7. Feedback Report	14-37
8. Media Coverage	38
9. Technical Report	38-39

## *Objectives*

- To create an awareness about intellectual property rights (IPR) for faculties and students.
- To disseminate knowledge on patents, patent regime in India and abroad, and registration aspects.
- To encourage faculty members and scholars to go for patentable works.

### ***Outcomes***

The participants of the seminar will be able to understand the procedures to convert the research outcome into patents. This seminar will bring a positive transformation in the faculty member's attitude in their project and research works and get them more focused as well as result oriented. The participant will also be able to understand the process for commercialization/ technology transfer of their project and research works. This will help the respective academic institutes to find a better placement in NIRF rankings. The participants will also get a clear idea about patenting, IPR filing, copyrights and trademarks.

**Dr. Manu Sikarwar**  
**Project Director**  
**Department of Science and Technology**  
**Rajasthan, Jaipur**

Dear Sir,

Greetings from IPR Cell- SKIT Jaipur!!!!

We are pleased to invite you as a Chief Guest in the inaugural ceremony of One Day Seminar on “Intellectual Property Rights and Innovation” to be held on [19<sup>th</sup> August 2021 \(10:30 am- 11:30 am\)](#) in our institute (*Virtual Mode using Webex platform*). I am also pleased to inform you that, **Swami Keshvanand Institute of Technology, Management & Gramothan** has established the IPR Cell at institute premises. The inauguration of the IPR Cell will be held during this event.

**Swami Keshvanand Institute of Technology, Management & Gramothan** (SKIT) inspired from the learnings of Swami Keshvanand, was established in the year 2000 by Technocrats and Managers Society for Advanced Learning. Today the institute is recognized as one of the centers of academic excellence in Northern India. The Institute is affiliated to **Rajasthan Technical University**, Kota for offering Doctorate, Postgraduate and Graduate Courses in Engineering and Management. It has been ranked no. 1 by RTU, Kota continuously for the last four years.

Your expertise and experience in this field of IPR will be an excellent addition to our program as many of our participants will look forward to hearing and learning from your experience.

So, it is an honor to invite you as a chief guest for the inauguration ceremony.

Please spare some time from your busy schedule to enlighten us with your knowledge.

Looking forward to a positive response

## Media Coverage

## Technical Report

SKIT has taken a giant leap towards maintenance of ethical practices in research and development by inception of Intellectual Property Rights Cell. The establishment of IPR cell was possible due to visionary thinking of Prof. Ramesh Kumar Pachar, Principal SKIT and Dr. Savita Choudhary. A one-day online seminar on, “Intellectual Property Rights and Innovations” was organized in the online mode on the occasion of inaugural of IPR cell. Around 400 participants registered and participated in this event.

The e-inauguration ceremony was held where a short video of the IPR cell was displayed showing the resources of the IPR cell at the SKIT campus.

Dr. Savita Choudhary, convener, IPR cell, SKIT welcomed all the guests. Dr. Praveen Jain, Co-convener of the IPR cell SKIT told the participants about the core objectives of the IPR cell of SKIT.

The Chief Guest of the seminar Dr. Manu Sikarwar, Project Director, DST(Raj.) conveyed that Rajasthan was the first state in India to start the state level IPR policy which has been readily adopted by various University of Rajasthan. He also mentioned the government initiative of developing the Technical Innovation Support Center by DST for helping the people to get their patents filed. He was elated to share that Rajasthan is presently at 12th number among all states in patents applications. The guest of honor of this event, Dr. D. K. Palwalia, Dean IPR Cell, RTU(Kota) suggested the steps for revenue generation from the IPR cell. He encouraged the participants for filing patents on their innovative ideas. The inaugural was followed by expert talk by Mr. Yash Bhargava, IPR consultant from Lumenci INC, Gurugram, Mr. Harsh Sahu, advocate, Rajasthan High Court, Jaipur and Dr. Rohit Jain, Advocate TISPL, Jaipur.

The Chief Guest of the seminar Dr. Manu Sikarwar, Project Director, DST (Raj.) conveyed that Rajasthan was the first state in India to start the state level IPR policy which has been readily adopted by various University of Rajasthan. He also mentioned the government initiative of developing the Technical Innovation Support Center by DST for helping the people to get their patents filed. He talked about on Schemes and policies of government of Rajasthan regarding IPR. He was elated to share that Rajasthan is presently at 12<sup>th</sup> number among all states in patents applications. The guest of honor of the seminar, Dr. D. K. Palwalia, Dean IPR Cell, RTU (Kota) suggested the steps for revenue generation from the IPR cell. He encouraged the participants for filing patents on their innovative ideas. He also highlighted the importance of IPR and motivated faculty and students to go for IPR process. He is the IPR consultant from Lumenci corporation, Gurugram. Mr. Bhargava explained the terms involved in patent filing and elaborated about the dos and don'ts. He also discussed in detail the IPR consultancy and its benefits. He also highlighted the various services in IPR consultancy.

He is the advocate in Rajasthan High Court, Jaipur. Mr. Sahu used TV commercials as a case study to explain the legal terms involved in IPR related issues. He also discussed the concept of law for patent filing.

He is the Advocate in Trade Innovation Services Pvt Ltd (TISPL), Jaipur. Dr. Jain precisely covered full spectrum of patent starting from novelty search to contents of complete specification. He highlighted the complete registration process and patent filing. He also mentioned contrast between patentable and non-patentable products.

Mr. Bhargava explained the terms involved in patent filing and elaborated about the dos and don'ts. Mr. Sahu used TV commercials as a case study to explain the legal terms involved in IPR related issues. Dr. Jain precisely covered full spectrum of patent starting from novelty search to contents of complete specification. He also mentioned contrast between patentable and non-patentable products. Dr. Rishi Vyas, Co Convener of the IPT Cell SKIT anchored the programme and Dr. Neha Janu, Member, IPR cell delivered the vote of thanks. Mr. Praveen Saraswat presented the technical report of this event in the valedictory ceremony.

---Thank You-----
