MEMORANDUM OF UNDERSTANDING cum AGREEMENT

Perfectice Eduventure Private Limited, hereby referred as Myperfectice, with its principal place of business at 706, Tower No. 11, Plot No. GH – 05, Sector – 110, Noida – 201301. Represented by it's COO & Co Founder Dr. Rakesh K. Sharma herein referred as the party of the FIRST PART.

AND

This Memorandum of Understanding ("MoU") dated 12th November 2019 and effective from 1st December 2019, is signed by and between Swami Keshvanand Institute of Technology (SKIT), with its principal place of business at is Ram Nagariya Road, Shivam Nagar, Jagatpura, Jaipur - 302017, Represented by it's Director, Mr. Jaipal Meel herein referred as the party of the SECOND PART.

WHEREAS, Myperfectice is an Education Technology Company incorporated in USA, Perfectice LLC, with an operating legal entity in India as Perfectice Eduventure Private Ltd. The Company is formed with a mission to use technology (data and insight) to help teachers, students and parents, bring personalized learning to students. The leadership team brings in technology and education expertise and experience from USA and India.

WHEREAS, Swami Keshvanand Institute of Technology, Management & Gramothan (SKIT) inspired from the learnings of Swami Keshvanand, was established in the year 2000 by Technocrats and Managers Society for Advanced Learning. Today the institute is recognized as one of the centers of academic excellence in Northern India. The Institute is affiliated to Rajasthan Technical University, Kota for offering Postgraduate and Graduate Courses in Engineering and Management. Our sister institution Swami Keshvanand Institute of Pharmacy (SKIP) is affiliated to Rajasthan University of Health Sciences for offering Graduate Course in Pharmacy. Students joining the institute share the box full of opportunities for professional and personal development through an environment of practical orientation, industrial interaction and student led activities which help the students to develop good communication skills, integrated personality and greater competitive spirit.

Whereas the parties have decided to enter into a strategic alliance on terms mutually beneficial to them.

PURPOSE: "Analytics based E-Learning Platform – "Myperfectice" will be used by SKIT, to enable the students for DIGITAL LEARNING using data analytics along with the traditional learning (classroom). SKIT has ambitious plan to introduce TECHNOLOGY for education to enhance the student's /teacher's experience, engagement and outcome. Progressive Universities across the world – USA and India are blending technology with the traditional pedagogy to differentiate and produce a unique outcome/world class citizen. Myperfectice technology platform is helping institutions across the globe – USA, India and China, realize that dream.

The challenges of the Engineering Education can be overcome by implementing MyPerfectice platform in the core academic curriculum -

1. Continuous Assessment and bucketization of students to provide personalized learning recommendation as per their knowledge gap.
2. Enhancement of cognitive and programming skills of the students through coding practice and self-learning modules of MyPerfectice platform. These skills are imparted to students through continuous assessment, recommended learning, performance trend analytics & need based intervention(training) approach.
3. Enhance the core domain knowledge of the students through continuous evaluation, e-learning , classroom intervention , project & internship recommendation.

The platform will help the students of SKIT to prepare better and excel in **Campus placement preparations exams and improve the domain knowledge of all Engineering Branches**. This will help SKIT in strengthening the already established brand value across India and outside.

The platform will be used by all the B.Tech students of SKIT across all the branches. The platform will also be used by the faculties and student's parents/mentors.

The proposal consists of...

1. Myperfectice Introduction
2. Coordination and Cooperation
3. Value Proposition to SKIT
4. Myperfectice Differentiator
5. Partnership Engagement Options
6. Duration
7. Cost and Payment
8. Confidentiality
9. Limitation of Liability
10. General terms and conditions
11. Jurisdiction

1. Myperfectice Introduction

Myperfectice provides technology and data in the form of intelligence so that faculty and parents helps students prepare SMART. Every student needs a strategy – a different strategy, to get higher score in the exam, or get selected in the placement exam. Myperfectice is helping teachers become a COACH – a mentor who brings life changing experience to students.

The platform has been developed in USA on latest technology with patentable algorithm for India, USA and China market. Co-founders of Myperfectice has combined experience of 50 years in technology, consulting, business and leadership – USA, India and China. Myperfectice has registered office in USA and India.

