ALUMNI ASSOCIATION
Feedback Analysis
General Suggestions given by Alumni
Session: 2018-2019

Alumni association exist to support the organization's goals, and to strengthen the ties between alumni, the community, and the parent organization

Following suggestion were received after analyzing feedback form filled by them and informal discussions.

There may be relaxation in uniform on activity day.

Students must be given frequent permissions to indusial visits, Inter institutional events with attendance. This exposure is very much necessary for students.

Project based learning can also included. Special classes on GATE/ CAT/ IELTS/ TOFEL etc should be increased to benefit more students.

Core branch students should also learn necessary languages/ coding / CS related knowledge to become more employable and suitable to software industry.

Professional ethics/ moral values/human values / spiritual/ emotional strengthening need more attention. Geeta Teaching can be implemented in the institute may be in the evening. There may be relaxation in uniform on activity day.

Labs should remain open even after 3:30PM at least till 6:00 PM

Incubation Cell will help students to nurture their projects/ start up idea.

TP Cell should invite companies for core branch students too.

Library is quite good. More research subscriptions can be added.

Role of students may be increased in coordination of ECA Activities.

This feedback is forwarded to authority for further action.
