Introduction

In today's globalized world, effective communication has become a crucial skill for individuals to succeed in personal, academic, and professional settings. Understanding the nuances of communication allows us to build meaningful relationships, resolve conflicts, and navigate complex social environments. In light of this, the Department of English at SKIT, known for its emphasis on holistic development and communication proficiency, organized a five-day workshop titled "The Art of Communication."

About the English Department

The Department of English at SKIT is dedicated to nurturing students with a comprehensive understanding of language and communication. With well-equipped Language Labs and a modern teaching approach, the department focuses on refining communication and soft skills. Apart from regular coursework, the department oversees various clubs such as the Toastmasters Club, Readers' Club, and the Literary Club, offering students platforms to practice and excel in communication.

The department's faculty is committed to developing communication skills through a blend of practical activities and theoretical knowledge, ensuring that every student is well-prepared for professional challenges. This dedication is reflected in the annual SKIT Magazine and SKIT Times, where students contribute their written work, further enhancing their skills.

Purpose of the Workshop

The purpose of the "Art of Communication" workshop was to equip students with the necessary skills to become confident communicators in both their personal and professional lives. - 3. The (>80%) students are performing well and need to focus on their speed and accuracy.
- 4. Mentors should conduct input session for the students in the respective topics in which students are having low performance. Topics with area of concern are highlighted with appropriate colors.
- 5. Students should work upon enhancing their speed and accuracy in the Cognitive Skills especially in Quantitative Aptitude & Reasoning Skills by practicing the test series which they can easily find on the MyPerfectice platform.
- 6. Strict mail should be send to absentee students and remind them toattempt the Test.