Myperfectice was SELECTED by Govt of Jharkhand to participate in their **Global Investors Summit -Momentum Jharkhand** on 16-17th Feb'17. Only 9 companies were hand picked out of ~80-100 who applied after being scrutinized through the stringent process. Myperfectice was invited to showcase the platform in the startup pavilion. **Myperfectice was the only EdTech company to be shortlisted.**

Myperfectice was shortlisted by Scoonews as One of the Top 50 EdTechdisrupter in bringing innovative solutions to learning & that will redefine the education system in India.

2. Coordination and Cooperation

Under Myperfectice, SKIT shall establish a "joint working group" for coordination. Both parties shall ensure that the working group comprises of appropriate personnel to discuss and implement the activities mentioned in this MoU. From SKIT it would be the Heads of the departments and Head of Training and Placement division. From Myperfectice, one person will be placed in SKIT campus for coordination.

SKIT agrees to provide office space/work station with proper logistics and infrastructure to the people appointed by Myperfectice.

www.myperfectice.com

3. Value Proposition to SKIT

Myperfectice introduces an advance technology solution for Student and Faculty – Personalized Learning. SKIT benefits from Myperfectice by

- Helping students prepare better to score high in a) campus placement test, B) core curriculum and C) increase chances of success in competitive exams for Higher Education
- Conducting Online mock test exam of all students before the campus dates of companies in their similar exam pattern
- Real Time analysis and status of every student of different departments – available to student, faculty and parents in a classroom view.
- SKIT Mobile app to improve the stickiness of the students at online platform, resulting in more practice and performance improvement
- SKIT can reduce their cost of operation by increasing the productivity of their faculty
- Differentiate from peer colleges – Marketing opportunity

4. Myperfectice Differentiator

- Light weight cloud based platform – University does not need any IT set-up. Just a laptop or computer lab or student can practice on their smart phone.
- Ready to start – Start TODAY
- One platform for all the streams – Core Curriculum, GATE, IES, UPSC Campus recruitment test etc.
- US based company with India Market focused
- Advance technology – data driven approach
- Low cost of ownership with higher Return on Investment (ROI)

5. Partnership Engagement Options

MyPerfectice offers one stop solution for all the learning needs of a student. The platform keeps a track of student's proficiency level and personalization engine keep guiding him towards success. The discussion forum and online classroom encourages peer to peer learning. The employability index and job profiling recommend him relevant training, project & internship to undertake to acquire niche skills in his area of strength. The virtual classroom provides detailed insight of student's performance and learning gap to all the stakeholders. Mentor-mentee feature help faculties become the coach.

Following is the Partnership Engagement Products, being offered to SKIT by Myperfectice. The product is owned and operated by Myperfectice and includes the technology platform with content for students to practice and improve their knowledge and hence increase the outcome. The product is described below in details.

Product Name: Myperfectice CORE

Unlimited access to Myperfectice technology platform for Student, Teacher and Parents
This product consists of...

Campus Placement Preparedness –

The campus placement preparedness kick start with the conduction of baseline assessment of the students to evaluate their cognitive, coding & core domain skills. It is being followed by student's orientation session & rollout of different gamification products to augment the skills of students.

Personality Assessment - Psychometric Test

Personality test helps to understand student's characteristic trait which helps in better analysis of a student's fitment in different domains. Every Organization are including this parameter in their recruitment process so as to get the best fit for their organization. This parameter helps in increasing productivity of the students and also it is beneficial for understanding the teaching methods that could be most effective in classes. These would be conducted at the beginning and the end of each semester.

