**Objective of the event :-** The main objective of Ayurvedic medical camps is to provide affordable and accessible healthcare based on Ayurvedic principles to students of Netaji Subhash Chandra Bose Government School and to promote Ayurveda as a viable alternative and complementary system of medicine for them.

**Details (Execution):** - On Tuesday , 31 October 2023 an Ayurvedic Medical Camp was organized in Netaji Subhash Chandra Bose Government School by the Skit Gramothan Club. The primary objective of these Ayurvedic medical camps is to provide Free and accessible healthcare based on Ayurvedic principles.

Faculty members, along with student participants, visited the Netaji Subhash Chandra Bose Government School, where the invited guest, Dr. Pashupati Nath, conducted a health session on Ayurvedic principles and how to maintain good health through natural remedies and practices.

During the camp, a temporary clinic was set up and Students were examined by doctors who diagnosed their conditions and prescribed appropriate treatments or remedies. These treatments could include herbal medicines, dietary changes, and lifestyle modifications. At the end of the camp, students received their prescribed remedies and were advised on how to continue their treatment at home.

An interactive session was also conducted with the students, during which their concerns and issues were discussed. Furthermore, the students were engaged in games that promoted unity, and the winners were awarded with chocolates.

The drive was conducted under the able guidance of Ms Kiran Rathi,Dr.Shubhi Jain.The students were excited and happy to work for the cause of society.
