Dear OSA Student Chapter Officers,

Welcome to the OSA Student Chapter Program! Your chapter has been reviewed and confirmed and we look forward to working with you. Please see the below for important information on accessing your benefits right away.

Grants and Member Management

There are two portals that your chapter has access to:

Member Management Portal

Site: account.osa.org

Access

You will use your normal login for how you access your individual OSA membership. When logged in, you'll see "Student Chapter" at the top right. Click that to enter the portal.

About

This portal is where you can add/update your roster, advisor, address and other pertinent information. Please login to your account and make changes as necessary. Note that only officers can make adjustments to the information. Ashish, please login and add the remaining officers/members. Please don't make any adjustments to your account until the end as the system will boot you out.

Grants Database Portal

Site: <https://www.grantinterface.com/Home/Logon?urlkey=osa>

About

This portal is where you will submit your annual reports as well as where you can apply for various benefits. Those benefits include:

- Request a Chapter Management Grant with your annual report or chapter application.
- Apply for a Special Event Grant to support a high-impact event.
- Host an OSA Traveling Lecturer annually from a directory of over 300 members.
