## Campus Recruitment Training (CRT)

Campus Recruitment Training (CRT) is an intense placement oriented drill initiated in the year 2009. It is come under the Capacitive Development Cell (CDC). This cell has been constituted in the institute on 18 July, 2014 and after that CRT comes under CDC cell. This training is conducted to train students for upcoming campus recruitment drives. The CDC Cell in consortium with TIME Institute organizes Campus Recruitment Training (CRT) Program for pre-final year students. The CDC Cell organizes and conducts Aptitude training, Technical training and soft skills training along with the Mock Tests for the students of Pre Final Year and Final Year. Regular Counseling/Guidance sessions are organized for all students of Pre Final and FinalYear. The major topics covered in the course are:

- Quantitative Ability
- Logical Reasoning
- Verbal Ability
- Group Discussion
- Personal Interview

To hit the bull's-eye, every final year students undergoes a 42 Hours Refresher Training Programme. The exhaustive programme includes:

- Group Discussions
- Technical Brush-up sessions
- Corporate Etiquette
- Effective Resume Building
- Personal Interviews by Industry visitors
- Individual assessments by CoCubes/AMCAT/FACE/TIME/MyPerfectice

**SWAMI KESHVANAND INSTITUTE OF TECHNOLOGY  
MANAGEMENT & GRAMOTHAN**

JAGATPURA, JAIPUR

**Noting Sheet**

Date: 18/07/2014

1. Pursuant to the Management meeting on 16 July, 2014 to review the training process at our institute, it has been decided and agreed upon to create a centralized cell to manage all training related initiatives at SKIT, M&G. This has been done to improve the efficacy of training activities at the institute.
2. The cell will here after be called 'Capacity Development Cell (CDC)' and is deemed to have come into existence w.e.f. 18 July, 2014
3. The cell will ensure effective implementation of all training activities at SKIT.

**Notice**

Date: 18 July, 2014

1. It is hereby informed that a new cell has been constituted in the institute which will be called 'Capacity Development Cell (CDC)' w.e.f. 18 July, 2014.
2. The cell will be responsible for organizing and monitoring the training of students within the institute. They are hereby authorized and empowered to carry out their functions accordingly.
3. The cell will consist of the following personal with designations as mentioned against their names:
  - a. Prof. Harminder Singh Multani: Jt. Head
  - b. Dr. Amber Srivastava: Jt. Head
  - c. Mr. Ravi Rawat: Manager- Corporate Relations and Training
4. You are requested to support this initiative and advance all possible assistance to this team.

## CAMPUS PLACEMENT POLICY

### 1. Preamble

The biggest concern of a final year engineering student is to get a good job in a reputed organization before he/she completes his/her B.Tech degree. The Institute's placement cell provides the students with the best possible opportunities through campus placements. Many good students sometimes fail to get jobs in good companies due to absence of right guidance. The purpose of placement policy is to prepare them well in advance so that students get selected by their dream companies.

### 2. Apex Placement Committee

**Purpose:** The purpose of this committee is to formulate placement policy and to provide guide-lines to the Placement Working Committee. The Apex Placement Committee will review from time to time the achievements of placement working committee and may make changes in the policy.

#### Composition:

The Apex Placement Committee will be composed of the following members

1. Director (Academics)
2. Principal
3. Adviser
4. Registrar
5. All Heads of Engineering Departments

### 3. Placement Working Committee

**Purpose:** The purpose of this committee is

1. to contact and invite companies for placement.
2. to organize training in various skills required for placement and to motivate students to participate wholeheartedly.
3. to obtain feedback from all stake holders.
4. to forward quarterly reports to the Apex Placement Committee

#### Composition:

Placement working committee will be composed of the following members

1. Adviser
2. Two members to be nominated by the Apex Placement Committee
3. T.P. Officer
4. One faculty member from each engineering department to be nominated by respective HODs
5. Two students from each department (one each from B.Tech V & VII semesters) to be nominated by respective HODs)

#### Nomination

The members of the placement working committee may be changed or re-nominated by the Apex Placement Committee

#### 4. Implementation of Policy

The training of students in various skills may be organized in stages which may be decided by the Placement Working Committee. Keeping in view the importance of communication skills, soft skills and CRT programme in the corporate world, every student who is interested in campus placement will have to undergo these trainings to be organized in the Institute. Without under-going these trainings no student will be permitted to participate in the campus interviews. It is suggested that training for communication skills, soft skills and CRT programme may be imparted during B.Tech I/II sem, III/IV sem and V/VI sem respectively. The training should be organized during free periods, if possible or beyond Institute's working hours. While organising these trainings care should be taken that as far as possible academic programmes are not curtailed.

During B.Tech I year the faculty members and batch counselors, after the admissions are finalized, will assess strengths and weaknesses of each student based on their observations. The ~~media~~ for observation will be prepared and provided by the placement cell.

At the beginning of the B.Tech III semester, the students will register themselves with the placement cell and provide the required information such as their contact numbers and e-mail addresses.

