## About The Club:

Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India and to have a paradigm shift in academic and research programs of the country. The Mission of Unnat Bharat Abhiyan cell skit is to enable our institution to work with the people of rural India in identifying development challenges and evolving appropriate solutions for accelerating sustainable growth. It also aims to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India.

## Objective:

- To improve institutional capacity and training pertinent to national requirements, particularly those of rural India, as well as a knowledge of the development goal inside higher education institutions.
- To reiterate the value of field experience, stakeholder dialogue, and design for social goals as the cornerstones of higher education.
- To place emphasis on thorough reporting and beneficial results as being essential to creating new professions.
- To give regional organisations and rural India access to the professional resources of higher education institutions, particularly those that have attained academic excellence in the fields of management, science, engineering, and technology.
- To enhance development results as a result of this study. to create new careers and new methods for sustaining and incorporating research findings.
- To foster a new dialogue within the larger community on science, society and the environment and to develop a sense of dignity and collective destiny.

## **Outcomes:**

- Work in a team structure and develop leadership qualities
- Verbally communicate with persons inside and outside the organization
- Ability to make decisions and solve problems
- Ability to plan, organize and prioritize work
- Increases self-confidence and combats depression
- Develop a feeling of selflessness and caring for others
- Volunteering increases your social and relationship skills and brings fun and fulfillment to your life

## **Achievements of the Club:**

- Successfully organized Computer quest event and also received huge support from faculty members.
- We have organized harmonious living program for the well-being of the villagers.
- We have organized “Problem solving session” to interact with villagers and school students and tried to solve their problems.
- We have also talked to students and helped them in various subjects.

## Feedback of the Event:

The *Innovation & Entrepreneurship Outreach Program* at our school was an inspiring and insightful event. It ignited students' creativity and entrepreneurial spirit through engaging speakers and interactive workshops. The program encouraged critical thinking, collaboration, and problem-solving, equipping students with practical tools to pursue their ideas. A truly enriching experience that left a lasting impact!

**UBA Club  
Swachhataabhiyan & Special Gram Sabha Program**

**Date, Time and Venue of the event: -**

Date : 2<sup>nd</sup> October 2024

Time :- 11:00 am to 2:00pm

Mode:- Offline

Venue: Shivdaspuar Gram Panchayat

**Level of the event: -** College level

**Objective of the event:-**

The objective of the Special Gram Sabha program organized by the UBA Club was to foster community participation in addressing key rural challenges, such as sustainable development, education, health, livelihood improvement, and cleanliness under the **Swachhata Abhiyan**. By facilitating open discussions between villagers and experts, the program aimed to raise awareness of available government schemes, empower local communities with knowledge and resources, and promote collective problem-solving for the overall upliftment and cleanliness of the village.

**Details (Execution):-**

The Special Gram Sabha program, organized by the UBA Club, was aimed at fostering community involvement in tackling key rural challenges such as

sustainable development, education, health, livelihood improvement, and cleanliness under the **Swachhata Abhiyan**. The event was meticulously planned and executed to ensure maximum participation and impact. The event was expertly coordinated by faculty members Mr. Dinesh Kumar, Mr. Amit Jhalani, and Mr. Naveen Jain.

## **Execution of the Event:**

1. **Opening Session:** The event began with a welcome address by the UBA Club representatives, followed by a brief introduction to the objectives of the program. Local leaders and key speakers were introduced, and the importance of the Gram Sabha was explained, particularly highlighting the Swachhata Abhiyan initiative.
2. **Expert Talks and Presentations:**  
Experts in areas like agriculture, education, healthcare, and sanitation gave short presentations on the challenges the village faces and how existing government schemes could help address them. Visual aids and pamphlets were used to make the information accessible to everyone.
3. **Open Discussion with Villagers:**  
Following the expert talks, villagers were encouraged to voice their concerns and ask questions. This session was crucial in understanding the real needs of the community. Discussions on sustainable farming, water scarcity, and the lack of proper healthcare services were some of the prominent issues raised.
4. **Swachhata Abhiyan Activities:**  
As part of the Swachhata Abhiyan, a village cleanliness drive was organized. Volunteers, including children and elders, actively participated in cleaning public spaces. Banners and posters were displayed to promote hygiene and sanitation practices.
5. **Demonstration of Government Schemes:**  
Local officials demonstrated the steps to access government schemes such as rural employment (MGNREGA), health insurance (Ayushman Bharat), and education scholarships. Forms and assistance were provided to help villagers apply for these schemes.
6. **Feedback and Action Plan:**  
The event concluded with a feedback session, where villagers shared their thoughts on the program. An action plan was drafted, highlighting key steps to be taken in the coming months to implement the discussed solutions. This included forming a village committee to oversee cleanliness initiatives and ensure continued participation in development activities.