Additional Features

- **Dynamic Employability Index mapping of individual student**
The individual student's job profile & employability index is recommended to them by the platform to understand which industry best fit for them is. It helps them in focusing their preparation in those domains.
- **Leaderboard & Group Study through Trivia Game**
To motivate the students to engage with platform, the platform has a leaderboard feature to recognize the top performers & consistent users. The group study feature enables students to create a virtual group of friends & challenge each other to solve quiz or guide through each other's dashboard.
- **Training Recommendation & Training Effectiveness Measurement**
The platform recommends individual training requirements to students as per their competency and also share the need for training with the management. It can also be used to conduct pre-training & post-training assessment to measure the effectiveness of the program.
- **Tutor Mentor Feature**
The mentor - mentee feature helps a mentor to track their mentee's performance through their dashboard and help them through direct chat or timeline. Also, mentees can contact their mentor in case of any grievances or suggestions required.
- **Discussion Forum & Blogs**
The discussion forum of the platform enables peer-to-peer learning, students can ask their doubts & get them resolved from friends & seniors. The success story & placement journey of a student are published in the form of blogs to make students aware about the placement process.
- **Student Digital Portfolio of Training & Projects**
Students can update their training, projects & internship in their profile. They can also upload certificates to be validated by their mentors. This will help mentors know about the skill sets of their individual mentees.
- **NBA/NAAC Accreditation Support**
The performance analytic reports generated by the platform can also help in calculating the academic attainment of each program/course. The methodology used for tracking individual performance has a higher weightage and can help in improving NIRF ranking.

ACCOUNT OPERATIONS

The goal of account operation is as follows:

1. Increase Students Engagement in Academic Activities to improve his skills by

- Gamification through level and trivia game (app)
- Mentor - Mentee Feature: Students gets access to Academia Heads & Industry leaders and can request for mentorship by sending them request.
- Discussion forums for promoting branch specific interaction with students
- Bulk Email communication & Group Message Communication
- On-going Training and Orientation to Students and Faculties
- Encouragement and enforcement from dean by giving weightage to online test scores in college grades.
- eBooks, notes/assignments, blogs, videos and other digital learning materials.
- Conduction of mid-semester, class test & lab quizzes on MyPerfectice platform

2. Governance & Reporting

- Measurement of student progress on a regular basis and discussion with respective dean – Monthly
- There will be 1 Account Manager assigned from MyPerfectice team for implementation.
- There will be one POC (Point of Contact) appointed from SKIT to coordinate with MyPerfectice team
- MyPerfectice will configure and administer the test on the platform.
- MyPerfectice will provide training to students and teachers on the usage of the platform and necessary support (technical and functional).
- SKIT will provide Accommodation and Mess Facility to the Account Manager during the Program duration.

Segmentation of students and identification of external intervention. Key insights of "weak subjects/areas of each branch", "comparison of skills across the branch", "score trend analysis", "segmentation of students by skills in different online classrooms".

6. Duration

Unless terminated by either party, this MoU shall be valid for a period of One (1) year from the Effective Date. Either party may terminate this MoU for material breach by giving the other at least thirty (30) days' notice in writing. Myperfectice may terminate this MoU for convenience by giving SKIT at least thirty (30) days' notice in writing.

www.myperfectice.com

7. Cost and Payment

The cost of MyPerfectice CORE product is Rs. 1200 (Twelve Hundred only) per student per year, unlimited access. But as a special case, We are offering at a lumpsum amount of Rs. 3,00,000/- only for 3rd year students for 6 months usage. There is no charge for teacher and parents, it's FREE.

Item Description	Unit Cost	No. of Students	No. of Months	Total Cost (1 st Year)
Subscription Fee – Platform and Content		All 3 rd Students of Engineering Segment	06 months	Rs. 3,00,000
White Label – Separate instance and Mobile Android App (Optional)	Rs. 100,000 (One Lac Only) plus taxes (Optional) (One time)			Rs. 1,00,000

* Taxes (GST): Inclusive of Taxes

Duration: The agreement will be valid for One year.

Payment Schedule

- 100% of the White Label payment will be made at the time of signing of this proposal.
- 100% of the subscription fee paid at the time of signing of the proposal

Payment can be made in the form of NEFT/RTGS/Cheque/DD payable to "Perfectice Eduventure Private Ltd."

The Bank Account details are as follows:

Name: Perfectice Eduventure Private Ltd.

Bank: Indian Overseas Bank, Account No. 049033000000023, ISFCODE: IOBA0000490

Branch: Delhi Cantonment Branch, Delhi

8. Confidentiality

In the course of carrying out the Service undertaken under this Agreement, both the Parties may have access to or may obtain certain Information related to each other business activities. The scope of this clause shall applies to all Information that both the Parties may have access to in connection with carrying out the Service undertaken under this Agreement. Both the Parties are responsible for compliance of this Agreement by its employees or agents. "Confidential Information" means all information that the Parties, its employees or agents, receive from each other or observe or obtain relating to the Service, facilities, marketing strategies, products, capabilities, financial information, needs, developments and plans of each other, its affiliates and group companies. Both the Parties will not permit its employees or agents to disclose to any third party or to use for any purpose other than carrying out the Service under this agreement without other's written permission (except as may be required by law or as necessary to carry out the Service. The Parties will hold all Information in trust for this agreement sole use and benefit. This Clause will not apply to information that is publicly known other than through disclosure by or through the Parties or through its employees or agents.

