

Annual Report of the

E-Cell

Session: 2023-24

**Swami Keshvanand Institute of Technology,
Management & Gramothan**

(An Autonomous Institute Affiliated to Rajasthan Technical University, Kota)

Contents

1. About E-Cell
2. Aims and Objectives of E-Cell
3. Members of E-Cell
4. Summary of Activities of E-Cell
5. Detailed Report of E-Cell Activities
6. Outcomes of the Events Organized by E-Cell

1. About E-Cell

The Entrepreneurship Cell (E-Cell) at Swami Keshvanand Institute of Technology (SKIT) was established to foster an entrepreneurial culture among students. The cell operates in collaboration with various industry partners and aims to nurture the entrepreneurial mindset through workshops, interactive sessions, and competitions. The E-Cell encourages students to explore innovative ideas, supports startup initiatives, and organizes events that align with the vision of promoting entrepreneurship.

2. Aims and Objectives of E-Cell

The objectives of E-Cell are as follows:

- Organize workshops and seminars to inspire and educate students about entrepreneurship.
- Provide guidance for students to transform their ideas into startups.
- Conduct events aimed at enhancing skills such as financial management, risk-taking, and leadership.
- Facilitate interactions between students and industry experts, venture capitalists, and successful entrepreneurs.
- Foster a culture of innovation by encouraging students to solve real-world problems with creative solutions.

3. Members of E-Cell

S. No.	Name of Member	Designation	Department
1	Dr. Monika Mathur	Coordinator	Electronic and Communication Engineering
2	Dr. Meenakshi Nawal	Member & Associate Professor	Computer Science Engineering
3	Mr. Tarun Sharma	Member & Assistant Professor	Management Studies
4	Ms. Deepti Arela	Member & Assistant Professor	Electrical Engineering
5	Mr. Yogesh Kumar	Member & Assistant Professor	Mechanical Engineering
6	Mr. Manmohan Sharma	Mr. Manmohan Sharma	Civil Engineering

4. Summary of the Activity of E-Cell

The following activities were undertaken by the E-Cell during the academic session 2023-24:

S. No.	Name of Activity	Type of Activity	Date	Annexure
1	"An Expert Advice to Thinking Like a Winner"	Interactive Session	30th September, 2023	I
2	Panel Discussion on "Social Entrepreneurship"	Interactive Session	1st November, 2023	II
3	"Entrepreneurship Day Celebration Series"	Celebration	7th-9th November, 2023	III
4	E-SUMMIT-24: Ventura Incertus (Startup Ignite)	National Event	6th January, 2024	IV
5	E-Week Series Celebration	Celebration	22nd-26th April, 2024	V

5. Report of the Activities of E-Cell

**Swami Keshvanand Institute of Technology,
Management & Gramothan, Jaipur**

**A

6. Technical Report

Talk 1:

Mr. Ankit Dhir who was graduated in 2011 from department of computer science and now working on his own start-up named **HABILELABS PVT LTD** has shared his experience on his journey, he also shared various challenging phases relevant to sustainability of his design of idea and various challenges he has faced.

He explores the importance of landing page, boot strapping and financial management so that student who is planning to come up with his own idea can come to know how it will be useful with expert's reviews.

Also he guided students for cultivating the thought process while working with any organization so it can build up pillars for the business modal. t

With the query among the students he provided the information on a risk of stolen of idea. They asked various questions like: -

What is necessary to get your idea safe while you are discussing with people?

What is the major risk factor?

Does to give a time to any organization to enhance the experience before starting own business is beneficial?

What is the most relevant time to start to work on your own idea? Is it can be started with pursuing final year?

Talk 2:

The next talk was held by **Mr. Hitesh Sharma** founder of **SHRISHTI TEXTILES**. Mr. Hitesh was graduated in mechanical engineering from 2013-17 batch. During the talk **Mr. Hitesh** explore his wide experience in multiple start ups he just experienced in his life. He explore the areas of his failure and various learning. He presented his aspects while entrepreneur with such wonderful queries from students. He covered a number of points. Also he spoke about the risk of leaking the idea among people. He discussed the various risk factor in business and motivated students to step ahead with their own ideas.