The program included local villagers, community leaders, experts from relevant fields, and representatives from government bodies. The diverse group ensured a comprehensive dialogue on the issues at hand.

### **Feedback of the Event:**

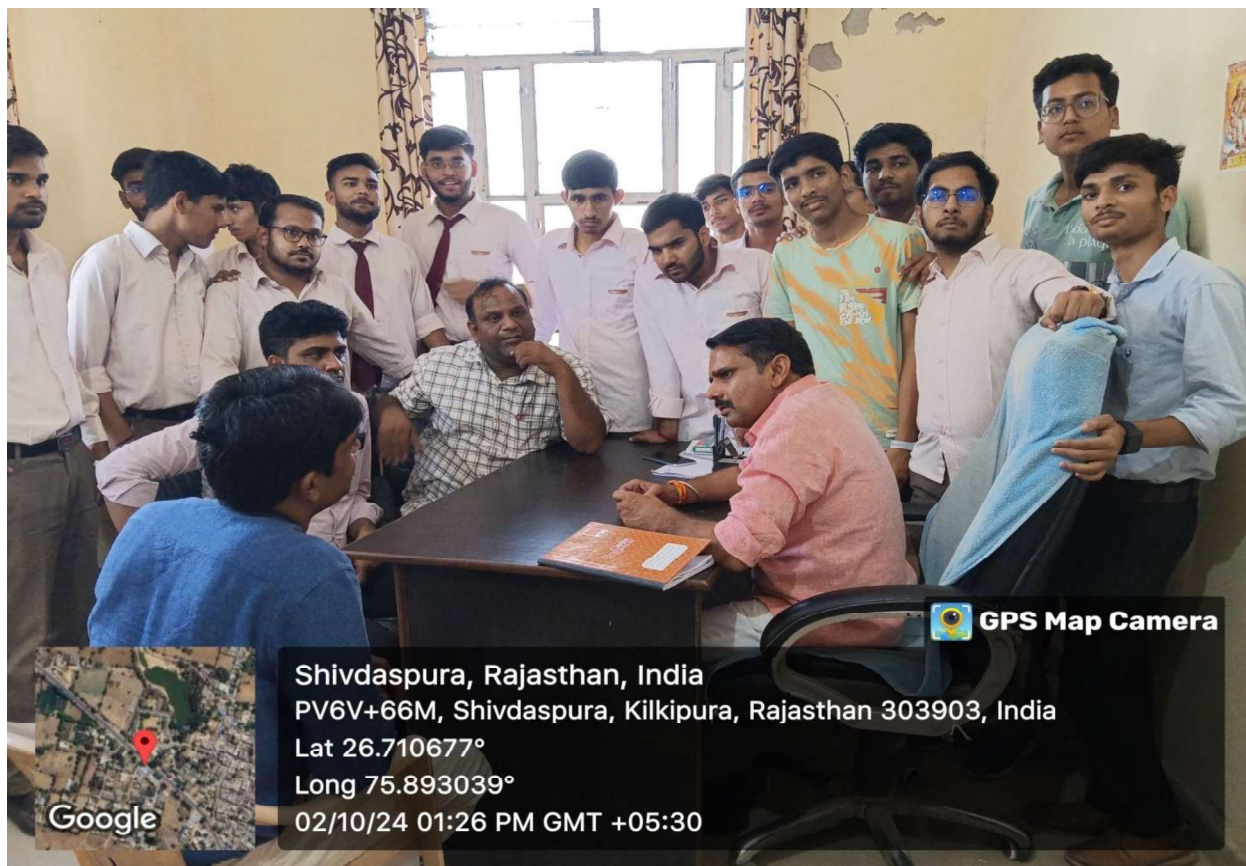

The Special Gram Sabha program by UBA Club was highly effective in encouraging community participation and addressing key rural issues like sustainable development, education, health, livelihood improvement, and cleanliness under the **Swachhata Abhiyan**. The open discussions between villagers and experts raised awareness about government schemes and empowered the community with knowledge and resources. The focus on cleanliness was well-received, and the program fostered a collective sense of responsibility. Overall, it was a positive and impactful initiative, though ongoing support and follow-up will be key to ensuring long-term success.