9. Limitation of liability

In any event shall either party be liable to the other for any loss of profits, loss of revenue, loss of data, loss of use, any indirect, incidental, special, exemplary, punitive or consequential damages, incurred by either party or any third party in respect of this MOU, whether in an action in contract or tort, strict liability or other legal or equitable theory regardless of whether such damages were foreseeable or if the other party or any other person has been advised of the possibility of such damages.

10. General Terms and Conditions

10.1 This MoU is not intended to constitute, create, give effect to, or otherwise recognize a joint venture, partnership, or formal business organization of any kind, and the rights and obligations of the parties shall be only those expressly set forth herein.

10.2 Nothing in this MoU shall be construed to grant either party the right to make commitments of any kind for or on behalf of the other without the other's prior written consent. At all times contemplated herein, Myperfectice and SKIT University shall remain independent contractors, each responsible for its own employees. Each party assumes no responsibility to the other for costs, expenses, risks, and liabilities arising from the efforts of the other.

10.3 Neither party shall assign, or in any manner, transfer its interest or any part thereof in this MoU, except to wholly-owned subsidiaries.

10.4 Notwithstanding anything to the contrary in this MoU, any Exhibit or Attachment or any other document signed between the Parties regarding the subject matter of this MoU, either prior or subsequent to this MoU, in any event shall either Party be liable for any loss of profits or revenue, or loss or inaccuracy of data or for any direct, indirect, incidental, special or consequential damages incurred by the other Party.

11. Jurisdiction

This MOU shall be governed by the laws of India and the jurisdiction of competent courts in Delhi, India. The Parties agree to make efforts in good faith to resolve all disputes amicably and expeditiously between themselves and any unresolved matters should be referred expeditiously to mediation with a view to resolving the same.

All and any disputes and claims aforesaid, which cannot be fully and satisfactorily resolved or settled by the parties as aforesaid, shall be referred to a Sole Arbitrator jointly to be appointed by Myperfectice and SKIT. The provisions of the Arbitration and Conciliation Act, 1996. [As amended in 2015] will be applicable and the award made there under shall be final and binding upon both the parties hereto and subject to legal remedies available under the provision of law. The place of arbitration shall be Delhi. The arbitration shall be conducted in English and all written documents used during the arbitration shall be in English.

After both party signatures, this proposal will be deemed contract and both the parties can use their logo for marketing.

IN WITNESS whereof, the Parties below have executed this proposal on 5th December, 2019.

Respected Sir ,

Greetings from MyPerfectice !!!

I would like to take the opportunity to inform you that **Genus Power** has partnered with MyPerfectice to hire fresh Engineers candidates from 2020 Batch.

Designation:

- 1) Embedded Trainee Engineer (For Electrical & Electronics)
- 2) Software Trainee Engineer (For CS/ IT)

Eligibility: 60% Throughout**Salary:** 4 (3+1) LPA**Joining Location:** Jaipur**Joining:** Immediate**Website Link** - <https://genuspower.com/>**Hiring Process**

- 1) 90 Minutes online assessment on Myperfectice platform
- 2) Shortlisted candidates have to share their updates CV
- 3) Technical Interview 1 on Skype
- 4) Technical Interview 2 Face to Face
- 5) Management Interview on Skype

About Company

Genus Power Infrastructures Limited, an ISO 9001 & 14001 certified company is an integral part of the US \$400 million Kailash Group. Genus has two business divisions offering highly innovative and sustainable solutions to the power sector. The Metering Solution Division provides a complete range of Electricity Meters such as Multi-Functional Single Phase and Three Phase Meters, CT Operated Meters, ABT & Grid Meters, DT Meters, Pre-Payment Meters, Smart Meters, Net Meters, AMI, MDAS etc. The Engineering Construction and Contracts Division undertakes Turnkey power projects such as Sub-Station erection upto 420kV, Laying up of transmission & distribution lines, Rural Electrification, Switchyard, Network Refurbishment etc. Equipped with avant-grade manufacturing facilities, complete forward and backward integration from plastic parts to final products, automated SMT lines, Lean Assembly techniques and a team of highly qualified and experienced engineers, Genus is committed to develop innovative and customized solution at an affordable price. Our top-notch R&D Center, recognised by the Ministry of Science and Technology, Govt. of India, has enabled the company to dominate the power infrastructure and be at the forefront of new technology.

