About The Club:-

The Club of Knowledge is a dynamic and intellectual society of our college that focuses on fostering a culture of curiosity, learning, and innovation among students. Established with the vision of enhancing analytical thinking and knowledge sharing, the club acts as a platform where students can engage in meaningful discussions, participate in knowledge-driven activities, and develop a holistic understanding of various domains.

The club regularly organizes workshops, quizzes, and interactive events to encourage critical thinking, teamwork, and problem-solving skills, making it one of the most sought-after clubs in the college.

Objective of the club:-

1. To create a knowledge-sharing platform that fosters intellectual development.
2. To support foundational courses like Art of Happiness and Psychology of Everyday through discussions, workshops, and resources.
3. To provide a collaborative space for students to explore concepts related to mental well- being and self-awareness.

Outcomes of the club:-

1. Enhanced understanding of concepts from Art of Happiness and Psychology of Everyday through practical applications.
2. Improved emotional intelligence, self-awareness, and mental resilience among students.
3. A strong community of like-minded individuals who support and inspire each other's well-being.
4. Increased engagement in discussions on happiness, psychology, and personal development.
5. Creation of a knowledge hub with expert talks to supplement learning.
