LETTER OF RECOMMENDATION

To whomsoever it may concern:

This is to certify that Yash Vardhan Sharma has successfully participated in the UNITED NATIONS SECURITY COUNCIL simulation at BITS Model UN 2018, held from February 02, 2018 to February 04, 2018, representing Uruguay. I was initially impressed with Yash's enthusiasm, communication skills and professional presentation skills when I saw him in committee. Throughout the duration of the simulation he displayed dynamic approaches to solving a matter of international concern.

Yash is reliable, dedicated and eternally upbeat. His ability to adapt to unfamiliar situations is unparalleled, and it is because of his excellence in this area that I am focusing on this point that he serves to be a perfect learner of diplomacy. Yash multitasks effectively and is able to handle a high-volume workload. He consistently met all deadlines in committee and showed tough diligence towards his commitment to learn the ways of an UN diplomat.

The Security Council of the BITS Model UN 2018 was simulated in the provisional procedures of the UNSC and thus, Yash would hence be termed proficient in the provisional procedures of the Security Council.

Organized and diligent, Yash quickly learned the provisional rules of procedure of the UNSC and the methods of working in the United Nations that were unfamiliar to him when he first started the simulation of the committee, and he also displayed unparallel professional courtesy throughout the duration of the conference. I recommend him to any Model UN conference in the capacity of any form of participation and further I recommend him to any educational program involving international law and specialization in international relations.

Yash is a hardworking, top-performing acting representative. He has my highest recommendation, and I am happy to furnish more details if you would like additional information.

Sincerely,

Soumya Basu