Mr. Hitesh aware the students about various challenges a person has to face while besides pursuing a job he/ she pursue his/her own start-up and business.

The various points he shared with the students are:

1. Execution plan of idea is important
2. Idea can't be protected.

3. Capital investment
4. Processing issue (includes solving unknown problems)
5. Team building

Talk 3:

The next talk was held by **Mr. Divyansh Maheshwari** founder of GADGET VILLA. Mr. Divyansh done his MBA from 2019-21 batch. During the talk **Mr. Divyansh** explore his wide theory to switch towards the thought process of job crater. In such a early age he shared a great aspect of his business with identification of problem statement among the society. With the same consequences he explores the various platforms to get funding to explore the business. He explained about boot funding, pre seed funding and seed funding and what the criteria to avail those facilities is. After this session students raised their queries.

1. What is the most relevant time to start to work on your own idea?
2. Can business be started with pursuing final year?
3. Emotional issues include your social values.
4. Tax and laws
5. Type of funding

He told about basic mistakes that most students do while start to work for own.

The session was hosted by E Cell under the coordination of Prof. Monika Mathur, Dr.Meenakshi Nawal, Mr.Tarun Sharma, Ms.Dipti Arela, Mr.Yogesh Kumar, Mr.Manmohan Sharma with a student team of Vidit Khandewal, Aayushi Pahariya, Pankaj Samota, Harshvardhan Verma.

Ramnagar, Jagatpura, Jaipur-302 017, Rajasthan, India

3. Introduction about the guest and his company profile

Jaipur Rugs is a well-known Indian company specializing in handcrafted rugs and textiles. They are known for their high-quality, handmade rugs that often incorporate traditional Indian craftsmanship and designs. Jaipur Rugs works with a network of skilled artisans in rural India, supporting sustainable and ethical practices in rug making. Their products are popular for their unique designs, vibrant colors, and commitment to social responsibility in the textile industry.

1. **Foundation:** Jaipur Rugs was founded in 1978 by **N.K. Chaudhary**. It began as a small business but has since grown into a globally recognized brand.
2. **Artisan Network:** The company works with over 40,000 artisans in rural and remote areas of India, particularly in the state of Rajasthan. They aim to provide livelihood opportunities to these skilled craftsmen and women.
3. **Product Range:** Jaipur Rugs offers a wide range of handwoven rugs, including traditional and contemporary designs. They produce various types of rugs, including flatweave, hand-knotted, and tufted rugs.
4. **Sustainability:** The company places a strong emphasis on sustainability and environmentally friendly practices. They often use natural materials like wool, cotton, and jute, and their production methods are eco-conscious.
5. **Awards and Recognition:** Jaipur Rugs has received several awards and accolades for its commitment to social responsibility and quality craftsmanship. It's considered a pioneer in the rug industry for its ethical practices.
6. **Global Presence:** Jaipur Rugs products are sold worldwide and can be found in many high-end home decor and rug stores.
7. **Social Impact:** In addition to creating beautiful rugs, the company is involved in various social initiatives, such as education and healthcare programs for the artisan communities they work with

4. Report

The panel discussion on Social Entrepreneurship was a compelling and insightful event, featuring prominent personalities in the field. N.K Choudhary, the esteemed founder of Jaipur Rugs, shared his experiences, thoughts, and insights on the intersection of business and social impact.

Opening Remarks by Mr. Surja Ram Meel

Mr. Surja Ram Meel, the Chairman of SKIT, initiated the discussion by emphasizing the increasing importance of social entrepreneurship in addressing societal challenges. He highlighted the need for innovative solutions that blend business acumen with a deep commitment to creating positive social change.