JOB DESCRIPTION

EMBEDDED TRAINEE ENGINEER (Electrical and Electronics)
Overview
Embedded software engineer is responsible for writing embedded firmware in attaining the company's current and future technology goals. They need good interpersonal and problem-solving skills as well as the ability to execute their projects within time constraints.
Key responsibilities:
· To identify needs of the product
· To address the requirements in the solution architecture
· To identify use cases of operations of the solution
· To write embedded firmware for different products as per requirement
· To develop test cases for firmware testing
· To follow the processes defined for product design
· Ensuring Product Design Integrity and ensuring Product Quality
· Develop Product support Documentation
· Travel to customer locations or vendors for trainings, issue solving or presentations
Skills required:
· Good Programming Skills in C, C++ language.
· Good knowledge of 8051/8086 platforms
· Good Knowledge of circuit systems, electronics, DSP and digital systems
· Embedded projects during studies is a plus
· Good communication and writing skills

SOFTWARE TRAINEE ENGINEER (CSE / IT)
Overview
Develops software solutions to meet customer requirements through team and individual efforts. Participates in the analysis and composition of requirements, design of architectural and component software features, design and implementation of system, design and implementation of test plan, and documentation of final product.
Key responsibilities:
· To identify needs of the product
· To address the requirements in the solution architecture
· To identify use cases of operations of the solution
· Ability to quickly adapt to a changing environment
· Ability to quickly learn new concepts and software is necessary
· Ability to multi-task& support multiple priorities
· Ensuring Product Design Integrity and ensuring Product Quality
· Strong Analytical and Problem Solving Skills
· Develop Product support Documentation
· Travel to customer locations or vendors for trainings, issue solving or presentations
Skills required:
· Good Programming Skills in C, C++, ASP,HTML5, .net,
· Solid understanding of relational database design and querying concepts and OOPS Concept
· Exposure of SDLC
· Knowledge of client/server application development
· Familiarity with version control concepts
· Good communication and writing skills

Please share the database of the eligible candidates by tomorrow EOD. Feel free to call in case of any query.

Looking forward to adding value.

Thanks and Regards

Dear Sir,

Greetings from MyPerfectice !!!

I would like to take the opportunity to inform you that **Mobillor Technologies** has partnered with MyPerfectice to hire fresh engineers from 2020 and also from 2019 (if available) batch.

Please find the company details below -

Mobillor Technologies is a Platform and Applications provider for Digital Economy. Mobillor help Enterprises achieve Digital Transformation by enabling various drivers for Digital Economy like Social, Cloud, Mobility and IoT.

Widespread Partner network of Mobillor gives customers an option to choose right partner based of geography, capability and domain knowledge. Mobillor partner offer applications built on Mobillor platform for customer for Rapid Deployment. Innovation Lab with enriched experience is continuously engaged in enhancement of the Mobillor Platform and Applications to meet the needs of Digital Economy.

Job Description:

- 1) Role: Sales Development Executive - International Business
- 2) Package- CTC: 2.4 LPA
- 3) Skills Required - Knowledge on JAVA & Python (AI/Machine Learning)
- 4) Responsibilities:
 - A) Working on technology front
 - B) Need to have good idea on JAVA (for the JAVA professional)
 - C) Need to have good idea on Python (for the Python professional)

5) Required Qualifications:

- A) Bachelor's degree from an accredited college/university or the students should be in the final year of their course.
- B) Good knowledge on JAVA/Python (AI/Machine Learning)
- C) Highly motivated, driven, and self-starting individual with enthusiasm to learn and pursue a career in technology.
- D) Ability to work in a fast paced, team environment with excellent time management and organizational skills
- E) Willingness to learn new technologies/tools.
- F) Good communication skills.

