About The Club:

- Tech Innova is a technical society of CS & IT departments, in its broadest sense encompasses all aspects of computing technology.
- Started in 2012.
- We are honoured to have a privilege of 700+ students till now.
- We hosts various technical events like software engineering and development, computer networking and communications, Web technologies, computer security, database management, and digital media technologies related events

Objective:

- ✓ To build problem solving approach.
- ✓ To make students familiar with basic syntax of programming language.
- ✓ To give roadmap to students for preparing further in coding.
- ✓ To make them efficient and better performer through time management.

Achievements of the Club:

- The activities conducted in the club helped the students during their placements.
- The activities also help the students to develop their final and pre final year projects.
