About The Club: -

Literary club was formed to develop the speaking and writing skills of the students. Various activities and competitions are organised for the students to develop the literary skills of the students.

To develop the writing skills, assessment is done where in the children learn to express their ideas in clear and grammatically correct English. They also learn how to plan, organize and present their ideas by comparing and contrasting ideas; they also learn how to present their ideas by using appropriate style and format. They also learn how to expand notes into longer pieces of composition creatively.

The students develop the cohesion and correctness of structures and vocabulary. Use of appropriate tense form, prepositions, articles and connectors they also learn to use correct mechanics of writing correct spellings, punctuation marks and capitalization.

To develop the communication skills and confidence various activities are planned throughout the year like Debates, Elocution, speeches, storytelling, talk shows, seminar, quiz, symposium, dialogue conversation etc in which the children learn how to use correct intonation and pronunciation.

The literary club promotes writing skills by organizing story writing, poem writing, slogan writing, report writing, Para writing, and article writing activities.

The good Literary works of the students are also published in the college magazine SKIT TIMES.

Objective: -

The club will provide a platform for:

- **Debating: -** To encourage students become orators to display their intellectual and independent thinking skills and imbibe a sense of confidence.

- **Story Writing:** - To promote the creative skills of the students and help in thinking and imagination, ability to speak and emote before an audience thereby increasing the emotional quotient of the students.
- **Talent Show:** - To perform on the stage in front of large audience so that hesitation is removed promote the ability to organize and analyze the available resources and adopt technological advancements to present ideas, creativity and innovation.

Outcomes:-

All the above objectives were achieved as good number of students participated from all the branches and years.
