## **Exhibition on Best Out of Waste under Unnat Bharat Abhiyan (22/02/2018)**

Best out of Waste on 22/02/2018, in which children from nearby school, Members from Prayascorp, Faculty members from MNIT, Dr. Namita, Coordinator of Sankalp club and students from Unnat Bharat club (MNIT) were invited.

A band performance on swachhbharat song was also made by students of SKIT and children from school.

Some projects and articles made of waste things were also displayed.

Gifts and refreshment were also distributed amongst the children. More than 150 students participated in the event.

## ***BHAGIRATH-7***

21-22 Feb, 2018

(An initiative to spread smiles)

A colourful and memorable social event ***BHAGIRATH*** is organised in SKIT, every year in college annual fest PRAVAH. In this event we invite two schools of under privileged children which are:

Sajal Praxhar Madhyamik Vidhyalaya (Free Education) Kacchibasti, Jagatpura  
SakhiBALNiketan (Free Education), Kacchi Basti, Jaipur.

In morning we have welcome ceremony in which we welcome around 220 children of above schools. Children perform yoga and some dances. Then they enjoyed snacks, games on various food counters and play zones. Children enjoy a lot there. We always try to motivate them to study by distributing prizes to children who get good marks in their classes. We end the welcome ceremony by cutting cake.

Then we arrange cultural activities to entertain them. Many students of these schools give various cultural performances like dance, skits, fancy dress show. We arrange a magic show and everyone enjoy lot by seeing very interesting and unique magic tricks by magician. After that all children have lunch in college canteen. We end this event by delivering them some gifts, and stationary to all children and required things for their school. The event brings big smiles on the faces of the children and their teachers, which is the motive of the event. The event is coordinated by Ms. Kiran Rathi, Associate professor, Deptt. Of ECE.

As frequently uttered by our honorable Prime Minister, Shri Narendra Modi ji, the various villages of our country form the rudimentary foundation and reflect the true development of our nation. A smart village essentially encompasses a sustainable and inclusive development of all the sections of the village community eventually contributing to a high standard of living.

In this benevolent respect, we have been tirelessly working for the development of a village named Dantli which lies in the vicinity of our institute in Jagatpura. Our team has incessantly strived to contribute in an array of fields associated with education, health, clean water, sanitation and environmental sustainability by conducting Medical camps, Awareness programs, Plantation drives and periodical Door to door visits. A preview of all the events conducted at Dantli village is mentioned as follows:

**Medical Camp:** Medical camp was organized in village Dantli on 11<sup>th</sup> February, 2018 (Sunday). This camp was organized in the association of Neerog Trust. Many specialists of different medical fields participated in this camp mainly Dr. Arun Gupta (General Physician), Dr. Sanjay Agrawal (ENT), Dentist Dr. Anjali Tiwari etc. Around 250 patients benefited by this camp. All medical checkups were free during the camp and medicines were also distributed free of charge. Mobile app was used for registration of the patients. Around 40 student coordinators coordinated the camp. During the camp Nukkad natak was also played for the general awareness. Sarpanch of the Village Mr. Manoj Kumar Sharma duly appreciated the efforts made by the organizers.

**REPORT**

Cleanliness drive and awareness campaign under the flagship of  
Swacch Bharat Abhiyaan dated: 28/01/2018

With population explosion and the rapid rate of development, our environment is getting adversely affected .The entire country is struggling with the menace of dirt and garbage disposal.

To ensure youth's participation in the noble mission of cleanliness and awareness, a cleanliness drive and awareness campaign was organized on 27-28 January 2018. The programme is in sequence with the all India Cleanliness Campaign launched by the Government of India.

On 27 January, the drive was organized at Lal Kothi Sabji Mandi, near Tonk Phatak, Jaipur. More than 100 students of Civil engineering branch from SKIT participated enthusiastically in the noble mission. The programme also witnessed the presence of dignitaries including Mr. Ravi Jain, Commissioner, Jaipur Nagar Nigam, Mr. Naveen, DC Health, Mr. Ram Ratan Sharma, DC, Lal

Kothi . JNN facilitated in this mammoth task. The zestful students undertook the daunting task and contributed in the sanitation drive.

Dr. Sudhir Kumar Kalla (Director-D&W), Dr. Ramesh Kumar Pachar (Principal), Dr. Sudha Kalla (Incharge, First Year), Dr. R. K. Jain (Head, Physics) and Dr. Brij Raj Sharma (Convener, Pravah) also graced the event.

In the same sequence the drive was organized on 28 January in Ramnagariya , Near SKIT premises. Almost 550 students from various branches and years participated in the task. Ramanagariya Vikas Samiti, authorities from JNN and ZEE Rajasthan were present on the occasion and applauded the efforts of the students. It was opined by all that the youth brigade can really play a pivotal role in curtailing the gruesome problems afflicting India and can bring the vital change.

During the programme, placards were distributed to the audience to create awareness amongst them . The event was successfully completed with the support of student coordinators Mr. Param Vyas, Mr. Naveen Vijay, Ms, Sanchi Rewar and Mr. Deputy along with the guidance of faculty coordinators Dr. Anurag Sharma, Mr. Kailash Soni and Mr. Ajay Sharma. Finally the programme came to an end with a formal vote of thanks by Mr. Anirudh Mathur, Convener of the drive.

Our project is a small step towards making India a developed nation by working on developing the progress at the grass root level of smartening the rural development. And humbly I assure you that most certainly we will continue to strive for it.