## Objective Of the event:

The objective of the "Kids Carnival" event is to celebrate Children's Day by fostering creativity and talent through drawing competitions and music. It aims to promote fun and enjoyment through engaging activities and games. The event encourages teamwork and friendly competition via games like the spoon race. It strengthens relationships between students, teachers, and school authorities. The event aims to boost children's confidence and emotional well-being through rewards and recognition. Lastly, it enhances social responsibility by encouraging interaction with children from a nearby government school.

## Details (Execution):

Here's a step-by-step breakdown of the "Kidz Carnival" event involving students from Netaji Subhash Chandra Bose Government School Jagatpura:

- 1. Welcome and Registration:**
  - a. Students from the government school, including hostel residents, are welcomed at the entrance.
  - b. Each student is given a badge and chocolates as a token of appreciation and to make them feel special.
- 2. Drawing Competition:**
  - a. A drawing competition is organized where students can showcase their artistic skills.
  - b. Prizes are awarded to the winners of the competition to encourage creativity.
- 3. Music and Entertainment:**
  - a. Music is played throughout the event, providing a fun and lively atmosphere for the students to enjoy.
- 4. Cake Cutting Ceremony:**
  - a. The student with mam cuts the cake, symbolizing the celebration of Children's Day.
  - b. Pictures are taken with students to capture the moment of joy and unity.
- 5. Teacher and Principal Speeches:**
  - a. Teachers, including the principal, are invited to speak and share motivating words with the students, fostering a sense of community.
- 6. Refreshments:**
  - a. Refreshments such as snacks and drinks are provided to the students, ensuring they have the energy to enjoy the rest of the event.
- 7. Gaming Competitions:**
  - a. Fun games like the spoon race, hit and hard, hit and knock are organized, with prizes awarded to winners, promoting friendly competition and teamwork.
  - b. Gifts are also provided to each student including chocolate, pencil, eraser etc.

Dr. Kiran Rathi and Dr. Meenakshi Nawal, who were very supportive of the students contributed their valuable insights during the event. Their commitment to the underprivileged children was seen throughout the event. The success of the event owes much to the dedication of the Gramothan Club, the coordinators, volunteers and the overwhelming support from the school staff.

## Feedback of the event:

The "Kidz Carnival" event was a resounding success, offering a fun and engaging experience for the students. The activities, from the drawing competition to the gaming events, were well-received and encouraged creativity and teamwork. The welcoming atmosphere, with chocolates and badges, made the students feel special. The cake cutting ceremony and speeches by teachers and the principal added a personal touch to the celebration. Overall, the event left a lasting positive impact, creating joyful memories for everyone involved. The interactive format and expert insights from Dr. Kiran Rathi and Dr. Minakshi Nawal added great value.

## बाल दिवस पर एकेआईटी ग्रामोथान और यूबीए क्लब का 'किड्ज़ कार्निवल' जरूरतमंद बच्चों के चेहरों पर आई मुस्कान

### ■ आस-पास व्यूरो

जयपुर। बाल दिवस के मौके पर एकेआईटी ग्रामोथान क्लब ने नेताजी सुभाष चंद्र बोस राजकीय विद्यालय, जगतपुरा के छात्रों के लिए 'किड्ज़ कार्निवल' का आयोजन किया। जिसमें वंचित बच्चों के लिए खुशियों से भरा दिन साकार हुआ। इस कार्यक्रम में बच्चों के लिए कई दिलचस्प खेलों का आयोजन किया गया, जिसमें 'हिट एंड नॉक,' 'हिट एंड रन, और स्पून रेस' जैसे मजेदार

