About The Club:- The DOCU Drama Club is a vibrant community of storytellers, performers, and creatives who share a passion for the stage. Whether you're an experienced actor, an aspiring director, or simply curious about theatre, our club offers a welcoming space to explore your talent. From stage plays and skits to improv and scriptwriting, we bring stories to life while building friendships and confidence.

Objective of the club:- The objective of the Club is to promote creativity, self-expression, and teamwork through the performing arts. We aim to provide students with opportunities to explore theatre in all its forms—acting, directing, writing, and production—while fostering confidence, communication skills, and a deep appreciation for storytelling.

Outcomes of the club:- Through active participation in DOCU Drama Club, members will develop strong communication, collaboration, and leadership skills. They will gain hands-on experience in acting, scriptwriting, stage management, and production. The club also fosters self-confidence, creative thinking, and a deeper appreciation for the performing arts—all while building lasting friendships and a sense of community
