About The Club:- Here, we attempt to bring about an interest and awareness in the field of Astronomy and Space Research. All along we have been promoting amateur astronomy through talks, demonstrations and presentations.

Objective of the club:- Objective of the club is developing scientific temper among the students. Arouse the interest in observing astronomical events and phenomenon around us.

Outcomes of the club:- Understand the basic concepts of science used in astronomy.

Achievements of the Club (2021-22):- NIL

Details of Registered Students (1st to 4th year):-
