☞ Reasons for not receiving AAA rating

- less no. of registration for examination
- lack of awareness
- some students did not submit their assignments
- less faculty registration
- NPTEL exam clashed with RTU exam schedule
- Some students did not appear in examination

☞ Recommendations for Achieving AAA Rating

- Increasing exam registration
- Large number of students should achieve Elite+Gold certificates
- Publicizing motivational documents like achievers list, NPTEL toppers testimonials, benefit of NPTEL Certificate
- Distribution of toppers certificates in class rooms by HODs
- More awareness sessions should be organized
- Mentors should contact every student of their subject and guide them
- Departmental coordinators should be in regular contact with mentors and take their feedback regularly

☞ Future Planning

- Awareness workshop in collaboration with NPTEL may be organised
- Develop a LAB with high performance terminals for accessing MOOCs courses
- Financial assistance for Toppers in exam fee

☞ Advantage of JAN-APR 2020 Courses

- Courses start with semesters
- Majority of NPTEL exams get completed in march or April So no conflict with RTU exams
- We already achieved AA Rating and large number of students got good score in previous exam and already motivated
- We are not changing any coordinators because the current coordinators are aware of the process
