Objective of the event: To spread awareness among the people and to develop personal aspirations.

Details (Execution): On 15th March 2024, our college organized a social event, Slogan writing competition for the students of the college. The event started at 1:00 pm with a warm welcome by applying tilak and giving a beautiful gift to our guests. After the welcoming ceremony, topics were given on the spot to the participants and they presented a slogan related to that topic in a creative way. This was followed by an interactive session, the oral round where the

students were able to share their thoughts regarding the topic. Finally, at 3pm, the event ended with a heartfelt departure ceremony. We thanked our guests for attending the event and gave them shawls as a token of our appreciation. The guests and students left with a smile on their faces, and we were happy to have been able to create a positive and memorable experience for them. In conclusion, the college fest social event for the students was a great success and we are motivated to organize more such events.
