Report on FDP-Advanced Research Methodology and How to Write Quality Research Papers (Aug 24-28, 2021)

A Five days Faculty Development Programme on Advanced Research Methodology and How to Write Quality Research Papers was successfully organized by Department of Management Studies and Department of Mechanical Engineering (under the aegis of IQAC, SKIT Jaipur) in the Swami Keshvanand Institute of Technology, Management & Gramothan, Jaipur from 24th August, 2021 to 28th August, 2021.

The faculty development programme had the prime objective to acquaint participants with contemporary research methods and techniques of Advanced Research Methodology which was successfully met by the informative lecture of the Experts.

Some other specific objectives which were targeted in this FDP were:

- To familiarize participants with software based statistical tools & techniques in research.
- To provide an opportunity for the participants to interact and learn from experts.
- To mentor participants on publishing their research in reputed journals.

Programme Highlights

Number of participants:

In all 356 participants attended the FDP from the different institutions, out of which 58 participants are from SKIT Jaipur, 298 participants from other institutions of India and 02 participants are from outside India.

About SKIT Jaipur Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) has been ranked no.1 engineering institute in Rajasthan by RTU, Kota consecutively for the last three years. SKIT selective comprehensive institution offering undergraduate and postgraduate programmes in Engineering and Management. The institute was established in the year 2000 by a team of committed professionals and academicians. During all the past years SKIT has emerged as a premier centre of technical education not only in Rajasthan but also in northern India which has been realized through efficient and dedicated faculty members, innovative teaching learning methods, state of the art infrastructures and core value of discipline. The various undergraduate programmes of the institute are accredited by the National Board of Accreditation (NBA).

Department of Management Studies

Department of Management Studies in its endeavor to strengthen the philosophy of Swami Keshvanand Ji and achieve excellence in Techno-managerial environment, the institute established Department of Management Studies in the academic year 2006-2007. The Department of Management Studies offers an AICTE approved Master of Business Administration (MBA) degree course, affiliated to Rajasthan Technical University, Kota. The Department aims at developing future managers equipped with curricular & co-curricular skills, which will help them to make a mark in the industry. To achieve its vision the Department uses a blend of well-qualified and experienced core faculty and renowned visiting faculty members from other institutes. To enhance the horizon of knowledge, various Seminars, Workshops, and Entrepreneurial Activities are organized regularly. The Department is an active member of All India Management Association (AIMA).

Department of Mechanical Engineering

The department started academic activities in the year 2003-04 with the admission of its first batch of undergraduates. The Department offers B.Tech. in Mechanical Engineering and M.Tech. in Production Engineering and Renewable Energy Technology courses. In addition, it is also a recognized Research Center of RTU Kota and offers Ph.D. program. The department has modern laboratories developed and designed from the perspective of the latest requirements of academia and industry. Consistent pursuit of excellence by the department is clearly reflected in the fact that its B.Tech. program has been accredited by National Board of Accreditation (NBA)

The department has developed its facilities in such a way that students can practice self-study and undertake other curricular activities. Special attention is paid for developing positive attitudes, leadership, group working and safety consciousness in the students.

OBJECTIVES OF THE FDP

- > To acquaint participants with contemporary research methods and techniques.
- > To familiarize participants with software based statistical tools & techniques in research.
- > To provide an opportunity for the participants to interact and learn from experts.