N.K Choudhary's Keynote:

N.K Choudhary began by narrating his journey as the founder of Jaipur Rugs, a pioneering social enterprise in the carpet industry. He stressed the significance of weaving social impact into the core fabric of a business. Choudhary shared how Jaipur Rugs has empowered thousands of artisans in rural India, providing them with sustainable livelihoods, education, and healthcare. He provided a broader perspective on the ecosystem supporting social enterprises and discussed the role of foundations in driving social change.

Interactive Discussion:

The panelist engaged in a vibrant discussion covering various aspects of social entrepreneurship, including challenges faced, scalability, and measuring impact. The audience actively participated by posing questions, creating a dynamic and informative exchange of ideas.

Key Takeaways after the panel discussion with N.K Choudhary:

- **Holistic Impact:** N.K Choudhary emphasized the importance of holistic impact, where social enterprises contribute to the well-being of communities beyond just economic empowerment.

- **Collaboration and Ecosystem Building:** He highlighted the need for collaboration between government, NGOs, and businesses to create a conducive ecosystem for social entrepreneurship to thrive.
- **Innovation and Adaptability:** The need for constant innovation and adaptability in social entrepreneurship to effectively address evolving social challenges.

Closing Remarks:

Ms. Monika Mathur wrapped up the discussion by thanking the N.K Choudhary and the audience for their active participation. She encouraged everyone to take inspiration from the success stories shared during the panel and to actively contribute to the growth of social entrepreneurship.

In conclusion, the panel discussion on social entrepreneurship, with N.K Choudhary as a distinguished guest, provided valuable insights into the transformative power of business when combined with a genuine commitment to social impact. The event left the audience inspired and motivated to explore their roles in fostering positive change through entrepreneurial endeavors.

About E-SUMMIT-24 IIT Roorkee

E-Summit IIT-R is conducted to bring an entrepreneurial mindset to posterity. We incorporate students, professionals, and startups from across the country and provide them with comprehensive exposure to make them aware of the opportunities to venture into entrepreneurship. Steering our way through exciting competitions, intellectual panel discussions, knowledgeable sessions, networking arenas and all the more required to light up the spirit of entrepreneurship, we strive to create a conducive environment for developing a startup hub in North India.

The benefits of E-SUMMIT-24 organized by IIT Roorkee for entrepreneurship in points:

1. **Global Accessibility:** Participants can join from anywhere, providing a global reach and fostering international collaboration.
2. **Diverse Speaker Participation:** Inclusion of speakers from various industries and backgrounds offers diverse perspectives and insights.
3. **Networking Opportunities:** Attendees can connect with seasoned entrepreneurs, mentors, and potential collaborators, fostering valuable professional relationships.
4. **Convenience:** The online format allows participants to attend sessions and engage in discussions without the constraints of physical location or travel.
5. **Learning from Experts:** Access to experienced entrepreneurs and industry experts, providing valuable knowledge and practical advice for startups.
6. **Innovation and Ideas Exchange:** The event may encourage the exchange of innovative ideas, promoting a culture of entrepreneurship within the IIT Roorkee community.
7. **Funding Exploration:** Entrepreneurs may have the chance to explore potential funding sources, connecting with investors interested in supporting innovative ventures.
8. **Community Building:** E-SUMMIT-24 can contribute to the development of a vibrant entrepreneurial community within the IIT Roorkee ecosystem.
9. **Skill Development:** Workshops and sessions may focus on developing essential entrepreneurial skills, empowering participants to navigate the challenges of startup ventures.
10. **Inspiration:** Hearing success stories and overcoming challenges from accomplished entrepreneurs can inspire and motivate aspiring startup founders.

Objectives

The objectives of E-SUMMIT-24 organized by IIT Roorkee for entrepreneurship include:

1. **Fostering Entrepreneurial Spirit:** Cultivating an environment that inspires and encourages individuals to pursue entrepreneurial endeavors.

