## **Report on Swachh Bharat Summer Internship – 2018**

In furtherance of the objectives of Swachh Bharat Mission. Swami Keshvanand Institute of Technology, Management and Gramothan, Jaipur has always been on the forefront to be a part of this mission.

Under the Swachh Bharat Summer Internships – 2018, aiming promotion of CLEAN INDIA GREEN INDIA in villages several students from the institute participated and devoted more than 100 hours whilst carrying some specific measures for improving sanitation and hygiene in Dantli village.

Three teams lead by Miss Pranjali Verma, Mr. Pranjali Sharma, Miss Pallavi Jain and a individual student Mr. Shriyansh Sharma participated with the objective to develop their skill and orient themselves towards sanitation related works and make Swachh Bharat Mission ajan andolan.

*The reports of each team and individual student has been successfully uploaded on the portal*

The team one lead by Miss Pranjali Verma successfully completed their 100 hours towards swachhata conducting activities like Movie Screening, Waste Collection Drive, Wall Paintings, Door to Door Meet, Awareness Campaign, School Level Rallies, Transportation of Household Waste and Street Cleaning.

The team two lead by Mr. Pranjali Sharma successfully completed 282 hours of work in the village Dantli participating in activities such as Segregation of Solid Waste, Organizing Movie Screening, Waste Collection Drives, Wall Painting, Door to Door Meet, Development of Compost Pits, Nukkad Natak, Bio Gas Plants Planning, Awareness Campaign, Helping in Toilet Construction, School and Village Level Rallies, Plantation Drive planting successfully 60 Trees and Sports Day, Transportation of Household Waste, Swachhata Mela, Street Cleaning of approx 5000 meters.

Third team lead by Miss Pallavi Jain completed successfully 120 hours of work conducting various activities like Movie Screening, Waste Collection Drive, Wall Paintings, Compost Pits Making, Nukkad Natak, Awareness Campaign, Rally and Street Cleaning etc.

Shriyansh Sharma also successfully completed 100 hours of field work at individual level. He completed activities like Waste Collection Drives, Door To Door Meet, Awareness Campaign, Rally, Plantation Drive etc.

The teams really worked enthusiastically in the village Dantli dealing the people with their level of thinking, various taboos about swachhata in their neighbourhood and streets. The teams assured to use proper equipment's while working on field and also took proper safety measurements. The skill acquired in such an environment was really helpful for their management skills development, increasing communication skills, how to interact different mindset people etc.
