

Swami Keshvanand Institute of Technology, Management & Gramothan, Jaipur

Title: National Workshop on "Intellectual Property Rights & Patent Filing Process"

Date: 21-10-2021 to 29-10-2021

**SWAMI KESHVANAND INSTITUTE OF TECHNOLOGY,
MANAGEMENT & GRAMOTHAN, JAIPUR**

**ONE WEEK NATIONAL WORKSHOP
ON
INTELLECTUAL PROPERTY RIGHTS
&
PATENT FILING PROCESS**

Jointly organized by
IPR Cell-SKIT, Jaipur & CoE-IP, CDAC, Pune

21-29 OCTOBER, 2021

EMINENT SPEAKERS

Day - 1
21 October, 2021 (12:00 PM - 3:30 PM)

Ms. Samta Maurya
Project Engineer, CoE-IP, CDAC,
Topic: Overview of IPRs,
Introduction and Importance

Mr. Pankaj Yadav
Project Engineer, CoE-IP,
Topic: General Patent Law
and Patent Process Overview

Day - 2
22 October, 2021 (12:00 PM - 3:30 PM)

Mr. Parimal Khade
CoE-IP, CDAC,
Topic: Basics IPR (Patent and
Introduction to Co-IP

Mr. Shubhojeet Ghosh
IP Lawyer and Consultant
Topic: Application filing and Drafting a patent
and Hands-on Exercise on Patent Drafting

Day - 4
28 October, 2021 (12:00 PM - 3:30 PM)

Prof. Y. K. Vijay
Former Professor, Rajasthan University Jaipur
Former President, Vivekananda Global University, Jaipur
Topic: Strategies for IP Creation,
Development and Management

Dr. Sheetal Chopra
Honorary Course Director, IPTSE
Director IP Policy, Ericsson India
Topic: IPR: Future Aspects and
Road to Society

INTELLECTUAL PROPERTY RIGHTS (IPR) CELL, SKIT

Registration

To join this FDP, you are requested to register your name by clicking the following registration link / scanning the QR code:

<https://forums.glo/tech/Conak5CqurYc0f>

Note:

- The FDP will be conducted online through Cisco Webex.
- Participants can be faculty members from AICTE/UGC approved Organisations/Institutes across the globe.
- There is no registration fee.
- After registration, participants need to join the WhatsApp groups to receive FDP related information.
- E-Certificate will be provided to the participants who will attend 80% of the sessions and submit feedback of FDP.
- Last date of registration is 18th September, 2021.
- For any queries regarding FDP, please contact: teafcdps2021@skit.ac.in

Title: Student Workshop on Introduction to CAD and its Applications

Date: 16-08-2021 to 21-08-2021

The brochure is a rectangular document with a white background and black text. It is divided into several sections. On the left side, there are lists for Patron, Advisory Committee, Coordinator, Co-coordinator, and Student Coordinators. The center section is titled 'Registration Details' and contains a QR code, a registration link, and a list of notes. The right side features logos for SKIT and ASME, the event title 'Introduction to CAD and its Applications', dates, and organizing institutions. At the bottom right, there is a signature and a stamp.

AIITL Training and Learning (ATAL) Academy
 Faculty Development Programme
 On
"Industrial Internet of Things (IIoT)"
 (7th June- 11th June, 2021)
 Organized by Department of Mechanical Engineering, SKIT, Jaipur

Introduction:

First (5th) Working Week:
 Host Institution: Swami Keshvanand Institute of Technology, Management & Gramothan, Jaipur (SKIT)
 Address: Jaipur
 Website: www.skits.ac.in
 Coordinator: V. Anand Mishra
 Email: vamishra@skits.ac.in
 Contact No: 9898008497/9898008498

Second (6th) Working Week:
 Host Institution: SKIT, Jaipur
 Address: Jaipur
 Website: www.skits.ac.in
 Coordinator: V. Anand Mishra
 Email: vamishra@skits.ac.in
 Contact No: 9898008497/9898008498

Faculty Participants:

Prof. V. Anand Mishra, SKIT
 Prof. M. L. Mittal, MNIT Jaipur
 Prof. S.C. Jain, RTU, Kota
 Prof. Dr. Rajeev Agrawal, MNIT Jaipur
 Prof. Dr. Prasenjit Chanak, IIT, BHU
 Prof. Dr. Vijaya Kumar Manupati, NIT Kurukshetra
 Prof. Dr. Om Ji Shukla, NIT Patna
 Prof. Dr. Aakanksha Sharaff, NIT Raipur
 Prof. Dr. Gyanesh Tripathi, DLW Varanasi
 Prof. Dr. Saurabh Pratap, IIT BHU
 Prof. Dr. Shri Krisnappad Das Ji-ISKON Jaipur
 Prof. Dr. Dheeraj Joshi, SKIT Jaipur

AIM & OBJECTIVE:

Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) has been ranked No. 1 Engineering College in Rajasthan for the consecutive four times as declared by Rajasthan Technical University (RTU), Kota. SKIT is a holistic comprehensive institution offering undergraduate and postgraduate programmes in Engineering and Management. The institution established in the year 2000 by a group of committed professionals and academicians. During all the past years SKIT has emerged as a premier centre of technical education not only in Rajasthan but also in northern India which has been ranked through various and discerned thereby awards, innovative teaching learning methods, state of the art infrastructure and ever vibrant discipline. The various undergraduate programmes of the institute are accredited by the National Board of Accreditation (NBA).

About FDP:

In the recent age of information technology, the industrial internet of things (IIoT) has emerged as a regular extension of the internet of things (IoT) in industrial sector and applications. It has a strong focus on machine-to-machine (M2M) communication, big data, and machine learning which enables organizations, industries and consumers to have increased efficiency, operational and reliability in their operations. The FDP seeks to augment the participants with the understanding and scope of the IIoT which encompasses industrial applications, including solution, production processes and cyber-physical systems.

Invited Approaches:

- Prof. V. Anand Mishra, SKIT
- Prof. M. L. Mittal, MNIT Jaipur
- Prof. S.C. Jain, RTU, Kota
- Dr. Rajeev Agrawal, MNIT Jaipur
- Dr. Prasenjit Chanak, IIT BHU
- Dr. Vijaya Kumar Manupati, NIT Kurukshetra
- Dr. Om Ji Shukla, NIT Patna
- Dr. Aakanksha Sharaff, NIT Raipur
- Dr. Gyanesh Tripathi, DLW Varanasi
- Dr. Shri Krisnappad Das Ji-ISKON Jaipur
- Dr. Dheeraj Joshi, SKIT Jaipur

Programme Objectives:

- To augment the participants with the basics of industrial internet of things (IIoT).
- To bridge the gap between the current state technologies and industry requirement by providing a guideline for dissemination of information.
- To help the participants to understand how IIoT tools and techniques will come down to IIoT applications as an answer to further research and development in this discipline.
- To make the participants aware about challenges and security vulnerabilities due to proliferation of smart devices and networks.
- To create their awareness about the emerging opportunities of IIoT in various sectors like Smart Cities, Smart India etc.

Programme Schedule:

Date & Time	Topic	Topic to be Covered
Monday (7th June 2021)	Session-1 (7:00 AM - 11:00 AM)	Introduction to IIoT and its applications
	Session-2 (1:30 PM - 4:30 PM)	Industry 4.0: Introduction and Applications
Tuesday (8th June 2021)	Session-3 (7:00 AM - 11:00 AM)	IIoT Standards and its applications
	Session-4 (1:30 PM - 4:30 PM)	Smart Manufacturing
Wednesday (9th June 2021)	Session-5 (7:00 AM - 11:00 AM)	Autonomous in Manufacturing
	Session-6 (1:30 PM - 4:30 PM)	Security in Smart Industries for IIoT Applications
Thursday (10th June 2021)	Session-7 (7:00 AM - 11:00 AM)	Cyber Physical Systems
	Session-8 (1:30 PM - 4:30 PM)	Machine Learning, Introduction and Applications
Friday (11th June 2021)	Session-9 (7:00 AM - 11:00 AM)	Big Data Analytics: Usage and Applications
	Session-10 (1:30 PM - 4:30 PM)	Real applications in Industry 4.0
	Session-11 (7:00 AM - 11:00 AM)	Smart Manufacturing in IIoT
	Session-12 (1:30 PM - 4:30 PM)	Approval of FDP
	Session-13 (7:00 AM - 11:00 AM)	Smart Manufacturing Future in Industry
	Session-14 (1:30 PM - 4:30 PM)	Industry 4.0: Introduction and Applications

Title: FDP on Art of Effective Online Teaching

Date: 8-02-2021 to 12-02-2021

Faculty Development Programme
8th February to 12th February, 2021

ART OF EFFECTIVE ONLINE TEACHING

About the FDP

If you're a teacher, you were probably expecting the routine of teaching to be fairly stable for the next however many years. Go to classroom, teach lessons, come home. I was. Of course, there are the 'expected' changes, like deadline pressures, marking, exams, schemas of work and so forth, but I don't think any of us saw this coming!

