Approval of the Event from the Management

SWAMI KESHVANAND INSTITUTE OF TECHNOLOGY, MANAGEMENT & GRAMOTHAN

DEPARTMENT OF MANAGEMENT STUDIES

24th Feb. 2024
To,
The Director (Academics)
SKIT, Jaipur.

Sir,

Reg: Revised Dates for International Conference on "Management, Business and Economy"

This is to seek your approval for necessary changes regarding the dates for the upcoming International Conference on "Management, Business, and Economy."

Due to unforeseen circumstances related to the RTU Academic Calendar, our original plans for the conference clashed with the concluding examinations of the I Semester, which are now scheduled to end on 28.02.24. Consequently, the classes for MBA II Semester will commence from 1.03.2024.

In order to ensure maximum participation from our MBA students and to uphold the effectiveness of the conference, we kindly request your approval to reschedule the event from its initial dates of 1st & 2nd March, 2024, to ^(*)24th & 25th April, 2024. This adjustment will allow our students to fully engage in the conference proceedings without any academic conflicts.

We request you to approve the programme in principle.

Dr. Savita Choudhary
Conference Convener

International Conference on

**“Management, Business and Economy”
April 24th & 25th, 2024**

Report of the Conference

The "Management, Business, and Economy" conference held on April 24th-25th, 2024, organized by the Department of Management Studies at Swami Keshvanand Institute of Technology, Management & Gramothan, Jaipur, was a landmark event aimed at fostering dialogue and innovation in key areas shaping our global landscape. This prestigious gathering brought together leading academics, policymakers, independent scholars, and researchers from around the world to exchange cutting-edge knowledge, unveil fresh perspectives, and chart the course for future developments in management, business, and economics.

With the backdrop of the 21st-century economic paradigm characterized by rapid technological advancements, intricate global interdependencies, and dynamic social transformations, the conference provided a timely platform to address the multifaceted challenges and opportunities confronting these fields. Participants engaged in robust discussions, sharing insights on emerging trends, best practices, and transformative strategies to navigate the complexities of the contemporary business environment.

The inaugural ceremony of the Conference was begun with the august gathering in J. C. Bose Seminar Hall. The holy lamp was lit and Goddess Saraswati was beckoned to bless the occasion. The Conference started with a welcome address by Shri Jaipal Meel, Director, SKITM&G. He welcomed all the delegates contributing in this Conference from different corners of the globe. Followed to this Prof. (Dr.) S. L. Surana, Director (Academics) addressed the gathering about the achievements of the SKITM&G. After that Dr. Savita Choudhary, Conference Convener presented the theme and objectives of the conference.

Followed to this Chief Guest of the programme Prof. Rakesh Mohan Joshi, Director, IIPMB shared his expertise talk. He shared his insights from a practitioner's perspective, reflecting on the relevance of academic research to real-world business challenges. He underscored the importance of agile management practices, digital transformation, and stakeholder engagement in driving organizational success amidst rapid technological change and market disruption. Further he said that businesses and economies need to think more deeply about the opportunities and risks presented by evolving trends and chart a roadmap to success. The vote of thanks was proposed by Dr. Ona Ladiwal, HOD-DMS.

The conference was divided into four plenary sessions. The sub-theme of the first session was “World Economy & Future Expectations”. Dr. S. S. Somra, Professor, Department of Economics,

University of Rajasthan, Jaipur was the session expert. He stressed on need for transparent economy. Further, in his address he explained that innovation shall drive growth in the future, however the growth shall have to have human element and touch for it to be sustainable.