2. **Knowledge Dissemination:** Sharing insights, expertise, and practical knowledge from successful entrepreneurs to empower aspiring startup founders.
3. **Networking and Collaboration:** Creating a platform for entrepreneurs to connect with mentors, investors, and potential collaborators, facilitating valuable professional relationships.
4. **Skill Development:** Conducting workshops and sessions to enhance the entrepreneurial skill set of participants, aiding in their journey as successful business leaders.
5. **Global Reach:** Leveraging the online format to provide access to a diverse and international audience, promoting cross-cultural interactions and collaborations.
6. **Promoting Innovation:** Encouraging the exchange of innovative ideas and approaches, fostering a culture of creativity and problem-solving.
7. **Access to Funding Opportunities:** Providing a space for entrepreneurs to explore potential funding avenues and connect with investors interested in supporting innovative ventures.
8. **Community Building:** Strengthening the entrepreneurial community within the IIT Roorkee ecosystem and beyond, creating a supportive network for startups.
9. **Inspiration and Motivation:** Featuring success stories and experiences from accomplished entrepreneurs to inspire and motivate participants in their entrepreneurial journeys.
10. **Contribution to Ecosystem:** Contributing to the overall development and growth of the entrepreneurial ecosystem by fostering collaboration and knowledge-sharing.

Target Audience:

The E-SUMMIT-24 is designed for:

- Students, faculty members, researchers and innovators
- Business executives and managers responsible for IP strategy.
- Legal professionals and IP practitioners.
- Entrepreneurs and startup founders.

The timing of the summit was from 10:00am–5:00pm

Technical Report

EVENT 1 -> IDEASTORM

"Ideastorm, an event organized by the Entrepreneurship Cell at IIT Roorkee, serves as a dynamic platform for fostering innovation and entrepreneurial spirit. Participants engage in a collaborative process of idea generation, pitching their creative concepts to a panel of judges, mentors, or industry experts. This event goes beyond mere ideation, providing a space for constructive feedback and refinement. Through networking opportunities, participants can connect with like-minded individuals, potential collaborators, and experienced mentors. Workshops or talks may complement the event, offering valuable insights into entrepreneurship. Ideastorm often takes the form of a competition, encouraging participants to showcase their innovative ideas, with awards or recognition for standout concepts. By fostering cross-disciplinary interaction, encouraging risk-taking, and emphasizing practical application, Ideastorm contributes to the development of a vibrant entrepreneurial ecosystem within the IIT Roorkee community."

The participants are also allowed to communicate in both English and Hindi language and they were asked to prepare proper marketing strategy in order to make their product sustainable and demanding, the jury members including Shri venkat Sai judge the pitches on the basis of ideation , market strategy, long term goals etc.

EVENT -2 INVESTORS VISTA

"Investors Vista," organized by IIT Roorkee as part of E-SUMMIT, likely plays a crucial role in connecting aspiring entrepreneurs with potential investors. This event provides a platform for startups to pitch their business ideas or existing ventures to a panel of investors, venture capitalists, or angel investors. Participants have the opportunity to showcase the viability and potential of their projects, aiming to secure funding or investment partnerships. Investors Vista serves as a bridge between entrepreneurial talent and financial support, contributing to the growth and success of innovative ventures within the IIT Roorkee community and the broader entrepreneurial ecosystem."

Investors Vista, hosted by IIT Roorkee as part of E-SUMMIT, presents a myriad of benefits for both startups and investors. For startups, the event serves as a crucial avenue to pitch their innovative ideas directly to a panel of potential investors, opening doors for crucial financial backing and strategic partnerships. The platform provides valuable feedback from seasoned investors, aiding in the refinement of business models. Additionally, the networking opportunities foster connections that extend beyond the event, enabling startups to build relationships with mentors and industry professionals. On the flip side, investors gain access to a curated pool of promising ventures, facilitating efficient identification of investment opportunities. The event's structured format allows for a comprehensive evaluation of startups, enabling investors to make informed decisions. Overall, Investors Vista contributes significantly to the growth of the entrepreneurial ecosystem by catalyzing funding, fostering collaboration, and propelling innovative ventures toward success.