The changing times of the current era demands Faculty to be in tune to the shifts from the conventional teaching strategies and adapt to the major trends of today. They will have to build on their existing knowledge, achievements & accomplishments of the past and adapt to the evolving roles. Academic vitality is very much dependent on the faculty members and Faculty Development has a very critical role to play in promoting academic excellence and innovation in changing times to tune to the institutional architecture.

This FDP is designed to broaden the focus, foster collaboration and effectiveness in the classroom with proven teaching techniques to bring out creativity and innovation.

Objectives of the FDP

- To guide research process with necessary knowledge and skills to undertake a piece of research work in any area of choice.
- To train researcher various methods, tools and techniques with the help of SPSS and Review.
- To enable researchers, irrespective of their discipline, in developing appropriate methodology for their research studies.
- To organize advanced level capacity enhancement and continuous knowledge up gradation training programs for people working in different capacities and roles.
- To conduct programs to build research, teaching and administration competence for holistic development of individuals.

Date and Venue:
8th February to 12th February, 2021

Title: FDP on Research Methodology: Art of Writing Effective Thesis and Research Paper

Date: 01-02-2021 to 05-02-2021

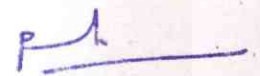

The brochure features the logos of Swami Keshvanand Institute of Technology, Management & Gramothan and SKIT at the top. Below the logos, the text reads: "SWAMI KESHVANAND INSTITUTE OF TECHNOLOGY, MANAGEMENT & GRAMOTHAN, DEPARTMENT OF MANAGEMENT STUDIES". The main title is "5 DAYS ONLINE FACULTY DEVELOPMENT PROGRAM ON RESEARCH METHODOLOGY: ART OF WRITING RESEARCH PAPER & THESIS", dated "February 1-5, 2021". A photograph shows a person working at a desk with a large open book. Below the photo, there is a section titled "About the FDP:" followed by a paragraph describing the program's purpose and the institute's commitment to faculty development. The text mentions that the program is approved by AICTE and the National Board of Accreditation (NBA).

Title: FDP on Intellectual Property Rights in Management, Innovations & Academics

Date: 18-01-2021 to 22-01-2021

**SWAMI KESHVANAND INSTITUTE OF TECHNOLOGY,
MANAGEMENT & GRAMOTHAN
DEPARTMENT OF MANAGEMENT STUDIES**

FACULTY DEVELOPMENT PROGRAM
On
**INTELLECTUAL PROPERTY RIGHTS (IPR) IN MANAGEMENT, INNOVATION &
ACADEMICS**
January 18-22, 2021

INTELLECTUAL PROPERTY

About the FDP: Intellectual Property Rights (IPR) is the right given to persons over the creations of their minds. They usually give the creator an exclusive right over the use of his/her creation for a certain period of time. The rights of authors of literary and artistic works (such as books and other writings, musical compositions, paintings, sculpture, computer programs and films) are protected by copyright, for a minimum period of 50 years after the death of the author. Industrial property can usually be divided into two main areas. One area can be characterized as the protection of distinctive signs, in particular trademarks (which distinguish the goods or services of one undertaking from those of other undertakings) and geographical indications (which identify a good as originating in a place where a given characteristic of the good is essentially attributable to its geographical origin). The FDP is well structured and covers various aspects on Intellectual Property Rights (IPR) that are associated with the protection of tangible and intangible property. IPR protection plays a key role in giving market advantage in terms of technological gain for achieving higher economic growth in a market driven economy. The main aim of FDP is to impart greater awareness about the issue of IPR, which gained a special importance for all the domains of socio-economic development.

Main Themes & Objectives of the Program would include:

- Origin and Evolution of IPR
- Components of IPR
- How to apply for IPR in India
- Awareness about National IPR Policy
- Issues in India's IPR Regime

About Institute: Swami Keshvanand Institute of Technology Management and Gramothan, Jaipur was established in the year 2000 by a team of committed professionals and academicians. SKIT enjoys the reputation of being one of

In recent years there comes the requirement from industry and researchers that another emerging technology in the form of artificial intelligence and machine learning is beginning to alter education tools and institutions and changing what the future might look like in education. It is expected that artificial intelligence in Indian education will grow by 47.5% from 2020-2023 according to the Artificial Intelligence Market in the Indian Education Sector report. Even though most experts believe the critical presence of teachers is irreplaceable, there will be many changes to a teacher's job and to educational best practices. The objective of the FDP is to introduce fundamentals of artificial intelligence, fuzzy logic, pattern recognition, data mining and machine learning techniques with their real time applications. AI has already been applied to education primarily in some tools that help develop skills and testing systems. As AI educational solutions continue to mature, the hope is that AI and ML can help fill needs gaps in learning and teaching and allow schools and teachers to do more than ever before. This FDP intent to bring together researchers and experts from around the country to discuss and stimulate ideas.</p>	  <p>AICTE Training and Learning (ATAL) Academy Sponsored Online Faculty Development Programme on "Electrical & Computer Engineering (Applications of Machine Learning & Artificial Intelligence)" (04th-08th January, 2021)</p> <p>Organized by</p>  <p>Department of Computer Science & Engineering (NBA Accredited) Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT), Ramnagar, Jagatpura, Jaipur-302017 Email : fdpes@skit.ac.in Phone: 91-141-2752165, 5160400, Ext. 241 Website: www.skit.ac.in</p> <p>Course Coordinator: Dr. Neha Janu Associate Professor, Department of Computer Science & Engineering</p>

Title: FDP on Deep Learning for Medical Data Analysis

Date: 20-12-2020 to 24-12-2020

FDP COMMITTEE

Chief Patron

Prof. R. A. Gupta
Hon'ble Vice-Chancellor, RTU

Patron:

Shri Raja Ram Meel, Patron, SKIT
Shri Surja Ram Meel, Chairman, SKIT

Advisor:

Shri Jaipal Meel, Director, SKIT
Prof. (Dr.) S. L. Surana, Director (Academics), SKIT
Mrs. Raksha Meel, Registrar, SKIT
Prof. (Dr.) Ramesh Kumar Pachar, Principal, SKIT
Prof. (Dr.) Mahesh Gupta, HOD (CSE), SKIT
Prof. (Dr.) Anil Chaudhary, HOD (IT), SKIT

RTU (ATU) TEQIP-III Coordinator:

Prof. (Dr.) Dhiresandra Mathur

RTU Event Coordinator:

Dr. Harish Sharma
Mrs. Nirmala Sharma

Host Institute Coordinators:

Mr. Sunil Bhankhar, Associate Professor
Ms. Anjana Sangwan, Associate Professor
Dr. Sunita Gupta, Associate Professor
Ms. Dolly Mittal, Assistant Professor

RTU (ATU) TEQIP-III Committee:

Prof. D. K. Sambariya (Nodal Officer Procurement)
Dr. S. D. Pareekit (Nodal Officer Finance)
Dr. Iram Akli (Conference)
Mr. Santosh Sharma (Expert Lecturer)
Mr. Anshul Bansal (GATE & Induction)
Mr. Dinesh Kumar (Workshop)

Organizing Committee:

Department of CSE & IT, SKIT, Jaipur

REGISTRATION

To join this FDP, you are requested to register your name by clicking the following registration link or scanning the QR Code:

<https://forms.gle/5D6PcQd1foTEqsGU6>

Note:

- ✓ The FDP will be conducted through online platforms
- ✓ The registration for the FDP is on first cum first service basis.
- ✓ After fill the registration form, please join the Whatsapp group to receive workshop related information.
- ✓ E-Certificate will be provided to those faculty/students who will attend all the sessions and submit assignments including feedback of FDP.

