## 1. Objective and Outcome of the event

### Objectives

- To create an awareness about intellectual property rights (IPR) for faculties and students.
- To disseminate knowledge on patents, patent regime in India and abroad, and registration aspects.
- To encourage faculty members and scholars to go for patentable works.

### Outcomes

The participants of the workshop will be able to understand the procedures to convert the research outcome into patents. This seminar will bring a positive transformation in the faculty member's attitude in their project and research works and get them more focused as well as result oriented. The participant will also be able to understand the process for commercialization/ technology transfer of their project and research works. This will help the respective academic institutes to find a better placement in NIRF rankings. The participants will also get a clear idea about patenting, IPR filing, copyrights and trademarks.

## 2. Document related to collaboration to COE-IP, CDAC, Pune

Proposal for jointly organizing events on Intellectual Property Rights and Patent Filing Process-reg

IPR Cell, Deity <ipr@meity.gov.in>

Sep 23, 2021, 3:10 PM

to me, ajai, Umesh, Parimal, pooja

Dear Sir,

Sorry for the delay in replying.

Consequent to the visit of Sh. Parimal Khade and his deliberations for working out a joint initiative for collaboration between CoE-IP and IPR Cell of SKIT, following is proposed.

1) Launching of Certification courses on IPR: CoE-IP is ready for this initiative however for seeking necessary permissions from the organisation we need to have a formal communication from your side giving the details. If any fees is being charged the same has to be mentioned very clearly.

2) One Week Workshop on Intellectual Property Rights and Patent Filing Process: Instead of a continuous week long event we propose conducting workshops every week. Some of the sessions can be addressed by us while the rest can be from external experts. The agenda can be restructured accordingly.

Regards

AK Roy

Meity IPR Cell

**Dr. Sheetal Chopra**  
**Honorary Course Director, IPTSE**  
**Director IP Policy, Ericsson India**

Dear Ma'am,

Greetings from IPR Cell- SKIT Jaipur!!!!

We are pleased to invite you for expert talk in Workshop on **"Intellectual Property Rights and Patent Filing Process"** to be held from **16th October 2021- 29th October 2021** in our institute (Virtual Mode using Webex platform).

As you have immense experience in the area; I shall be extremely privileged if you accept our invitation for the expert lecture. We humbly request you to accept the proposal.

**Topic for Session: IPR: Future Aspects and Need in Society on 29<sup>th</sup> Oct 2021 from 02:00 PM - 3:30 PM.**

Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) inspired from the learnings of Swami Keshvanand, was established in the year 2000 by Technocrats and Managers Society for Advanced Learning. Today the institute is recognized as one of the centers of academic excellence in Northern India. The Institute is affiliated to Rajasthan Technical University, Kota for offering Doctorate, Postgraduate and Graduate Courses in Engineering and Management. It has been ranked no. 1 by RTU, Kota continuously since last five years.

Your expertise and experience in this field of IPR will be an excellent addition to our program as many of our participants will look forward to hear and learn from your experience.

So, it is an honor to invite you for an expert talk in this event.

Please spare some time from your busy schedule to enlighten us with your knowledge.

Looking forward to a positive response.

Thanking you.

—

**Dr. Savita Choudhary**  
Convener- IPR Cell  
Associate Professor

## What is Prior art Search

It is a dedicated search which maps the present invention for its patentability in terms of novelty, inventiveness and Industrial applicability.

- Novelty Search
- Invalidity Search
- FTO search

- ✓ Prior art search is technical or scientific information that exists before your invention.
- ✓ Prior Art Search is crucial to find out the patentability before investing any serious money in filing patent application, developing prototypes or going to the investors.
- ✓ Invention Analysis to map the claims of existing Prior art references.

## 12. Technical Report

The One Week National Workshop on Intellectual Property Rights and Patent Filing Process jointly organized by IPR Cell SKIT Jaipur and COE-IP CDAC, Pune from 21st - 29th Oct, 2021. This workshop is conducted on Webex online platform.

Dr. Ajai Kumar Garg, Scientist 'F' & Director, International Cooperation Division, Ministry of Electronics & Information Technology, New Delhi was the chief guest of the inaugural session of this workshop. The Workshop began with the welcome address by Prof. Anil Choudhary (IQAC Coordinator and Head- IT Department). In the Inauguration ceremony Mr. Parimal Khade, COE-IP, Ms. Samta Maurya, Project Engineer COE-IP and Mr. Pankaj Yadav, Project Engineer COE-IP were also present.

Dr. Ajai Kumar Garg addresses participants about importance of enhancing knowledge in IPR Field. He talked about the govt policies to support IPR. In his talk he included about Meity Startup Hub (MSH), TIDE 2.0 Program and SAMRIDH for giving motivation to IT based startups with the potential to scale up for solving the country's genuine problems.

Mr. Parimal Khade also added different initiatives taken by CoE-IP and CDAC to support IPR. 308 participants from different institutes of the country have participated in this workshop.

In the first session of the first day Ms. Samta Maurya, Project Engineer COE-IP delivered an expert talk on Overview of IPRs, Fundamentals and Importance. She highlighted the importance of enhancing knowledge on Patents and basics. The session is followed by an expert talk of Mr. Pankaj Yadav, Project Engineer, CoE-IP. He talked about General Patent Law and Patent Process Overview like Patentability Criteria, Novelty, and Inventive step and also the Prior Art Search. The session was very informative.

Commencement of second day was enthusiastic and informative due to an expert lecture of Mr. Parimal Khade, COE-IP. He shed light on MeitY IPR Initiatives and Introduction to CoE-IP.

Day 3 started again with the knowledge enriching session of Mr. Shubhojeet Ghosh, IP Lawyer and Consultant. He enlightens with the basics of Application filing and drafting a patent with Hands-on Exercise on Patent Drafting.

Day 4 began with interactive session of Prof. Y. K. Vijay Former Professor, Rajasthan University Jaipur. He highlighted the Strategies for IP Creation, Development and Management on Solar Hydrogen energy technology.

Day 5 was opened with the much awaiting session of IPR: Future Aspects and Need in Society which was continued by Dr. Sheetal Chopra, Honorary Course Director, IPTSE. It was quite informative session.

The discussed areas are of great benefit for the participants as they are enlightened with the most widely used advance strategies in IPR and patent filing process.

---Thank You-----