EVENT 3 ENTREPRENEURSHIP QUIZ

The Entrepreneurship Quiz organized by IIT Roorkee is an engaging and informative event designed to test and enhance participants' knowledge about entrepreneurship. Participants, which may include students, entrepreneurs, and enthusiasts, are challenged with a series of questions covering various aspects of entrepreneurship, business strategies, startup ecosystems, and notable entrepreneurial figures. The quiz serves as an educational platform, fostering a deeper understanding of entrepreneurial concepts while promoting friendly competition. Participants have the opportunity to showcase their knowledge, learn from diverse topics, and possibly win recognition or prizes based on their performance. This event not only encourages learning but also contributes to the cultivation of an entrepreneurial mindset within the IIT Roorkee community.

Prize distribution

The prize distribution for events like Ideastorm and Investors Vista in E-SUMMIT organized by IIT Roorkee typically involves the acknowledgment and rewarding of outstanding participants. After the conclusion of Ideastorm, where innovative ideas are presented, and Investors Vista, focused on connecting startups with investors, winners may be announced during a dedicated awards ceremony. Prizes could include certificates, trophies, mentorship opportunities, or, in the case of Investors Vista, potential investment offers or partnerships. This recognition not only celebrates participants' achievements but also adds a competitive and motivating element to the events, encouraging continued engagement and excellence within the entrepreneurial ecosystem of IIT Roorkee.

**Secretary and Commissioner
Department of Science &
Technology
Govt. of Rajasthan**

Monday, 22nd April, 2024

10.00 - 11.00 AM

Open Media Auditorium, SKIT, Jaipur

Details/List of invited guest/speakers: - Shri Puneet Sharma (Publicity Head , SKIT Jaipur) Dr. Manoj Gatani (Founder & Director IGET Innovation Lab) , Shri Rakesh Rao (Project Consultant-I start , Jaipur) , Ms Anila Choraria (Asst Director Dc-Msme Jaipur) , Shri Ajay Dhanopia (Head Incubation Cell , Skit Jaipur) , Prof Rakesh Mohan Joshi (Director , Indian Institute Of Plantation , Management , Jaipur) , Dr Akhilesh Trivedi (Global Mentor & strategist , Startup & Enterprenurship Development) , Shri Abhishek Gupta (Startup Consultant Wadhvani foundation) , shri Nikhil Bansal (CEO , Bs advocates & associates , Jaipur)

Objective of the event:- - The objective of E-Week at Swami Keshvanand Institute of Technology, Management and Gramothan is to provide students with invaluable mentorship from top industry experts. The program aims to foster innovation, entrepreneurship, and practical knowledge by connecting students with influential leaders such as Shri Puneet Sharma (Publicity Head, SKIT Jaipur), Dr. Manoj Gatani (Founder & Director, IGET Innovation Lab), Shri Rakesh Rao (Project Consultant, I Start Jaipur), Ms. Anila Choraria (Assistant Director, DC-MSME Jaipur), Shri Ajay Dhanopia (Head, Incubation Cell, SKIT Jaipur), Prof. Rakesh Mohan Joshi (Director, Indian Institute of Plantation Management, Jaipur), and Dr. Akhilesh Trivedi (Global Mentor & Strategist, Startup & Entrepreneurship Development), among others.

Through workshops, interactive sessions, and networking opportunities, students will gain insights into the latest industry trends, entrepreneurial strategies, and practical skills necessary for their future careers. This initiative aims to empower students to transform their ideas into impactful solutions while building essential connections within the industry.

Details (Execution):-

Day 1: Inauguration Ceremony and Sessions

Inauguration Ceremony:

The E-Week kicked off with an enthusiastic inauguration ceremony, attended by faculty, students, and distinguished guests. The event began with a welcome address, highlighting the importance of entrepreneurship and innovation in today's world.

Key Highlights

- Opening Remarks: A faculty member delivered a motivational speech on the objectives of E-Week, emphasizing the value of mentorship and collaboration.

- **Ribbon Cutting:**The ceremony concluded with a symbolic ribbon-cutting event to officially launch E-Week, followed by a group photo with all attendees.