Title: Web-Hack & HR Conclave: Recruitment and Technology 4.0

Date: 28-09-2020 to 29-09-2020

The brochure is for an event titled "Web-Hack & HR Conclave: Recruitment and Technology 4.0" held from 28th to 29th September 2020. It is organized by TEQIP-III RTU (ATU) at Swami Keshvanand Institute of Technology, Management and Gramothan, Jaipur, sponsored by Rajasthan Technical University, Kota. The event features a Web Hackathon with a prize money of ₹50,000 and an HR Conclave. The Web Hackathon is virtual, with elimination at every evaluation stage, a last date of registration on 25 September 2020, freedom to choose problem statements and offer solutions, distinguished evaluators from industry and academia, and a maximum team size of 3. The HR Conclave includes a panel discussion with eminent industrialists, learned academicians, administrators and policy makers, corporate leaders, and is open for all communities. A QR code is provided for registration at <https://rgsbit.ac.in/register/hack>. The brochure also lists several resource persons and jury members.

Brochure of the Event

Resource Person:

1. Ms. Purna Sadashiv, Head HR, Genus Innovation
2. Mr. Niketgupta, Head-India Talent Acquisition, Lenovo, India
3. Ms. Neha Sachdeva, Associate Task Consultant, Nagarro, Gurgaon.

Title: RTU (ATU) TEQIP-III Sponsored FDP on Applications of Mathematical Sciences in Engineering and Technology

Date: 23-09-2020 to 27-09-2020

The brochure is a vertical document with a black background and white text. It is divided into several sections. At the top left, it lists the Chief Patron (Prof. R.A. Gupta) and Patron (Shri Raja Ram Meher, Patron, SKIT and Shri Surya Ram Meher, Chairman, SKIT). Below this is the RTU/ATE TEQIP-III Coordinator (Dr. Divyanshu Mishra) and a list of advisors including Dr. S. E. Swain, Dr. S. K. Saha, and Dr. Ramesh Kumar Pater. The next section lists RTU Event Coordinators (Dr. S. D. Purohit and Dr. Kamlesh Jangid). Below that are Host Institute Coordinators (Dr. Rajni Khurana and Dr. Anurag Shrivastava) and the RTU/ATE TEQIP-III Committee members. The Organizing Committee lists Dr. Jagdish Chaudhary, Dr. Shashi Chhabra, Dr. V.K. Sengar, Dr. Suresh Gupta, Dr. Anupam Yadav, Mr. C.P. Jain, Dr. Ritu Agarwal, Mr. Jagdish Sharma, Dr. R.K. Parmar, and Mr. Devendra Jain. The central section is titled 'REGISTRATION' and includes a QR code and instructions to register via a link or QR code by September 23, 2020. It also lists bullet points about the FDP being conducted online, the need to join a WhatsApp group, and the provision of an E-Certificate. At the bottom of the central section, it provides contact information for Dr. Rajni Khurana (Mobile: 9414251570) and Dr. Anurag Shrivastava (Mobile: 9829252523). The right side of the brochure features the TEQIP-III logo, the title 'ACADEMY DEVELOPMENT PROGRAM', and the dates 'SEPTEMBER 23 - 27, 2020'. It also includes a small image of a person and text indicating the program is organized by Rajasthan Technical University, Kota, and supported by Swami Keshvanand Institute of Technology, Management & Gramothan, Jaipur. The SKIT logo and Department of Mathematics information are also present at the bottom right.

Title:FDP on Higher Education in India : NEP 2020

Date:21-09-2020 to 25-09-2020

**SWAMI KESHVANAND INSTITUTE OF TECHNOLOGY,
MANAGEMENT & GRAMOTHAN
DEPARTMENT OF MANAGEMENT STUDIES**

- Registration fees: No Charges
- Date: From 21st-25th September, 2020

Venue: Dr. A. P. J. Abdul Kalam Seminar Hall, DMS-SKIT

Objectives of the FDP

- Develop better understanding of New Education Policy
- Practical implications of the NEP on Higher Education in India
- Discuss the challenges ahead in implementation of NEP at Higher Education in India
- Elaborate the impact of NEP on Higher Education in India.

About the FDP

New Education Policy 2020 (NEP-2020) is promulgated by the Government of India in July 2020 to replace the previous National Policies on Education in order to bring changes in Indian Education System. This policy aims to address the imbalances and to make sweeping changes in our education system. The new NEP-2020 will change the face and future of Higher Education in India as well by introducing Integrated Teacher Education Programme (ITEP). In view of all this, a Faculty Development Programme is organized by SWAMI KESHVANAND INSTITUTE OF TECHNOLOGY, MANAGEMENT & GRAMOTHAN, JAIPUR (SKIT, Jaipur) in order to bring all stakeholders – academia, experts, social scientists, peace educators, activists, and budding scholars representing leading universities/ institutions/ organizations across the world on one platform to discuss assess the presence, need, promotion and introduction of NEP and its impact on Higher Education System in India.

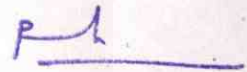

Sub Themes of the FDP

Vision, Mission and Provisions in NEP
In-service Professional Development of Teachers
SWAYAM DIKSHA for online training
Research in Higher Education in India
Recruitment and Deployment of Teachers
Teacher and skill development in students

Title: Workshop on Effective Communication and Presentation Skills

Date: 21-09-2020 to 25-09-2020

WORKSHOP COMMITTEE

CHIEF PATRON
Prof. RA Gupta
Vice-Chancellor, RTU Kota

CHAIRMAN
Dr. Preeti Bhatt, Asso. Prof., Deptt. Of Humanities, MNIT Jaipur

MEMBERS
Dr. Sanjay Arora, Asst. Prof., NIT, Uttarakhand
Dr. Nikita Gulati, Asst. Prof., CET, Udaipur
Dr. Meenakshi Raman, Asst. Prof., BITS, Pilani, Goa Campus
Dr. Malati Mathur, Director, Deptt. Of Humanities, IGNOU, Delhi

REGISTRATION FORM

Name: _____
Registration No: _____
Institution: _____
Address: _____
Mobile No: _____
E-mail: _____
Department: _____
Faculty: _____

OBJECTIVES

The general aim of the workshop is to provide an opportunity for participants to enhance their communication and presentation skills. The objectives of the workshop are to:

- Develop self-confidence and self-esteem.
- Develop effective communication skills.
- Develop effective presentation skills.
- Develop effective listening skills.
- Develop effective group decision-making skills.
- Develop effective conflict-resolution skills.
- Develop effective time-management skills.
- Develop effective stress-management skills.

RATIONALE

The workshop is organized to provide an opportunity for participants to enhance their communication and presentation skills. The workshop is organized to provide an opportunity for participants to enhance their communication and presentation skills.

Title: RTU (ATU) TEQIP-III Sponsored FDP on Salesforce Trailhead

Date: 16-09-2020 to 20-09-2020

The brochure is a rectangular document with a light background and a dark border. It is divided into several sections. On the left side, there are five vertical columns of text, each with a header in a dark box. The first column is for the Chief Patron, the second for Patrons, the third for Organizers, the fourth for the Organizing Committee, and the fifth for the Organizing Staff. The middle section is titled 'REGISTRATION FORM' and contains instructions on how to register, a QR code, and a list of notes. The right side features the TEQIP-III RTU(ATU) logo, the title of the program, the dates, the Salesforce logo, and the organizing institutions. At the bottom right, there is contact information for the Department of Computer Science and Engineering at SKIT.