**A Report on social activity for the education to poor children**

As a part of Social Responsibility , The faculty members and students of SKIT are committed for the educational upliftment of poor and vulnerable sections of society that cannot afford quality education. SKIT has been functioning in the slums of Jhalana (Malviya Nagar, Jaipur) and providing education and books free of cost. The faculty members and students of SKIT have joined hands with the NGO to improve the quality of primary and secondary education. Following are the areas of activity of SKIT :

1. Providing books for the preparation of competitive exams free of cost.
2. Providing white boards and markers free of cost.
3. Teaching Mathematics and English.
4. Teaching for the preparation of competitive Exam to students.
5. Organizing a workshop for creating awareness.
6. New year celebration with students.
7. Organisation of a workshop on astronomy.
8. A programme BHAGIRATH is organized for the students of NGO annually at SKIT.

**Teaching for the preparation of competitive exam to students:**

A Faculty Member Mr. Suresh Choudhary (Department of Mechanical Engineering, SKIT) visits the Jhalana Doongari Village, Malviya Nagar, Jaipur two days a week. Students are prepared for competitive exams.

**Organizing a workshop for creating awareness:**

SKIT Students organised a workshop to create the awareness among the students of the village about future career opportunities. The arrangement for the refreshment was also made.

**Teaching Mathematics and English:**

A student Ashok Nitharwal (II year, SKIT) visits the village on weekly basis. He teaches English and Mathematics courses to the students.

**Organisation of a workshop on astronomy:**

A workshop on astronomy was coordinated by **Harshit Tiwari** (II Year Student, SKIT). The students the village were given information about celestial objects. The phenomenon of solar and lunar eclipse was explained comprehensively.

**A programme BHAGIRATH is organized for the students of NGO annually at SKIT:**

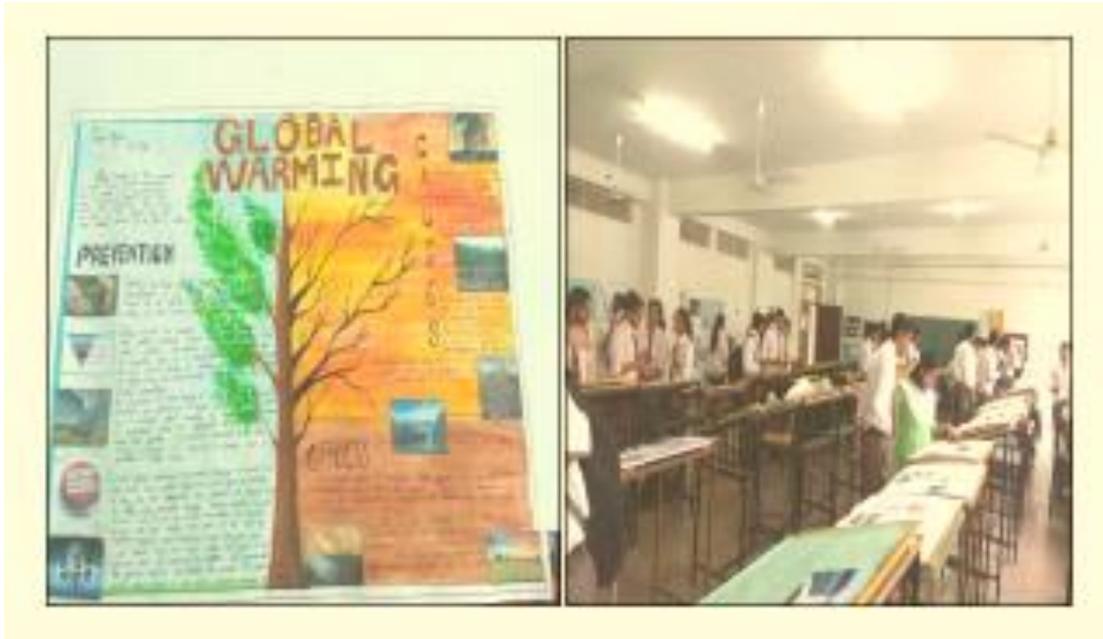

At the programme meritorious students of the village are awarded. Several games and other entertaining activities are organised. After the games students are served lunch.

## Poster exhibition on “Disaster and its Management”

08.11.2017

A poster exhibition was organized on “Disaster and its management” at ground floor, drawing hall, civil block. In this event more than 200 students of first year exhibited their posters and presented.

## **Blood Donation 2017**

Swami keshvanand Institute of technology management and Grammothan conducted yet successful blood donation camp on Saturday 23<sup>rd</sup> September, 2017 in collaboration with Lion's and Rotary club Bapu Nagar and the college's own Youth Red cross club with the help of Swai Mansingh Hospital, Trauma Center SMS, Santkoba Durlabhji, Jaipuria Hospital, Swasthya Kalyan Blood bank and Shree Balaji Hospital and Blood bank. The Chairman, Shri Surja Ram Meel celebrated his enthusiasm with the students and highlighted the value of regular blood donation. Director Shri Jaipal Meel threw light on the history of blood donation camp at SKIT and congratulated everyone for being a part of this noble cause. Honored guest Dr. Jitendra Singh Makkar is a Senior Cardiologist, acknowledged SKIT's participation for noble cause and further detailed the history of blood donation, the myths and facts regarding blood donation and benefits. The camp was inaugurated by divine lamp lighting. Dr. G.R. Singhvi, General Physician specialist was invited as a honored guest of the event. He emphasized the blood donation is the greatest and noblest donation. The day came to an end by address by Dr. Ramesh Pachar, Principal SKIT, who heartily extended his gratitude to the doctors present, the hospitals, the lions club's, the Rotary Club's Bapu Nagar and all the guests. Total donation was 1170 units.

Dr. Anurag Sharma

Chief Coordinator, BDC-2017

## Eco -Friends Club presents Selfie with nature (13/09/2017)

Event was "Selfie with nature" in which participants presented their selfie photograph with nature and described about the beauty of nature.