Session 1: Mindset Development for Entrepreneurship

Speaker:Shri Puneet Sharma, Publicity Head, SKIT Jaipur

Following the inauguration, Shri Puneet Sharma delivered an inspiring session on “Mindset Development for Entrepreneurship.” He shared insights on cultivating a growth mindset, the importance of resilience, and strategies to overcome challenges in the entrepreneurial journey.

Session Highlights:

- **Key Concepts:** Understanding the entrepreneurial mindset, embracing failure as a learning opportunity, and setting clear goals.

-**Interactive Discussion:** I Students actively participated by sharing their thoughts and asking questions, creating an engaging atmosphere.

Session 2: Brainstorming Games

Facilitator: Dr. Manoj Gatani, Founder & Director, IGET Innovation Lab

The second session was led by Dr. Manoj Gatani, focusing on “Brainstorming Games.” This interactive workshop aimed to enhance creativity and problem-solving skills among students through fun and collaborative activities.

Session Highlights:

- **Engaging Activities:** Students were divided into teams to participate in various brainstorming games designed to stimulate innovative thinking.

- **Team Collaboration:** Each activity encouraged teamwork and communication, allowing students to brainstorm solutions to real-world challenges.

- **Feedback and Reflection:** At the end of the session, teams shared their ideas, and Dr. Gatani provided constructive feedback, reinforcing the importance of collaboration in the innovation process.

Conclusion of Day 1:

The first day of E-Week successfully set the tone for the upcoming events, with students leaving inspired and energized. The combination of mindset development and interactive brainstorming equipped them with essential tools for their entrepreneurial journeys. Participants expressed excitement for the following sessions and workshops lined up throughout the w

Day 2: Startup Planning and Funding Opportunities

Session 1: How to Plan for a Startup and Legal/Ethical Steps

Speaker: Shri Rakesh Rao, Project Consultant, I Start BTH Jaipur

Day 2 of E-Week commenced with an insightful session led by Shri Rakesh Rao on “How to Plan for a Startup and Legal/Ethical Steps.” His presentation provided students with a comprehensive overview of the critical steps involved in launching a startup, focusing on both strategic planning and the importance of adhering to legal and ethical standards.

Session Highlights:

- **Key Topics Covered:** Business planning essentials, market research, and the legal framework necessary for startups.
- **Ethical Considerations:** Discussion on the significance of ethics in entrepreneurship, including transparency and social responsibility.
- **Q&A Session:** Students engaged actively, asking questions about common pitfalls in startup planning and seeking advice on their business ideas.

Session 2: Funding Opportunities for Innovation and Startups**

Speaker: Ms. Anila Choraria, Assistant Director, DC-MSME Jaipur

The second session featured Ms. Anila Choraria, who spoke about “Funding Opportunities for Innovation and Startups.” Her insights were invaluable for aspiring entrepreneurs looking to secure funding and understand the various avenues available.

Session Highlights:

- **Funding Sources:** Overview of different funding options, including government grants, venture capital, angel investors, and crowdfunding.
- **Application Process:** Step-by-step guidance on how to prepare effective proposals and presentations to attract investors.
- **Real-Life Examples:** Ms. Choraria shared success stories of startups that successfully navigated funding challenges, inspiring students with practical examples.

Conclusion of Day 2:

The second day of E-Week was both informative and empowering, equipping students with crucial knowledge about startup planning and funding. Participants left the sessions with a clearer understanding

of the entrepreneurial landscape and actionable steps to take as they pursue their own ventures. Excitement was palpable as students looked forward to the next set of sessions and continued learning opportunities.

Day 3 Schedule

Session 1: Frontier & Futuristic Technologies for R&D**

Speaker: Miss Spandita Sharma

Position: Senior Business Consultant Associate, Effectual Knowledge Services

In this session, Miss Spandita Sharma will explore the latest advancements in frontier and futuristic technologies that are shaping research and development across various industries. She will discuss the impact of emerging technologies like AI, blockchain, and IoT on innovation processes, emphasizing their potential to drive efficiency and create new opportunities. Attendees will gain insights into how organizations can leverage these technologies to enhance their R&D strategies and remain competitive in a rapidly evolving landscape.

