# REPORT OF THE EVENT

Diwali, known as the Festival of Lights, is a joyous Hindu celebration symbolizing the triumph of light over darkness and good over evil. To celebrate this auspicious festival the Universal Human Values and Ethics Committee(UHVEC) at SKIT College organized a “Diwali utsav” on, NOVEMBER 1<sup>st</sup> 2023 to promote a sense of cultural pride and tradition among students.

“DIWALI UTSAV” was a vibrant and joyous pre-diwali event that brought together the community in anticipation of the Festival of Lights.

The celebration featured a diverse range of activities, including rangoli making competition , diya making competition, greeting cards making, digital poster making . Students actively participated in diya painting and rangoli making, infusing the campus with creativity and enthusiasm. The event not only brought joy and anticipation for Diwali but also strengthened the sense of community within the college, fostering a spirit of togetherness and cultural pride among the students.

Greeting cards were made by students which hold profound significance during Diwali as they become heartfelt messengers of joy, love, and good wishes. These cards serve as tangible expressions of thoughtfulness, fostering connections and strengthening bonds among friends and family. In the digital age, the art of sending a traditional Diwali greeting card not only preserves a charming tradition but also adds a personal touch, symbolizing the enduring warmth and significance of the Festival of Lights.

The event concluded with a prize distribution ceremony where winners of various competitions were awarded certificates and prizes by the chief guest and college authorities. This recognition encouraged students to actively participate in diwali-related activities. The valedictory ceremony featured a speech by Dr. Nidhi Sharma on festival of lights . She commended the efforts of UHVEC in organizing a successful diwali utsav at SKIT College.

The pre-Diwali event succeeded in fostering a sense of community and cultural pride within the college. Students from diverse backgrounds came together to celebrate and appreciate the traditions associated with Diwali. The interactive

nature of the competitions and workshops facilitated camaraderie among students, breaking down barriers and promoting a sense of belonging.
