“Covid Vaccination Camp July -2021”

Every 100 years or so, humanity witnesses and endures nature’s curveballs which claim millions of lives. Pandemics such as plague, cholera, Spanish flu have laughed in the face of our medical advancements and struck the weakest section of the population the hardest. The situation is no different this time with coronavirus, maybe worse. COVID-19 has created unique challenges for different segments of the population and struck at the very heart of the machinery designed to protect people from such calamities.

At the request of the Swami Keshvanand Institute of Technology, Management and Gramothan Jaipur the Rajasthan State Government has started a Covid-19 vaccination programme on 31th July 2021 for the staff members and for persons of nearby areas.

The vaccination camp is intended to instil confidence among the workers and ensure their safety and well-being. 313 Persons benefited by this camp.

On the occasion, the Director Shree Jaipal Meel, Director (Academics) Dr S .L. Surana, Principal Dr Ramesh Kumar Pachar thanked the State Government for organising this camp. The SKIT college provided logistics support to Health Department GOR.