At the beginning of the B.Tech VI semester, the students interested in campus placements will fill the detailed application form obtainable from placement cell & register themselves for campus placements. Based on the information provided by the students, the placement cell compile the data and the Placement Working Committee will carry out the process of placements of the students.

#### 5. Placement options for students

A renowned company as decided by the Apex Placement Committee will be given the status of Day One Company which will be invited by the Placement Working Committee before all other companies. At the time of registration the students will give their choice for any company henceforth will be called **Dream Company**. Sometimes it may happen that core companies may be permitted to hold campus interviews before the visit of Day One Company. In order to give fair chance to all the students certain restrictions will be imposed on the participation of students in campus interviews. The participation rules are as follows.

1. Every eligible registered candidate will be permitted to participate in the campus interview of his/her dream company.

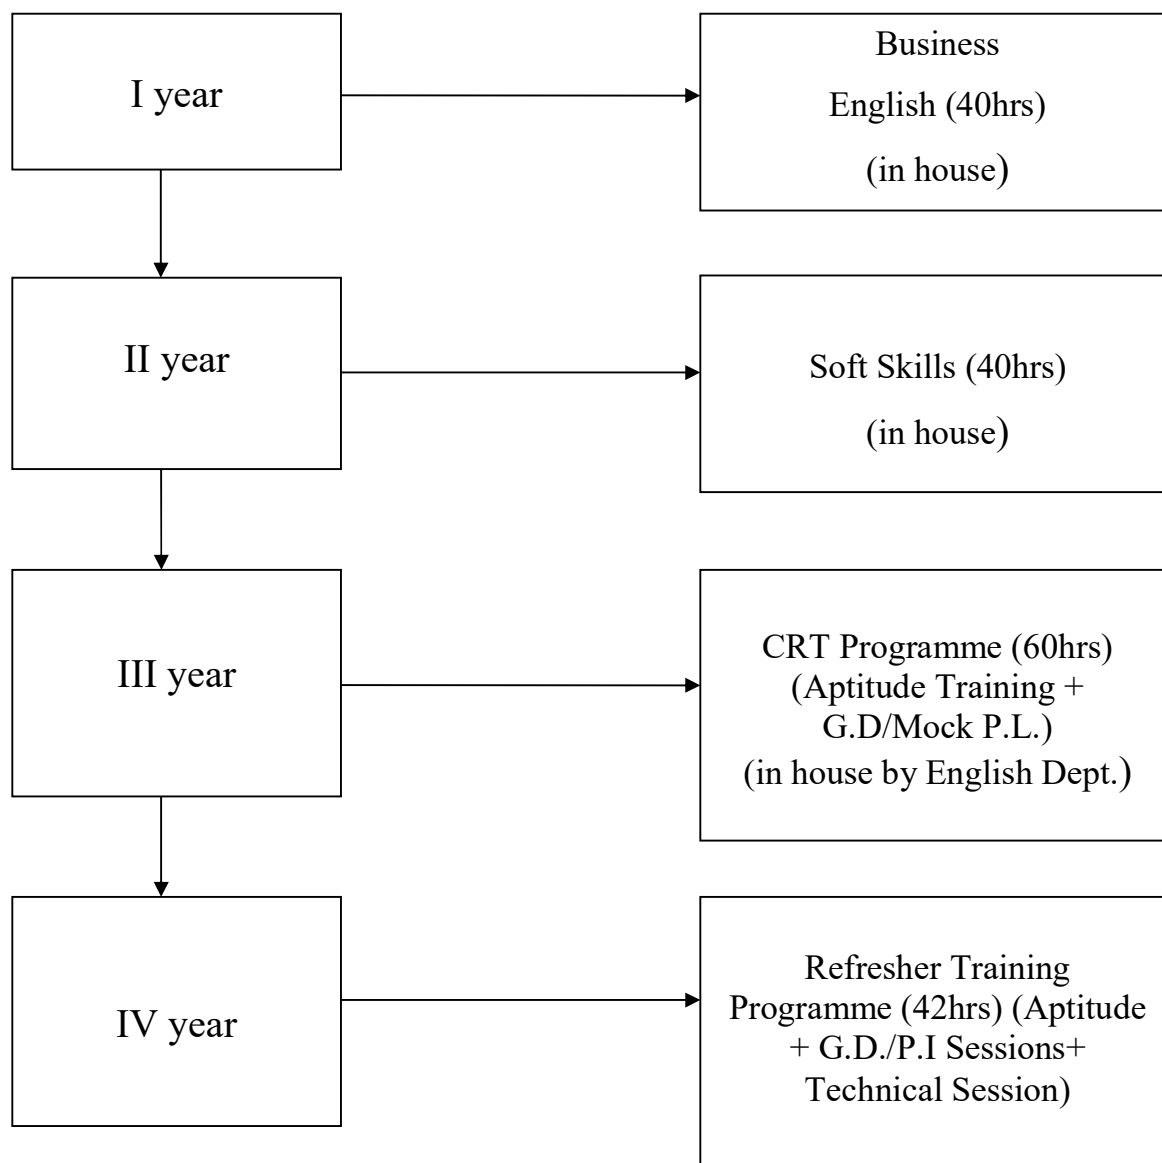

2. If a registered student gets selected in his/her Dream Company, prior to the arrival of day one company, he/she will not be permitted to participate in the subsequent campus interviews including that of day One Company.
3. All eligible registered students debarring the category as mentioned in (1) above will be permitted to participate in the campus interview of Day One Company.
4. Eligible registered students not selected under categories (1) and (2) above will be permitted to appear in subsequent campus interviews till he/she gets placed in some company. However, if a student is rejected in two consecutive campus placements he/she will have to undergo retraining prescribed by placement cell. Without undergoing retraining the student will not be permitted to appear in subsequent campus interviews.
5. No student will be allowed to seek more than one offer letter from companies other than BPOs through campus placements.
6. No student will be allowed to seek more than one offer letter from BPOs through campus placements.
7. In some exceptional circumstance the Apex placement committee may permit some or all students to appear in some renowned company.
8. Any student who has registered for any particular campus placement will have to participate seriously in all stages of recruitment process failing which he/she will be debarred from participation in two subsequent campus placements.
9. Any student furnishing false information will be debarred from that and the next campus placement.

#### 6. Future Action Plan

1. An action research plan will be prepared and based on that effectiveness of each of the modules of different trainings imparted to the students for their placements will be analysed. Based on the outcomes these modules may be revised or enlarged/curtailed.
2. For any other uncovered point the Placement Working Committee will seek guidance from the Apex Placement Committee.

## Memorandum of Understanding

This MOU is hereby signed on 27th July,2018 between T.I.M.E. (Professional Education Services) Jaipur and SKIT Jaipur regarding conduct of CRT (Campus Recruitment Training) classes at SKIT college campus.

