About The Club:

The Mission of Unnat Bharat Abhiyan cell skit is to enable our institution to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

Objective:

- To improve institutional capacity and training pertinent to national requirements, particularly those of rural India, as well as a knowledge of the development goal inside higher education institutions.
- To reiterate the value of field experience, stakeholder dialogue, and design for social goals as the cornerstones of higher education.
- To place emphasis on thorough reporting and beneficial results as being essential to creating new professions.
- To give regional organisations and rural India access to the professional resources of higher education institutions, particularly those that have attained academic excellence in the fields of management, science, engineering, and technology.

Outcomes:

- Work in a team structure and develop leadership qualities
- Verbally communicate with persons inside and outside the organization
- Ability to make decisions and solve problems
- Ability to plan, organize and prioritize work
- Increases self-confidence and combats depression
- Develop a feeling of selflessness and caring for others

Achievements of the Club:

- Held a motivational session for harmonious living.
- Successfully organized Problem Solving Session.
- Provided learning to Government School Students through Computer Quest workshop.
- Successfully organized an Energy & Environment Awareness Camp.
- We have also talked to students and villagers, and helped them in various matters.

**DETAILED REPORTS
OF
ACTIVITIES**

Swami Keshvanand Institute of Technology, Management & Gramothan

1. Problem-Solving Session

Date: - 21st October 2023

Venue: - Rajkiya Praveshika Madhyamik Sanskriti Vidyalaya, Malwa & Rajkiya Prathmik Vidyalaya, Khera, Jagannathpura

Level of the event: - College level

Objective of the event: -The main objective of this Problem Discussion Session is to understand the educational needs of the village, identify areas for improvement in local schools, and help students excel academically and develop a positive mindset.

Details (Execution): -

The Session was a significant community initiative organized by the UBA Club (Unnat Bharat Abhiyan), Swami Keshvanand Institute of Technology, Management and Gramothan, Jaipur. This session aimed to bring college students and students at Rajkiya Praveshika Madhyamik Sanskriti Vidyalaya, Malwa and Rajkiya Prathmik Vidyalaya Khera, Jagannathpura closer together.

This session consisted of visits to two notable schools in the region, Rajkiya Praveshika Madhyamik Sanskriti Vidyalaya, Malwa and Rajkiya Prathmik Vidyalaya, Khera, Jagannathpura.

The dedicated team from the UBA Club played a pivotal role in this meeting. They engaged with the students, to comprehend their challenges and offer solutions. The faculty members who joined the UBA session, including Dr. Kiran Rathi (ECE Dept.), Mr. Dinesh Kumar (ECE Dept.), Ms. Monika Mathur (ECE Dept.), and Dr. Amit Jhalani (Mechanical Dept.), engaged in constructive interactions with the

principal and teaching staff of the two schools. During these discussions, they presented comprehensive solutions aimed at enhancing the overall quality of the schools.

Their dialogue encompassed a multifaceted approach to improving educational outcomes, focusing not only on academic aspects but also on the holistic development of the students. The team articulated how the suggested solutions would benefit the schools and, most importantly, the students.

These educators played a crucial role in facilitating the exchange of knowledge, addressing students' questions, and solving their problems to the best of their abilities. The student coordinators, Aravi Sharma and Shreya Jha also played a crucial role in organizing and managing the session.

During the session, the team not only discussed educational needs but also offered valuable insights into various subjects, particularly Science and Technology. The initiative went beyond the confines of classrooms as the team actively engaged in fun and educational activities with the students, further enhancing their learning experience.

In essence, this Problem Discussion Session organized by the UBA Club was a shining example of a collaborative effort to uplift the educational standards and mindset of the students in these local schools. It exemplified the power of community involvement, demonstrating how a dedicated team, alongside committed educators, can bring about positive change.

Objective of the event: -

The computer quest workshop, aimed to engage students in a dynamic learning experience that nurtures their curiosity, skills, and interest in computer-related subjects, preparing them for the digital world. The Computer Quest workshop, organized by the Unnat Bharat Abhiyan Club, SKIT potential future careers in technology. It might encompass elements of learning, problem-solving, innovation, competition, education, or exploration within the realm of computers and technology for village children too.

Details (Execution): -

The Computer quest workshop typically includes hands-on learning experiences to enhance participants' skills, leveraging the organizational expertise of the Unnat Bharat Abhiyan Club. The event saw enthusiastic participation from school children and their teachers.

The "Computer quest - A Journey into Tech" was organized by UBA Club, S.K.I.T on Friday, 22 December 2023 at Government Higher Primary Sanskrit School, Malwa. The Unnat Bharat Abhiyan team played a pivotal role in organizing and coordinating the workshop so that the students could concentrate on their technical skills.

The computer quest workshop typically involved a hands-on, practical session where participants engage in learning and working with computers. Workshops was organized for beginners. Dr. Kiran Rathi, Mrs. Deepti Arela and Mr. Dinesh Kumar contributed their valuable insights during the Computer Workshop. Their aim to provide practical knowledge, problem-solving abilities, and a deeper understanding of relevant computer topics throughout the event. School children were very curious for learning many things on computer like MS Paint, Microsoft Word, MS excel. In MS Paint they had learned how to draw the figures and paint into them, also learnt how to save the file. In MS word we taught them how to write the name, we can also change **Size** and **Font** of the letters along with the basic work in MS excel. We also taught TUX Paint. Some basic knowledge about computers and softwares used in higher studies and courses. In the end we took questionnaire session about what we taught them and students with answers were motivated by giving small gifts.

The success of the Computer workshop owes much to the dedication of the Unnat Bharat Abhiyan Club, the volunteers, and the overwhelming support from the community. The

student coordinators, Aravi Sharma and Arya Negi and volunteers also played a crucial role in organizing and managing the event.