Title: FDP on Recent Trends in Material Science and Engineering (RTMSE-2020)

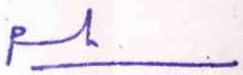

Date: 20-08-2020 to 21-08-2020

The poster is titled "TEQIP-3 RTU(ATU) TEQIP-III Sponsored Faculty Development Programme 'Recent Trends in Material Science and Engineering (RTMSE-2020)' August 20-21, 2020". It lists invited speakers for two days. Day 1 speakers include Prof. Arun Pratap (Dean, Faculty of Technology & Engineering, MSU Baroda, Vadodara), Dr. Mahesh Kumar (Associate Professor, Electrical Engineering, IIT, Jodhpur), and Dr. Praveen Kumar (Assistant Professor, School of Materials Sciences, IACS, Kolkata). Day 2 speakers include Dr. Anurag Gaur (Associate Professor, Department of Physics, NIT, Kurukshetra), Dr. Pawan Kumar Kulriya (Senior Scientist, IUAC, New Delhi), and Dr. Pooja D. Sharma (Senior Scientist, CSIR-CSIO, Chandigarh). The poster also features logos for RTU and SKIT.

Title: FDP on Differentiating Ourselves as Management Faculty

Date: 21-07-2020 to 26-07-2020

Swami Keshvanand Institute of Technology Management and Gramothan, Jaipur
Swami Keshvanand Institute of Technology, Management and Gramothan, Jaipur, was established in the year 2000 by a team of committed professionals and academicians. SKIT enjoys the reputation of being one of the premier institute in northern India, possessing qualified and experienced faculty along with well-developed infrastructure. A great sense of discipline, sincerity and an environment conducive to learning makes SKIT an educational paradise. All the Courses are duly approved by AICTE and affiliated to Rajasthan Technical University, Kota. B.Tech courses are accredited by the National Board of Accreditation (NBA, New Delhi).

Department of Management Studies
In its endeavor to strengthen the philosophy of Swami Keshvanand Ji and achieve excellence in Techno-managerial environment, the institute established Department of Management Studies in the academic year 2006-2007. The Department of Management Studies offers an AICTE approved Master of Business Administration (MBA) degree course, affiliated to Rajasthan Technical University, Kota. The Department aims at developing future managers equipped with curricular & co-curricular skills, which will help them to make a mark in the industry. To achieve its vision the Department uses a blend of well-qualified and experienced core faculty and renowned visiting faculty members from other institutes. To enhance the horizon of knowledge, various Seminars, Workshops, and Entrepreneurial Activities are organized regularly. The Department is an active member of All India Management Association (AIMA).

Bhaskar, Assistant Professor Mr. Sudesh Garg, Assistant Professor</p> <p><u>Contact Details:</u> Dr. Manoj Kumar Sain (Coordinator) Mob: 9929289630 Ph. No. 0141-3160400 (Ext. 252)</p>	 <p><u>Department of Mechanical Engineering</u> The department started academic activities in the year 2003-04 with the admission of its first batch of under-graduates. The Department offers B.Tech in Mechanical Engg. and M.Tech in Production Engg. and Renewable Energy Technology courses. The department has modern laboratories developed and designed from the perspective of the latest requirements of academia. Consistent pursuit of excellence by the department is clearly reflected in the fact that the department has been accredited three times by National Board of Accreditation (NBA) (India).</p> <p><u>About SKIT</u> Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) is a selective comprehensive institution offering undergraduate and postgraduate programmes in Engineering and Management. The institute was established in the year 2000 by a team of committed professionals and academicians. During all the past years SKIT has emerged as a Premier Centre of Technical Education not only in Rajasthan but also in northern India which has been realized through efficient and dedicated faculty members, innovative teaching-learning methods, state of art infrastructure and core value of discipline. The various undergraduate programmes of the institute are accredited by the National Board of Accreditation (NBA).</p> <p><u>About Jaipur</u> The world famous "PINK CITY", the capital of the Rajasthan state founded in 1727 AD by Sawai Jai Singh II is one of the most popular tourist destinations. It has a rich culture heritage and many important historical places viz. Amber Fort, Jaipur Fort, Nahargarh Fort, City Palace, Albert Hall Museum, Jantar-Mantar, Govind-Dev Ji Temple, and Baha Masjid. Jaipur is also famous for its handloom & handicraft, and proves a heaven for shopping and enjoyment. This fascinating city with its romantic charm takes you to an epoch of royalty and tradition.</p>	<p>Short Term Training Programme on CAD-CAM and Advanced Manufacturing (02nd March-07th March, 2020)</p> <p>Organized by  Department of Mechanical Engineering (NBA Accredited) Swami Keshvanand Institute of Technology, Management & Gramothan, Jaipur - 302017 Website: www.skita.ac.in</p> <p>Course Coordinator Dr. Manoj Kumar Sain Associate Professor Department of Mechanical Engineering</p> <p>Sponsored By  All India Council for Technical Education, New Delhi</p>

No. 0141-2160400 (Ext. 200)</p> <p>Course Secretary Dr. Mahesh Kumar Gupta Professor, Mob. 9722543766</p> <p>Dr. Poonam Gera Associate Professor Mob. 9827898773</p> <p>Mr. Ankit Kumar Assistant Professor Mob. 9057836298</p> <p>E-Mail your Registration Form to: FDP-2019 Department of Information Technology Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT-JT) Ramnagar, Jagatpura, Jaipur-302017 Email: skit@skit.ac.in Phone: 0141-2160400, 2160401 (Ext. 200) Website: www.skit.ac.in</p>	 <p>Department of Information Technology</p> <p>The Department offers Undergraduate Programs in Information Technology. The Major areas of Research in the Department are Data Analytics, Big Data Analytics, Cloud Computing and Virtualization, Security, Complex and Progressive Algorithms, Computer Architecture, Disruptions and Ubiquitous Computing Systems. The Department has several Research Labs and Laboratories with state of the art Computing facilities. Constantly Maintenance of facilities helps the Department to stay itself in the rapidly changing Technological Scenario.</p> <p>About SKIT Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) is a selective comprehensive institution offering undergraduate and postgraduate programmes in Engineering and Management. The institute was established in the year 2006 by a team of eminent professionals and academicians. During all the 10th years SKIT has emerged as a Premier Centre of Technical Education spread over Rajasthan has also secured a status which has been achieved through all round and dedicated faculty members, innovative teaching-learning methods, state of art infrastructure and high caliber of discipline. The various undergraduate programmes of the institute are accredited by the National Board of Accreditation (NBA).</p> <p>About Jaipur The world famous "Pink City", the capital of the Rajasthan state, founded in 1727 AD by Jai Singh II is one of the most popular tourist destinations. It has a rich cultural heritage and many important historical places viz. Amber Fort, Jaipur Fort, Nahargarh Fort, City Palace, Alwar Hill Museum, Jantar-Mantar, Gool-Dera Ji Temple, and Chitr Gaudi. Jaipur is also famous for its handicrafts & jewellery and provides a heaven for shopping and experience. This fascinating city with its economy, charm takes you to an epoch of art, life and tradition.</p>	<p>Faculty Development Programme on Internet of Things: Education Canvas (09th November to 20th November, 2019)</p> <p>Organized by  Department of Information Technology (NBA Accredited) Swami Keshvanand Institute of Technology, Management & Gramothan - Jaipur - 302017</p> <p>Course Coordinator Prof. Dr. Anil Chaudhary Professor & Head Department of Information Technology</p> <p>Sponsored by  All India Council for Technical Education, New Delhi</p>

Title: International Conference on "Management, Business and Economy"

Date: November 8th, 2019

International Conference on Management, Business & Economy (ICMBE)
8th November, 2019

About the Conference

The global economy of the twenty-first century has transformed the economic, social and political landscape in a profound way. This century has seen the pace of innovation in the information and communication technologies, reduced economic disparities with rapid mobility across the borders and rapidly changing social environment. The society is very different from what it was a few decades ago, allowing people to explore and succeed. It is right to say that the key to the future lies in innovative practices in the field of management, business and economy.

In accordance with this, we welcome students in the fields of management, business, economy and their related teachers. The aim of the conference is to gather leading academicians, policy makers, administrative officials and researchers to share their knowledge, experiences as well as to discuss future development in these fields.

