Lepp number

11. Any suggestion from you to improve the teaching-learning process

Student Responses

1. Projector learning is more important.
2. Soft copy of each practical in laboratory must be provided on online..... through Gmail, skit site, ttp site .by the help of lab assistant....
3. There should be no foundation on attendance....
4. Use of blackboard while teaching
5. Everything is good in institute about teaching and learning
6. Adopt practical methodology for better understanding and for more information
7. It is ok but more practical knowledge is important
8. Improvement of smart classes
9. More and more practical education need to be deliver to the student
10. Wifi Campus
11. student independency prohibited in college. student cant. go out of college in emergency
12. students should be allowed to go outside for lunch
13. Smart Classrooms should be developed to enhance learning skills.
14. Implement practical and conceptual approach rather than rote learning

MORE PRACTICAL CLASSES

Swami Keshvanand Institute

of Technology, Management & Gramothan

Approved by AICTE, Ministry of HRD, Government of India

Recognized by UGC under section 2(f) of the UGC Act, 1956

Affiliated to Rajasthan Technical University, Kota

Requires more interaction time between faculty and students.

Use chalk and board.

Give proper motivation in these subject

Give independency to students

Provide a printer for the student in department.

Teacher should be more interactive and classes should be more practical.

There should be 3 interaction between students and teachers

should be include motivational classes

ADD WEAKLY TEST PLEASE PLEASE

Requires more interaction time between faculty and students.

Please don't give marks on behalf attendance and.. previous class marks

Please decrease some burden of work from Faculties so that they can have more time for interaction with us .

OBVIOUSLY TEACHING SKILSS SHOULD BE IMPROVED.