खेल शामिल थे। बच्चों की रचनात्मकता को प्रोत्साहित करने के लिए एक चित्रकला प्रतियोगिता भी रखी गई, जिसमें उन्होंने अपनी कल्पनाओं को सुंदर चित्रों के माध्यम से प्रस्तुत किया।

हर बच्चे ने इस कार्यक्रम में बड़-चढ़कर भाग लिया और हर खेल का पूरे जोश से आनंद लिया। हर खेल में उत्कृष्ट प्रदर्शन करने वाले बच्चों को विशेष उपहार देकर सम्मानित किया गया। इसके अलावा, सभी बच्चों को भी उपहार भेंट किए गए। जिससे बच्चों का मन बहुत

प्रसन्न हुआ और बच्चों के चेहरों पर एक प्यारी सी मुस्कान झलकने लगी। यह सिर्फ एक आयोजन नहीं, बल्कि उन बच्चों के जीवन में यादगार खुशियों जोड़ने का एक प्रयास था।

इस अभियान का आयोजन क्लब की फैकल्टी कोऑर्डिनेटर डॉ. मीनाक्षी नवाल और डॉ. किरण राठी के मार्गदर्शन में किया गया। स्टूडेंट कोऑर्डिनेटर निखिल शर्मा, युग शर्मा, भव्या अग्रवाल और शिखा अरोड़ा के नेतृत्व में क्लब के सदस्यों ने इस आयोजन को सफलतापूर्वक संपन्न किया।

#### Unnat Bharat Abhiyan Club

This is to inform all students and staff members that the Unnat Bharat Abhiyan Club is organizing an event "Science Carnival" at Rajkiya Prathamik Vidhyalaya, Khera Jagannathpura, Shivdaspura on 21<sup>st</sup> November 2024

In this event, our students will present science projects to students of classes V to X, with the goal of sparking curiosity and expanding their understanding of science beyond the classroom. We invite everyone to get involved in this initiative, which aims to nurture a passion for learning and innovation in young minds. Let's work together to ensure the success of this event

#### Details:

**Date:** November 21, 2024

**Location:** Rajkiya Prathamik Vidhyalaya, Khera Jagannathpura, Shivdaspura

# **SCIENCE CARNIVAL**

**UNLEASH YOUR CURIOSITY! JOIN US FOR A DAY OF  
EXCITING EXPERIMENTS, HANDS-ON ACTIVITIES, AND  
SCIENTIFIC WONDERS!**

**DATE : 21 NOVEMBER 2024**  
**VENUE: RAJKIYA PRATHMIK VIDHYALAYA, KHERA  
JAGANNATHPURA, SHIVDASPURA**

## Objective Of the event:

The objective of organizing a science carnival in a government school is to foster curiosity and creativity among students, provide hands-on learning experiences, and spark an interest in science and technology. The event aims to bridge theoretical knowledge with practical applications, encourage critical thinking, and inspire students to explore STEM fields. It also seeks to create an interactive platform where students can showcase their talents, learn collaboratively, and gain exposure to innovative concepts and real-world scientific advancements.

## Details (Execution):

Here's a step-by-step breakdown of the "Science Carnival" event involving students from Rajkiya Prathamik Vidhyalaya, Khera Jagathnath Pura, Shivdaspura.

### • Planning and Preparation

- Chose a government school as the venue and collaborated with school authorities.
- Designed science projects and interactive activities covering concepts like gravity, density, reflection, vacuum, and hydrocarbons.
- Prepared materials, experiment kits, and visual aids for hands-on demonstrations.
- Assigned responsibilities among team members for setup, demonstrations, and student coordination.