Objectives of the Conference:

- To provide an international forum for students, professionals, practitioners, administrators and other participants.
- To discuss opportunities for research and practice in diverse and changing environment of global economy.
- To foster dialogue among various stakeholders including senior management, students, academicians, managers, regulators and other support system practitioners.
- To explore emerging trends and interdisciplinary issues of the business and economic practice that will help students overcome challenges.
- To exchange experiences and knowledge in various professional, academic and industry spheres.

Topics to be Discussed:

- Global Economic Challenges
- Information and Communication Technology
- Innovation and Entrepreneurship
- Business and Society
- Business and Environment
- Business and Ethics
- Business and Law
- Business and Finance
- Business and Marketing
- Business and HR
- Business and Quality Management
- Business and Project Management
- Business and Risk Management
- Business and Supply Chain Management
- Business and Sustainability
- Business and Systems Management
- Business and Technology
- Business and Training
- Business and Value Management
- Business and Workforce Development
- Business and Leadership
- Business and Organizational Behavior
- Business and Strategic Management
- Business and International Business
- Business and Cross-Cultural Management
- Business and Globalization
- Business and Emerging Markets
- Business and Digital Transformation
- Business and Big Data Analytics
- Business and Artificial Intelligence
- Business and Blockchain
- Business and Cybersecurity
- Business and Cloud Computing
- Business and Internet of Things
- Business and Robotics
- Business and Augmented Reality
- Business and Virtual Reality
- Business and 3D Printing
- Business and Nanotechnology
- Business and Biotechnology
- Business and Space Technology
- Business and Energy
- Business and Water
- Business and Food
- Business and Agriculture
- Business and Manufacturing
- Business and Logistics
- Business and Retail
- Business and E-commerce
- Business and Digital Marketing
- Business and Social Media
- Business and Influencer Marketing
- Business and Content Marketing
- Business and Search Engine Optimization
- Business and Pay-Per-Click Advertising
- Business and Display Advertising
- Business and Video Advertising
- Business and Native Advertising
- Business and Programmatic Advertising
- Business and Retargeting
- Business and Email Marketing
- Business and Direct Mail
- Business and Telemarketing
- Business and Sales
- Business and Customer Relationship Management
- Business and CRM
- Business and ERP
- Business and HRM
- Business and Talent Management
- Business and Employee Engagement
- Business and Performance Management
- Business and Compensation Management
- Business and Benefits Management
- Business and Labor Relations
- Business and Labor Law
- Business and Labor Union
- Business and Labor Organization
- Business and Labor Movement
- Business and Labor History
- Business and Labor Geography
- Business and Labor Demographics
- Business and Labor Economics
- Business and Labor Sociology
- Business and Labor Psychology
- Business and Labor Anthropology
- Business and Labor Linguistics
- Business and Labor Literature
- Business and Labor Art
- Business and Labor Music
- Business and Labor Film
- Business and Labor Theater
- Business and Labor Dance
- Business and Labor Visual Arts
- Business and Labor Media
- Business and Labor Journalism
- Business and Labor Public Relations
- Business and Labor Communication
- Business and Labor Education
- Business and Labor Training
- Business and Labor Development
- Business and Labor Research
- Business and Labor Statistics
- Business and Labor Data
- Business and Labor Analytics
- Business and Labor Intelligence
- Business and Labor Strategy
- Business and Labor Planning
- Business and Labor Implementation
- Business and Labor Evaluation
- Business and Labor Improvement
- Business and Labor Innovation
- Business and Labor Creativity
- Business and Labor Problem Solving
- Business and Labor Decision Making
- Business and Labor Negotiation
- Business and Labor Conflict Resolution
- Business and Labor Mediation
- Business and Labor Arbitration
- Business and Labor Litigation
- Business and Labor Dispute Resolution
- Business and Labor Law Enforcement
- Business and Labor Regulation
- Business and Labor Policy
- Business and Labor Legislation
- Business and Labor Executive Order
- Business and Labor Presidential Proclamation
- Business and Labor Administrative Action
- Business and Labor Executive Order
- Business and Labor Presidential Proclamation
- Business and Labor Administrative Action

Prof. (Dr.) Praveen K. Jain, SKIT

ABOUT SKIT
The Institute is inspired from the teachings of Swami Keshvanand Ji. The Institute is affiliated to Rajasthan Technical University, Kota and approved by All India Council for Technical Education (AICTE), Ministry of Human Resource Development, and Government of India to offer Doctoral, Postgraduate and Graduate Courses in Engineering, The B. Tech. Programme of CE, ME, MK, ITC and IT departments of Institute are accredited by National Board of Accreditation (NBA).

DEPARTMENT OF ICE
We have a rich tradition in research and teaching. All efforts are made to ensure with the aim of preparing the budding engineers to face the challenging dimensions of technical evolution in various areas of engineering.

Printed Circuit Boards provide electronic connections and mechanical support to electronic components and assemblies. Conductive tracks, pads and other features etched from copper cladded laminated resin or non-conductive substrate to connect components, resistors or active devices which are passively soldered on the Printed Circuit Board. We can't rely upon board based for substantially increased number of components and for smaller packaging sizes of integrated circuits that's makes PCB more essential. It is more of an art than just science with lots of scope for designer.

Programme topics:
A Computerized capture of electronic design
B Introduction to PCB Layout
C PCB Designing (Single and Multi-Layer)
D Testing time and Test Procedures

Objective of the workshop

- Understanding of the steps and processes involved in PCB design Process
- PCB Fabrication Process
- Schematic Capture using Industry Standard Schematic Capture tool
- Preparation of Board for Layout
- Gerber file Creation and View
- Practical hands on to demonstrate PCB fabrication of a circuit.

Speakers:

- Mr. U. Nagaraj, GM (Quality and Technical), Micropack Ltd., Bangalore.
- Mr. Manojkumar Jais, Director, Electronic Testing & Development Corporation, Jaipur.
- Dr. S. K. Bhargava, Director (Research), SKIT Jaipur.

Programme coordinators:

Amit Agrawal	amit.agrawal@skit.ac.in	757734914
Pallab Kawai	pallab@skit.ac.in	9057487953

Registration
Registration is open to students, faculty, industry persons, research scholar of all the branches of Engineering. Participants will be admitted on a first-come first-serve basis. Selected participants will be notified on or before 16th September, 2019.

Fee

- The registration fee for Participant (outside SKIT) is Rs. 500/-
- The fee covers the participation in the programme along with Tea & lunch on all the days of the workshop.
- The travel and other expenses would have to be borne by the participants or their parent organizations.
- Lodging for very limited number of outside participants is available on first-come first-serve and additional payment basis.
- The registration is to be done by filling the Google form or link: <https://forms.gle/TKMUEeYNDYU256A7>

♦ No Registration Fee for IEEE and IETE Members!

Further query: Please contact the programme coordinator.

Mr. Vikram Jangid, Assistant Prof. (M.E.)

SCOPE OF FDP
Data analytics is an integral part of academia and industrial world. It plays an important role in growth of the business organizations and progress of a nation. In order to carry out research in an effective way, the engineers and researchers need to be trained in data analytics. The program will give participants a comprehensive understanding of planning and conducting scientific experiments for collecting data, and analyzing the data to have fruitful conclusions. The program has been designed to be generic in nature for satisfying the needs of students and faculty pursuing their M. Tech and Ph.Ds from academic institutions and industry personnel carrying out research in any field.

CONTENT OF THE FDP

- Role of data analytics in research
- Data pre-processing techniques
- Descriptive and inferential statistics
- Probability distributions
- Sampling distributions
- Hypothesis testing
- Analysis of Variance
- Regression
- Logistic regression
- Design of Experiments
- Taguchi method
- Multi-variate analysis
- Factor analysis
- Cluster analysis
- Compost analysis
- Hands-on Sessions

Title: National Workshop on 'Linux' for Teachers Under 'Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNMTT)', MHRD, Govt. of India Conducted by The Teaching Learning Centre (ICT), Supported by FOSSEE & Spoken Tutorials

Date: 23rd of August 2019

6. Course Fee:-
Every participant has to pay **Rs. 100** as the course fee to IIT Bombay at the time of online registration. On the day of the workshop, i.e. on 23 August 2019, they have to pay **Rs. 400** to the Remote Centre that they would be attending, to defray the cost of organizing the workshop, lunch, and coffee etc. Please note that the registration fee once paid is neither refundable nor adjustable under any circumstances.