1. T.I.M.E. will conduct CRT full-length module with students of B.Tech. 3rd year.
2. T.I.M.E will provide following CRT COURSE STRUCTURE (starting from 9<sup>th</sup> July,2018):
  - 60 hours of aptitude training (56 hours of teaching and 4 hours of testing) in phase-I covering various questions asked in Aptitude Tests of companies, specially IT companies, to be done section-wise @ 2 hours a day for 30 consecutive working days (Monday to Saturday); 6 hours of doubt-solving and feedback sessions; and 24 hours (16 hours of teaching and 8 hours of testing) in phase-II in VII semester as a refresher to be done branch-wise.
  - Comprehensive study material consisting of Books and handouts.
  - Experienced faculty members to impart the best classroom inputs.
  - Five Paper-based Comprehensive Tests to prepare students better for the respective exams.
  - In addition 20 online Mock Tests Based on TCS, Infosys etc for online practice along with some sectional tests.
  - Guidance about the selection processes followed by various companies to ensure focus.
  - Additional web-based support through user name and password to be provided by T.I.M.E. (profiles of major companies, IT & ITES Industry updates, GD topics and interview questions for practice, etc.)
3. Faculty members will come to SKIT and expenses will be borne by T.I.M.E. Jaipur.
4. Necessary tools for teaching (whiteboard,marker,projector) will be provided by SKIT.
5. SKIT will arrange basic requirements viz tea, water and suitable rest space for faculty visiting the campus for taking classes.
6. SKIT will inform necessary changes in schedule well in advance (a week before). In case of any cancellation of class same should be communicated by SKIT timely.
7. SKIT will provide Academic Calendar, Holiday list to T.I.M.E.
8. Number of batches 13 of approx 60-65 students each, within college timing between 8 AM to 2:30 PM, spread across V and VI semester.
9. The total lumpsum cost of entire training module for approx 800 students will be Rs. 30,00,000/- (Rupees Thirty Lakhs Only), inclusive of GST.
10. 25% payment to be made in advance at the beginning of the course, 25% in Sept'17, 25% in January'18 and balance 25% on course completion. Cheques to be issued in favour of **Professional Education Services**.

# REPORT ON “AAGAAZ”

Swami Keshvanand  
(1883-1972)

## & “ABHINAV AAYAM”

### ORIENTATION CUM INDUCTION PROGRAM (August 1 - 15, 2018)

**SWAMI KESHVANAND INSTITUTE OF TECHNOLOGY,  
MANAGEMENT AND GRAMOTHAN, JAIPUR**

# **SWAMI KESHVANAND JI**

## **The Apostle of Wisdom**

Great visionary, an efficient administrator, a pioneer in visualizing the need of establishing vocational education, Swami Keshvanand Ji deserves a place of high esteem among many social reformers. His noble deeds are unforgettable and a source of inspiration.

## **VISION**

To promote higher learning in advance technology and industrial research to make our country a global player.

## **MISSION**

To promote quality education, training and research in the field of engineering by establishing effective interface with industry and to encourage faculty to undertake industry sponsored projects for students.

