About

Dr Smita Vaid, Additional Director - Obstetrics & Gynaecology is the pioneer Doctor who start water-birthing (the Pro Normal Birthing Technique) in Rajasthan. Being a proponent of gentle birth principle, she introduced this natural and minimally painful method of childbirth. Further her expertise lies in managing recurrent pregnancy loss and High Risk Pregnancies such as Pregnancy induced Hypertension, Gestational Diabetes, Sickle Cell Anemia, Acute Medical Illness like Dengue, High Fever, Pneumonitis, Pancreatitis, Epilepsy etc. Over the years, she has performed advance Laparoscopic procedures for Hysterectomy (removal of Uterus), Myomectomies (removal of Uterine Fibroids), Ovarian Cysts, Tubal Recanalization and Infertility Surgeries too. She has 17 years of expertise to back her up and has also presented many medical research papers in national and international forums.

Objective of the event:-

Diseases pertaining to the reproductive system of the women are becoming increasingly common because of modern ways of lifestyle. Modern women are forced to face higher level of stress as they are not only home makers, but are also working women. This webinar aims to discuss the common Gynaecological issues and women health disorders and their cure or precautions.