7. Who should attend?
As this workshop is not subject-specific, teaching faculty from all colleges (engineering, sciences, arts, economics, management, law, medicine, etc.), polytechnic colleges, ITIs, and schools, can attend. Teachers registered in any Masters programme, and also all Research Scholars can also participate.

8. Criteria for Certification:-
Eventifics will be provided to the participants after successful completion of the workshop and filling up of the feedback form.

9. Duration and Venue:-
The workshop will be conducted at Swami Keshvanand Institute of Technology, Jaipur, on **Friday, 23 August 2019 from 9.30 AM to 4.30 PM** at Remote Centre of IIT Bombay. This workshop will be conducted through a blended mode, using both live video conferencing facility (A-VIEW) and hands-on sessions using Spoken Tutorial.

10. How to apply?
Enrollment will be strictly online, and no other mode of application will be entertained. The last date of registration is 22 August 2019, 12.30 pm. The URL for registration is <http://www.skits.ac.in/remote-centres/remote.html>

Registration process for this workshop:-

1. Sign up using your valid email id. Remember your email id and password for future programs.
2. After verification of your sign up, your account will be created on the NMECT website.
3. Login on the website with the verified account.
4. Go to Announcements, select the course, and register.
5. After successful registration, you will receive an automated email.

Register on Spoken Tutorial Website:-

1. Before the workshop, participants should register on <https://spoken-tutorial.org>
2. Fill up the registration form and submit.
3. You will get an email.
4. Activate the account by clicking the link in the email.
5. Note down your Username and Password.
6. You will use this to post questions on the forum.

Notes:-

1. Neither IIT Bombay nor the Remote Centre will bear the travel expense of the participating representatives. There shall also be no accommodation provided to the participants.
2. All participants are required to bring ear phones, as they will have to listen to video tutorials. Without ear phones, the workshop will not at all be effective.
3. Computers to practice Spoken Tutorials and to do Linux will be available at the Remote Centre. But if they wish, participants can bring their own laptops with Linux installed.

Address for Communications:-

Title: National Seminar on "Foreign Trade Policies and Procedures"

Date: 13 th August 2019

Swami Keshvanand Institute Of Technology Management And Gramothan, Jaipur:

Swami Keshvanand Institute of Technology, Management and Gramothan, Jaipur, was established in the year 2000 by a team of committed professionals and academicians. SKIT enjoys the reputation of being one of the premier institute in northern India, possessing qualified and experienced faculty along with well developed infrastructure. A great sense of discipline, sincerity and an environment conducive to learning makes SKIT an educational paradise. All the courses are duly approved by AICTE and affiliated to Rajasthan Technical University, Kota. B.Tech courses are accredited by the National Board of Accreditation (NBA, New Delhi).

Department Of Management Studies:

In its endeavour to strengthen the philosophy of Swami Keshvanand ji and achieve excellence in Techno-managerial environment, the institute established Department of Management Studies in the academic year 2006-2007. The Department of Management Studies offers an AICTE approved Master of Business Administration (MBA) degree course, affiliated to Rajasthan Technical University, Kota. The Department aims at developing future managers equipped with curricular & co-curricular skills, which will help them to make a mark in the industry. The Department is an active member of All India Management Association (AIMA).

About DGFT:

The Directorate General of Foreign Trade is the agency of the Ministry of Commerce and industry of the Government of India responsible for administrating laws regarding foreign trade and foreign investment in India. The Central Government appoints any person to be the Directorate General of Foreign Trade. Normally a member of the Indian Administrative Service having rendered 30 or more years is appointed to the post of the Director-General of Foreign Trade. The Director-General heads an attached office under the administrative control of the Ministry of Commerce and Industry of the Government of India. The Director-General is an Ex-Officio Additional Secretary to the Government of India. The Director-General advises the central Government in the formulation of Foreign Trade Policy and is responsible for carrying out that Policy. At present, the Director-General formulates Foreign Trade Policy and Hand Book of Procedures of Foreign Trade Policy and ITC (HS) Classifications of Import and Export Items. The Director-General heads an organization known as the Directorate General of Foreign Trade. The organization has its offices known as Regional Authority (RA) and Zonal Office. These offices administer the Foreign Trade Policy and Procedures.

ABOUT JAIPUR - THE PINK CITY :

Jaipur is named after its founder, the warrior and astronomer, Sawaji Jai Singh II. It is 260 km from Delhi and 240 km from Agra and forms the most chosen tourism golden triangle of Delhi, Agra and Jaipur. The old Jaipur painted in pink colour can grip any visitor with admiration. Stunning backdrop of ancient forts Nahargarh, Amber, Jaigarh and Moti Durgri are dramatic testimonials of the by-gone era. It has been ranked as the seventh best place to visit in Asia.

Title: National Workshop on 'Python' for Teachers

Date: 22nd June, 2019

6. Course Fee:
Every participant has to pay **Rs. 400** as the course fee to IIT Bombay at the time of online registration. On the day of the workshop, i.e., on 4 May 2019, they have to pay **Rs. 400** to the Remote Centre that they would be attending, to defray the cost of organizing the workshop, lunch, and collection. Please note that the registration fee once paid is neither refundable nor adjustable under any circumstances.

7. Who should attend?
As this workshop is not subject-specific, teaching faculty from all domains (engineering, sciences), and polytechnic colleges, and PGT of schools, can attend. Teachers registered in a Masters or a PhD programme, during their employment as a teacher, can also participate.

8. Criteria for Certification:
Certificate will be provided to the participants after successful completion of the workshop and filling up the feedback form.

9. Duration and Venue:
The workshop will be conducted at Swami Keshvanand Institute of Technology, Jaipur 302017 on Saturday, 22 June 2019 from 9.30 AM to 6.00 PM. This workshop will be conducted through a blended mode, using both live video conferencing facility (A VIEW) and Hands-on sessions using Spoken Tutorials.

10. How to apply?
Enrollment will be strictly online, and no other mode of application will be entertained. The last date of registration is 20 June 2019, 12.30pm. The URL for registration is <http://www.w.kit.ac.in/online-workshop-events.html>.

Registration process for this workshop:-

1. Sign up using your valid email id. Remember your email id and password for future programs.
2. After verification of your sign up, your account will be created on the NAGECT website.
3. Login on the website with the verified account.

4. Go to Announcements, select the course, and register.

5. After successful registration, you will receive an automated email.

Register on Spoken Tutorial Website:-

1. Before the workshop, participants should register on <https://spoken-tutorial.org/>
2. Fill up the registration form and submit.
3. You will get an email.
4. Activate the account by clicking the link in the email.
5. Note down your Username and Password.
6. You will use this to post questions on the forum.

Note:-

1. Neither IIT Bombay nor the Remote Centre will bear the travel expense of the participating representatives. There shall also be no accommodation provided to the participants.
2. All participants are required to bring **ear phones**, as they will have to listen to video tutorials. Without ear phones, the workshop will not at all be effective.
3. Computers to practice Spoken Tutorials and to do Scilab programming will be available at the Remote Centres. But if they wish, participants can bring their own laptops with Scilab installed.

11. Prerequisite for the Python Workshop:
The attending participants must see the Introduction to Python video (<https://statics.spocon.in/working/1-Introduction-to-Python.pdf>) before the workshop.

ABOUT JAIPUR

Jaipur was founded in AD 1727 by Sawai Jaisingh II. Jaipur, the capital of Rajasthan is popularly known as the Pink City with broad avenues and spacious gardens. Jaipur is steeped in history and culture. Here the past comes alive in magnificent forts and palaces, blushed pink, where once lived the maharajas. The bustling bazaars of Jaipur, famous for Rajasthan jewelry, fabric and shoes, possess a timeless quality and are surely a treasure-trove for the shoppers. This fascinating city with its romantic charmtakes you to an epoch of royalty and tradition. Spread around it, in rows, are public buildings, the residences of noblemen, the living and trading quarters of merchants and artisans.

