## Communiqué: Events Conducted by SKIT Alumni Association

SKIT Alumni Association organizes events under three categories: the first is Vrittant which is primarily organized for the students of first year during their orientation programme. Vrittant is all about an interaction between the new comers and the distinguished alumni of the college. The alumni share their fond memories and experiences with the new comers and guide them for their future course of action. The second category is Maagdarshan which is an informative and interactive session between the current students and alumni from all the branches in the form of queries and question& answers. In this programme, the alumni from all segments provide short training sessions to the current students about various options available in their professional journey. The third and the last category is Synergy series which is organized by the different departments. Under synergy series there is one to one interaction with the alumni on topics specifically related to their particular department.

### Vrittant: Memories from the Alumni
