REGISTRATION

5 - Day Faculty Development Program
on

“Transportation Geotechnics and Materials for
Sustainable Infrastructure”

December 13th - 17th, 2021

To join the FDP, you need to register by clicking on
the registration link or scanning the QR Code:
<https://forms.gle/1yP5cANG2xPf8yZF8>

Note:

- The FDP will be conducted through online platform Cisco Webex.
- Link to join the session will be provided on participant's registered mail id.
- E-Certificate will be provided to those participants whose attendance will be atleast 80% with assignment and feedback submitted.

5 - Day Faculty Development Program
on

“Transportation Geotechnics
and Materials for Sustainable
Infrastructure”

(December 13th - 17th, 2021)

Organized by

Department of Civil Engineering

&

Centre for Transportation Research

Swami Keshvanand Institute of Technology,

Management & Gramothan

(Approved by AICTE, Ministry of Education, Govt. of India
and affiliated to Rajasthan Technical University, Kota)

www.skit.ac.in, 0141-3500300

RAJASTHAN TECHNICAL UNIVERSITY

Rajasthan Technical University (RTU) is located in Kota in the state of Rajasthan. It was established in 2006 by the Government of Rajasthan to enhance technical education in the state. The university currently affiliates about 68 Engineering Colleges, 3 B.Arch., 16 MCA Colleges, 39 MBA Colleges, 31 M. Tech. Colleges and 01 Hotel Management and Catering Institutes. The University aims to provide quality technical education which may help Rajasthan in its technical development and will boost technical environment in the country.

ABOUT SKIT

Swami Keshivanand Institute of Technology, Management & Gramothan (SKIT) is Ranked No.1 (Fifth consecutive year) Engineering College in Rajasthan declared by Rajasthan Technical University (RTU), Kota. SKIT is a selective comprehensive institution offering undergraduate and postgraduate programmes in Engineering and Management. The institute was established in the year 2000 by a team of committed professionals and academicians. During all the past years SKIT has emerged as a premier center of technical education not only in Rajasthan but also in northern India which has been realized through efficient and dedicated faculty members, innovative teaching methods, state of the art infrastructures and core value of discipline. The various undergraduate programmes of the institute are accredited by the National Board of Accreditation (NBA).

DEPARTMENT OF CIVIL ENGINEERING

The Department offers UG program in Civil Engineering and PG program in Transportation Engineering. The Vision of the department is "to become a discipline of excellence that promotes higher learning and advanced technology to meet current and future challenges of Civil Engineering industry". The department has grown tremendously over the years and has established all the laboratories providing necessary infrastructure for various research projects. The department has active

student chapters of Indian Concrete Institute (ICI) and Indian Green Building Council (IGBC). The department also provides consultancy services to the government and non-government agencies. Many alumni of the department are working at prestigious positions in various organizations of repute.

Department is also recognized as "Centre of Excellence" in "Transportation Research" by Rajasthan Technical University, Kota.

ABOUT THE FDP

The FDP is designed to bring researchers, academia and technocrats from different parts of the country to a common platform for exchanging and sharing the recent developments in transportation infrastructure industry. Experts from prestigious institutions, research agencies and industries will deliver sessions in this program. Experts will elaborate their knowledge by sharing their research work and case studies. Some of the topics to be covered in this FDP are:

- Sustainable material utilization
- Sustainable construction practices
- Reduce, recycle and reuse
- Geosynthetics in transportation infrastructures
- Ground improvement techniques
- Control blasting techniques in railways and highways
- Transportation and environment

ELIGIBILITY CRITERIA

The FDP is interdisciplinary and is open for all faculty members from various institutions.

REGISTRATION FEE

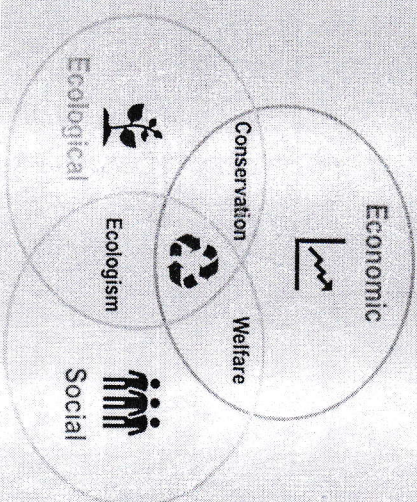

There is no registration fee for the FDP.

RESOURCE PERSONS

- Dr. Nitin Goyal, Principal Scientist, CSIR - NEERI
 Mr. Anuj Narula, Founder - Teckconnect
 Dr. Anil Dixit, MD - Landmark Material Testing Lab
 Dr. Pijush Samui, Associate Prof, NIT Patna
 Dr. Neha Shrivastava, Asst. Prof, NIT Jaipur
 Dr. Jitendra Singh Yadav, Asst. Prof, NIT Hamirpur
 Dr. Kh. Lakshman Singh, Asst. Prof, NIT Silchar
 Dr. Aditya Rana, Scientist, CSIR - CIMFR
 Mr. Gagandeep Singh, Scientist, CRRI
 Dr. Shahbaz Khan, University of Florida

Note:

- The final schedule of the FDP will be shared before the event.
- Session Timings:-
 - Session I = 9:30 AM - 11:00 AM
 - Session II = 12:00 PM - 1:30 PM