Title: National workshop on Artificial Intelligence with Deep Learning (AIDL-2K19)
Date: 25-26th March, 2019

**National Workshop
On
Artificial Intelligence with Deep Learning (AIDL-2K19)
25-26 March, 2019
DST Rajasthan Sponsored**

The program has been rapid in the field of Electronics where the main aim is to build intelligent systems which can understand the real world which around us. (DST) is mainly driven by diverse applications of Artificial Intelligence in various fields. In order to inculcate the exposure among the participants a Two days national workshop is being organized for all students, faculty, and persons from industry and research from reputed organizations. The objective is to provide participants a platform to the state-of-the-art tools in Deep Learning, neural network and artificial intelligence. Through this workshop research in the field of Artificial Intelligence can be promoted among the students. The hands-on sessions are specially included for participants in MATLAB platform to derive their practical knowledge.

Programme topics

- Neural Network
- Evolutionary Optimization
- Data Mining
- Fuzzy Logic

Invited Experts -

- Prof. Nithin V. George, Associate Professor, Department of Electrical Engineering, Indian Institute of Technology Gandhinagar, India
- Dr. Anurag Prasad, Department of Mathematics, Indian Institute of Technology Madras, India
- Dr. Satyasai J. Nanda, Assistant Professor, Department of Electronics and Communication, Mewar National Institute of Technology Jaipur, India

Title: National Seminar on "CIRCULAR ECONOMY FOR PRODUCTIVITY AND SUSTAINABILITY"

Date: Feb 16 th, 2019

Swami Keshvanand Institute of Technology Management and Gramothan, Jaipur

Swami Keshvanand Institute of Technology, Management and Gramothan, Jaipur, was established in the year 2000 by a team of committed professionals and academicians. SKIT enjoys the reputation of being one of the premier institute in northern India, possessing qualified and experienced faculty along with well-developed infrastructure. A great sense of discipline, sincerity and an environment conducive to learning makes SKIT an educational paradise. All the Courses are duly approved by AICTE and affiliated to Rajasthan Technical University, Kota. B.Tech courses are accredited by the National Board of Accreditation (NBA, New Delhi).

Department of Management Studies

In its endeavor to strengthen the philosophy of Swami Keshvanand Ji and achieve excellence in Techno-managerial environment, the institute established Department of Management Studies in the academic year 2006-2007. The Department of Management Studies offers an AICTE approved Master of Business Administration (MBA) degree course, affiliated to Rajasthan Technical University, Kota. The Department aims at developing future managers equipped with managerial & co-curricular skills, which will help them to make a mark in the industry. To achieve its vision, the Department uses a blend of well-qualified and experienced core faculty and renowned visiting faculty members from other institutions. To enhance the horizon of knowledge, various Seminars, Workshops, and Entrepreneurial Activities are organized regularly. The Department is an active member of All India Management Association (AIMA).

Head, ECE (Prof. D. Sankaranarayanan)
Head, CSE (Dr. Anandharaj Singh)

Preside (Electronics & ICT Academy)
Government of India had announced a National Policy on Skill Development, which has set a target of skilling 500 million people by 2022 in the domain of Electronics & IT. Under the plan scheme of "Digital India: Master Plan Development" of ICT has set up seven Electronics and ICT Academies as a unit in 03 IITs, 03 IITs and 01 IIT with an objective of faculty-student development up gradation in the areas related to Electronics & ICT leading ultimately to improved employability of graduates/diploma holders. MNIT Jaipur has set up such an academy for providing specialized training to faculty and industry persons in the states/UTs of Rajasthan, Gujarat, Madhya & Andhra Pradesh.

(A) Issues-

1. IT Hardware and Electronics Manufacturing industry availability of properly trained, skilled and qualified manpower.
2. Number of quality Ph.Ds generated in IT / Computer Science is very low.
3. In E & ICT domain there is a very high degree of obsolescence of existing technologies and hence emergence of newer technologies.

(B) Approach-

1. A focused faculty training updation programme for IT, Electronics and related sectors.
2. Spreading up and continuous updation regarding Emerging Technology.
3. Training and consultancy services for industry.
4. Design, Develop and Deliver.

Advances in Optical Communication 9 February-14 February, 2019 Venue: SKIT, M&G, Jaipur

One-week training program is being organized for faculty of engineering and technological institutions. It is also open to faculty, persons from industry and doctoral students of Indian organizations. The objective is to provide an exposure to the participants to the various occupational methods (like FEM, FDTD, TMM etc.) in the field of engineering with experts from CSIR-CEERI Pilani and other academic/CRTI institutions such as IITs/IITs including host institutions. The technical program will include weekly hands-on lab sessions, tool demonstrations, and discussion/presentation sessions with the lecturers.

Program topics:

- A. Basics of Optical Communication, Photonic Crystal Fiber based Communication.
- B. Nano-physics and Optical Characterization techniques of Thin Films.
- C. Plasmonics and Metamaterials.
- D. Optical sources and detectors.
- E. Novel Antennas.

Invited Experts:-

1. Dr. Suchandan Pal, Principal Scientist, Optoelectronics Division Group, CSIR-CEERI Pilani.
2. Prof. Ananjan Basu, Head, Centre for Applied Research in Electronics (CARE), IIT Delhi.
3. Dr. Manish Mathew, Senior Scientist, CEERI Pilani.
4. Dr. Yogita Kalra, DTU, Delhi.

Academy Programme core faculty:

Prof. Ghanshyam Singh	gsingh@electronics.ac.in	9548554233 (M)
Dr. Anandharaj	anandharaj@icet.ac.in	8258328766 (M)
Dr. Monika Mathur	monikamathur16@gmail.com	9460248776 (M)
Dr. Swati Aggarwal	swatimn@icet.ac.in	9829038654 (M)

Registration:

Registration is open to faculty, industry persons, doctoral and postgraduate students of Engineering. Participants will be admitted on a first-come, first-served basis. Selected participants will be notified on or before 14th January, 2019. Participants may register on line at <http://www.mnit.ac.in/academic/training/training.php>

Fee:

- The one-time registration fee of Rs. 500/- would be applicable for each participant attending first time, irrespective of affiliation. This fee is not applicable for those participants, who have attended Academy training program earlier.
- (i) The participants from academia and research scholars are required to pay a factor fee of Rs. 2000/- (for industry-research scholars). Rest expenditure is sponsored by DERT through Electronics & ICT Academy at MNIT Jaipur.
- (ii) However, the participants from industries, UG/PG students would pay a fee of Rs. 5000/-.
- (iii) Exemption/ rebate of 50% of course fee as (i) and (ii) is applicable for IIT/IIT candidates.
- The fee covers the participation in the programme, registration material including travel and other expenses would have to be borne by the participants or their parent organizations.
- Lodging and boarding of first 30 registered participants (including Jaipur) would be provided free of cost on a shared basis in MNIT Jaipur. However, the boarding for other outside participants is available at additional payment basis.

The organizers should receive the registration amount through online payment MNIT Jaipur, ICET.

Account Name- Electronics & ICT Academy MNIT Jaipur	Account Number- 07680170482
Branch address- ICET Bank MNIT Campus Branch, Jaipur	IFSC Code- ICET000748

Please pre-arrange your desire to participate through e-mail, before registration form reaches us.

Title: National Seminar on Sustainable Competitive Advantage through Integrated Marketing Approach

Date: 27th November, 2018

Swami Keshvanand Institute Of Technology Management And Gramothan, Jaipur:

Swami Keshvanand Institute of Technology, Management and Gramothan, Jaipur, was established in the year 2000 by a team of committed professionals and academicians. SKIT enjoys the reputation of being one of the premier institute in northern India, possessing qualified and experienced faculty along with well developed infrastructure. A great sense of discipline, sincerity and an environment conducive to learning makes SKIT an educational paradise. All the courses are duly approved by AICTE and affiliated to Rajasthan Technical University, Kota. B.Tech courses are accredited by the National Board of Accreditation (NBA, New Delhi).

