jaipur, which is a blend of traditional history and modern outlook, SKIT is putting in efforts for making industry ready engineers and managers through effective Industry – Institute Interface. Apart from University curriculum SKIT also pursues activities for Research and Development in various fields.

DEPARTMENT OF CSE & IT

The departments are NBA accredited and offers undergraduate programs in CSE & IT, postgraduate

program in CSE and Ph.D. in CSE. The major areas of research are Big Data Analytics, Cloud Computing & Virtualization, Artificial Intelligence, Security, Compilers & Programming Languages, Computer Architecture, Bioinformatics and Theoretical Computer Science. Both departments have various research laboratories with the state-of-the-art computing facilities. The department is also recognized as a “Center of Excellence in IoT” by Rajasthan Technical University, Kota

TARGETED AUDIENCE

This FDP will be very helpful for faculties as it gives knowledge about R that is base of recent trends and technology. The targeted audiences are faculty members.

REGISTRATION FEE

Faculties of SKIT- No Registration fee.
