About the Club

Science and Technology club believes in the saying, "Everything is theoretically impossible until it is done."

Science and Technology Club is a one stop destination for all the innovative and creative brains who really want to make a difference.

We provide an engaging platform for the budding engineers where everyone will evolve in a mission to IMAGINE, INVENT and INSPIRE.

The club organizes various activities and workshops under experienced trainers. There is no limitation to only technical activities but also we organize intra and inter-level competition.

Keeping the utmost coordination with the competitive world, we believe in polishing soft skills, and enhancing competent personality.

Everything seems incomplete if the rewards are not mentioned. So we appreciate and boost the confidence of participants and winners with a token of motivation , exciting rewards and trophies.

We support and welcome new ideas related to discovery and innovation in the vast expanse of science and technology.

Objective of the club

- Development of knowledge and skills.
- Ability to become interactive.
- Understanding of various languages.
- Practical and real approach toward problem-solving.

Outcomes of the club

- Provide exposure to students through participation in National conferences, seminars, and workshops.
- Provide information about research journals.
- Learning through fun activities and innovative projects.

Achievements of the Club:

JECRC Hackathon (2020-21):

It was conducted by JECRC.

- Team Variables secured 3rd position.

Team Members: Chinmay Jain, Kanika Singhal, Kanak Singhal

- Team Terminators reached the finals.

Team Members: Hardik Sharma, Prajwal Soni, Sanyam Jain, Pradeep Singh, Ruchika Jain

- Team The Thinkers reached the finals.

Team Members: Tanishq Goyal, Tanisha Mudgal, Ronak Gupta, Alpesh Gupta, Rajesh Pareek.

EQUINOX Hackathon (2020-21):

It was conducted by IIIT Lucknow.

- Team Terminators won the “Best First Year Team” title.

Team Members: Hardik Sharma, Prajwal Soni, Sanyam Jain, Pradeep Singh, Ruchika Jain.

E-Yantra Hackathon (2020-21):

It was conducted by IIT Bombay.

- Team Caladrius won the “Best Presentation” title and were shortlisted for internship by E-Yantra.

Team Members: Chirag Sharma, Akshat Surana, Karan Sharma, Angelina Freda Smith.

DSA BOOTCAMP

Date:

11 Aug. – 11 Sept. 2021

Venue:

Google Meet

Time:

6 PM

Objective of the Event:

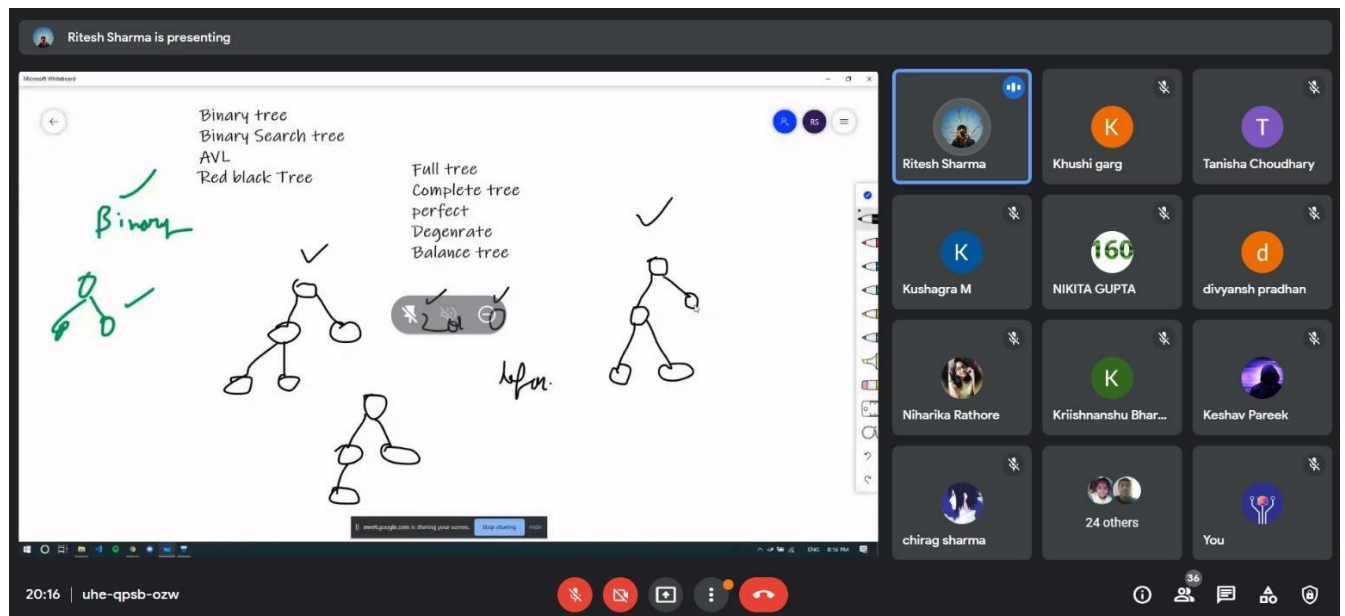

Get students familiar with concepts of Data Structure and Algorithms.