## **OUR QUALITY POLICY**

We are committed to 'achievement of quality' as an integral part of our institutional policy by continuous self-evaluation and striving to improve ourselves.

Institute would pursue quality in:

- All its endeavors like admissions, teaching-learning processes, examinations, extra and co-curricular activities, industry-institute interaction, research & development, continuing education and consultancy.
- Functional areas like teaching departments, training and placement cell, library, administrative office, accounts office, hostels, canteen, security services, transport, maintenance section and all other services.

## *The Induction Programme: A Preface*

When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. It is important to help them adjust to the new environment and inculcate in them the ethos of the institution with a sense of larger purpose.

SKIT organized a two-week long induction program named 'ABHINAV AAYAM' from 1<sup>st</sup>-15<sup>th</sup> Aug, 2018 for the UG students entering the institution. Normal classes started only after the induction program was over. Its purpose was to make the students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculty and students, develop awareness, sensitivity and understanding of the self, people around them, society at large, and nature.

The time during the Induction Program was also used to rectify some critical lacunas. Basic Mathematics, English and Computer classes were conducted for students who were weak and had deficiency in it.

The following activities were planned under the induction program in which the students were fully engaged throughout the day for the entire duration of the program.

### **1. Physical Activity**

This initiated a daily routine of physical activity with games and sports. It started with all students coming to the campus for light physical exercise or yoga. Sessions of Zumba were also organized in the morning. There were also games at other suitable times to help develop team work and energize the students.

### **2. Creative Arts**

Every student chose one skill related to the arts whether visual arts or performing arts. The student pursued it every day for the duration of the program. These allowed for creative expression. It developed a sense of aesthetics and also enhanced creativity. Following activities were held during the induction programme:

- Drawing & Painting
- Dance (Folk and Classical)
- Vocal Music
- Instrument (Drum, Guitar and Flute)
- Dramatics
- Photography

### **3. Universal Human Values**

It got the student to explore oneself and allowed one to experience the joy of learning. To stand up to peer pressure, take decisions with courage, be aware of relationships with colleagues and supporting staff in the hostel and department, be sensitive to others, etc. A module in Universal Human Values provided the base. Methodology of teaching this content was not through do's and don'ts, but to get students to explore and think by engaging them in a dialogue. It was essential for giving exposure, guiding thoughts, and realizing values.

### **4. Literary**

Literary activities encompassed reading, writing, debating, enacting a play etc.

### **5. Proficiency Modules**

This period was used to overcome some critical lacunas that students might have had, for example, English, computer familiarity, basics of Mathematics etc. These lessons ran like crash courses, and helped the students revise the essential structures of their courses.

### **6. Lectures by Eminent People**

SKIT invited some of the most renowned speakers for inducting the new comers about various aspects of their professional and personal life. These speakers talked about the challenges, demands and needs of the student life.

#### **Some eminent people invited for lectures were:**

- Shri Rajeev Dasot, Additional Director General of Police, Rajasthan
- Prof. M. P. S. Manna, Director (AICTE)
- Prof. C. V. R. Murthi, Director, IIT, Jodhpur
- Prof. Satish Batra, Retd. Prof. Rajasthan University & Deputy Director, Bhartiya Vidhya Bhawan
- Dr. Teenna Sawhney, Soft Skill Trainer
- Mr. Amit Kappor, Director, Teoler School, Jaipur
- Mr. Atin Jain, Director, CII-Yi-YUVA
- Ms. Purna Arora, Founder Centre Coordinator, Sardar Patel University
- Prof. Harminder Singh Multani, Joint Head, CDC of SKIT

### **7. Familiarization to Dept./Branch & Innovations**

The students were taken to their specific branches and departments for a brief introduction to understand the functioning and culture of their respective fields.

The Induction Program was designed to make the newly joined students feel comfortable, sensitize them towards exploring their academic interests and activities, reducing competition and making them work for excellence, promote bonding within them, build relations between teachers and students, give a broader view of life, and building of character.

## Orientation Ceremony

**Day one** of the induction session started with a formal orientation programme. It witnessed the esteemed presence of **Shri Rajeev Dasot**, Additional Director General of Police, Rajasthan, along with a humongous gathering of freshers, faculty members & parents. The programme also show cased a variety of cultural performances from senior students. The highlight of the programme was the motivational session by the Chief Guest, Shri Rajeev Dasot. He emphasized on the need of strengthening the time tested values of time management, self respect & dignity, abstaining from peer pressure and vices and most importantly, the determination to rise in life with the help of dreams and hopes. He exemplified his own life to establish the values of integrity and discipline.

Apart from the chief guest, the Chairman, Surja Ram Meel, Director, Jaipal Meel, Director (Academics) Prof. S.L. Surana, Director (D & W) Prof. S.K. Calla also greeted the parents and students and wished them good luck for the future endeavors.

