About The Club: - “Renewable Energy Club incepted in 2007, in Swami Keshvanad Institute of Technology under the program initiative by Rajasthan Renewable Energy Corporation Limited. Club is helping the students to make them aware about various renewable energy resources and techniques with the help of a number of programs and quizzes – like celebrating Akshay Urza Diwas annually, Paper presentation and Poster making competition, debates, etc.”

Objective of the club:-

1. Spread awareness among society about Renewable Energy Resources.
2. Motivate the students to participate in extra-curricular activities for overall personality development.
3. To create an environment of energy literacy among students.

Outcomes of the club:-

1. Students will get knowledge about the current situation of the energy in the world.
2. Students will develop a mindset about the utilization and misuse of energy.
3. Students will understand the future scope of energy in the world.
