About The Club:- Music is the language of soul. The music club encourages talents in music; instrumental as well as vocal. Music club provides a platform to individual for learning, practicing and jamming.

Objective of the club:-

- To let everybody know about the singing and music spirit, to enhance extra- curricular activity in addition to academic skills.
- To help students retain and enhance their own, individual love of music and singing.
- To create unique, challenging and diverse live performances.
- Nurture inclusive community through Music.
- Develop a multifaceted physicality through training in singing techniques.

Outcomes of the club:-

- Students will be able to interpret theatre and their aesthetic and social values through time and cultures.
- Students will be able to learn and make music of different flavours.