 **26°49'17.31", 75°51'57.528"**

## ABHIKRAM 2018

'ABHIKRAM' is a significant aspect of the orientation programme that is conducted every year by Prof. (Dr.) Sudha Calla, In-charge B.Tech. I Year. This year Dr. Calla congratulated the parents and students for seeking admission in SKIT. She introduced the rules and regulations of college, examination pattern, semester system and many more. She appealed to parents to take a special care about the attendance of their wards. She also entreated students to be better groomed people and to focus on everything that enhances their skills. She guided students about the culture of the institute and hoped that the students would earn a name for themselves as well as for the institute.

### **Interaction with the HoD's:**

The Heads of various departments such as Chemistry, Mathematics, Physics and English, interacted with the students and briefed them about the various activities being conducted. Prof. (Dr.) Archana Saxena, Head, Department of Chemistry briefed the students about various activities and clubs conducted by the dept. Prof. (Dr.) Rohit Mukherjee, Head dept. of Mathematics encouraged students to develop a habit of maintaining lecture notes and inculcating regular studies in their daily routine. Dr. Neerja Saraswat, Head, Department of English highlighted the value of English Communication for professionals. She also motivated the students to take part in club activities. Prof. (Dr.) R.K. Jain, Head, Dept. Of Physics, brought to light the value of Physics for engineering students and entreated the students build on their knowledge capital.

 **26°49'17.31", 75°51'57.528"**

## Yoga & Zumba

Fitness is the key of opening all other avenues of life. Realizing this need of the hour, the 1 year induction programme hosted special morning session for **Yoga & Zumba** practice. Many of the students immediately realized the missing factor of health and fitness in their lives and pledged to embrace it daily. The **Yoga** session were conducted by **Mr. Satveer Singh** from SKIT and the **Zumba** sessions were conducted by **Ms.Indu Yadav**, owner of Robust Gym and Lifezone Fitness Studio.

Dr. M.P.S. Manna, Director AICTE was also present on 7<sup>th</sup> August 2018 during Yoga Session.

 **26°49'20.406", 75°51'56.844"**

**Lecture by the Chief Proctor:** Prof. (Dr.) Amber Srivastava, Chief Proctor, SKIT delivered his introductory lecture about the culture of discipline at the institute. He firmly affirmed to the fact that discipline is a core quality of SKIT family and that no compromise is entertained on this front. He mentioned that the institute has been able to reach heights and glories because of this kernel principle. He entreated the first year students to partake in the mission and contribute being disciplined from their ends.

**Lecture by the Chief Counsellor:** Prof.(Dr.) Sangeeta Vyas, the Chief Counsellor inducted the student about the special batch counselling system that SKIT has nurtured since its inception . For every set of 30 students, there is a batch counsellor who looks after the attendance as well as academic record of students. The counsellor is a connecting link between the parents and the institute. Prof. Vyas also explain that the batch counsellor is both the mentor and guardian of the students. Prof. Vyas encouraged students to be in regular touch with their respective batch counsellors and maximise their comfortable stay with the institute.

 **26°49'17.31",75°51'57.528"**

**MOVIE SCREENING**

During Induction programme a special movie screening was organised on 2<sup>nd</sup> August 2018. The movie shown was **NIL BATA SANNATA**, through which the students were educated regarding the fact that everything is possible with determination. Family background does not hinder the progress if determination to the achieve goal is strong. All the students enjoyed the show and thanked the organizers for selecting such an engrossing movie.

**Lecture by the Chief Librarian:** Mr. D.R. Bhincher, the chief librarian of SKIT spent some valuable moments with the fresh entrants and shared the necessary details about the central library. He gave details about the range of books and journals available, library hours , facilities for students as well as the rules and regulations of the library.

 **26°49'21.09",75°52'2.412"**

 **26°49'21.09",75°52'2.412"**

 **26°49'22.65",75°52'0.234"**

## Guest Lecture by Prof. M.P.S. Manna

Dr. M.P.S. Manna, Director (AICTE) visited the institute for his motivational session on 7<sup>th</sup> Aug, 2018. He expressed his gaiety about the way the induction programme was taking place at SKIT. During his speech he also gave certain rules for students life. He touched upon the unsaid aspects of relationship between parents and children. He exhorted the value of dreaming big in life and left all present spell bound by his great oratory skills.