In conclusion, the Computer workshop organized by the Unnat Bharat Abhiyan Club exemplifies the participants gained valuable insights into various computer applications and improved their technical skills during the workshop. By promoting the values of a collaborative learning environment, enhancing participants confidence in utilizing computer tools effectively. Moving forward, the Unnat Bharat Abhiyan Club encourages and provide the practical knowledge, problem-solving abilities, and a deeper understanding of relevant computer topics to the students.

Harmonious Living

Different aspects and perspectives related to the idea of
leading a meaningful and balanced life

**Venue:- Rajkiya Prathmik Vidyalaya,
Khera Jagannathpura, Shivdaspura**

Date :- 22nd December 2023
Time :- 12:00 to 1:30 pm

Session expert : Mrs. Sheetal Sharma
Life Coach (since 12years)

Team UBA Club

Objective of the event: -

The Harmonious Living session, organized by the Unnat Bharat Abhiyan Club, SKIT Jaipur, aimed to foster a peaceful, cooperative, and mutually beneficial coexistence among individuals, communities, and societies. It involves creating an environment where people respect, understand, and appreciate each other's differences, while also promoting common values that contribute to overall well-being and unity.

Details (Execution): -

The Harmonious Living Session was promoting collaboration to create a supportive and thriving environment for everyone., leveraging the organizational expertise of the Unnat Bharat Abhiyan Club. The event saw enthusiastic participation from community members, volunteers, and the organizing team.

Harmonious living refers to a lifestyle characterized by balance, peace, and positive interactions with oneself, others, and the environment. It involves cultivating a sense of well-being, fostering healthy relationships, and promoting a harmonious coexistence with the surrounding world. The event was organized on Friday, 22nd December 2023.

The Unnat Bharat Abhiyan Club team played a pivotal role in organizing and coordinating the session. Volunteers of “Harmonious Living” session demonstrated various meditation techniques and exercises, so that the children could concentrate on their studies and build good relationships.

This program was well coordinated by PI Coordinators Dr. Kiran Rathi, associate prof.(ECE Deptt.).She interacted with women and children of the village, carefully heard their problems and guided and motivated them. Faculty members Mrs. Deepti Arela and Mr. Dinesh Kumar also accompanied her. The volunteers of the event Mrs. Sheetal Sharma, Mrs. Asha Rathore, Mrs. Namita Chopra, Mrs. Chaya Jain contributed their valuable insights & their commitment to build good relationships during the Harmonious Living Session.

The success of the Harmonious Living Session owes much to the dedication of the Unnat Bharat Abhiyan Club, the volunteers, and the overwhelming support from the community. The student coordinator, Aravi Sharma and the club members also played a crucial role in organizing and managing the event.

In conclusion, the Harmonious Living Session organized by the Unnat Bharat Abhiyan Club exemplifies the positive impact on the children. By promoting the values of healthy relationships, and promoting a harmonious coexistence with the surrounding world.

Moving forward, the Unnat Bharat Abhiyan Club promotes open communication, mutual respect, and collaborative problem-solving, fostering a positive environment for all participants. The lessons learned from this event will undoubtedly contribute to a healthier, and more socially conscious environment.

ENERGY AND ENVIRONMENTAL

AWARENESS CAMP

An educational program that combines learning about the principles of optical and electrical energy with promoting environmental awareness and sustainability practices.

📍 **Venue - Rajkiya Prathmik Vidyalaya
Khera Jaganathpura, Shivdaspura**
📅 **Date - 8 / 2 / 2024**
🕒 **Time - 10 : 30 am**

Objective of the event: -

The Energy and Environmental Awareness Camp, organized by the Unnat Bharat Abhiyan Club and Optica Student Chapter, SKIT Jaipur, is an educational program that aims to promote environmental awareness and sustainable practices. The objective is to educate participants on energy conservation, environmental protection, and the importance of adopting green initiatives in daily life. The camp strives to inspire proactive measures for a healthier planet and foster a sense of responsibility towards our environment.

Details (Execution): -

The Energy and Environmental Awareness Camp aimed to instill awareness and knowledge about energy conservation and environmental protection among the students.

Unnat Bharat Abhiyan, in collaboration with Optica Student Chapter, SKIT and Optica Student Chapter, MNIT (Malviya National Institute of Technology), conducted a program under the guidance of Dr. Kiran Rathi, Dr. Rukhsar Zafar and Mr. Rahul Pandey. The students of Rajkiya Prathamik Vidhyalaya in Khera Jagannathpura were engaged in practical demonstrations showcasing various aspects of light and its properties.

Dr. Amit Jhalani, Assistant Professor at SKIT, emphasized the significance of the environment, methods of environmental and energy conservation, and the interdependence of human life on these aspects.

Adding a creative flair to the program, a thematic artistic competition directed by Dr. Kiran Rathi and Mr. Dinesh Kumar provided students with a platform to express their understanding of environmental conservation through art. Prizes were awarded to acknowledge outstanding contributions, fostering a sense of achievement and motivation among the participants.

This initiative not only served to enlighten students on critical environmental issues but also fostered a sense of responsibility and enthusiasm for sustainable practices within the community.

The event, hosted at the Rajkiya Prathamik Vidhyalaya, Khera Jagannathpura, Shivdaspura, engaged students actively, creating a positive ripple effect within the community.

In summary, the collaborative efforts of Unnat Bharat Abhiyan Club and the Optical Student Chapter materialized into an enlightening and impactful event. It not only imparted valuable knowledge but also cultivated a sense of environmental consciousness and responsibility among the participating students and the broader community in Shivdasapura.