Department Of Management Studies:

In its endeavour to strengthen the philosophy of Swami Keshvanand Ji and achieve excellence in Techno-managerial environment, the Institute established Department of Management Studies in the academic year 2006-2007. The Department of Management Studies offers an AICTE approved Master of Business Administration (MBA) degree course, affiliated to Rajasthan Technical University, Kota. The Department aims at developing future managers equipped with curricular & co-curricular skills, which will help them to make a mark in the industry. The Department is an active member of All India Management Association (AIMA).

ABOUT JAIPUR -THE PINK CITY :

Jaipur is named after its founder, the warrior and astronomer, Sawai Jai Singh II. It is 260 km from Delhi and 240 km from Agra and forms the most chosen tourism golden triangle of Delhi, Agra and Jaipur. The old Jaipur painted in pink colour can grip any visitor with admiration. Stunning backdrop of ancient forts Nahargarh, Amber, Jaigarh and Moti Dungri are dramatic testimonials of the by-gone era. It has been ranked as the seventh best place to visit in Asia.

The Department of Management Studies offers an AICTE approved Master of Business Administration (MBA) degree course, affiliated to Rajasthan Technical University, Kota. The Department aims at developing future managers equipped with curricular & co-curricular skills, which will help them to make a mark in the industry. The Department is an active member of All India Management Association (AIMA).

About RSPC:

Rajasthan State Productivity Council (RSPC), Jaipur is a non-profit making autonomous organisation established as a registered society in the year 1969 under the Societies Registration Act No. XXI of 1960, (Registration Number 92/59-60 dated 16/01/1960) with the objective to promote productivity culture in India. RSPC provides Consultancy and Training and undertakes research in the areas of productivity and quality, besides implementing the productivity promotion programmes of the National Productivity Council, India.

ABOUT IIE :

Indian Institution of Industrial Engineering, Jaipur Chapter is with the rapid technological explosions of the 1950s, a systematic and integrated approach to total productivity became crucial and industrial engineering emerged as the leading discipline to meet this need. Leading personalities in India interested in Scientific Management also saw (in late 1957s) the need for fostering this discipline in our Country. Thus, the Indian Institution of Industrial Engineering was founded in 1957 by eminent business leaders, top management personnel, academicians and practitioners of Industrial Engineering in the country.

Title: National Conference on Future Dimensions in Mechanical Engineering (NCFDME-18)
Date: August 10-11, 2018

Conference Objective
The conference proposes to bring together experts, researchers, planners, administrators, teachers, users, practitioners, students as well as leaders of industry to interact, exchange new ideas, knowledge, discuss new developments and look at the challenges ahead in the field of mechanical engineering.

The conference will welcome innovative ideas and submissions. It will also look for analytical approaches for this important and strategically vital issue for the country and the whole world.

About SKIT
Swami Keshvanand Institute of Technology, Management and Gramothan (SKIT), inspired from the teachings of Swami Keshvanand, was established in the year 2000 by Technocrats and Managers Society for Advanced Learning.

Today, the institute is recognized as one of the premier centres of academic excellence in the Northern India and it has been ranked no.1 by Rajasthan Technical University for graduate and post-graduate courses in Engineering and Management.

Vision of Department
To promote higher learning in advanced technology and industrial research to make our country a global player.

Mission of Department
To promote quality education, training and research in the field of engineering by establishing effective interface with industry and to encourage faculty to undertake industry sponsored projects for students.

SKIT Jaipur: The Venue

Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) was established in the year 2000 by Technocrats and Managers Society for Advanced Learning. Today the institute is recognized as one of the centers of academic excellence in Northern India. The Institute is affiliated to Rajasthan Technical University, Kota for offering Postgraduate and Graduate Courses in Engineering and Management. Located in the Pink City Jaipur, which is a blend of traditional history and modern outlook, SKIT is putting in efforts for making industry ready engineers and managers through effective Industry -Institute Interface. Apart from University curriculum SKIT also pursues activities for research and development in various fields. The green landscaping, aesthetic elegance of arches and the vibrant pursuit of knowledge by the young aspirants make the environment serene, pleasant and dynamic.

Title: National Seminar on "Industry 4.0, Leapfrog Opportunity for India" (During National Productivity Week Celebration)

Date: Feb 17th, 2018

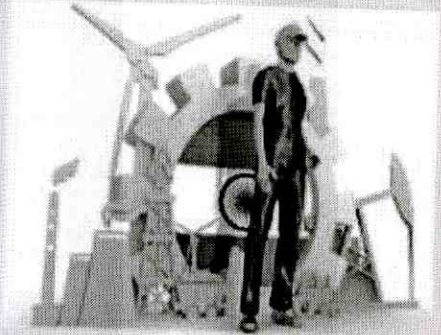

Swami Keshvanand Institute of Technology Management and Gramothan, Jaipur
Swami Keshvanand Institute of Technology, Management and Gramothan, Jaipur, was established in the year 2000 by a team of committed professionals and academicians. SKIT enjoys the reputation of being one of the premier institute in northern India, possessing qualified and experienced faculty along with well-developed infrastructure. A great sense of discipline, sincerity and an environment conducive to learning makes SKIT an educational paradise. All the Courses are duly approved by AICTE and affiliated to Rajasthan Technical University, Kota. B Tech courses are accredited by the National Board of Accreditation (NBA, New Delhi).

Department of Management Studies
In its endeavor to strengthen the philosophy of Swami Keshvanand, it not only achieves excellence in Techno-management environment, the institute established Department of Management Studies in the academic year 2007. The Department of Management Studies offers AICTE approved Master of Business Administration (MBA) degree course affiliated to Rajasthan Technical University, Kota. The Department aims at developing future managers equipped with concepts & co-ordinability, which will help them to make a mark in the industry. To achieve its vision the Department uses a blend of well-qualified and experienced core faculty and motivated visiting faculty members from other institutes. To enhance the horizon of knowledge various Seminars, Workshops, and Entrepreneurial Activities are organized regularly. The Department is an active member of All India Management Association (AIMA).

Title: Seminar on Right To Information (RTI)

Date: October 5th, 2016

Swami Keshvanand Institute of Technology Management and Gramothan, Jaipur

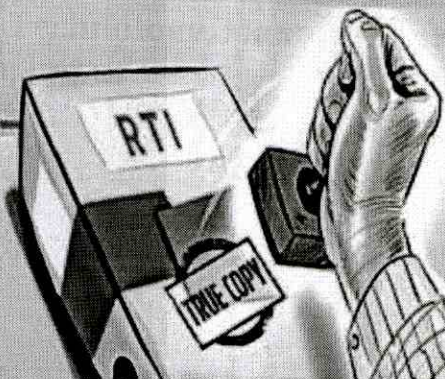

Swami Keshvanand Institute of Technology, Management and Gramothan, Jaipur, was established in the year 2000 by a team of committed professionals and academicians. SKIT enjoys the reputation of being one of the premier institute in northern India, possessing qualified and experienced faculty along with well-developed infrastructure. A great sense of discipline, sincerity and an environment conducive to learning makes SKIT an educational paradise. All the Courses are duly approved by AICTE and affiliated to Rajasthan Technical University, Kota. B.Tech courses are accredited by the National Board of Accreditation (NBA, New Delhi).

Department of Management Studies

In its endeavor to strengthen the philosophy of Swami Keshvanand Ji and achieve excellence in Techno-managerial environment, the institute established Department of Management Studies in the academic year 2006-2007. The Department of Management Studies offers an AICTE approved Master of Business Administration (MBA) degree course, affiliated to Rajasthan Technical University, Kota. The Department aims at developing future managers equipped with curricular & co-curricular skills, which will help them to make a mark in the industry. To achieve its vision the Department uses a blend of well-qualified and experienced core faculty and renowned visiting faculty members from other institutes. To enhance the horizon of knowledge, various Seminars, Workshops, and Entrepreneurial Activities are organized regularly. The Department is an active member of All India Management Association (AIMA).
