ALUMNI ASSOCIATION
Feedback Analysis
General Suggestions given by Alumni
Session: 2019-2020

Based on alumni feedback following points were noticed and communicated to the authorities.

More guest lectures and special talks should be arranged for students. T & P cell can provide more opportunities for placement (on and off campus placements). Internet and Wi-Fi facility may be improved. Access of YouTube and other educational sites must be provided to the students. More focus on gate preparation will help students to clear GATE examination. ECA is good but role of students should be increased in Planning, Managing and Executing events. R &D / Projects/ startups need more emphasis. Online assignments/ quiz etc will help students. Cultural Activities Pravah is very good. Inter-college events should be more. Sports activities should be promoted. Every department should display subject/ topic expertise of the faculties so that students can talk to them as per their requirements. Discipline is remarkable feature of SKIT but entry and exit should be relaxed. Timings of coming back to the hostel should be same for boys and girls. Medical facility needs to be available round the clock.