### • Event Execution

- **Introduction:** Began with a session explaining the purpose of the carnival and the key science topics to be explored.
- **Science Projects Display:** Displayed student-made science projects, explaining their principles and applications.
- **Interactive Activities:**
  - **Gravity:** Conducted activities such as free-fall demonstrations and experiments showing the effect of gravity on objects.
  - **Density:** Performed "floating layers" experiments using liquids with varying densities.
  - **Reflection:** Demonstrated light reflection with mirrors, using simple setups to show angles of incidence and reflection.
  - **Vacuum:** Showcased experiments like suction to explain how vacuums work and their applications.
  - **Hydrocarbons:** Performed safe experiments highlighting hydrocarbons, their properties, and uses.
- **Student Participation:** Encouraged students to perform experiments under guidance to enhance their learning experience.
- **Engagement and Interaction**
  - Allowed students to ask questions and interact with presenters to deepen their understanding.
  - Teachers actively participated, assisting in explaining concepts to students.
- **Conclusion**
  - Ended with a brief recap of key learnings and distributed small prizes for enthusiastic participants.
  - Gathered feedback from students and teachers to identify areas of improvement.

The event combined theoretical knowledge with hands-on experiences, making science exciting and approachable for students.

Dr. Kiran Rathi and Dr. Naveen Jain, who were very supportive of the students contributed their valuable insights during the event. Their commitment to the underprivileged children was seen throughout the event. The success of the event owes much to the dedication of the UBA Club, the coordinators, volunteers and the overwhelming support from the school staff.

### Feedback of the event:

The Science Carnival was well-received, with students finding it engaging and expressing interest in more such events. Teachers noted increased enthusiasm for STEM and suggested follow-up workshops. Organizers achieved their goals and plan to expand and enhance future events. Overall, it inspired curiosity and hands-on learning, making science enjoyable for students.

**Awareness Campaign and Gram Sabha**

**Date, Time and Venue of the event: -**

Date : 26 January 2025

Time :- 08:00 am to 2:00pm

Mode:- Offline

Venue: Rajkiya Praveshika Sanskrit School, Malwa, Shivdasapura

**Level of the event: - College level**

**Objective of the event:-**

The Awareness Campaign and Gram Sabha event organized by UBA, SKIT on 26th January 2025 aimed to educate and engage the local community on important social issues such as education, health, and environmental sustainability. The event focused on empowering rural communities by facilitating discussions in the Gram Sabha, addressing local concerns, and encouraging participatory governance. It also sought to foster a sense of civic responsibility among both students and villagers, motivating them to actively contribute to developmental initiatives. Additionally, the campaign spread awareness about various government welfare schemes and guided the community on how to avail them. Through this initiative, students gained practical exposure to rural development, policy implementation, and community service, reinforcing UBA's commitment to social responsibility and nation- building.

**Details (Execution):-**

The Republic Day event at Malwa School on January 26, 2025, will feature a flag hoisting ceremony, patriotic performances, student gave speech , and prize distribution. The event will celebrate India's democracy, fostering national pride and unity. Students will participate in cultural activities and discussions. The event was expertly coordinated by faculty members Mr. Naveen Jain, Ms .Deepti Arela .

## **Execution of the Event:**

### **1. Welcome & Opening Address**

- The event started with a warm welcome by the UBA Club representatives from Government Malwa School.
- A brief introduction was given about the significance of Republic Day and the objective of the program.
- Local leaders, school authorities, and dignitaries were introduced

### **2. Flag Hoisting & National Anthem**

- The chief guest hoisted the national flag, followed by the singing of the national anthem.
- A salute was given to honour the nation, and students raised patriotic slogans.

### **3. Speeches by Dignitaries**

- Eminent speakers shared insights on the Indian Constitution, democracy, and national development.
- Special emphasis was given to the role of youth and citizens in nation-building.

### **4. Cultural Performances**

- Students presented patriotic songs, folk dances, and skits portraying India's freedom struggle and achievements.
- A special performance on unity in diversity showcased India's rich cultural heritage.

### **5. Parade & Salute**

- A well-organized parade was conducted by students and local volunteers.
- The national salute was given, emphasizing discipline and national pride.

### **6. Expert Talks & Presentations**

- Experts from various fields spoke about education, healthcare, sanitation, and government schemes.
- Visual presentations and pamphlets were distributed to ensure easy understanding.

### **7. Open Discussion with Villagers**

- A session was held where villagers voiced concerns related to farming, water scarcity, education, and health.
- Experts and officials provided guidance on possible solutions and available resources.

### **8. Swachhata Abhiyan Activities**

- A cleanliness drive was organized within the school premises and surrounding areas.
- Students, teachers, and villagers participated in cleaning public space.