## Guest Lecture by Dr. Teenna Sawhney on "Soft Skill"

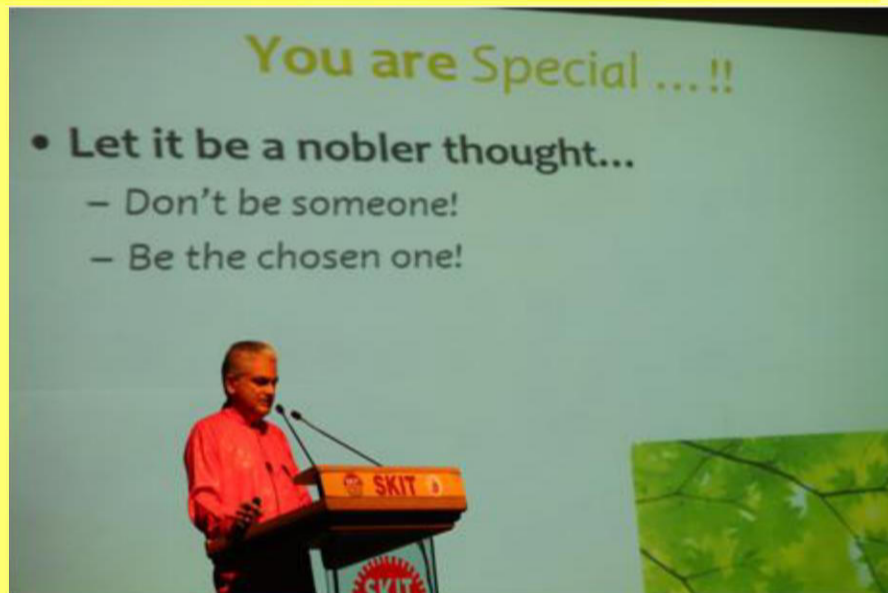

Dr. Teenna Sawhney, a soft skill trainer by profession, enlightened the first year students on 10<sup>th</sup> August about the relevance and importance of soft skills for engineers. Drawing examples from her illustrative career Dr. Sawhney explained the nuances of professional ethics to the freshers. The session ended with a brief question and answer round.

 **26°49'17.31", 75°51'57.528"**

## Guest Lecture by Prof. C. V. R. Murthi

Prof. C. V. R. Murthi, Director, IIT, Jodhpur was a special guest on 14<sup>th</sup> August for the lecture series that took place during Induction Programme. Prof. Murthi, instilled among students the importance of discipline in a student life and with the help of various anecdotes and his childhood narratives, tried to establish the various success mantras. He emphasized that the only thing that can push or withdraw someone is his/her own will. He mentioned that an engineer should be able to benefit a larger canvas for society. Anyone who contributes to mankind is a real technical professional.

**Career Counselling session by Prof. Harminder Singh Multani:** Prof. Harminder Singh Multani, Joint Head, CDC of SKIT, addressed the I year students on crucial issue of employability skills. He informed the students about the pre requisites of placement drives and maintained that in the robust competitive era, one needs to be proficient in several skills in order to get a good opportunity. He emphasised on developing impressive communication skills, because that is the first reflection of one's potential. The session ended with a insightful question-answer round.

 **26°49'17.31",75°51'57.528"**

## Guest Lecture by Dr. Satish Batra on "How to Study"

Dr. Satish Batra was invited as the second speaker of the day i.e. on 9<sup>th</sup> Aug., 2018. Dr. Batra displayed through his enriching presentation, a variety of life skills and instances of common examples from the newspaper about people who defined all hardships and soared high in their life.

## Guest Lecture by Mr. Amit Kappor

Mr. Amit Kappor, Director, Teoler School, Jaipur was one of the invited speakers on 11<sup>th</sup> August 2018 for the induction session. His topic was "An Ingenious Transition from School to College Life". Mr. Kapoor focused his talk on the principles of reinventing oneself again & again, getting inspirations from success stories and keeping ourselves ready for new challenges.

 **26°49'17.31", 75°51'57.528"**

## Orientation To CII-Yi-YUVA

### 360° Leadership Programme

An orientation programme about CII Yi YUVA was organized on 7<sup>th</sup> August, 2018 and hosted many dignitaries from the Yi YUVA hierarchy. Mr. Atin Jain gave a presentation to the fresher's and highlighted the networking opportunities & benefits that students could avail by becoming member of the programme. Ms. Abba Meel advisor SKIT was also present on the occasion.

## INDUSTRY ACADEMIA CONCLAVE

A memorandum of understanding (MoU) was signed between SKIT and employers association and Bharadwaj foundation on 4<sup>th</sup> August 2018 to strengthen the opportunity of campus placement of students in the industries of Rajasthan as well as to help the students enhance their skill by providing opportunities for training during B.Tech. courses.

 **26°49'17.31", 75°51'57.528"**

## Club Orientation Programme

To inform the students regarding activities of the clubs, a club orientation programme was organized for first year students on 8th August 2018 at Gyan Mandir Auditorium in SKIT. In this program, student coordinators of various clubs gave a brief introduction on working of their clubs and the details of events conducted by respective clubs. Thirty two clubs participated in it and represented themselves with the help of presentations and videos.

Apart from the presentations, each club shared their registration forms link for enrollment into club activities.

## ROAD SAFETY AWARENESS CAMPAIGN

A 'ROAD SAFETY AWARENESS CAMPAIGN' was organized on 13<sup>th</sup> August 2018 to sensitize and impact youth, igniting in them a sense of responsibility to curb road accidents. The seminar was addressed by Ms. Perna Aroara Singh, Founder Centre Coordinator, Sardar Patel University at 1.30 PM in JC Bose Seminar Hall.