The sub-theme of second plenary session was “Role of Management in Changing Environment”. Mr. Anurag Vijay, Author & Ex. DGM Marketing, Mahindra Lifespace Developers Ltd. And Prof. Naren Prasad, Head of Education & Training at International Labour Organization, Geneva, Switzerland was the Key Note Speakers of the session. Mr. Anurag emphasized the pivotal role of management in navigating technological disruptions. He highlighted the importance of embracing innovation, fostering a culture of experimentation, and leveraging emerging technologies such as artificial intelligence and blockchain to drive organizational agility and competitiveness. Further he underscored the need for continuous learning and skill development among management professionals to stay abreast of technological advancements and capitalize on new opportunities. Prof. Naren emphasized the growing importance of environmental, social, and governance (ESG) considerations in shaping corporate decision-making and stakeholder engagement. He highlighted the role of management in driving sustainability initiatives, reducing carbon footprint, and promoting ethical supply chain practices to enhance long-term resilience and value creation.

During the third plenary session on "Business Leadership & Sustainable Development," Dr. Anjoo Chauhan, Head of the Faculty of Commerce and Management at Maharishi Arvind University, Jaipur, and Ms. Apurva Sharma, a Data Analytics Consultant from the USA, served as session experts. Dr. Chauhan emphasized the role of business leadership in driving sustainable development initiatives. She discussed the importance of visionary leadership, ethical decision-making, and stakeholder engagement in fostering a culture of sustainability within organizations. Dr. Chauhan also highlighted the business case for sustainability, showcasing how it can enhance long-term competitiveness, mitigate risks, and create shared value for society. Following to this Ms. Sharma, as a Data Analytics Consultant, provided a data-driven perspective on sustainable development in business leadership. She discussed the role of data analytics in identifying environmental, social, and governance (ESG) risks and opportunities, optimizing resource utilization, and measuring the impact of sustainability initiatives. Ms. Sharma highlighted the potential of big data and predictive analytics in informing strategic decision-making and driving innovation for sustainable business practices.

The fourth plenary session was on Environmental Issues & Challenges for Global Business Economy. Mr. Nitin Dhingra, Chief Digital Officer (CDO), Somany Impresa Group, Gurgaon was the session expert. Mr. Dhingra said that we should keep exploring innovative technologies and solutions that enable businesses to operate more sustainably. This might involve advancements in renewable energy, energy-efficient manufacturing processes, and eco-friendly packaging. Further he said that Advocating for the transition towards a circular economy model, where products are designed to be reused, repaired, or recycled to minimize waste. Mr. Dhingra might discuss the economic benefits of embracing circularity and the role of businesses in driving this transition.

In the paper presentations sessions many academicians, Research scholars and students has presented their research findings on the theme of the Conference. The Conference concluded with Valedictory session wherein the certificates were distributed to all the participants. Mementos were also given to the Key note Speakers of the International Conference. Dr. Atul Gupta, Convener Conference proposed a vote of thanks to all delegates, organizing and technical Committees of ICMBE-2024. The deliberations during the various sessions in the conference were insightful and participative. In essence, the "Management, Business, and Economy" conference represented a pivotal platform for thought leadership, knowledge dissemination, and networking, underscoring the imperative of collective action and innovation in addressing the evolving challenges and opportunities in today's dynamic global landscape

Learning Outcomes of the Conference

Based on the comprehensive discussions and insights shared during the "Management, Business, and Economy" conference, the learning outcomes can be summarized as follows:

- Participants gained a deeper understanding of the complexities and dynamics of the 21st-century economic landscape, characterized by rapid technological advancements, global interdependencies, and social transformations.
- Attendees learned about the importance of strategic agility and digital transformation in responding to market disruptions and harnessing emerging technologies to drive organizational success.
- The conference highlighted the significance of innovation and adaptation in navigating changing environments, whether through embracing technological disruptions or fostering a culture of experimentation.
- There was a focus on the growing importance of ESG considerations in corporate decision-making, emphasizing the role of management in driving sustainability initiatives, reducing carbon footprint, and promoting ethical practices.
- Participants gained insights into the role of business leadership in driving sustainable development initiatives, including visionary leadership, ethical decision-making, and stakeholder engagement.
- Attendees learned about the benefits of transitioning towards a circular economy model, where products are designed for reuse, repair, or recycling to minimize waste and drive economic benefits.
- To promote the use of renewable energies in the residential sector, with a high energy consumption in the country.
- The government should encourage and promote technological change in the most energy-intensive sectors, or in key sectors of the economy such as tourism.
- There was an emphasis on the importance of continuous learning and skill development among management professionals to stay abreast of technological advancements and capitalize on new opportunities.
- There is increased awareness and growing clarity on the role of government and various initiatives taken by government for nation building.
- Participants had the opportunity to network with leading academics, policymakers, and industry experts, facilitating knowledge exchange and fostering collaborations for future research and innovation.