- Awareness banners and posters were displayed to promote hygiene and cleanliness.

## 9. Demonstration of Government Schemes

- Local officials provided information on schemes like MGNREGA, Ayushman Bharat, and education scholarships.
- Forms were distributed, and assistance was provided to help villagers apply for benefits.

## 10. Feedback & Action Plan

- Villagers and attendees shared their thoughts on the event and suggested improvements.
- A future action plan was created, including forming a village committee to oversee cleanliness initiatives.
- Further awareness programs were planned to educate the community on health and education.

## 11. Closing Ceremony

- A vote of thanks was given to all participants, guests, and organizers.
- Patriotic slogans were raised, and attendees took a pledge to contribute to national development.
- The event concluded with a sense of unity, responsibility, and national pride.

### Details/List of teachers:-

Sr. No.	Name of Teacher	Department
1.	Mrs. Deepti Arela	Electrical Engineering
2.	Mr. Naveen Jain	Information Technology

### Details/List of Students:-

Sr. No.	Name	Roll No.	Branch	Semester
1	Divyansh Jain	22ESKEC033	ECE	VI
2	Somil Khandelwal	22ESKEC082	ECE	VI
3	Ritik Sain	22ESKEC306	ECE	VI
4	Aman Mishra	22ESKCE012	CE	VI

### Feedback of the Event:

The Republic Day celebration at Malwa School, Shivdaspura, was a resounding success, fostering a deep sense of patriotism and community spirit. The event was well-organized, with a perfect balance of educational, cultural, and social initiatives. The flag hoisting ceremony and parade instilled pride, while the expert talks and open discussions provided valuable insights into national development and government schemes. The Swachhata Abhiyan initiative promoted cleanliness and civic responsibility. The enthusiastic participation of students, teachers, and villagers made the event truly meaningful. Overall, it was an inspiring and impactful celebration, leaving a lasting impression on all attendees

## Objective Of the event:

As part of a community outreach program, a group of college students conducted an interactive session with 5<sup>th</sup> to 10<sup>th</sup>-grade students at Sajal Prakhar Public School. The session aimed to introduce young students to the fascinating world of robotics through simple demonstrations and engaging activities.

The primary goal of the session was to:

- Spark curiosity about robotics and technology in young minds.
- Explain the basic concepts of robots, sensors, and automation in an easy-to-understand manner.
- Conduct a hands-on activity where students could see a small robot in action.

## Details (Execution):

To make the session more engaging, the college students brought a small line following robot. They explained how sensors help robots detect and follow a path. The school children were excited to see the robot moving along a black line on white paper, responding to different obstacles. The Event was conducted under the Guidance of Dr. Kiran Rathi (ECE Department ).

## Step-by-Step Demonstration:

1. The college students showed the small robot and its components (wheels, sensors, and battery).
2. They explained that the robot follows a black line using infrared sensors.
3. A student volunteer was asked to place the robot on the track, and the robot automatically followed the path.
4. The children were encouraged to ask questions, and the college students explained concepts in a fun and simple way.

List of students:

s.no	name	Rtu roll no.	branch	semester
1	Nainika Agrawal	23ESKEC059	ECE	4th
2	Krishna Jangir	23ESKCX300	DS	4 <sup>th</sup>
3	Himanshu Jain	23ESKCS095	CS	4 <sup>th</sup>
4	Lucky Kumari	24ESKCS067	CS	2 <sup>nd</sup>
5	Daksh Agrawal	24ESKME010	ME	2 <sup>nd</sup>
6	Devesh Kushwah	22ESKCY016	IOT	6 <sup>th</sup>
7	Muskan Rani	24ESKCD077	DS	2 <sup>nd</sup>
8	Sakshi Karamchandani	24ESKIT152	IT	2 <sup>nd</sup>
9	Sudansh Jain	23ESKCS219	CS	6 <sup>th</sup>

## Feedback:

The Event conducted by the college students at Sajal Prakhar school received highly positive feedback from both students and teachers. The session was a great success, fostering an early interest in robotics among young students. College students not only shared their knowledge but also gained experience in teaching and mentoring. Such initiatives help bridge the gap.
