ERP System

Swami Keshvanand Institute of Technology, Management & Gramothan, Jaipur has implemented Enterprise Resource Planning (ERP) system in 2015 (ERP solutions of TCS) and update it in 2018 (Custom build ERP). The system is centralized to manage information and activities at institute level. The main objective of this system is to provide a user-friendly interface to management, staff members and students. The institute has implemented e-governance (ERP) in all areas of operation such as administration, finance, examination and areas related with staff members and students to maximize efficacy and transparency. The ERP system at SKIT includes following activities:

1. Student admission process:
   - Student profile portal: The complete information including required scanned proofs viz marksheets, transfer certificate of every student admitted to the institute is uploaded on this portal.
   - Enquiry management: It collects information of all users raising admission related quries and visiting campus for sharing prospecting information relating to admission process.

2. Student fee deposition process: The payment gateway is integrated in ERP for ease in payment. Students can also view their dues through the ERP portal. The payment portal is directly accessible through link https://erp.skit.ac.in/payments for the users not loggedin the ERP.

3. Student attendance/time-table record: Students can view their attendance report and time-table of each day.

4. Lecture substitution: The lecture management portal give flexibility to the faculty members to provide substitute lectures from the faculty members teaching in same class in their absence. With this, students will be updated with their class time-table well in time and be prepared for the changes.

Affiliated to Rajasthan Technical University, Kota

5. Academic time table: The time table is displayed on ERP with teacher name and class location for ease of students. Any change in time table is redily updated on the ERP portal by faculty members.

6. Staff profile portal: The complete detail of staff members is available on the ERP system and visible to all staff members.

7. Video lecture portal: The ERP portal is also a host to access the Learning Resources such as Gyandaan e-Lecture Series, RTU eContents, Digital Library, SKIT Institutional Repository (DSpace) and Video Library (Digilib).

8. Student grievances: The students can report their grievances through ERP portal. Such grivances are handled by the coordinator/convener of the respective complaint type.

9. Payroll management: The finance and account office usage the aspects of ERP for payroll management of all staff members.

10. In-out report: The ERP portal give a view of in-out report of every staff member so that they may have sufficient knowledge about their leaves.

11. Salary Management: Staff member can view their salary through ERP portal and download yearly report for planning their investment.

12. Communication: The ERP system also integrates communication option similar to E-mail facility which is used for communication to all stakeholders.