 **26°49'17.31", 75°51'57.528"**

## SPIC MACAY:DHRUPAD

SPIC MACAY is a non-political, nationwide, voluntary, voluntary movement. SPIC MACAY's intention is to enrich the quality of formal education by increasing awareness about different aspects of Indian culture heritage and young minds to imbibe the values embedded in it. From the contribution of SPIC MACAY SKIT, a program of DHRUPAD was presented by Padma Shri Ustad FAIYAZ WASIFUDDIN DAGAR on 6<sup>th</sup> August 2018.

## Independence Day Celebration

Independence Day was celebrated on the ground of SKIT campus. The Chief Guest of the occasion was Mr. Shishir Banerjee, All India Chairman of the Institution of Engineers (IEI) and 95 years old Retired Indian Army officer, Shri Purshottam Lal Nayyar also grace the occasion. The programme started with unfurling of the National Flag followed by National Anthem. There was a feeling of National Pride amongst the student. To make the day vibrant students gave dance & music performances. Nukkad Natak on 'Swacha Bharat Abhiyan' was played. Mementoes were also distributed to the students of winners and runner teams of various Inter College Sports Meet.

26°49'17.31", 75°51'57.528"

## Creative Arts

Creativity is the most inherent terrain of a person's life. It needs constant nurturing and encouragement. The induction programme included a host of creative activities such as dance, music, dramatics, vocal training, sports, art, painting and photography etc for the new entrants. The best part of these activities was the mentor-mentee role. The senior students played the mentors' role for their juniors.

Notice

June 27, 2018

*As discussed in the meeting of AMC held on June 15, 2018 under agenda item no. 8, to strengthen the training & placement activities and also to improve the required counselling and mentoring system, all concerned may kindly note that following faculty members from various departments has been assigned the responsibility for the same.*

*It is expected that the new mechanism will be helpful in further improving the placement figures and will also be supportive to guide our students for a better career. Each mentor will be taking responsibility of the allotted students for improvements in their performance in all respects. I am sure that the new approach will be able to create more interactive and lively student-teacher relationship.*

***Mentor-Mentee System for Training and Placement:***

Through a strong network of Mentors and Mentees, the institute empowers and prepares students for placement opportunities. This Mentor-Mentee program works on goal setting, analyzing the needs and aspirations of the mentees. It functions through three stages:

1. The first stage is goal setting. This stage entails assessing the mentees' current standards through initial interviews and mock tests. The second level of initial scanning comes through their academic records.
2. Goals are set based on mentees' aspirations about jobs in Pvt/Public sector, self-employment, or further studies.
3. The second stage is about counseling. This stage entails providing timely counseling about incoming career opportunities, regular mock interviews, and CRT training.
4. The third stage comes through stringent monitoring of the mentee's progress. The mentees are also provided with extra training by outsourced trainers who regularly examines and analyses the mentees' progress report.
5. The Training and Placement cell organizes expert talks, sessions with the industry, and sessions with successful alumni to provide a practical first-hand experience to the mentees.

**6<sup>th</sup> February, 2019**

The Department of Management Studies, SKIT invited Mr. Pankaj Raja Ramani, CEO, Speed Technologies to deliver an expert talk on “Career Prospects in Marketing” on 6<sup>th</sup> February, 2019. The session started with the brief introduction of sale and marketing as a job profile. He shared many inside stories which helped students to learn the facts. He showed many video clippings related to marketing that how actually they attracted their customers and what are the strategies they were using at the time of sales.

He also showed Inspirational videos of companies which actually motivates the youth specially students and tends them to think marketing as a career prospects. He explained to the students that how to break the clutter i.e. Advertising by keeping in mind three major things, which are:

- Doing unexpected
- Do it first, embed in popular culture
- Building brand memory structure

He discussed with students about the concept of “build asset on your brand” by logos, music, icons, and never let them go, as they help customers to remember your products. He explained students that marketing has lots of career path.

In the later part of the session, he explained various job profiles offered to marketing students and the certifications which can be done along with MBA to obtain an edge over others. Students interacted in the session with keen interest and raised questions about how to make career in the field of sales. In the end, He responded to the questions of students. Students were very enthusiastic and energetic throughout the session.

## **SUMMARY REPORT**

for

### **Expert lecture on Preparation of GATE Exam**

This lecture was delivered by Mr. Prabho Dayal, ITS Officer. The lecture was aimed for students of B.Tech VII<sup>th</sup> Semester.

This lecture gave the tips to students on preparation of GATE Exam that would help the students to get a better understanding for preparation of exam. Mr. Dayal also guided the students on following points:

- Check the past year papers and exam analysis.
- Divide the Topics broadly into Strong, Weak and to be read properly.
- Keep daily, weekly and monthly targets. Try to adhere to them as far as possible.
- Next schedule your preparation such that you revise the easy ones along with the tough ones and the “never read before” ones.
- Check the weightage of subject by all means and understand the important topics.