Details (Execution):

All the concepts of Data Structures and Algorithm were covered in various classes over the duration of 30 days. Data Structures such as Arrays, LinkedList, Graph, Tree, Stack, Queue were taught by the mentors, and students were given various programming problems to practice upon.

Algorithms such as N Queens, TSP, and MSP were taught to the students and practice problems of programming platforms were given. The Bootcamp also consist of Various Doubt solving sessions.

Hello Everyone!!!,

Greetings from Science & Technology Club

We are happy to announce that S&T Club is bringing you the most-awaited Data Structures and Algorithm (DSA) course

This course is surely going to enhance your programming skills and will guide you to solve some real-life problems.

The perks of the course are :

Live classes

Practice questions and assignments for a better understanding of concepts.

24×7 help support for solving doubts and other problems on SnT Discord Server

This course aims to develop a better programmer in you and to guide you towards competitive programming

So what are you waiting for...

Make the best use of this opportunity and improve your hands in programming by learning DSA.

Register yourself using the link attached below, Link:

<https://forms.gle/JdRCKr4bvSb5xVG7A>

E-certificates will be provided to all the active participants. All the best

Regards

DSA Bootcamp

The poster features a dark blue background with a gradient. At the top, there are three logos: SKIT (a globe with a grid), SCIENCE & TECHNOLOGY CLUB (a stylized atom), and ZEETRO NETWORKS (a stylized 'Z' and 'N' with the tagline 'Raising world of Technology'). Below these, the text 'PRESENTS' is in small white capital letters. The main title 'CYBER SECURITY' is in large, bold, white capital letters, and 'WEBINAR' is in bold, orange capital letters. To the left of the title, the date '8 OCT 2021' is in large orange and white text, with '6PM onwards' in white below it. A QR code is positioned below the date. The registration information 'Register at: snt-club.github.io' is in white. Below this, it says 'Follow us on' followed by Instagram and LinkedIn icons with the handles 'snt_club' and 'sntclub'. At the bottom left, a small icon of a person is next to the text 'Certificates will be provided to all the participants.' On the right side, there is an illustration of three server racks with yellow doors, and three people in purple hoodies sitting on the floor, working on laptops. Binary code (0s and 1s) is floating around the servers and people.

The poster features a dark purple background with abstract geometric shapes in shades of pink, orange, and white. At the top left, there are three logos: SKIT (Sri Kirti Institute of Technology), Science & Technology Club, and Extra Curricular Activities. The text 'PRESENTS' is written in a small, white, sans-serif font. Below it, the title 'C PROGRAMMING BOOTCAMP' is displayed in large, bold, white letters. A semi-transparent grey box contains a list of features: '» Interactive Live Classes', '» Practice Questions & Assignments', '» 24x7 Help support and doubt session on S&T Club Discord server', and '» Certificates will be provided to all the participants.' The date '27.11.21' is written in large, bold, orange letters. At the bottom left, the text 'Register at: snt-club.github.io' is shown in white. A QR code is located at the bottom right.

A promotional poster for a Python Workshop. The background is dark blue with abstract light blue and purple shapes. At the top right, there are logos for SKIT (with the motto 'असतो मा सद्गमय') and the Science & Technology Club. A circular portrait of Mr. Vaibhav K. is on the left. To his right, his name and credentials are listed: 'Mr. Vaibhav K.', 'Software Development Engineer In Test at YugabyteDB', and 'Alumni of IIT, KOTA'. Below this is a LinkedIn icon and the name 'Vaibhav Kush'. The main title 'PYTHON' is in large yellow letters, followed by the Python logo and the word 'WORKSHOP' in white. The date and time '03 : 00 PM | 06.02.2022, SUNDAY' are displayed. A QR code is shown with the registration link 'snt-club.github.io'. At the bottom, it states '*Certificates will be provided to all the participants.' and lists social media handles for Instagram, LinkedIn, Facebook, and YouTube.