Session 2: Business Management & Economics**

Speaker: Prof. Rakesh Mohan Joshi

Position: Director, Indian Institute of Plantation Management, Bengaluru

Following the first session, Prof. Rakesh Mohan Joshi will delve into the principles of business management and economics, focusing on their application within the plantation sector and beyond. He will discuss key economic theories, management strategies, and their relevance to contemporary business practices. Participants will engage in discussions about the interplay between economic trends and effective management, equipping them with knowledge to navigate the complexities of today's business environment.

Day 4: Expert Sessions on Business Models, Startup Mistakes, and Publicity Strategies

Day 4 of E-Week continued to empower participants with critical insights on entrepreneurship, focusing on the practical aspects of building and sustaining a startup. The sessions were led by experienced professionals who shared their expertise on various aspects of the startup ecosystem.

Session 1: Business Model Canvas

- **Speaker:** Dr. Akhilesh Trivedi, Global Mentor & Strategist for Startup & Entrepreneurship Development

- **Overview:** Dr. Trivedi introduced the concept of the *Business Model Canvas* as a strategic tool for startups to visualize, design, and refine their business models.

- **Session Highlights:**

- **Key Concepts:** Participants learned how to map out business elements such as value propositions, customer segments, channels, and revenue streams.

- **Practical Application:** Dr. Trivedi guided students through real-world examples, encouraging them to apply the Business Model Canvas to their own startup ideas.

- **Interactive Discussion:** Students engaged in an insightful Q&A session, deepening their understanding of the key components of a successful business model.

Session 2: Common Mistakes & Suggestions for Building a New Startup

- **Speaker:** Shri Abhishek Gupta, Startup Consultant, Wadhvani Foundation

- **Overview:** Shri Abhishek Gupta shared practical advice on avoiding common pitfalls in startup development, drawing from his extensive experience in the field.

-Session Highlights:

- **Mistakes to Avoid:** Key points included inadequate market research, poor financial planning, and lack of adaptability.

- **Actionable Suggestions:** He offered tips on building a strong foundation, such as focusing on customer feedback, building the right team, and securing sustainable funding.

- **Real-World Examples:** Through case studies, Shri Gupta illustrated how even promising startups can falter due to avoidable mistakes.

Session 3: Budget Preparation, Tagline Creation, and Publicity Strategies

- **Speaker:** Shri Nikhil Bansal, CEO, BS Advocates & Associates, Jaipur

- **Overview:** This final session provided hands-on guidance on the often-overlooked yet crucial elements of launching a startup: budgeting, branding, and publicity.

- Session Highlights:

- **Budgeting:** Shri Bansal discussed strategies for preparing realistic budgets, managing cash flow, and prioritizing spending for a new business.

- **Tagline Creation:** He explained the importance of crafting an impactful tagline that aligns with the brand's vision and resonates with the target audience.

- **Publicity Strategies:** Students learned how to create effective publicity campaigns, leveraging both digital and traditional media to maximize outreach.

- **Interactive Workshop:** Participants worked in small groups to draft budgets, brainstorm taglines, and design mock publicity campaigns, receiving feedback from Shri Bansal.

Conclusion of Day 4:

Day 4 equipped participants with vital tools for startup success, from designing robust business models to avoiding common mistakes and developing key publicity strategies. The hands-on approach, combined with expert insights, ensured that students gained both theoretical knowledge and practical skills.

Day 5: Conclusion of E-Week and Expert Sessions on Legal Aspects of Startups

The final day of E-Week wrapped up with an insightful focus on the legal side of entrepreneurship. Esteemed legal professionals offered guidance on the critical legal considerations for startups, providing participants with a comprehensive understanding of intellectual property, legal frameworks, and business protection.

Session 1: Legal Frameworks and Startup Protection

- **Speaker:** Shri J. Sai Deepak, Lawyer, Supreme Court of India

- **Overview:** Shri J. Sai Deepak, a prominent advocate, delivered an informative session on the legal frameworks surrounding startups, emphasizing the importance of understanding legal compliance and protecting intellectual property (IP).