ABOUT THE CONFERENCE

The global economy in the twenty-first century has undergone significant transformations, reshaping the economic, social, and political landscape. Advancements in information and communication technologies, increased economic integration with cross-border capital mobility, and rapid social changes have profoundly altered our society compared to just a few decades ago, fostering an environment ripe for exploration and innovation. It's evident that the future hinges on innovative practices in management, business, and economics.

In alignment with this perspective, we welcome studies in the fields of management, business, economy and their relative branches. The aim of the conference is to gather leading academicians, policy makers, independent scholars and researchers to share their knowledge, new ideas as well as to discuss future development in these fields.

SUB-THEMES OF THE CONFERENCE

1. WORLD ECONOMY & FUTURE EXPECTATIONS

- Role of MSME in Economic Development
- Change Management in Dynamic Business Environment
- Global Perspective of Agriculture & Rural Development
- Skill Development & Youth
- Global challenges in the Face of Economic Uncertainty
- Government Schemes for Future Growth
- Global Perspective of Agriculture & Rural Development
- Sustainable Development and Education
- Smart City & Future Planning
- Space & Defense
- Advance Computing (Super Computing, AI, Quantum Computing)
- Smart Cities & Mobility

3. BUSINESS LEADERSHIP & SUSTAINABLE DEVELOPMENT

- Strategic Business Leadership
- Responsible Business & Sustainability
- Business Leadership Initiatives for Engaging Youth
- Youth & Entrepreneurship
- Green Entrepreneurship
- Business Ethics, Governance and Sustainability
- Semi Conductors
- Energy, Sustainability & Climate Change
- Disaster Management & Resilient Infrastructure

2. ROLE OF MANAGEMENT IN CHANGING ENVIRONMENT

- Strategic Management Issues
- Technological Developments & Scope of Operations
- Business Ethics, Governance & Sustainability
- New avenues of Marketing in today's Changing Global Economy
- Strategic HR issues in Changing Environment
- Business and Data Analytics
- Change Management in dynamic business environment
- Internet of Things & artificial Intelligence
- Product & Service Management through Robotics
- Next Gen. Communications
- Manufacturing & Industry 4.0
- Health Care & Med Tech

4. ENVIRONMENTAL ISSUES & CHALLENGES FOR GLOBAL BUSINESS ECONOMY

- Environmental Issues & Opportunities
- Circular Economy
- Waste Management
- Strategies for Sustainable Future
- Business Implications of Various Restructuring Plans
- Ecological Engineering
- Clean Energy Investments
- Blue Economy
- Advance Materials, Rare Earth & Critical Minerals
- Agrotech & Food Processing

OBJECTIVES OF THE CONFERENCE

- To provide an interdisciplinary cross-sectoral forum for academicians, professionals, practitioners, industrialists and other participants.
- To address opportunities for visioning the present & future in the changing environment of the global economy.
- To foster dialogue among various stakeholders, including senior level policy makers, researchers, academicians, managers, regulators and those engaged in the non-government sector.
- To expose the young students who are the potential leaders of the future to ideas and practices that will help them to meet the new challenges.
- To exchange experiences and networks with fellow professionals, academia and industry experts.

