Sub: Regarding your application for extension of approval for Research Centre in Electrical Engineering at your institute

Ref: Our letter No. RTU/Dean(R)/F(45)/2020/4088 dated 25th July 2020 and Your application for extension of approval No. SKIT/2020/97 dated 04 Aug, 2020.

Dear Sir,

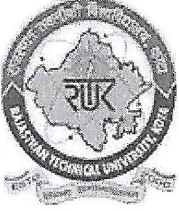

After giving due consideration to the recommendations of scrutiny committee received on your application for extension of approval to existing research centre and looking at the fact that the physical inspection of the institute is not feasible at present due to COVID-19 pandemic situation, **Research Board in its meeting of 1st Oct 2020 has granted one year provisional extension of approval to the Research Centre in Electrical Engineering at your institute.** However, Research Board resolved that once the COVID-19 pandemic situation eases out the physical inspection of the institutes need to be carried out by the Dean Academics, but preferably before the start of the next year admission cycle of RTU-DAT 2021. You are required to contact Dean Academics office RTU in this regard.

This bears the approval of Hon'ble Vice Chancellor.