- Session Highlights:

- **Startup Legalities:** He discussed the key legal aspects new startups must be aware of, such as business registration, contracts, and compliance with regulatory bodies.

- **IP Protection:** Shri Deepak highlighted the importance of securing intellectual property rights (patents, trademarks, copyrights) early in the startup lifecycle to protect innovative ideas and products.

- **Engaging Q&A:** The interactive session allowed students to raise legal concerns regarding their business ideas, receiving detailed responses that helped clarify the nuances of startup law.

Session 2: Legal and Patent Aspects for Entrepreneurs

- **Speaker:** Dr. Bharti Jain, Advocate & Founder, Swash Legal Consultant, and Patent Agent

- **Overview:** Dr. Bharti Jain, an expert in legal consulting and patents, delved into the specifics of legal issues related to intellectual property for entrepreneurs.

- Session Highlights:

- **Patent Process:** Dr. Jain explained the step-by-step process of patenting, from filing an application to securing rights, and the strategic importance of patents in protecting innovations.

- **Legal Agreements:** She stressed the need for strong legal agreements, including non-disclosure agreements (NDAs), partnership contracts, and investor agreements to safeguard business interests.

- **Practical Advice:** Dr. Jain shared examples of legal challenges startups face and how they can be avoided with proper legal foresight and planning.

Conclusion of the Event:

- **Closing Remarks by Dr. Bharti Jain:** As the event concluded, Dr. Bharti Jain expressed the importance of having a legal mindset for entrepreneurs. She emphasized the significance of strong legal foundations for long-term business success and encouraged participants to stay informed about legal developments that could impact their ventures.

- **Reflections and Takeaways:** Both Shri J. Sai Deepak and Dr. Bharti Jain offered parting advice on the critical need for legal literacy among entrepreneurs. They urged participants to consult legal professionals early in their startup journeys to avoid potential issues down the line.

Overall Conclusion of E-Week:

The closing sessions marked a fitting end to an eventful week filled with learning, collaboration, and innovation. By covering essential topics like legal frameworks, IP protection, and business strategy, E-Week provided participants with a well-rounded toolkit to navigate the entrepreneurial landscape. Students left the event feeling empowered, equipped with both the knowledge and the inspiration to pursue their entrepreneurial goals.

Outcomes of the Events Organized by E-Cell

The events organized by E-Cell during the academic session 2023-24 resulted in the following key outcomes:

1. Enhanced Entrepreneurial Awareness:

- Students gained a deeper understanding of entrepreneurship, business strategies, and the startup ecosystem, which helped them appreciate the practical aspects of starting and running a business.

2. Increased Student Engagement:

- Active participation in workshops, panel discussions, and competitions led to greater interest and involvement of students in entrepreneurial activities, fostering a culture of innovation at the institute.

3. Networking Opportunities:

- Students had the opportunity to connect with industry experts, successful entrepreneurs, and mentors, gaining insights and building relationships that could benefit their entrepreneurial journeys.

4. Understanding of Social Entrepreneurship:

- The focus on social entrepreneurship raised awareness about creating business models that generate social impact, motivating students to pursue ventures that address societal challenges.

5. Increased Startup Initiatives:

- Several students were inspired to take their business ideas further, with some exploring incubation and startup support offered by the institute, thus contributing to the growing entrepreneurial ecosystem.

6. Recognition of Student Talent:

- Through competitions like the Entrepreneurship Day celebrations and poster-making events, students had a platform to showcase their creativity, innovation, and business acumen, boosting their confidence.

7. Fostering a Startup Culture:

- The E-Cell's efforts resulted in a significant shift in the mindset of students, encouraging them to consider entrepreneurship as a viable career option and contributing to a dynamic startup culture within the institute.

8. Awareness of Funding and Resources:

- Students learned about various funding mechanisms such as seed funding, bootstrapping, and venture capital, as well as other resources available to support their entrepreneurial ventures.