Papers & Publications

The Conference would highly focus on Papers /Case Studies etc for presentation and publication. All the qualified paper will get published in conference proceedings with ISBN. The selected papers will be published in International SKIT Research Journal (ISSN 2278-2508). Publication in SCOPUS, UGC Care list journal is also available for good papers on an extra charge basis. For guidelines regarding submission of papers, please visit our website www.skit.ac.in

Award for Outstanding Paper

In line with the philosophy of our institute for promoting qualitative contribution in research and academics, the conference has instituted reward for the outstanding papers selected with a certificate of Appreciation and Cash Prize of:

Reward

Reward	Corporate/Faculty Research Scholar/ Student (Rs.)
First Prize	3000
Second Prize	2000

Registration Notes

1. At least one of the authors listed on the accepted paper must pay the registration by the requested registration deadline.
2. Please send the required documents:1.)Final paper; 2.) Signed copyright form; 3.)Filled registration form; 4.) Payment proof to mbaconference@skit.ac.in to finish the registration.
3. Participants/ delegates should send the filled-in registration form in the format appended along with requisite participation fee (that includes seminar kit, refreshment & lunch) through given link.
4. The participants/ delegates are required to make their own arrangements for travel, boarding and lodging. For stay in the SKIT Campus Guest House contact the Conference conveners in advance (on chargeable basis).

Call for Papers: Guidelines

Selection of the papers will be based on the abstract not exceeding 300 words, including a clear indication of the purpose of research methodology, major results implications and key references. The selected abstract and paper approved by the experts will be included in the conference. The complete paper, not exceeding 5000 words, should be submitted in duplicate along with soft copy in CD. Final paper & abstract should be typed on A-4 format with 1.5 spacing, left-aligned, with one and a half inch margin and typed in 12-point font (Times New Roman) in MS Word. PDF format will not be accepted. Graphs or exhibits should be in JPEG format or compatible with MS Office formats such as Excel or Word. We would appreciate if the title of your presentation and abstract is communicated to mbaconference@skit.ac.in by April 10, 2024

Important Date for Authors

About SKIT:

Swami Keshvanand Institute of Technology, Management and Gramothan, Jaipur, was established in the year 2000 by a team of committed professionals and academicians. SKIT enjoys the reputation of being one of the premier institutes in northern India, possessing qualified and experienced faculty along with well-developed infrastructure. A great sense of discipline, sincerity and an environment conducive to learning makes SKIT an educational paradise. All the courses are duly approved by AICTE and affiliated to Rajasthan Technical University, Kota. B.Tech courses are accredited by the National Board of Accreditation (NBA, New Delhi). The institute has been successful in obtaining the highest possible NAAC - A++ Grade with 3.67 institutional CGPA on a 4 point scale. SKIT is now among the top institutions of India and the only affiliated technical institute in Rajasthan state to have earned an A++ grade by National Assessment and Accreditation Council (NAAC).

About DMS:

In its endeavor to strengthen the philosophy of Swami Keshvanand Ji and achieve excellence in the Techno-managerial environment, the institute established the Department of Management Studies in the academic year 2006-2007. The Department of Management Studies offers an AICTE approved Master of Business Administration (MBA) degree course, affiliated to Rajasthan Technical University, Kota. The Department aims at developing future managers equipped with curricular & co-curricular skills, which will help them to make a mark in the industry. To achieve its vision the Department uses a blend of well-qualified and experienced core faculty and renowned visiting faculty members from other institutes. To enhance the horizon of knowledge, various Seminars, Workshops, and Entrepreneurial Activities are organized regularly. The Department is an active member of All India Management Association (AIMA).

About Pink City:

Jaipur is named after its founder, the warrior and astronomer, Sawai Jai Singh II. It is 260 km from Delhi and 240 km from Agra and forms the most chosen tourism golden triangle of Delhi, Agra and Jaipur. The old Jaipur painted in pink colour can grip any visitor with admiration. Stunning backdrop of ancient forts Nahargarh, Amber, Jaigarh and Moti Dungri are dramatic testimonials of the by-gone era. It has been ranked as the seventh best place to visit in Asia.
