

MoU
Indian Institute of Technology, Bombay
(Techfest Zonal Competition)

To,
The Director,
Swami Keshvanand Institute Of Technology, Jaipur

Subject: Organization of Techfest Zonal Competition in Association with Swami Keshvanand Institute Of Technology, Jaipur

Dear Sir/Ma'am,

Techfest is IIT Bombay's annual international science and technology festival. Established in 1998, Techfest was conceived as a platform for the fruitful interaction between students, academia and industry and over the years it has grown to be Asia's largest festival of its kind with a number of firsts to its credit. One such is the Techfest zonal competition, which will see a zonal event being held at prestigious colleges across the country with the final round being held at **3rd-5th January, 2020** in the institute. This program gives students in every part of the country a chance to showcase their talents and match it against the best in the country.

Therefore, We seek your assistance in organizing Techfest zonal competition at Swami Keshvanand Institute Of Technology, Jaipur this year. As preliminary preparations, the Techfest 2019-20 organizing team has already spoken to the students of your institute who have expressed a willingness to be a part of this endeavour.

With your permission Techfest would like to hold the event on 6th October 2019. The event will be locally handled by a team of 8, comprising students who have had prior experience of organizing such events.

I hope that our institutes will be able to cooperate and hold an event that will be beneficial to students from the North India. Our students and their events too shall mutually benefit in the course of this association.

Thanking you and with warm regards

Yours Sincerely,
Prof. Rajkumar S. Pant
Techfest, IIT Bombay

Memorandum Of Understanding
Techfest IIT Bombay and Swami Keshyanand Institute Of Technology, Jaipur
For Association in Organisation of
Techfest Zonal Competition

Association Policies

- Any use, mention or placement of IIT Bombay Logo or IIT-Bombay name (electronic or physical media) on any advertisement, event, notice, brochure, mailer or branding material will be done only after written approval from IIT Bombay authorities and as per IIT-Bombay's norms. This policy applies in perpetuity
- Both Parties will work together in good faith with the aim of making the Event a grand success and each Party agrees that, except in the eventuality of gross negligence or flouting of norms by Swami Keshyanand Institute Of Technology, Jaipur College or its representatives/staff, neither will be liable to the other for any kind of eventuality or losses that are caused due to or associated with holding the Event.
- Any use, mention or placement of Techfest Logo or name (electronic or physical media) on any advertisement, event, notice, brochure, mailer, other event or branding material will be done only after written approval from Techfest authorities and as per Techfest norms. This policy applies in perpetuity

Techfest Zonal Competition - Introduction & Format

Techfest zonal competition is a unique initiative by Techfest that involves the first stage of three competitions being held at selected centres across India. The top 20 winners (5 from each competition) from each centre will get direct entry to Indian final round which will be held during 3rd-5th January, 2020 at Techfest. The winners of this round will compete among each other for the final Techfest trophy in IIT Bombay during 3rd-5th January, 2020.

Techfest Zonal Competition - Objectives

Techfest has aimed at promoting hands on student learning in various disciplines year after year. Techfest has always aimed at spreading science and technology to a higher number of students. This year we aim to do the following:

- Increase quality participation and give the students a chance to compete with the best of the best talents in the country.
- Extend the Techfest platform for the holistic development of the students in all the fields of technology viz. electrical, mechanical and coding
- Provide teams a step by step approach towards mastering a particular technology.

Requisites from your college:

- A proper venue at Swami Keshvanand Institute Of Technology, Jaipur for the organization of the event which can be decided mutually.
- Swami Keshvanand Institute Of Technology, Jaipur will be required to handle the organization of the event including all the basic infrastructure and event management. Swami Keshvanand Institute of Technology, Jaipur will be required to provide accommodation facilities to any outstation participants during the event, the number of such participants will be less than 250.
- Basic dining facilities should be extended to the participants either through the local mess/canteen or else through external food stalls.
- The details of the competition shall be displayed on the institute website.
- The accommodation and dining for the participants shall be payable on a mutually agreed basis.
- Accommodation and Food for 8 organisers coming on behalf of Techfest, IIT Bombay will be incurred by Swami Keshvanand Institute Of Technology, Jaipur College

Details of the Event:

- There are 4 competitions being held in the event. Duration of the event would be one day. The event at Swami Keshvanand Institute Of Technology, Jaipur would be conducted on 6th October 2019. However, the venue will be required from the 5th of October 2019 for initial preparations.
- The accommodation for participants should be provided from 5th of October 2019 to the morning of 7th October 2019.
- The maximum number of teams participating in the robotics event would not exceed a particular number, at least in terms of outstation teams for the purpose of providing accommodation.

Marketing & Sponsorship Issues:

The marketing of Techfest zonal competition will be handled entirely by Techfest and the local team is not required to market the same. But if local team feels that they can manage to find a sponsor for the purpose of local publicity and infrastructure requirements, then they are free to do it.

Banners:

Banner space for the sponsors of Techfest zonal competition will have to be given, in the campus and around the competition venue. There will be at most 10 banners of size 6ft x 3ft in the campus, in addition to branding of the competition venue.

Expenses for the Event:

Organizers will not be directly involved in any cash transactions with participants without the prior permission from Techfest.

Publicity:

This includes printing publicity posters and the logistics of sending the posters to various colleges. This shall be handled by Techfest. Extensive publicity in the city has to be carried out by the local team.

Prize Money:

This will be handled by Techfest. All prize money will be awarded to winners through Demand Draft within 10 days of the culmination of the competition.

Infrastructure for the Competition:

This includes fabrication of boards for competition which shall be done by organizing team at Swami Keshvanand Institute Of Technology, Jaipur and expenses incurred will be taken care by Swami Keshvanand Institute Of Technology, Jaipur.

Infrastructure for Organization of the event:

This includes expenses like stationery, chairs, stopwatches, power connections, mike/audio systems etc which can mostly be arranged from within the institute. We expect the local organizing team to take care of these minor expenses.

Accommodation:

This includes the expenses incurred for the lodging and messing of the participants, if any. Any such money received for such purposes from the participant will go directly to the infrastructure costs incurred at Swami Keshvanand Institute Of Technology, Jaipur. But the amount charged needs to be decided on mutual consent of the organising team and Techfest.

Mode of Payment:

There will be no money transaction between the local organizing team and Techfest. Payment for all major expenditures including competition boards incurred would be done through cheque against Tax Invoice only to the vendor/contractor directly. All expenditure will have to be approved by the Faculty In-Charge of zonal competition at Swami Keshvanand Institute Of Technology, Jaipur

I have read the aforementioned terms and conditions and agree for the association of IIT Bombay with Swami Keshvanand Institute Of Technology, Jaipur in organization of Techfest zonal competition.
