About The Club:-

“To encourage the participation of the students in dancing events, to develop movement skills, musicality, dynamic range and expressivity. This club strives to connect the students through music and movement.”

Objective of the club:-

- To introduce forms of dance those have been left unexplored in the institution.
- To develop multifaceted physicality through training in dance techniques.
- To provide an opportunity to better the dancer in students through constant engagement and also through workshops conducted by the club.
- Nurture inclusive community through dance and music.

Outcomes of the club:-

- Recognize, through rehearsal, final performance and evaluation, the benefits and consequences of creative and aesthetic risk.
- Understand the use of space, line, placement, and musicality.
- Knowledge of movement structure and of musicality in relation to music.
- Develop interpersonal skills while working in teams.
