# SWAMI KESHVANAND INSTITUTE OF TECHNOLOGY MANAGEMENT & GRAMOTHAN JAIPUR (Nodal Centre for DPBH-2023, Round - 2)

## The Dark Patterns Buster Hackathon(DPBH) 2023

Dark Patterns Buster Hackathon (DPBH-2023) is a pioneering initiative aimed at challenging students to ideate strategies and solutions to combat deceptive design practices in the e-commerce digital platforms. The mission behind DPBH-2023 is to foster culture of ethical innovation and problem-solving, addressing the pressing issues we encounter in our online e-commerce experiences. This hackathon is a joint initiative of Department of Consumer Affairs, Ministry of Consumer Affairs, Food and Public Distribution, Government of India and IIT (BHU), Varanasi is the implementation agency for this nationwide event.

(Find more at: <https://doca.gov.in/DarkPatternsBusterHackathon/> and <https://dpbh2023.in/>).

The problem statement: Design and prototype innovative app or software-based solutions that can detect the use, type, and scale of dark patterns on e-commerce platforms

### Desirable functionality/feature to deliver:

#### >> Detect & Flag <<

False Urgency  
Basket sneaking  
Confirm shaming  
Forced action  
Subscription trap  
Interface interference  
Bait and switch  
Drip pricing Disguised  
advertisement nagging

#### >> Desirable technologies and features <<

Generative AI and LLMs for detection of Dark Patterns  
Central or Distributed Repository Management  
Patterns Detection Accuracy  
Data Transparency Compliance  
Data Collection with Privacy Protection  
Cross-Browser Compatibility  
Pattern Versioning  
Crowd sourced Pattern Identification  
Performance Optimization .

Details on the above are available at (<https://dpbh2023.in/problem-statement.html>) . During the hackathon, participants must build a comprehensive solution in the forms of browser plugins, extensions, applications, mobile apps etc., to cater to the above desired features and functionalities (but not limited to the above), to deliver efficient and effective turnkey solutions to safeguard consumers by identifying and exposing the dark patterns in e-commerce systems in near real-time. Important Guidelines for Team Participants: For participation, all team leaders must register for Round 1, by submitting their team details along with a one page abstract on the solution being proposed, before the due date. There may be screening after round 1. The shortlisted Teams shall register for Round 2 by submitting detailed proposals, codes, apps, documentation, demo video, Tutorials etc. about their proposed solution, three days before the date of Round 2 final presentations before the esteemed Jury at the Nodal Centre. Only 2-5 best teams may be nominated by the Nodal Center to participate in Round 3 Grand Finale at IIT (BHU), Varanasi. Certificates of participation, appreciation, excellence will be given to the participants of Round 1, 2, and 3, respectively.

### Important Dates:

Round 1 : Team Registration\* Last Date Jan. 20, 2024

Round 2 : Internal Hackathon at Nodal Centre Jan. 25, 2024

Round 3 : Grand Finale at IIT (BHU), Varanasi Feb.17, 2024

Round 4 : Award and prize distribution, Delhi Mar. 15, 2024

(Latest update on Important Dates : <https://dpbh2023.in/index.html>)

# Guidelines for Jury Members

---

This document provides guidelines for jury members to evaluate participating teams during the pre-final round of the competition at respective Nodal Centers. Please adhere to these guidelines to ensure a fair and comprehensive evaluation process.

## Understanding the Criteria

Familiarize yourself with the evaluation criteria (as per the Excel Sheet provided). Each criterion must be understood in the context of the project's goals and objectives.

## Objective Evaluation

Evaluate each team's submission objectively. Avoid bias based on team reputation, past performances, or personal preferences.

## Comprehensive Review

Review each submission in its entirety. Consider all aspects of the project, including innovation, technical execution, and potential impact.

## Scoring System

Adhere to the provided scoring system. Assign scores consistently across all teams and criteria.

## Feedback and Comments

Provide constructive feedback and comments for each team. This will help teams understand their strengths and areas for improvement.

## Confidentiality

Maintain confidentiality of the scores and feedback until the official announcement.

## Conflict of Interest

Declare any conflict of interest you might have with any of the participating teams or their projects.

## Collaboration and Discussion

Collaborate and discuss with fellow jury members to reach a consensus, especially in cases of close scores or difficult decisions.

## Adherence to Timeline

Complete the evaluation within the designated timeline to ensure a smooth and efficient process.

## Signature with Date and Seal