Joining Location: Bengaluru

Joining: Immediate

10th & 12th Marks & Graduation: 55%

Eligible Branch: Circuit branch with a good knowledge of JAVA/Python

Process -

- 1) Shortlisting the students as per their performance and make them appear in Online test on MyPerfectice platform - elimination round
- 2) One to one interaction with the shortlisted candidates - elimination round
- 3) Final Telephonic/Skype round with the final shortlisted candidates by Mobilor HR.

I request you to share the data of unplaced students based on above mentioned criteria. Feel free to call in case of any query.

Thanks and Regards

Dear Students,

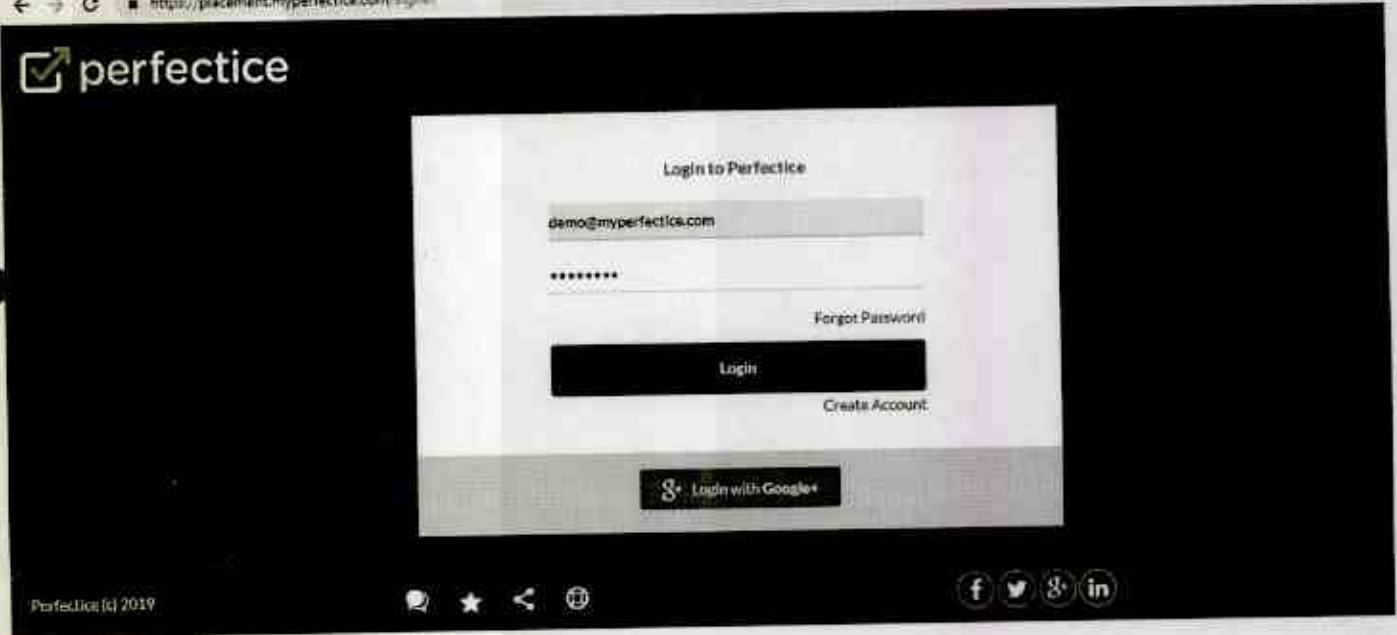

Greetings from MyPerfectice!!

First of all we really appreciate the co-operation that we have seen from you people on the day of our session.

Now, As you all are well aware of MyPerfectice Platform and what we have planned for you I am just going to brief you about some important points that you have to keep in mind.

1. Your first task is to login to your account on https://placement.myperfectice.com/ , for login you will need your registered email id that you have given to college and your standard password is waiscom

← → ↻ https://placement.myperfectice.com/login

2. Now as we promised that we will launch a package for you in order to improve your cognitive skills and prepare you better for upcoming placement season, we have launched a package named PEPL the tests before the placement season.

Note : You'll find the above package in the Packages section of the platform.

Still if you have any Query, then we are just a call away.

Warm Regards,
Shivam Tiwari