The lecture gave a direction of preparation to the students. All the topics were well explained and all the queries of students were solved to the very best.

**Enhance Learning”**  
**August 31<sup>st</sup>, 2018**

The Department of Management Studies, SKIT invited Prof. Harsh Vardhan Harsh, Professor, Amity University to deliver a expert talk on the topic “E-learning Resources for Management Students and their Utilization for Enhance Learning” on 31<sup>st</sup> August, 2018. Prof. Harsh highlighted that learning has completely transformed the way in which learning is imparted to students. Unlike traditional chalk and board method of teaching, e-learning makes learning simpler, easier and more effective. Further he explained that eLearning, or electronic learning, is the delivery of learning and training through digital resources. Although eLearning is based on formalized learning, it is provided through electronic devices such as computers, tablets and even cellular phones that are connected to the internet. This makes it easy for users to learn anytime, anywhere, with few, if any, restrictions. He also urged that eLearning, or electronic learning, is the delivery of learning and training through digital resources. Although eLearning is based on formalized learning, it is provided through electronic devices such as computers, tablets and even cellular phones that are connected to the internet. This makes it easy for users to learn anytime, anywhere, with few, if any, restrictions. There are some of the reasons why the learning time is reduced by eLearning:

- Lessons starts quickly and also wrapped up in a single learning session. This enables training programs to easily roll out within a few weeks, or sometime even days.
- Learners can define their own speed of learning instead of following the speed of the whole group.
- Saves time as a student does not need to travel to the training venue. You can learn at the comfort of your own place..

**Expert Lecture on**  
**“Branding-Prepare for the Best”**  
**August 18<sup>th</sup>, 2018**

The Department of Management Studies, SKIT invited Ms. Mahima Maheshwari, CEO, ThumboGraph to deliver an expert talk on the topic “Branding-Prepare for the Best” on 18<sup>th</sup> August, 2018. Ms. Mahima said that the brand communicated should be a true reflection of an institution's identity and one which existing staff and students can unite behind. Failure to deliver on the promise of your brand could create cognitive dissonance which could damage reputation instead of attracting students from competitors. Further she explained a personal brand isn't that much different from a business brand. Building up a personal brand has a ton of benefits, both personally and professionally, and it can help open many doors for you in the future. She mentioned that a personal brand is the unique combination of skills and experiences that make you who you are. It is how you present yourself to the world. Effective personal branding will differentiate you from the competition and allow you to build trust with prospective clients and employers. The students vibrantly participated in the discussion and raised questions which were well addressed by the panelists.

**Expert Lecture on**  
**“Young Entrepreneurship”**  
**August 10<sup>th</sup>, 2018**

Entrepreneurship is known to be a driving force behind economic growth in recent years. Some of the world's most popular products and everyday items were created by entrepreneurs. They started off as simple ideas that needed a well-organized plan and funding to see it off toward success. There are wealthy business owners that started off with an idea and little or no money. Keeping this in mind the Department of Management Studies, SKIT organized a Guest Lecture on the topic “Young Entrepreneurship” on 10<sup>th</sup> August, 2018 for the students of MBA. C.A. Raman, Co-Founder, Darvin Android Developers & R-Raman Sharma & Co. Pvt. Ltd was invited as our distinguished guest. He explained about the need for entrepreneurship and entrepreneurial Marketing strategies to the participants and the advantages of being your own boss. He motivated all the participants to look for other avenues other than searching for job after college. Further he mentioned that Entrepreneurship is more than just starting a business. He explained that educators teaching entrepreneurship to younger generations. With lessons rooted in entrepreneurship, youth are learning creative thinking, problem solving, financial savvy, and other critical life skills that prepare them for the future. He also discussed different strategies which entrepreneurs are making to attract customers like free deliveries, exchange policies, discounts through their online apps, concessions on first order etc. Students wanted to know how to spot opportunities and how their education helped the young entrepreneurs with planning, financing and managing their businesses. They conveyed the importance of proper planning and structured learning through education. A short quiz on famous personalities was also well received by the students. The session ended with a question answer round. The session was informative and interactive.

**August 9<sup>th</sup>, 2018**

The Department of Management Studies, SKIT organized a Guest Lecture on the topic “Scenario of MBA Education Prospects & Career Opportunities” on 9<sup>th</sup> August, 2018 for the students of MBA. Prof. A. K. Sharma, Head, Department of Business Administration, University of Rajasthan was invited as our distinguished guest. The session focused on the importance of MBA education in the career opportunities. Prof. Sharma laid special emphasis on the need and importance of doing a MBA and how a MBA degree coupled with other skills helps in propelling the student’s career in an industry. The lecture was to guide and appraise the students regarding corporate requirements so far placement activities are concerned in today’s environment and encourage the students in their analytical thinking. Further he explained what skill set is required in corporate world. He also explained that students must ready to face the challenges and grab the opportunities on their job. Learning can be enhanced only with practice.
