### Aspirations in National Education Policy 2020

Education is fundamental for achieving **full human potential**, developing an **equitable and just society**, and promoting **national development**

(See page 3)

We have to understand the meaning of

- Full human potential
- Equitable and just society
- National development

Source: [https://www.mhrd.gov.in/sites/upload\\_files/mhrd/files/NEP\\_Final\\_English.pdf](https://www.mhrd.gov.in/sites/upload_files/mhrd/files/NEP_Final_English.pdf)

### **Objectives of the workshop on UHV**

- To help the student to see the need for developing a holistic perspective of life.
- To sensitize the student about the scope of life – individual, family, society and nature/existence
- Strengthening self-reflection
- To develop more confidence and commitment to understand, learn and act accordingly

The purpose is to help develop a holistic perspective about life. The aim of NEP 2019 to make **“Just and Equitable society”** is to be achieved by imparting knowledge and skills with universal human values.

### **Methodology and Content**

- A self-reflective methodology of teaching is adopted. It facilitates understanding through self-exploration. The dialogue starts between the faculty and the student
- It opens the space for the student to explore his/her role (value) in all aspects of living – as an individual, as a member of a family, as a part of the society and as an unit in nature
- Through this process of self-exploration, students are able to discover the values intrinsic in them

Values are our guidelines for our success - our paradigm about what is acceptable. Human behavior depends on the characters defining the identity, choosing the values and establishing the beliefs.

Value-based education is essential to bring about the desired transformation – individual transformation towards the development of human consciousness and societal transformation towards an un-fragmented, humane society.

The speakers of the sessions were Prof. Archana Saxena, Prof. Sangeeta Vyas, Dr. Shikha Agrawal, Mr. Sumit Gill (Life Coach and spiritual guide). Special address was delivered by Prof. S.L. Surana. He emphasized on realizing and practices these values in our day to day life.

This workshop was aimed to help the student to see the need for developing a holistic perspective of life, to sensitize the student about the scope of life – individual, family, society and nature/existence, to strengthening self-reflection and to develop more confidence and commitment to understand, learn and act accordingly

The topics of discussion included were as follows.

Day 1 – Introduction and Overview, Basic Human Aspiration, Intentions & competence, Company, Happiness

Day 2 – Right Understanding, Natural Acceptance, Confidence, Relationships

Day 3 –Family Expectations, Prosperity, Competition and Cooperation, Competition and Excellence, Self and Body

Day 4 – Harmony, Four Orders (Material order, Plant order, Animal order, Human order), Gratitude

Day 5 – Panel Discussion and Reflections from participants.

- Affection (Sneha)
- Care (Mamataa)
- Guidance (Vaatsalya)
- Gratitude (Kritagyataa)
- Reverence (Shraddha)

I am Nitya Singh, S4-26, SKIT, jaipur wants to give a feedback for the workshop.

Ma'am I am amazed to attend such a wonderful workshop on 'Universal Human Values'. It has taught us some of basic human values to us which we usually forget to implement in our daily lives. My mother has also attended the workshop on day 3 and she liked it a lot. I just want to thank you, Shikha ma'am and Sangeeta ma'am for organising this workshop.

You told us to give some photos regarding the work we love to do. So ma'am here are some of my paintings that I have made. I have attached some pics but there are many 😊 because I love doing painting and sketching.

Ma'am actually I haven't attached photos in google form due to some network issues. I hope there is no problem regarding this.  
Thanking you.
